welcome to loyalist

Located on more than 200 acres in the beautiful Bay of Quinte region, Loyalist is a friendly, inclusive and accessible College. Our number one priority is supporting your success personally and professionally.

As you explore our more than 60 full-time diplomas, advanced diplomas and certificates outlined in this 2016-2017 Viewbook, consider your many career options. Our programs are designed to prepare you for the workforce with hands-on learning led by industry experts in small classes and related field placements.

We also offer hundreds of online and correspondence courses through loyalistfocus.com. These courses are created with the same outcome-based philosophy as our daytime programs and offer a wide range of credentials including Ontario College Diplomas, Ontario College Certificates and Loyalist College Certificates.

When it comes to grads getting jobs, Loyalist is the #1 College in Ontario.*

Whether you plan to work after graduation or build on your credentials with a second diploma or university degree, Loyalist

offers high-quality transferable credits through more than 70 university agreements across Canada and beyond.

Loyalist also recognizes credits from other colleges and universities, enabling you to complete your studies at Loyalist and gain real-world experiences and valuable employer connections.

Find out how we put you to work. Visit loyalistcollege.com to watch program videos, read graduate testimonials and news stories, view photo albums and find out more about our superior student services.

Contact us about the pathways available to you through Loyalist College. We look forward to helping you launch your career.

student services

STUDENT SERVICES

Going off to College is a new and exciting experience! You are going to meet new people, learn new things and start or restart your career. Working toward that job you have always dreamed of opens up all kinds of possibilities.

College can also be a little overwhelming. Did you know that most students take up to a semester to really settle in and feel comfortable?

If you are asking any or all of the following questions, come see us in the “Student **HUB**.”

- Am I in the right program?
- Do I have what it takes?
- What if I need help with writing papers, presenting, doing calculus, or getting into BlackBoard?
- How do I get money to stay in school?
- Can you help me find jobs?
- Why do I always feel alone?
- How can I feel more included?
- What if I am failing?
- What do I do if my roommate is driving me crazy?
- How can I possibly get everything done on time?
- How do I get accommodations?
- What if I am really bad at tests and exams?
- What if I really do not know what I want to do with my life?

DID YOU KNOW?

In the Student HUB we can:

- Direct you to where you need to go.
- Answer your questions or support you in seeking the answers you need.
- Address your concerns or assist you in coming up with a solution.

Your College experience is important to us and to ensure that you have a truly successful experience we invite you to access the many services available to you in the **HUB** - located above the Student Access Lab (SAL):

- Mentoring and Advising Services
- Academic Tutoring Services
- Academic Testing Services
- Healthy Living/Counselling Services
- Aboriginal Gathering Place
- AccessAbility/Disability Services
- Support for International Students

For further information, please contact us at studentservices@loyalstc.on.ca or at 613-969-1913 ext. 2519

LEARNING CENTRES

DIGITAL MEDIA CENTRE

Our state-of-the-art Digital Media Centre made headlines when it opened in September 2013. The 10,000-square-foot integrated newsroom features video editing suites, television studio, interview booths, audio production booths, and meeting rooms. The Centre is used by several programs in the School of Media, Arts + Design to create content for QNet News, an award-winning online community news service with coverage throughout the Bay of Quinte region, and for the award-winning Pioneer publication. Content is generated across multiple platforms — from radio and television to print and online — including reporting, writing, photography, audio, and video stories. Thanks to our Digital Media Centre, students are on the cutting-edge of experiential learning, as they gather and distribute high-quality news and information coverage within an ever-changing media landscape.

THE PARROTT CENTRE – LIBRARY RESOURCES

The Parrott Centre is pleased to offer access to a wealth of information for all of our students, staff and faculty. Our resources range from traditional print materials and video to online databases, streaming video, eBooks and audiobooks. Our physical collection includes over 32,000 books, approximately 190 print periodical subscriptions, and 2,400 videos and DVDs. Our electronic collection — available online 24/7 — offers access to more than 14,000 journals through subscription databases and more than 23,000 films through online streaming. In June 2015, we launched our first two collections in the College eBook Consortium Project, a joint endeavour between 22 Ontario Colleges. We now offer more than 229,000 titles, including 8,000 recently published titles and 2,000 French language titles. Our in-house services include 24 computers and two printers for student use; 12,000 square feet of research and study space; reference and research assistance; and two group study rooms on our accessible mezzanine level. There's always something new, so stop in and get to know us! We can't wait to meet you.

SUSTAINABLE SKILLS, TECHNOLOGY AND LIFE SCIENCES CENTRE

Like never before, demand for workers in the skilled trades keeps building up. That's why Loyalist prepares its graduates to meet that challenge with ultra-modern facilities and hands-on training using the latest technology. Check out our newly equipped Biosciences labs and skilled trades workshops, as part of our new 121,800-square-foot LEED® Silver certified Sustainable Skills, Technology and Life Sciences Centre. The \$16.6-million construction project was made possible through funding from the federal Knowledge Infrastructure Program and matching funds from the provincial government with additional funding from our Student Government, municipalities and partners in the business community.

STUDENT ACCESS LAB (SAL)

The SAL features PC and MAC computers, colour printing and scanning, program-specific software, bring-your-own technology areas, wireless access and a help desk. Our Student Access Lab is available to all students to research, work and print assignments. You'll receive a Loyalist email account to stay connected with faculty, classmates and staff.

UPGRADED HUMAN SIMULATION LAB

For those preparing for careers in health and human studies, including students in the Developmental Services Worker, Personal Support Worker, Practical Nursing and Collaborative Nursing Degree programs our state-of-the-art Human Simulation Lab provides a real-world learning environment. Loyalist uses a variety of simulated learning tools including 3D virtual learning, to enable students to learn and practise in a safe, simulated patient care environment.

athletics

ATHLETICS

VARSITY ATHLETICS

Get the ball rolling with Loyalist's varsity athletics. If you thrive on competition, teamwork and the pursuit of achieving your personal best, our athletics program is for you. Our reputation for sports is recognized both provincially and nationally — led by some of the top collegiate coaches in the province who bring a valuable mix of integrity and honesty to our students. There's no better way to build lifelong friendships than being on the team.

Loyalist Lancers compete to win in Ontario Colleges Athletic Association (OCAA) - regulated sporting events held across the province. The OCAA is recognized as one of the toughest sporting forums in the country. Here's our lineup for the upcoming season:

- Men's and Women's Basketball
- Men's and Women's Rugby
- Men's and Women's Cross-Country Running
- Women's Soccer
- Men's and Women's Volleyball

OUTDOOR EDUCATION

If Mother Nature were a professor, the great outdoors would be her classroom. Discover the beauty of the Bay of Quinte region's natural environment while developing skills in canoeing, snowshoeing, downhill skiing and camping. Join us for night skiing, high ropes or spelunking — if you're up for adventure!

CAMPUS RECREATIONAL PROGRAMS

We offer more than 20 fun-oriented recreational programs on campus — a forum to be active with groups and make friends. We have an ice hockey league, pick-up ball hockey, late-night basketball, a softball league, soccer, volleyball, badminton and lots more co-ed activities. Join the fun!

