The first steps to your future.

Ontario Tech University proudly acknowledges the lands and people of the Mississaugas of Scugog Island First Nation, which is covered by the Williams Treaties.

We are situated on the Traditional Territory of the Mississaugas—a branch of the greater Anishinaabeg Nation—which includes Algonquin, Ojibway, Odawa and Pottawatomi.

Some
questions are
best answered

“

Ontario Tech provides the critical support students need to transition from a learning environment into the industry. The university connected me with industry leaders and ensured I was ready to present myself to future employers. I felt prepared to enter the workforce and my solid foundation allowed me to seamlessly transition into my career, and quickly make an impact.

JILLIAN RUTTAN-MORILLO

Nuclear Engineering and Management, Class of 2014
Technical Engineer/Officer, Ontario Power Generation
from Canada

Where we are

ontariotechu.ca/international

Oshawa

We are located in Oshawa, Ontario, in the heart of the beautiful Durham Region and in the Greater Toronto Area, Canada's multicultural centre.

Average temperatures

☀ Summer: 25° C | 77° F

❄ Winter: -8° C | 18° F

Greater Toronto Area

We are located less than an hour's drive from Toronto—Canada's largest city. Because we are so close to Toronto, you can enjoy some of Canada's most popular tourist destinations or take in a professional sports game.

Toronto is one of the world's most diverse cities with 49 per cent of its population born outside of Canada. This diversity is reflected in the many ethnic neighbourhoods, the multicultural cuisine and annual festivals celebrating different cultures.

Canada

The United Nations consistently ranks Canada as one of the top places in the world to live.

With a population of more than 35 million, Canada is home to many different cultures and ethnic groups.

