# 10 reasons

why you should study at the University of Gloucestershire

1

**95% of our graduates find jobs** or further study within 6 months of graduating.

(DLHE 2016/17)

2

We are in the **top 5 in the UK** for International Student Support.

(International Student Barometer 2017)

3

We have been awarded **Silver in the Teaching Excellence Framework**.

(Office for Students 2017)

4

We are a **top 10 UK university** for high-quality staff and lectures.

(Times Higher Education Student Experience Survey 2018)

5

Our students benefit from **superb industry links** – over 3,000 complete a work placement or internship every year!

6

**We are green!** We were ranked **2nd in the 2017 green university league**.

(People and Planet University League 2017)

7

**We've invested!** We have **£20 million of brand new developments** across our campuses.

8

We have **14 Teaching fellows** which means our students get the best quality lecturers and academics whilst studying.

9

We are not a large university, which gives students a much more **intimate study experience**. On average there are 19 students to every teacher here.

(The Guardian University League 2019)

10

We have campuses across two locations, the **beautiful regency town of Cheltenham** and the **historic city of Gloucester** (pictured).

**“It was during my placement as part of my course that I realised I wanted to work in advertising and since graduating, I’ve worked in Malaysia for top agencies J. Walter Thompson and BBDO.”**

**Syza Abdur Rahman,**  
Visual Communications graduate  
(Malaysia)

# Your Future Plan

We want you to have the time of your life while you’re here, but we also want you to leave feeling ready for the next step.

Whether you know what career you want to progress into or you’re not sure yet, we support you to explore all your options, clarify your goals and develop the skills you need to progress through Your Future Plan.

## **The trips you take**

From field trips to international placements, these are the defining moments of your degree. They will shape the way you think about your world, your place in it and where you want to take your career.

## **The clubs you join**

If you’re looking to meet new people and fill up your social calendar, why not get involved with our clubs and societies? It’s a great way to try out a new sport or activity. You can also become the club president or social secretary to really make yourself stand out from the crowd.

## **The brands you work with**

From the BBC to Superdry, if you want to work with big brands, we’ve got the connections to help make it happen.

## **The time you give back**

Use your time at university to volunteer and show the world what a rounded, ambitious and exceptional person you are. With more than 10,000 hours of volunteering on offer a year, you’ll have the opportunity to enhance your CV and explore something completely new.

# Learn from the best

Our lecturers are award-winning, industry-experienced and there to support and challenge you, throughout your degree.

From **Sky Sports** commentators and sports therapists for **David Beckham** and **Athletic Bilbao**, to artistic directors for **Vogue** and **Oscar**-shortlisted filmmakers, our staff are the best in the business!

## Personal tutor

We guarantee you support to ensure you make the most of every opportunity while you are here at the university. You will have your own personal tutor who will support you throughout your time with us.

They will work with you to identify a range of exciting opportunities that will enable you to achieve your future aspirations.

**“The lecturers and amount of help and support they give you are great. Their willingness to create time for my benefit is what I liked best about my course.”**

Mary Kolawole, Law graduate (Nigeria)

**We are proud to have been awarded Silver in the inaugural Teaching Excellence Framework**

(TEF 2017)

**We are a top 10 UK university for high-quality staff and lectures**

(Times Higher Education Student Experience Survey 2018)

**“I love that my research into crime can change things in the real world and that I can bring those results into the classroom.”**

Dr Jane Monckton Smith,  
Senior Lecturer, Criminology

Adviser to the police and government on homicide prevention and domestic abuse.

# Put learning into practice

## Industry links and placements

Every year, our students complete over 3,000 work placements and internships. From Superdry, Cheltenham Festivals and GE Aviation to the BBC, Sky News and Universal Music, our students get the opportunity to work with local companies and international brands alike.

## Media

Learn from BAFTA-award winning filmmakers and Oscar shortlist nominees as well as putting your skills into practice for the *X-Factor*, the BBC and Channel 4 and 5. Animate the next story at Disney, report for Sky News, or perform at music festivals.

## Business

An optional international trip is available for of all our business degrees. Whether you're investigating international law in the Hague and Strasbourg, developing management skills in resorts and hotels across the USA, or meeting company executives in Milan or New York, you'll gain global business experience.

## Computing

Our computing students compete for blue-chip placement opportunities at Intel, Hewlett Packard and Volkswagen, investigate cyber-crime for Zurich Insurance, and broaden their skills as games developers and designers at Eurogamer, Rancon, Microsoft Rare and Codemasters.

## Education

With over 400 local schools, nurseries and children's centres to choose from, our education students gain experience on a variety of placements. We offer a mixture of settings too, from small village institutions to big city academies, to help you decide where you'd like to work when you graduate and create useful links.

## Health and Social Care

You'll develop your skills in a variety of healthcare settings, including hospitals, mental health institutions, private care, social work teams, charities and community-based recovery teams.