Loyalist's outstanding athletics facilities are open to students for recreational activity whenever they aren't in use for academic purposes, games or practises.

ATHLETIC FACILITIES

- Full-sized, well-equipped gymnasium with glass basketball backboards, Speith Anderson volleyball standards and more.
- Fitness Centre with cardiovascular conditioning and Life Fitness strength machines — everything you need to stay in shape!
- Two soccer fields, one with lighting.
- Six Chevron cushion coated tennis courts with lighting
- Baseball diamond.
- Volleyball courts on beach sand.
- Outdoor skating rink.
- Outdoor sports pad with lighting for ball hockey, basketball, volleyball and more.
- Sports Dome — a 35,000 sq. ft. indoor sports facility that features a driving range.
- Ultimate Frisbee.

Meet your Student Government leaders and check out upcoming events at loyalistlife.com.

ENACTUS LOYALIST COLLEGE

Communities face challenges. As a student-run volunteer organization that develops unique solutions, Enactus is here to tackle them. If you are passionate about helping communities in need, Enactus needs your help! Through entrepreneurial programs and continuous community involvement, we work together to address these challenges by removing economic, environmental and social barriers.

LOYALIST COLLEGE COMMUNITY CHOIR

Do you enjoy singing? Want to develop your vocal and choral skills? Join Loyalist's Community Choir and meet its director Reanda-Lee Habicht, a Queen's University music graduate. For more information, please contact Neil Kerby, Choir Faculty Advisor at nkerby@loyalstc.on.ca.

MATURE STUDENT GROUP

Facilitated by Loyalist's Student Services team, this group provides welcoming opportunities for mature students to socialize together and access support services that recognize their unique learning situations.

RAINBOW ALLIANCE GROUP

Discrimination is not tolerated at Loyalist College. The Rainbow Alliance Group provides a weekly drop-in venue and forum for LGBTQ+ students and allies that are both safe and fun! It aims to discourage discrimination based on gender and sexual identity, as well as raising awareness of related causes.

LOYALIST ROTARACT

Are you aged 18 to 30? Are you looking for a way to help people? If so, look no further and join Rotaract. Rotary's global network and movement of exceptional individuals allows you to volunteer locally and internationally, and will help you build career contacts, develop leadership skills and network with service-minded people worldwide. Make an impact and make new friends by joining Loyalist Rotaract.

SUSTAINABILITY COMMITTEE

Loyalist College is pro-planet! That means we do our best to minimize our environmental footprint and encourage our students to do the same. Try using our many hydration stations located throughout the College instead of buying bottled water to reduce plastic waste and save money while you're at it. Share a ride with friends, bike or take the bus instead of driving alone. And don't even think about tossing away packaging, paper, batteries, cell phones and other used items. We've got recycling bins for that! They're clearly marked to help you sort your waste and give it a second life. We only have one planet and at Loyalist we do our best to treat it right!

on campus

WHERE TO EAT

We have four dining locations on campus where you'll find options to suit every taste and budget. Our tax-free meal plan (\$550 minimum. Lower amounts are taxed) can help you make the most of your study-time cravings, although plans start as low as \$150. You'll save 13% on all your meals. The best part is your card never expires and someone else does the dishes! Use your meal plan card at:

- Tim Hortons in the Shark Tank Pub.
- Grab'n'Go Café in the Pioneer Building.
- Residence Café.
- Subway, Grille Works, Pizza Pizza, Miso — a Loyalist favourite for stir-fries — Chef's Table with a rotating menu of fresh entrées, and a selection of soups, salads and sandwiches every day in the Dining Hall.

Have a taste of what Culinary students are studying! Club 213 is a hidden gem offering a gourmet menu put together by our Culinary students at very reasonable prices. The Loyalist Market just across from Club 213 offers gourmet fresh and frozen take-out, also created by our five-star Culinary students.

COMMUNITY AND CAMPUS NEWS SERVICE

Never miss the morning headlines! Read and see what's made the front page on QNet News, a comprehensive news source created and maintained by students, for the College community and the Quinte community at large. Operated by the students and faculty of the Journalism—Online, Print & Broadcast, Photojournalism and Television and New Media Production programs, the multi-media platform boasts the largest news team in the Bay of Quinte region. QNet is an integrated news service incorporating:

- The College television news department.
- Our award-winning online community newspaper *The Pioneer*.
- A Photojournalism gallery.
- 91X, a student-run campus radio station at 91.3 CJLX FM.

BOOKSTORE

Open all year round to Loyalist students and the public, the Loyalist College Bookstore has shelves stocked full of textbooks, school supplies, trade books, software, clothing and giftware. The Bookstore, conveniently located on campus, has everything! You can also order online at loyalistshop.ca.

ON CAMPUS

THE LINK LOUNGE & LIVING WALL

Looking for a place to study and chill out with friends? Then take a trip over to our Link Lounge. It features quiet glass-enclosed study pods, a laptop counter and a sunken lounge. This is the place to be when you need quiet study or group activity time. Plus, the Link Lounge has a vertical garden stretching across one of its walls! It's a 25-foot self-sufficient living structure that features more than 300 plants that create a bio-filter system to improve the Lounge's air quality. The state-of-the-art construction of the Sustainable Skills, Technology and Life Sciences Centre was awarded LEED® Silver certification in January 2014.

ON CAMPUS

STUDENT HEALTH CENTRE

Loyalist's Student Health Centre is #1 in Ontario*! Our registered nurse is on staff at the Health Centre, Monday to Friday, 8:30 am to 4:30 pm, and a physician is on campus two half-days per week. All information and visits are strictly confidential. You can visit us for:

- Emergency medical care
- Immunization
- Flu shot clinics
- Resource information
- Light therapy for treatment of Seasonal Affective Disorder (SAD)
- Pap testing
- Treatment & information on medical problems
- Free condoms
- Birth control sold at cost with prescription
- Over-the-counter medication
- Plan B sold at \$20
- Temporary sick bays
- Sexually transmitted infection testing
- Nicotine replacement therapy

STUDENT PRESCRIPTION DRUG AND ACCIDENT INSURANCE PLAN

Our insurance plan covers 80% of the cost for most prescriptions. It is available to all full-time students at the Belleville campus. Visit loyalisthealthcentre.com for details on prescription, accident benefits and to determine which programs are covered.

HEALTH INSURANCE

The Ontario Ministry of Health provides Ontario residents with extensive coverage for most hospitals and medical costs. Students from out-of-province should bring their provincial health insurance card. International students should contact International Services to make sure their health insurance is in place.