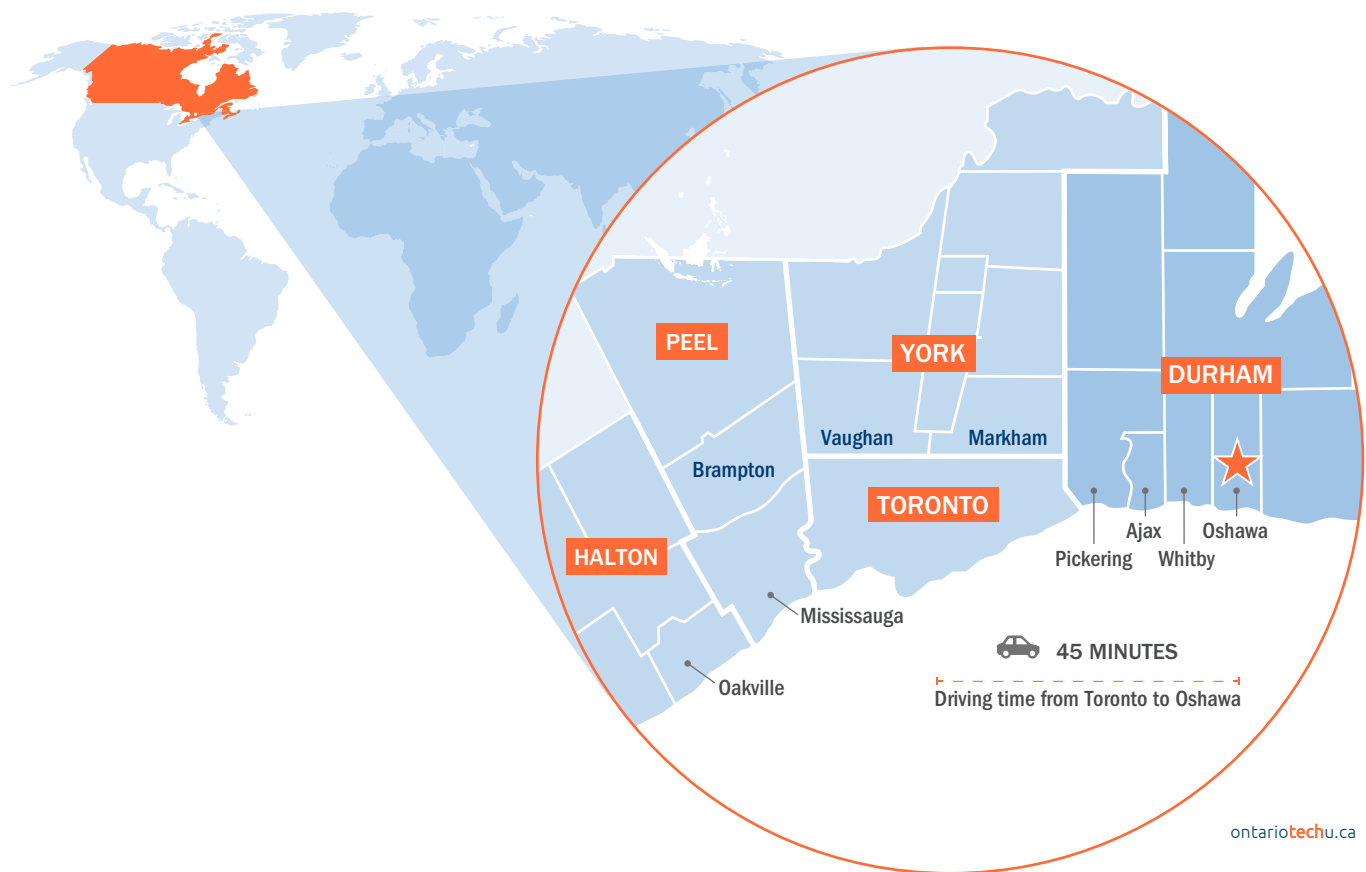

“

The university is located in a great spot! Oshawa has lots to offer—a large mall, a beach, museums, nature trails and conservation areas, historical sites, and so much more. Oshawa is very connected. You can get around in the city, and other places in the Durham Region and the GTA very easily. I think Oshawa is a nice place to live, giving you the best of both worlds—a big city with a small city feel.

Experiential Learning

We have a long history of delivering successful work-integrated learning to our students to ensure you're well prepared for the workforce. These activities enrich your learning, and promote intellectual development, teamwork, communication abilities, technical experience and other professional skills.

What are the benefits?

- More than 300 industry and community partners to help you build your resumé.
- Earn money while you earn credits.
- Enhance your skills and gain valuable networking opportunities.
- Access real-time coaching and feedback.

Time to get in the field

Gain experience through:

- co-ops
- capstone projects
- clinicals
- independent study
- internships
- placements
- practicums
- research
- thesis projects

International student services

ontariotechu.ca/iss

From the moment you receive your offer of admission, we connect you with our International Education team. International Education is an office within Student Life that ensures a smooth transition as you embark on this new academic path. We help you find a sense of community, and nurture your student engagement and success. Our office provides support on a range of topics.

Some of the services we offer include assistance with:

- Any personal concerns that may impact your life at Ontario Tech.
- Exchange opportunities and support during the process of applying for exchange.
- Intercultural adaptation during your adjustment to the university.
- Navigating the university, Durham region and Canadian culture.
- Your new experiences and challenges during your adjustment to the university, and life in Canada.
- Social events throughout the year.
- Volunteer opportunities for you to develop your leadership skills.
- Your temporary resident status (study permit, temporary resident visa, work permits, etc.).
- Your University Health Insurance Plan (UHIP) registration and coverage cards, enrolling dependents, terminating coverage if you have OHIP, and verifying your UHIP fees.

Health and Wellness Services

- Athletic facilities
- Chiropractors
- Counsellors
- Fitness classes
- Gym membership
- Health insurance plan
- Ice skating
- Indoor running track
- Massage therapists
- Medical doctors
- Mental health counsellors
- Mood walks
- Pharmacy
- Self-defense classes
- Support groups

Supports on campus

ontariotechu.ca/studentlife

Your experience with us is about more than attending classes. We provide the supports and connections you need to make your student journey right for you.

Here's a sample of some of the supports available to you on campus:

Academic Support

- Academic advisors
- Learning and study skills
- Peer tutoring
- Subject specialists

Accessibility

- Academic accommodations
- Technology advising accommodations

Career Readiness

- Career supports
- Co-ops and internships
- Work experience on campus

Peer Support/Community

- Community events
- Digital Community – student blog
- International student supports
- Indigenous Education and Cultural Services
- Mentoring

Inclusion and Equity

- Equity education
- Events and workshops
- Leadership development
- Orientation and first-year transition

Ridgeback life

goridgebacks.com

What is a *Ridgeback*?

ridge • back /'rijbak/

noun

South African hunting dog. Versatile hunter and home guardian. Smart, sometimes stubborn.