## Liberal and Performing Arts

Our students take their craft out of the classroom, working with Broadway actors in New York, touring at Edinburgh Fringe Festival, writing for the Cheltenham Poetry and Literature festivals, or exploring religious and historical sites in Córdoba, Spain.

## Natural and Social Sciences

Develop your knowledge and skills on placements across the globe, whether it's investigating criminal justice systems in Canada, researching climate change in the Swiss Alps, analysing ecosystems on safari in South Africa, or even studying behaviour and wellbeing in victim support services and mental health centres.

## Sport and Exercise

Diagnose injuries and rehabilitate athletes on placements for chartered physiotherapists, cardiac rehabilitation units and England ice hockey teams. Develop advanced coaching skills with Athletic Bilbao and Gloucester Rugby, or choose from our 45 education providers and community sports clubs to experience teaching and coaching first-hand.

## Art and Design

**“I want to make things, I want to design stuff - here I get that knowledge.”**

**Mohammed Aladwani**, Fashion Design student (Saudi Arabia)

Our Art and Design students can be found working on live briefs for creative agencies like ASOS or Terrapin Bright Green in New York, exhibiting their work at international festivals and galleries, or photographing for Cheltenham-based, global fashion brand Superdry. They also benefit from guest speakers, including art directors for *Vogue* (UK), *GQ* magazine and fashion designer Paul Smith.

*Placements can be part of the course, outside the course, paid or unpaid and we have a placement team who can help you with applying. Additional costs for trips may apply and destinations are subject to change. See course webpage for details.*

## Top 5 UK university for international student support

(International Student  
Barometer 2017)

# Outstanding student support

To make your move to university as easy as possible, and to help you get the most out of your student experience, we offer a range of services, information and support.

### Financial support

Finance advisers in our Money Advice team can offer guidance on all aspects of student funding and advice on budgeting.

If you have any queries about your fees, please email our income team at [incometeam@glos.ac.uk](mailto:incometeam@glos.ac.uk) or visit [www.glos.ac.uk/money](http://www.glos.ac.uk/money)

### Helpzones

Our Student Services Helpzones can:

- provide confidential advice, support and guidance
- advise on academic progression and regulations
- support you with accommodation issues
- help you register with a doctor
- offer you study skills/assignment writing advice and guidance.

Visit [www.glos.ac.uk/support](http://www.glos.ac.uk/support), call **01242 714444** or email [helpzones@glos.ac.uk](mailto:helpzones@glos.ac.uk)

### Disability/specialist support

Our Disability, Dyslexia and Learning Support Service offers confidential, one-to-one support for students with disabilities, learning difficulties and medical conditions.

We can help with:

- advice on diagnosing specific learning difficulties such as dyslexia, dyspraxia or dyscalculia
- support with applying for the Disabled Students' Allowance (DSA)
- advice on disability access
- awareness training
- academic support
- accessible travel
- liaison with academic staff and student services regarding support needs.

### Faith and spirituality

The chaplaincy team is here to provide support and a listening ear for students of all faiths and none. Each campus has a welcoming Faith Space where students can drop in for tea or coffee, or just enjoy a quiet place to sit. We also offer a varied programme of activities including regular prayer, meditation and mindfulness, interfaith dialogue, Bible study and other discussion groups.

[www.glos.ac.uk/faith](http://www.glos.ac.uk/faith)

## Exceptional support staff were ranked top 20 in the UK by our students

(WhatUni Student Choice Awards 2018)

# Your Students' Union

Our welcoming and supportive campus environment allows you to get fully involved in university life.

We have lots of societies that you can join to make friends and settle into life in the UK, including our International Society. We also host a weekly International Café, where you can meet other international students.

Led by students for students, we're here to ensure you have an excellent student experience by providing support, representation, activities, advice, opportunities and jobs.

## Societies

With over 70 societies to choose from, there's something for everyone, from Afro-Caribbean and Dumbledore's Army to LGBT+ and Pokemon Go. Plus if you can't find exactly what you want, the Students' Union will help you start your own society.

## Sports and clubs

Compete, train or just have fun. Choose from over 45 sports clubs, including everything from football, rugby and rowing to kendo, lacrosse and futsal.

## Student reps

The Students' Union runs its very own representative system, which ensures your views and interests are heard. You can take part in this system by becoming a subject or course rep or a full-time or part-time officer.

## JobShop

The Students' Union JobShop is there to help you to find yourself a part-time job to help support your studies. This is a great way to earn some extra cash and will also help you develop skills for your CV.

# Location

Location is a big factor when choosing a university. When you're starting out somewhere new there's lots to discover. Whether you're looking for live music, festivals, great places to eat and drink, chic boutique shopping or beautiful hills to climb and forests to explore, Gloucestershire has the perfect balance of British culture, old and new.

## Cheltenham

### Explore

From theatre and fashion, to Art Deco swimming baths, Cheltenham is at the heart of British culture. With its classic architecture, café terraces and boutique shops, the tree-lined promenade is the ideal place for relaxing and shopping. Further down town, you can catch a film with friends at an IMAX cinema, go bowling and adventure golfing, or enjoy the best of British cuisine in one of the many restaurants.