SHARK TANK PUB

We've got weekly entertainment including, hypnotists, themed club nights, country nights and much more. Our venue is all-ages and open to full-time Loyalist students at the Belleville campus. The Shark Tank Pub features a bar, pool tables, an outdoor patio, a dining and study area, lounge space, Wi-Fi, TVs, big-screen movies and a Tim Hortons. **Check out photos and upcoming events at sharktankpub.com.**

THE CAREER CENTRE

It's common for students to balance their studies with a part-time job to help pay their way or earn a little pocket money. Our friendly staff at the Career Centre can help you find employment in the community or on campus. You can also drop in and speak to staff for career and education advice, seek help with your résumé or cover letter and get information on how to best market yourself to future employers. You'll also have access to these popular online resources:

- **myCareer portal** – A job posting service where you will be able to browse through hundreds of job postings annually from employers who specifically seek Loyalist graduates or current students for full-time, part-time, placement and summer positions.
- **Loyalist Mentorship Program** – This cross-disciplinary program links current students and recent Loyalist graduates with alumni and industry professionals who can offer guidance on how to succeed in their studies and the job market. The initiative uses Ten Thousand Coffees' online platform to connect students and alumni. From the Loyalist Mentorship Program, you can benefit from opportunities to network with industry professionals, develop new skills and gain valuable insights.
- **Career Cruising** – Explore your personality, skills, interests and values and find careers to match.
- **InterviewStream Software** – Participate in mock interviews via webcam and receive feedback from a Career Advisor.

ALUMNI SERVICES

After graduation, we will keep you in the loop with a monthly Alumni e-newsletter and our bi-annual *Lasting Connections* magazine. The Loyalist Alumni Association provides graduates with many benefits and services as opportunities to volunteer, keep in touch with friends and former classmates and network with other Loyalist Alumni.

*Source: KPI Survey 2014, Forum Research Inc. for Ministry of Training, Colleges and Universities.

residence

RESIDENCE

Peacefully nestled in a cozy and wooded country setting, our Residences are your comfy abode away from the hustle and bustle of campus life. With Belleville Transit that stops right on campus, it's easy to find your way into the heart of the friendly city to enjoy all the perks Belleville has to offer. What's not to like about waking up within a short walking distance of your classes?

With enough space for 476 students, Loyalist has five suite-style Residence buildings for students to call home. We also have 104 spots for upper-year students in four fully furnished townhouse buildings. All Residences are only a hop, skip and a jump away from each other, making it easy to stay socially connected.

HERE'S WHAT YOU'LL FIND IN OUR SUITE-STYLE RESIDENCES:

- Each suite has six individual bedrooms, two bathrooms, a kitchen and a common living area.
- Students have their own private, carpeted bedroom with a window, furnished with a bed, desk, bookshelf, dresser, corkboard and night table.
- Kitchen and dining areas are equipped with a fridge, stove, microwave, dishwasher, dining table, chairs, loveseat and a coffee table.
- Barrier-free units are available in three buildings.
- Residences are equipped with laundry facilities, sports pad with basketball hoops, beach volleyball court, bicycle sheds, picnic tables, a sheltered outdoor patio and outdoor barbecues.
- A centrally located Residence Centre has a computer lab, a coffee shop, a lounge area with a limestone fireplace and a sunken living room with a big-screen TV.

RESIDENCE FEES (2015-16)

Suite-style Residence: \$5,700* (two semesters)

Townhouse Residence: \$6,380* plus utilities (10-month lease, July through April)

OFF CAMPUS HOUSING

Visit Places4Students.com to find a place tailored for you! All you need to do is click GO and search listings by school name. You can also find roommates, post a profile and view and add listings 24/7. Please, note that it's the students' responsibility to judge the suitability of listed homes; the College doesn't inspect them. The College cannot and does not accept responsibility for housing arrangements made using the website.

TRANSPORTATION

Loyalist is connected to the City of Belleville by a dedicated bus route operated by Belleville Transit (BT). You can catch a bus right outside the College and outside the Residence every half hour between 6:30 am and 6 pm, and hourly between 6:30 pm and 10 pm. Weekend schedules and maps are available from BT and online. Daytime bus service to and from Quinte West is available with First Student: 1-888-738-8808.

BELLEVILLE TRANSIT FEES (2015-16)

Bus passes are available at the campus bookstore with a valid Loyalist College Student ID Card or receipt of tuition with photo ID.

Monthly pass: \$65* (incl. HST)

Semester pass: \$244* (incl. HST)

PARKING FEES (2015-16)

Parking permits are available for purchase online at loyalistcollege.com.

Annual permit: \$154.81* (incl. HST)

Monthly permit: \$63.28* (incl. HST)

Daily flat rate: \$5* (incl. HST)

*Subject to change

community

THE BAY OF QUINTE REGION

Loyalist College is located right between Belleville and Quinte West with beautiful Prince Edward County just to the south. Whether it's big city living or small town charm you enjoy, you'll surely find your place here within three of the province's most scenic waterfront regions. Explore the area's sandy-white beaches and other popular tourist attractions.

DINE OUT

The local restaurants cook up a wide range of international and gourmet dining options to treat your palate. Try Thai on Tuesdays or French on Fridays. Enjoy Greek, Italian, Vietnamese, Chinese, Indian, Himalayan, Korean, Japanese and more. Pizza delivery is available too for those lazy-ish nights in.

If you enjoy farm fresh food, you're in luck! The region features an abundance of open-air farmers markets in Belleville's Market Square and roadside stands scattered across Prince Edward County.

COMMUNITY

EXPLORING THE OUTDOORS

Everything from extreme watersports to leisurely walks and bike rides across the countryside are possible in this picturesque geographical region. **Sandbanks Provincial Park** is the world's largest freshwater sandbar and dunes system — one of Ontario's most beautiful beaches! It lies just across the Bay of Quinte on the corner of Prince Edward County. Discover Sandbanks by swimming, sunbathing, windsurfing, wakeboarding, waterskiing, sailing, canoeing and kayaking. If you like fishing, the area hosts the world's largest walleye fishing tournament, with more than \$260,000 in prizes! If you're serious about running, or do it for fun, try running in the Sandbanks Fall Getaway Fun Run, the 5K Quinte Zombie Zone and the Boston-qualifying County Marathon. During the winter months, try snowmobiling, tobogganing, outdoor skating and ice fishing on the Bay of Quinte. **Batawa Ski Hill** is just minutes away from Loyalist for those who are into downhill winter sports.

Indoor activities happen on a regular basis at Belleville's newly-expanded **Quinte Sports & Wellness Centre**. It boasts three NHL-sized skating rinks, an Olympic-sized ice surface, three pools, an indoor track and hundreds of fitness and recreational programs.

academics

ACADEMICS

OUR FACULTY MAKE THE DIFFERENCE

At Loyalist, learning goes beyond the classroom! Enrich your College years with field trips, trade shows, job placements, guest speakers and fun-filled community events where real-world experience awaits. Our students have had unforgettable experiences — from working with the Ottawa Senators hockey club and writing for the *Montreal Gazette* to cooking with Chef Michael Stadtländer at the world renowned Eigensinn Farm. Some of our programs offer the opportunity to gain invaluable learning through field trips to Portugal, Paris, New York City, Las Vegas, Florida, Mexico, Switzerland and beyond.

Our faculty care about your professional development and will do all they can to assist you during your time here. At Loyalist, you won't just be a student ID number or a face in the crowd. You'll get individual attention in small classes from teachers who are committed to helping you succeed. With extensive experience, our faculty members have insight into the latest trends, technologies and business practices. They can open doors to valuable workplace connections, industry events, local and international placement opportunities — and quite possibly, to your next job.

ADVANCED STANDING

Do you already have a diploma or degree? If so, you could be eligible to earn a diploma in as little as one year. Check out Loyalist's accelerated, fast-track and direct entry options offered in many programs.