A Ridgeback embodies our university's identity. It's also our faithful mascot that represents our 250+ varsity student-athletes, and intramural and extramural teams.

Athletics and Recreation

What makes YOU a Ridgeback?

Varsity teams

- badminton
- basketball
- curling
- dance*
- golf
- ice hockey
- lacrosse*
- rowing
- soccer

Extramurals

- flag football*
- ice hockey
- volleyball

Intramurals

- badminton
- basketball
- dodgeball
- flag football
- floorball
- ice hockey
- soccer
- table tennis
- volleyball

**Currently only offered as a women's team.*

Ontario Tech Student Union

otsu.ca

The Ontario Tech Student Union provides you and your peers with leadership and representation to improve your overall student experience, and they oversee a range of programs and services. You can join a campus club, participate in large campus events and cultural celebrations, or take advantage of a variety of wellness and support services.

Clubs and Societies

- Anime on Campus
- Aspiring Educators
- Blood Services
- Board Games

- Women in Business

We offer many more clubs and societies to suit your interests.

Explore the world

ontariotechu.ca/international

Your learning is limitless—so is your classroom.

“

The International Education team gave me the opportunity to attend Linköping University in Sweden for their summer academy. The next year, I traveled to Tanzania, Africa, as a Queen Elizabeth II Scholar; both were unforgettable adventures. The university was behind me the entire way, always checking in to see if I needed anything. If you want to travel—while earning credits—I recommend visiting the International Education office to see what exchanges you are eligible for. It is a great experience and I would not change it for the world!

JESSICA MOREAU

Nursing, Class of 2018
from Canada

Experience the world— so you can change it

- Competitive advantage
- Experience new cultures
- Learn a new language
- Paid work and volunteer opportunities
- Scholarship options
- Short- and long-term opportunities

A place **to learn** and a home **for life.**

We welcome students, alumni, staff and faculty, as well as visitors from all around the world. Everyone has a place within our campus community, where learning, sharing and growth are continuous endeavours.

Your home away from home

Guaranteed residence for all first-year students who apply by the Monday, June 1 deadline.

Residence Living

ontariotechu.ca/residence

- Controlled building access.
- Double-sized beds in all rooms.
- Game rooms, dance studios and lounges.
- Housekeeping and maintenance services.
- Kitchen facilities, including access to BBQs.
- Living-learning communities.
- Nightly events to support social and academic needs.
- On-site laundry.
- Residence advisors on each floor.
- Residence Outreach Worker.
- Roommate self-selection.
- Steps from the bus stop.
- TV, cable, phone and high-speed Internet.
- Two residence buildings.

Meal Plans

ontariotechu.ca/dining

- All-you-can-eat dining hall.
- Mandatory or optional meal plans.
- Plenty of food options: halal, vegan, vegetarian, gluten-free, dairy-free, etc.
- Popular brand name franchises: Starbucks, Tim Hortons, Pizza Pizza, Smoke's, etc.

Homestay

ontariotechu.ca/homestay

A host family will welcome you into their home, so you feel supported during your program of study in Canada.

Living with a family provides the greatest opportunities for learning the English language. It is also the ideal setting for learning new skills and experiencing Canadian life.

You'll find a home in Oshawa

Oshawa A to Z

- Art galleries
- Barrier-free community
- Concerts
- Diverse dining options
- Entertainment at the Regent Theatre and the Tribute Communities Centre
- Fiesta Week
- Growth and development of downtown
- Home of the Oshawa Generals hockey team

Scholarships

ontariotechu.ca/scholarships

You've worked hard for your grades. We want to recognize that hard work!

Awards of Recognition

If you're a current Canadian secondary school student, you're automatically awarded the following based on your top six 4U/4M courses (or equivalent):

\$4,000	95 per cent or higher
\$2,000	90 to 94.9 per cent
\$1,000	85 to 89.9 per cent

In-course Scholarships*

We will recognize your academic achievements during your undergraduate degree, based on your grades in your previous year:

\$1,500	4.0 or higher GPA
\$1,000	3.7 to 3.99 GPA

*Minimum GPA and course load required, and must be returning to full-time studies. Amounts vary based on GPA and donor contributions.