### Nightlife

Cheltenham has over 500, pubs, clubs and bars. Enjoy student nights out dancing, listen or perform at live music venues across the town, and discover a secret bar!

### Festivals

There are over 45 music, art, science, food and literature festivals every year, that's almost one a week! The town is also home to the world-famous Cheltenham Racecourse, which attracts celebrities and royals amongst its 250,000 visitors every March for the Gold Cup.

To find out more about Gloucestershire visit our interactive map at [www.glos.ac.uk/gloucester-map](http://www.glos.ac.uk/gloucester-map)

## Gloucester

### Explore

Experience British sport at its best in the historic rugby stadium, Kingsholm, step into the world of Harry Potter in the Gothic cathedral, which starred as Hogwarts in the film series, or take a stroll along the renovated Victorian dockside - Gloucester Quays. The Quays is home to an outlet shopping centre, which includes high-end brands such as All Saints, Nike, Levis and Calvin Klein, microbreweries, bars, restaurants, a cinema and food festivals throughout the year.

### Nightlife

The Docks are a great way to start the evening; sit outside next to the river at Gloucester Brewery or go dancing in one of the city centre's many clubs or bars.

### Adventure

Make your sports extreme at Gloucester's very own dry ski slope, scale the heights in an impressive indoor climbing centre or go kayaking and paddle-boarding along the River Severn.

## Gloucester is the 2nd friendliest city in the UK

(Business Insider UK 2017)

**“Gloucestershire is a great place to live. It has so many amazing places to visit and explore and it's a really nice place to just hang out with friends - the people are very friendly.”**

**Vu Hung Le**, Education PhD student (Vietnam)

Nearby, the Forest of Dean and Cotswolds offer a whole host of activities in the great outdoors, from gentle walks in the woods and hills amongst the local boar and deer, to mountain climbing, zip-wires and caving. You can take in spectacular views from the hills, visit castles and quintessentially English villages, or explore the set of *Star Wars: The Force Awakens* at Puzzlewood.

# Our campuses

The University of Gloucestershire has three campuses, two in Cheltenham and one in Gloucester. Each has its own distinctive atmosphere and subject areas taught on campus.

## Oxstalls campus

- 15 minutes' walk from Gloucester city centre and station

Located in the heart of Gloucester, Oxstalls is home to our Performing Arts and Events Centre, brand new sports arena, top-spec nursing facilities and School of Business and Technology.

Here, our students train and compete with elite athletes, perform and produce shows, work alongside real businesses and gain valuable industry connections. This is a high-energy campus of forward-thinking and competitive students.

## Francis Close Hall campus and Hardwick

- 10 minutes' walk from Cheltenham town centre  
- 20 minutes' walk from Cheltenham Spa station

Referred to as 'the Hogwarts campus' and known for its community feel, Francis Close Hall (FCH) is a truly inspiring place to study.

Home to our health and social care, liberal arts, education and natural and social sciences courses, this is a campus of ground-breaking research and modern theory. Complete with Gothic library and chapel, FCH allows our students to take inspiration from the old to create something new.

## Park campus

- 20 minutes' walk from Cheltenham town centre  
- 15 minutes' walk from Cheltenham Spa station

Originally laid out as a zoological garden with its own lake and elephant walk, Park campus is far from quiet.

Home to our high-tech Media Centre, state-of-the-art Computing and Technology Suite and brand new Design Centre, this campus has a real buzz. Our creative hub of artistic and innovative thinkers inspire each other, collaborating on projects while hanging out in the beautiful grounds.

# INTO academic pathway programmes and English language

## INTO University of Gloucestershire

INTO University of Gloucestershire offers a range of courses, from pre-sessional English courses and Foundation courses, to top-up degrees, that are proven to help students just like you progress to undergraduate and postgraduate degrees in the UK.

The INTO Centre also offers a number of English language courses for professional or everyday use, or to help you meet your IELTS requirements for your course.

Our friendly student experience team is here to support you throughout your study – they can help with anything from accommodation to feeling homesick and you will have a personal tutor who will be able to support you with any academic questions you may have.

The INTO Centre is located at Park campus. This is where teaching takes place and where you can find the student support and teaching team. The student support team are the people you will meet first. They are the people who will help you before you arrive by arranging your accommodation or a taxi to meet you at the airport. You can stay in student halls either on the Park campus or very near, or in homestay with hosts inspected by our student support team. For more information visit: [www.glos.ac.uk/life/accommodation](http://www.glos.ac.uk/life/accommodation)

They are also here to support you during your stay here and can help you with, for example, opening a bank account, arranging a doctor's appointment, visa applications, etc. They also organise the social activities and the student induction programme when you arrive, including a tour of the campus and the town.

For more information about INTO University of Gloucestershire please visit [www.glos.ac.uk/study/international/pages/into-centre.aspx](http://www.glos.ac.uk/study/international/pages/into-centre.aspx)