PRIOR LEARNING ASSESSMENT AND RECOGNITION (PLAR)

At Loyalist, we respect the learning that happens outside the classroom — whether it's through work experience, volunteering, self-taught skills or other non-credentialed learning. You may be eligible to receive graded credits or challenge certain course requirements. Work one-on-one with an advisor to evaluate your learning: priorlearning@loyalistic.on.ca.

FURTHER STUDY

Across Canada and abroad, opportunities await for you to expand your education at university. Throughout the program pages that follow, check out the agreements in place to help you *"Turn your diploma into a degree."* To make individual arrangements, talk to your university of choice. Visit loyalistcollege.com for the latest details. New arrangements are added regularly.

FIND YOUR CAREER

Accounting skills are in demand in virtually every field:

- You could work as a financial analyst, accountant, budget officer, account manager, financial planner, payroll officer or internal auditor.
- There are opportunities in arts and entertainment, news media, marketing, manufacturing, education, health and wellness, service industries and professional sports.
- Find the right fit — employers include large and small enterprises as well as not-for-profit agencies — or start your own business.
- With third-year studies in Canadian Public Sector Financial Management, advanced diploma graduates are uniquely positioned to take advantage of growing opportunities in the public sector.
- 100% of 2014 Loyalist grads were employed within six months of graduation†.

HOW YOU'LL LEARN

This program delivers concrete, marketable skills with a dual focus on financial and management accounting:

- Develop managerial skills in budgeting, product costing and price setting, eliminating financial waste and finding operating efficiencies.
- Train to the newest International Financial Reporting Standards (IFRS).
- Graduate with certification in industry-leading software such as MS Excel, Sage 50 Accounting and QuickBooks.
- A third year of study provides advanced knowledge of financial and management accounting, corporate taxation and audit techniques.
- Have some fun running a virtual company in our simulation competitions; winners of some competitions qualify to compete internationally.

ANIMATION

Could the doodles in your notebook margins lead to a career? Animators help build apps, make movies and bring video games to life. In this program, students can specialize in character animation, 2D/3D animation, gaming, visual effects, computer graphics, web design or mobile applications.

OUR GRADS GET GREAT JOBS

- Technical Director, Nelvana
- 3D Artist, Jellyfish Pictures
- Composer, Prime Focus
- Game Development, Funcom
- 3D Artist, Arc Productions
- Mobile App Developer, BlackBerry

Three-year Ontario College Advanced Diploma (ANIM)
September entry
Contact: anim@loyalistc.on.ca

FIND YOUR CAREER

- You could work in 2D and 3D computer animation, game design, game content creation, visual effects or web design and development.
- There is increasing demand for 3D artists in the architectural and industrial fields.
- Positions include computer animators, CGI artists in the entertainment or game industry, media content providers, and web designers and developers.
- Entry-level salaries in these industries vary from \$28,000 to \$45,000. Senior animators and supervisors can earn \$100,000 and higher.
- Entrepreneurship and communications training also prepare students for freelance work.

HOW YOU'LL LEARN

- Gain a competitive edge in the job market with instruction in the entire range of the production process. Develop hands-on skills in our cutting-edge facilities featuring:
- The latest workstations and editing systems.
 - A motion capture system and studio.
 - Leading industry software including Maya, Unreal 4 and the Adobe Master Suite.
 - Tailor your studies in third year with independent production courses and a choice of streams in animation or gaming.
 - Get valuable on-the-job experience during three and four-week placements.
 - You will finish the program with professional practices and job search skills, as well as an impressive portfolio of work.

ARCHITECTURAL TECHNICIAN/TECHNOLOGY

From underground malls to skyscrapers, low-footprint homes to sophisticated community recreation centres, you can help design residential and commercial spaces that will shape our communities and the way people live.

OUR GRADS GET GREAT JOBS

- Architectural Technologist, Quadrangle Architects
- Chief Building Official, Loyalist Township
- Junior Designer, Kavacon
- AutoCAD Technician, Canadian Safety Anchor Inspections
- Building Development Consultant, Greer Galloway Group
- Draftsperson and Estimator, Geertsma Construction

Two-year Ontario College Diploma (Technician) (ARCH)
Three-year Ontario College Advanced Diploma (Technology) (ARC3)
September entry
Contact: arch@loyalistc.on.ca

FIND YOUR CAREER

- Loyalist grads are well respected by employers across Canada. Architectural technicians and technologists are prepared to find work as:
- Designers and project managers in architectural and consulting firms.
 - Project coordinators and estimators in construction.
 - Technical and sales representatives for manufacturers.
 - Municipal zoning and building plan examiners and inspectors.
 - Self-employed entrepreneurs.
 - Average starting salaries range from \$35,000 to \$39,999^{††}.
 - 100% of 2014 Loyalist grads were working within six months of graduation[†].

HOW YOU'LL LEARN

- Form dictates function. In this program students earn an understanding of how physical space influences behaviour and the role of architecture in culture:
- Learning combines studio work, classroom instruction, and major construction and renovation projects, working independently and in teams.
 - Students develop skills in manual and computer-assisted design and drafting (CADD) and 3D modelling using the latest software in our state-of-the-art Design Studios.
 - During independent design projects, students determine a structure's physical needs, and design solutions that creatively address the use of space, costs, construction methods, zoning and the environment.
 - In their last year, Technology students use 3D modelling software to design a public facility in a local community.

APPROXIMATE COSTS (2015-16)

- Domestic Tuition/Ancillary Fees: \$3,894 (two semesters).
- Additional Program Costs: Year one: \$50; Year three: \$109.
- Additional costs, such as travel and parking, may be incurred during placements.

ADMISSION REQUIREMENTS

- Required academic preparation**
- OSSD/OSSGD or equivalent with courses at the general, advanced, (C), (U) or (M) level, AND Grade 12 English (C) level or equivalent.
 - OR mature applicant (see page 105).
 - Graduates with a certificate in Residential Drafting and Design gain admission directly into year two of the diploma program.

TURN YOUR DIPLOMA INTO A DEGREE

- Two or three-year diploma**
- Algoma University – B.A.; B.B.A.; B.Sc.; Bach. Computer Science
 - Athabasca University – B.Sc.

ART AND DESIGN FOUNDATION

This program allows aspiring artists to sample a range of techniques in fine art and design, while building a top-quality portfolio — the perfect way to develop your creative skills while getting a post-secondary education.

One-year Ontario College Certificate (AADF)
September and January entry
Contact: aadf@loyalistc.on.ca

FIND YOUR CAREER

Get started on your journey to a career in art and design:

- Grads apply their skills and talents to artistic endeavours within the community.
- This certificate opens doors to further studies in a wide range of creative and artistic programs, at Loyalist and elsewhere.

HOW YOU'LL LEARN

Gain a balance of skills in fine art and design while exploring a variety of media:

- Grow and connect professionally through off-campus artist studio sessions and visits.
- Learn hands-on in small classes with a focus on both traditional and digital media.
- Earn valuable experience through professional workshops in a variety of art and design-related areas.
- Develop a broad-based portfolio that reflects a flexible creative palette.
- Or, choose a specific area for further study and build a targeted portfolio.
- Design and curate a show on behalf of the Quinte Arts Council.
- Participate in a juried student art exhibit at the end of the year — an opportunity to gain recognition and enhance your portfolio.