Global Leadership Award

ontariotechu.ca/entrancescholarships

- ☒ Applied to Ontario Tech University.
- ☐ 85 per cent average?
- ☐ Exceptional leader?
- ☐ Active in your community?

If you checked all the boxes above, we want to hear from you!

\$72,000 (\$18,000 x Four years)

Awarded to an international secondary school student—studying outside of Canada—who demonstrates strong academic and leadership abilities.

Canadian citizens and permanent residents are not eligible for this award.

Deadline to apply: Friday, February 28, 2020

“

Saying that the Global Leadership Award means the world to me, is an understatement. I feel honoured to have been selected from the many international students that applied.

**Set by insurer for emergency and basic health-care services. Sponsored students will be charged \$9 for the ELC session for the mandatory Keep.meSAFE Student Support Program.*

Other fees

Application:

\$100

Confirmation deposit:

\$500

Start your degree

If you successfully complete Level 5 of the EAP program, you will meet the English language requirements for most programs. You will not need to take an English Language proficiency test to qualify for admission.

English language proficiency

ontariotechu.ca/elp

English Language Proficiency (ELP) Requirements

You can satisfy the ELP requirement through **one** of the following:

- Your first language is English.
- You completed the university's EAP program.
- You have completed at least three years of full-time study at a secondary or post-secondary institution where the language of instruction is English.*
- You have achieved the required proficiency scores on one of the English language tests acceptable to the university.

**Minimum three-year requirement does not include full-time enrolment in an English as a Second Language program.*

Acceptable English language tests and scores**

You must arrange for your original test scores to be sent to us, directly from the testing centre.

CAEL	70 with no sub-score below 60
IELTS***	6.5 to 7.0 with no sub-score below 6.0 (Education and Nursing programs require an overall score of 7.0)
MELAB	85
PEARSON (PTE-ACADEMIC)	58
TOEFL (IBT)	83 to 87 (Education and Nursing programs require a total score of 87) Minimum required sub-scores: Listening 20, Reading 20, Speaking 19, Writing 20 Ontario Tech's TOEFL code is 7178. Paper delivered results will be reviewed on an individual basis.

***Minimum scores vary by program.*

****Ontario Tech University is an official IELTS test venue. Registration information—including test dates—can be found on ieltscanada.ca.*

Admissions

ontariotechu.ca/admissions

Our programs are unique and so are you! That’s why we help you identify which type of applicant you are when applying to our university. Below are just a few types you may fall under, but there are many more. For a full list, visit us at ontariotechu.ca/applicanttype.

International Student

- Require a study permit to study in Canada.

Transfer Student

ontariotechu.ca/transfercredit

Receive transfer credit from high school*

Advanced Placement (AP)

- Minimum score of four on AP exams.
- Maximum of 18 credit hours can be granted.

Caribbean Advanced Proficiency Examination (CAPE)

- Minimum score of three on CAPE exams.
- Maximum of 18 credit hours can be granted.

General Certificate of Education (A level) courses

- A grade of C or better in A level courses.
- Maximum of 18 credit hours can be granted.

International Baccalaureate (IB)

- Minimum score of five on higher-level IB examination.
- Maximum of 18 credit hours can be granted.

* Transfer credits are not awarded for Engineering programs.

Receive transfer credit from other post-secondary institutions

Credits from post-secondary institutions within and outside of Canada will be evaluated on an individual basis.

Apply Now

1. Apply for all undergraduate programs through the Ontario Universities’ Application Centre (OUAC) website, as a 105 student (ouac.on.ca/105).
2. Choose up to three programs for a base application fee. You may select additional programs at \$50 per choice

COST	OUAC STUDENT DEFINITION	OUAC APPLICATION TYPE
\$166	International students	Undergrad (105)

3. Submit your supplemental documents and official transcripts by mail or courier. Transcripts must come directly from the school or issuing authority.
4. When you are accepted to the university, apply for a study permit (cic.gc.ca). You may be required to apply for a Temporary Resident Visa or Electronic Travel Authorization.