APPROXIMATE COSTS (2015-16)

- Domestic Tuition/Ancillary Fees: \$3,894 (two semesters).
- Additional Program Costs: \$440.

ADMISSION REQUIREMENTS

Required academic preparation

- OSSD/OSSGD or equivalent with courses at the general, advanced, (C), (U) or (M) level, AND Grade 12 English (C) level or equivalent.
- OR mature applicant (see page 105).

WHAT COMES NEXT?

In Art and Design Foundation, students expand their portfolio and college-level learning, preparing them to:

- Graduate into the workforce.
- Pursue further studies in a range of creative and artistic programs.
- Pursue further studies in a range of creative and artistic college and university programs such as animation, photography, graphic design and fine arts.

ARTS AND SCIENCE: GENERAL ARTS AND SCIENCE

Not sure which career path to follow? Explore your options while earning college-level credits that you can apply towards another program or a university degree.

OUR GRADS GET GREAT JOBS

Business Manager, Belleville Non-Profit Housing
Research Ethics Board Coordinator, University of Alberta
Employment Specialist, Northern Lights Vocational Services
Childcare Therapist, Bayfield Treatment Centres

One-year Ontario College Certificate (GASC)

Two-year Ontario College Diploma (GASP)

One-year General Arts & Science – Workplace Certificate (GASW)

September and January entry

Contact: gasc@loyalistc.on.ca

FIND YOUR CAREER

A broad education in arts and science provides the foundation to succeed in a wide range of careers:

- Graduates become teachers, social service workers, correctional officers, retail managers and entrepreneurs.
- A diploma will prepare you for managerial positions in government, education, criminal justice, human services, education, business, manufacturing, media, technology and communications, to name a few.
- Others continue their education in a college post-graduate program, or apply their credits towards advanced standing at university.
- 100% of Loyalist's 2014 grads from the two-year program were working within six months of graduation†.

HOW YOU'LL LEARN

Get a well-rounded education in math, science, business and communication skills, not to mention the freedom to choose from an outstanding line-up of courses. Define your interests, opportunities and goals while earning credits you can transfer to future studies.

- Learn with a mix of group assignments, community projects, science labs and online class activities.
- Work one-on-one with a faculty advisor each semester to select electives suitable to you — go broad or specialize — it's up to you.
- Choose from a wide range of electives, and explore opportunities you may not even know, with options as wide-ranging as human biology, business designs, technology and humanity.
- Some electives are available online or offer virtual learning experiences, such as the Ecowalk.
- Gain work experience one day a week in your second semester.
- Expand your on-the-job experiences to two days a week in the fourth semester.
- Past placements include museums, art galleries, funeral homes, veterinary offices, long-term care facilities, schools and social service agencies.

APPROXIMATE COSTS (2015-16)

- Domestic Tuition/Ancillary Fees: \$3,894 (two semesters).
- Books: \$1,250.
- Additional costs, such as travel and parking, may be incurred during placements.

ADMISSION REQUIREMENTS

Required academic preparation

- OSSD/OSSGD or equivalent with courses at the general, advanced, (C), (U) or (M) level, AND Grade 12 English (C) level or equivalent.
- OR mature applicant (see page 105).
- Students transferring into General Arts and Science can earn transfer credits or exemptions for credits earned in another College program.

Additional requirements

- Criminal Record Check required for most community field placements (Vulnerable Sector Check may also be required).
- A formal, confidential personal health history and up-to-date immunization are required as part of the registration process.

TURN YOUR DIPLOMA INTO A DEGREE

Two-year diploma

- Algoma University – B.A.; B.B.A.; B.Sc.; Bach. Computer Science
- Brock University*
- Davenport University – B.A. in General Business
- Griffith University – B.A. Environmental or General; B.Sc. Ecology and Conservation Biology or Environment; Bach. of Environmental Mgmt.
- Lakehead University*
- Nipissing University*
- Seneca College – Bach. Interdisciplinary Studies
- State University of New York (SUNY) at Potsdam – Elementary Teacher Certification
- University of Guelph – Bach. Arts and Science (Hons) Media Studies or Bach. Applied Science (Hons) Psychology
- University of Ontario Institute of Technology – B.A. Adult Education & Digital Technology
- University of Windsor*
- Western University*
- Wilfrid Laurier University*

*Various potential degree pathways. Please confirm details with receiving institution.

AUTOMOTIVE SERVICE TECHNICIAN APPRENTICESHIP

Get on the road to success! The fast-paced, ever-changing automotive trade could be the perfect fit for you. To become an apprentice, you must be registered and work for an employer who accepts full responsibility for your instruction in all aspects of the trade. Your in-class learning is completed at Loyalist.

OUR GRADS GET GREAT JOBS

Automotive Service Technician, Kingston Hyundai Owner and Operator, JFP Automotive Owner and Operator, Wilson Specialized Tune Up

Apprenticeship Completion Certificate
Typically requires three to five years to complete
September and January entry
Contact: mpfp@loyalistc.on.ca

FIND YOUR CAREER

The demand for licensed technicians has increased with many professionals in this trade approaching retirement:

- Automotive technicians work at dealerships, independent garages, fleet operations and as entrepreneurs.
- Licensed technicians' salaries range between \$50,000 and \$60,000.
- Entrepreneur incomes range between \$75,000 and \$100,000.

HOW YOU'LL LEARN

Learn while you earn, with on-the-job training and education.

- Students in the Automotive Service Technician Apprenticeship program must be employed by a registered garage and signed on with the Ministry of Training, Colleges and Universities (MTCU) as an Automotive Service Technician Apprentice.
- Once you are employed and signed on with the MTCU, the MTCU will inform you of what training is available and when.
- Your apprenticeship requirements include completing a skill set book, 6,000 hours of on-the-job training and three levels of in-school training for a total of 720 hours.
- You can attend three full-time blocks of training, each eight weeks long, or study at Loyalist one day per week for three years.
- Learning combines classroom instruction and practical theory labs.
- Put your knowledge to the test in state-of-the-art service bays.

APPROXIMATE COSTS (2015-16)

• MTCU pays most of the in-class costs of apprenticeship training. The Ministry will forward information about schooling and costs once you are registered. The Ministry also has useful information about options for financial help.

Enrolment in this apprenticeship program makes you eligible to apply for The W. Garfield Weston Foundation Fellowship program.

up to
\$4,000
+ a tuition
credit

ADMISSION REQUIREMENTS

- You can complete your studies while you continue to work as an apprentice registered with MTCU. You and your employer must enter into a contract representing your employer's willingness to support you through this certificate.
- You must be at least 16 years old and have completed Grade 12 or equivalent.

WHAT'S NEXT?

With your Apprenticeship Completion Certificate from Loyalist and completion of at least 6,000 hours of on-the-job training, you will be eligible to write the Certificate of Qualification to become a licensed Automotive Service Technician.

For more information about qualification requirements leading to apprenticeship certification, contact your regional Ministry of Training, Colleges and Universities office:

Belleville 613-968-5558
Kingston 613-548-1151
Pickering 905-837-7721
Peterborough 705-745-1918

Individuals can access apprenticeship job search assistance through Employment Ontario by contacting 1-800-387-5656 (TTY for the hearing impaired 1-866-533-6339) or at tcu.gov.on.ca

BIOTECHNOLOGY

Biotechnology plays a critical role in the battles against hunger, disease and pollution. The science is used in developing precision medicines and gene therapies, environmental decontamination to restore polluted spaces and engineering crops to improve their yield and nutrition.

OUR GRADS GET GREAT JOBS

Senior Primary Inspector, Canada Food Inspection Agency
Research and Development, Royal Military College
Research Technologist, Environmental Health Sciences Research Bureau, Health Canada
Health Researcher, Ottawa Hospital Research Institute
Brewmaster/Biotechnician, Huntsville Wine & Beer

Two-year Ontario College Diploma (Biotechnology) (BIOT)
Three-year Ontario College Advanced Diploma (Advanced) (BIT3)
September entry
Contact: biot@loyalistc.on.ca

FIND YOUR CAREER

A career in biotechnology holds many opportunities to make an impact in government, industry, education and medical facilities.

- There is a growing demand for skilled technicians, lab technologists and research assistants.
- You could work in life sciences, agriculture, food production, pharmaceuticals, and sanitation or health research.
- Graduates also find opportunities in regulation and enforcement, quality control and sales.

HOW YOU'LL LEARN

Study in the newly equipped Sustainable Skills, Technology and Life Sciences Centre:

- Hands-on learning combines classroom theory and practical, lab-based instruction.
- Work in state-of-the-art Instrumentation and Molecular Biology labs equipped with PCR and DNA sequencing technology.
- Get experience with a wide variety of instrumentation used in genetics, microbiology, fermentation and forensics.
- Apply the same techniques used to engineer GMOs, extract and amplify DNA, and analyze genetic differences using DNA profiling.
- Get on-the-job, practical experience with field placements in the second and third year.

Expand your knowledge in Biotechnology — Advanced:

- The third year focuses on intensive, laboratory-based instruction and project-based learning in molecular biology, microbiology, analytical instrumentation, tissue culture and cutting-edge extraction technologies.
- A placement in your final semester can be a foot in the door to your next job.

APPROXIMATE COSTS (2015-16)

- Domestic Tuition/Ancillary Fees: \$3,894 (two semesters).
- Additional Program Costs: Year one: \$91; Year two: \$31; Year three: \$31.
- Additional costs, such as travel and parking, may be incurred during placements.

ADMISSION REQUIREMENTS Required academic preparation

- OSSD/OSSGD or equivalent with courses at the general, advanced, (C), (U) or (M) level, AND Grade 12 English (C) level or equivalent.
- OR mature applicant (see page 105).

Recommended academic preparation

- Grade 12 Mathematics, Chemistry and Physics at the (C), (U) or general level.
- Applicants with a related degree or diploma may be considered for advanced standing or direct entry into year two.

TURN YOUR DIPLOMA INTO A DEGREE

Two or three-year diploma

- Algoma University – B.A.; B.B.A.; B.Sc.; Bach. Computer Science

Two-year Ontario College Diploma in Business (BUSI)
Three-year Ontario College Advanced Diploma in Business Administration (BUS3)
September and January entry
Contact: busi@loyalistc.on.ca

FIND YOUR CAREER

A career in business is more than numbers and banking — it's a complex balance of finance, marketing, products and services you offer, and the people behind them. The two-year Business program provides grads with the skills for:

- Entry-level positions within the business, not-for-profit and retail sectors.
- Working as logistics coordinators, event coordinators, retail managers, production supervisors and shift supervisors.

Grads of the three-year Business Administration program earn specialized skills tailored for careers in:

- Human resource administration, industrial relations, training and development, staff planning and job analysis, occupational health and safety, and purchasing and quality control.
- 100% of 2014 Loyalist grads were employed within six months of graduation[†].

WHAT YOU'LL LEARN

- Marketing strategy.
- Financial decision making and supply chain management.
- Effective workplace presentation skills.
- Corporate responsibility and sustainability — economic, social and environmental.
- How to develop a comprehensive business plan for your own business idea.

APPROXIMATE COSTS (2015-16)

- Domestic Tuition/Ancillary Fees: \$3,894 (two semesters).
- Additional Program Costs: Year one: \$16.
- Books: \$1,040.
- Additional costs, such as travel and parking, may be incurred during placements.

ADMISSION REQUIREMENTS Required academic preparation

- OSSD/OSSGD or equivalent with courses at the general, advanced, (C), (U) or (M) level, AND Grade 12 English (C) level or equivalent.
- OR mature applicant (see page 105).

BUSINESS SALES AND MARKETING

People with sales and marketing expertise are revenue generators — making an impact on the bottom line, a talent that's in demand in virtually every sector. Apply your skills to a career in commerce, health care, IT, manufacturing, advertising, telecommunications or sports and entertainment.

OUR GRADS GET GREAT JOBS

International Sales Manager, Nomis Design
Sales Consultant, Ottawa 67's
Key Accounts Manager, Canarm
Sales Representative, Atlantic Packaging Products
Inside Sales Associate, Beclawat Manufacturing
Manager of Economic Development and Communications, Municipality of Brighton

Two-year Ontario College Diploma (SALE)
September and January
Contact: sale@loyalistc.on.ca

FIND YOUR CAREER

A diploma in Business Sales and Marketing opens doors to a job in virtually any field:

- You could work in telecommunications, information technology, hospitality, the food and beverage industry, health care, the medical or pharmaceutical industry, engineering, manufacturing, commerce, advertising, event planning, or professional sports and entertainment.
- There are careers in wholesale, distribution, manufacturing and non-profit organizations.
- Loyalist grads meet the certification standards of the Canadian Professional Sales Association. With two years' sales experience, graduates can apply for the Certified Sales Professional (CSP) designation.
- Average entry-level salaries range from \$35,000 up to \$50,000. Many grads are able to move quickly into management positions.

HOW YOU'LL LEARN

Classroom instruction uses a wide range of dynamic tools and techniques:

- Learn through case studies and competitive simulations.
- Create and deliver executive-style presentations.
- Refine your rapport-building and selling techniques with role-playing exercises that are videotaped and critiqued.
- Gain experience with cutting-edge customer relationship management (CRM) software – an essential business tool to manage sales territories and prospective clients.
- Prepare for success with simulated job interviews conducted by managers from the business community.
- Develop a professional portfolio in any format from a web page to an audio commercial.
- Get a feel for different industries during six full-day job shadow placements.

- Past placements include Boston Pizza's marketing office, Ontario Hockey League, The FAN 590 radio station, ALDO's head office, Canarm and the Ottawa Senators.

APPROXIMATE COSTS (2015-16)

- Domestic Tuition/Ancillary Fees: \$3,894 (two semesters).
- Additional Program Costs: Year one: \$16.
- Books: \$1,200.
- Students must budget for a field placement at the end of the fourth semester, which may include relocation.
- Program class trips: Alternative assignments will be issued if travel is hindered by health, personal or legal considerations.
- Additional costs, such as travel and parking, may be incurred during placements and job shadowing.

ADMISSION REQUIREMENTS Required academic preparation

- OSSD/OSSGD or equivalent with courses at the general, advanced, (C), (U) or (M) level, AND Grade 12 English (C) level or equivalent.
- OR mature applicant (see page 105).

Additional requirements

- Most field placements will require a valid driver's licence.
- Field trips may require a valid passport.

TURN YOUR DIPLOMA INTO A DEGREE

CAREER AND COLLEGE PREP

Whether your goals are achieving a better job, a College education or an apprenticeship — we can help you get there. In just six to nine months you can earn your Grade 12 equivalency and get started on your journey. And it's free!

Academic and Career Entrance Certificate (Grade 12 equivalency)
Program length varies based on student needs

Monthly entry
Contact: prep@loyalistc.on.ca

FIND YOUR CAREER

The College Prep program is a springboard to a better job or further studies at college. It allows:

- Mature students to earn their Grade 12 equivalency.
- High school graduates to upgrade or refresh their knowledge and skills.
- Improve qualifications to apply to college programs and employment opportunities.

HOW YOU'LL LEARN

This Grade 12 equivalency program is geared to meet each student's individual needs:

- Learn at your own pace.
- Study full-time or part-time or learn online.
- Individually tailored programs can include academic upgrading, training readiness, career and personal development, and job-search skills.
- We assess your personal learning style and teach workshops on how to make the most of your classroom time and how to succeed in school.
- Academic subjects are arranged to meet your individual needs.
- You can improve your skills in reading, writing, spelling, grammar, math and computers.
- Teaching is based on practical knowledge and situations you can apply in your everyday life.

APPROXIMATE COSTS

- Tuition is free for all students.
- This program is funded through the Ontario Ministry of Training, Colleges and Universities and Employment Ontario.
- Financial help is available for travel and daycare expenses for those who qualify.

ADMISSION REQUIREMENTS

Required academic preparation

- Any Ontario resident who is 19 years of age or older can apply.
- If you are 18 years old, please call the Belleville campus at 613-969-1913 ext. 2456 or our Bancroft campus at 613-332-1743 for further information.
- The level at which you enter the program is determined by an interview and assessment.

WHAT'S NEXT?

The Career and College Prep program is designed for seamless entry into further studies at Loyalist. With your Grade 12 equivalency you can:

- Apply for post-secondary certificate and diploma programs at Loyalist College.
- Apply to another college program.
- Pursue an apprenticeship.

CHEMICAL ENGINEERING TECHNICIAN/TECHNOLOGIST

Chemical engineering technicians and technologists are at the heart of many growing fields, from leading-edge research around alternative fuels to protecting the safety of our food and water supply. Prepare for an exciting career working in high-tech labs with real-world results.

OUR GRADS GET GREAT JOBS

Plastic Industry Lab Technologist, ABC Group
Lab Technician, Atomic Energy of Canada
Chemical Lab Technologist, Ontario Clean Water Agency
Chemical Technologist, Queen's University
Quality Control Laboratory Technician, Durabla Canada

Two-year Ontario College Diploma (Technician) **(CHEM)**
Three-year Ontario College Advanced Diploma (Technologist) **(CHE3)**
September and January entry
Contact: chem@loyalistc.on.ca

FIND YOUR CAREER

Chemical engineering technicians and technologists work for:

- Government agencies.
- Educational institutions.
- Industries including food production, pharmaceuticals, petroleum, plastics, pulp and paper, mining, metallurgy and nuclear energy.
- Average starting salaries range from \$40,000 to \$44,999**.
- 100% of Loyalist 2014 grads were working within six months of graduation†.

HOW YOU'LL LEARN

Enjoy hands-on learning in Loyalist's state-of-the-art Instrumentation Lab:

- Understand the principles and techniques of organic and analytical chemistry, chemical engineering and industrial processes.
- Gain applied skills with chemical instrumentation, computer applications, health and safety, and microbiology techniques.
- Apply theory to practice with problem-based assignments.
- Graduates are prepared to carry out experiments, analyze and interpret data, manage lab operations, assess analytical methods and develop new techniques.
- Observe chemical engineers in action with tours of professional lab facilities.
- Field placements in the second and third years provide practical employment experience, preparing you for a smooth transition to the workforce with a wide range of skills.

APPROXIMATE COSTS (2015-16)

- Domestic Tuition/Ancillary Fees: \$3,894 (two semesters).
- Additional Program Costs: Year one: \$91; Year two: \$31; Year three: \$31.

- Books: \$1,040.
- Additional costs, such as travel and parking, may be incurred during placements.

ADMISSION REQUIREMENTS

Required academic preparation

- OSSD/OSSGD or equivalent with courses at the general, advanced, (C), (U) or (M) level, AND Grade 12 English (C) level or equivalent.
- OR mature applicant (see page 105).

Recommended academic preparation

- Grade 12 Mathematics, Chemistry and Physics at the (C), (U) or general level.
- Applicants with a related degree or diploma may be considered for advanced standing or direct entry into year two.

CHILD AND YOUTH CARE

Child and youth care practitioners work with children, youth and their families in a wide variety of settings. Train for a rewarding career helping young people by engaging with them in their everyday lives, building on their strengths and empowering them to make positive changes.

OUR GRADS GET GREAT JOBS

Child and Youth Worker, Quinte Children's Homes
 Child and Youth Worker, Kawartha Pine Ridge District School Board
 Child Care Therapist, Bayfield Treatment Centres
 Classified Youth Services Officer, Brookside Youth Centre
 Case Manager, Big Brothers Big Sisters
 Child and Youth Worker, Treatment Foster Care Program

Three-year Ontario College Advanced Diploma (CYWP)
 September entry
 Contact: cywp@loyalistc.on.ca

FIND YOUR CAREER

Child and youth care practitioners work front-line with children, youth and their families as part of a multi-disciplinary team. Settings include:

- School-based programs
- Child welfare and protection
- Group homes and residential treatment facilities
- Community mental health and children's mental health programs
- Youth outreach centres
- Community-based child and youth development programs
- Home-based care and treatment
- Parent education and family support
- Hospital-based services
- Youth justice programs
- Private practice
- 100% of 2014 Loyalist grads were employed within six months of graduation†.

HOW YOU'LL LEARN

Develop a strong set of skills in varied learning environments:

- Learn through interactive skills workshops, classroom instruction and on-the-job experience.
- Practice delivering non-judgmental support, advocacy, therapeutic interventions, and individual and group counselling.
- Gain practical knowledge of mental health, child welfare legislation, therapeutic techniques, clinical documentation and case management.
- Explore the impact of trauma and loss, diversity, abuse, violence and poverty.
- Loyalist graduates are eligible for professional certification with the Ontario Association of Child and Youth Care.
- Experts from the field share their expertise about a variety of topics such as restorative practises.
- Students have completed placements in elementary and secondary schools, Bayfield Treatment Centres, Quinte Children's Homes, Big Brothers Big Sisters, Quinte West Youth Centre and Canadian Mental Health Association, among other organizations.

APPROXIMATE COSTS (2015-16)

- Domestic Tuition/Ancillary Fees: \$3,894 (two semesters).
- Additional Program Costs: Year one: \$50.
- Books: \$1,200.
- Additional costs may be incurred during placements.

ADMISSION REQUIREMENTS

Required academic preparation

- OSSD/OSSGD or equivalent with courses at the general, advanced, (C), (U) or (M) level, AND Grade 12 English (C) level or equivalent.
- OR mature applicant (see page 105).

Additional requirements

- Criminal Record Check and Vulnerable Sector Check.
- Some placements require Standard First Aid and Level "C" CPR certification. It is recommended that all students complete this certification.
- A formal confidential personal health history is required.
- Prospective students with special needs or limitations that may affect their placement or potential employment opportunities are encouraged to discuss their career goals with faculty prior to admission.

Advanced standing

- Direct entry into year two is available to applicants with a diploma in Social Service Worker, Developmental Services Worker, Early Childhood Education, General Arts and Science with a social studies focus, Justice Studies, or a relevant university degree.
- A minimum 70% overall average is required, with no marks below 60%.
- Applicants with other post-secondary credentials will be assessed on an individual basis.

TURN YOUR DIPLOMA INTO A DEGREE

CIVIL ENGINEERING TECHNICIAN/TECHNOLOGIST

An education in civil engineering can offer many opportunities — leading to rewarding careers. Work in areas such as structural design and construction, project management and quality assurance, municipal engineering, transportation design and construction, geotechnical engineering and infrastructure rehabilitation.

OUR GRADS GET GREAT JOBS

Public Works Manager, Augusta Township
 Building Inspector, City of Belleville
 Highway Inspector, Highway Construction Inspection
 Estimator, Cornerstone Builders
 Network Coordinator, Bell Canada

Two-year Ontario College Diploma (Technician) (CIVL)
 Three-year Ontario College Advanced Diploma (Technologist) (CIV3)
 September entry
 Contact: civl@loyalistc.on.ca

FIND YOUR CAREER

Our graduates are employed by:

- Municipalities and cities
- Consulting engineering firms
- Construction contractors
- Federal and provincial agencies

Prepare for high-demand positions in:

- Design and construction
- Interpreting and preparing specifications, drawings or instructions
- Infrastructure maintenance and rehabilitation
- Project estimating (quantities and costs)
- On-site quality assurance
- Project management or supervision
- Professional certification through the Ontario Association of Certified Engineering Technicians and Technologists (OACETT) is available with a diploma from Loyalist College.

HOW YOU'LL LEARN

- This well-rounded program combines classroom instruction, hands-on learning, both outside (in the field) and inside, in our Building Sciences Lab using industry standard equipment.
- Get a strong foundation in surveying techniques, drafting principles and computer applications, using programs such as AutoCAD and Civil 3D.
- Gain skills in structural, municipal and highway design, structural drafting, materials testing and inspection, construction supervision and project estimating to name a few.

- Our program allows for graduation after two years, or if you wish, the opportunity to advance to a third year of studies.
- Year one is common with the Construction Engineering Technician program allowing for ease of transfer.

APPROXIMATE COSTS (2015-16)

- Domestic Tuition/Ancillary Fees: \$3,894 (two semesters).
- Additional Program Costs: Year one: \$80.
- Books: \$750.

ADMISSION REQUIREMENTS

Required academic preparation

- OSSD/OSSGD or equivalent with courses at the general, advanced, (C), (U) or (M) level, AND Grade 12 English (C) level or equivalent.
- OR mature applicant (see page 105).

Recommended academic preparation

- Math MCT 4C.
- MCF 3M.

TURN YOUR DIPLOMA INTO A DEGREE

COMMUNITY AND JUSTICE SERVICES

Community and justice services professionals often work with clients who find themselves at a crossroads. They work within the justice system — focusing on keeping people out of it through prevention, intervention and rehabilitation. Help build stronger, safer communities by helping people at risk gain the skills and support they need to make positive choices.

OUR GRADS GET GREAT JOBS

Correctional Officer, Ministry of Community Safety and Correctional Services
Child and Youth Worker, Terrace Youth Residential Services
Youth Services Officer, Ministry of Children and Youth Services
Child and Youth Worker, Bayfield Treatment Centres
Correctional Officer, Correctional Service of Canada
Adult Residential Worker, Pathways to Independence/
Kerry's Place Autism Services
Branch Service and Support Coordinator, Canadian Mental Health Association of Leeds and Grenville
Integrity Services Investigator, Service Canada

Two-year Ontario College Diploma (CJSW)
September and January entry
Contact: cjsw@loyalistic.on.ca

FIND YOUR CAREER

Everyone talks about making societies safer and you can be one of them! Train for a rewarding career and help make a real difference in the lives of people at risk.

- Work with clients ranging from children to young offenders to adults, and people with addictions, developmental delays and mental health challenges.
- There are opportunities in a vast range of settings: youth custody facilities, child welfare homes, federal and provincial correctional facilities, attendance centres, community justice agencies, victim support agencies and a variety of residential facilities for people at risk.
- Entry-level salaries average approximately \$35,000 to \$60,000 per year.
- Graduates who successfully complete the provincial or federal correctional system recruitment process will receive additional training upon employment.
- There is such a strong demand for community and justice services professionals that many students receive job offers before they graduate.

HOW YOU'LL LEARN

- We don't teach from textbooks. Our program adapts to emerging policies and best practices to prepare students for the realities of the workplace — featuring practical, hands-on learning:
- Sharpen your assessment and communication skills during scenario-based role-plays, emphasizing personal safety and the protection of staff, clients and the community.
- Visit adult and youth detention facilities first-hand.
- Work with drug dog handlers on site in correctional institutions.
- Learn to defuse conflict with alternative dispute resolution training and earn a certificate in Non-Violent Crisis Intervention.
- Hear from real experts and guest speakers who share their

experiences such as post-traumatic stress, suicidal thoughts and fetal alcohol spectrum disorder, as well as professionals working in group homes, federal and provincial corrections and sexual assault centres.

- Help clients across the spectrum of the justice system with a three-fold focus on prevention, intervention and reintegration.

APPROXIMATE COSTS (2015-16)

- Domestic Tuition/Ancillary Fees: \$3,894 (two semesters).
- Additional Program Costs: Year one: \$11.
- Books: \$1,240.
- Relocation and travel may be required for placement experiences – additional costs may be incurred.

ADMISSION REQUIREMENTS

Required academic preparation

- OSSD/OSSGD or equivalent with courses at the general, advanced, (C), (U) or (M) level, AND Grade 12 English (C) level or equivalent.
- OR mature applicant (see page 105).
- Applicants with a related degree or diploma may be considered for advanced standing or direct entry into year two.

Additional requirements

- A formal, confidential personal health history and up-to-date immunization are required as part of the registration process.
- Standard First Aid, Level "C" CPR certification and Basic Cardiac Life Support (BCLS).
- Clear, current Criminal Record Check (Vulnerable Sector Check may also be required).
- Applicants with special needs or limitations that may affect their potential employment are encouraged to discuss their program and career goals with the coordinator prior to enrolment.

Recommended academic preparation

- Consistent volunteerism is highly recommended to gain employment.

CONSTRUCTION ENGINEERING TECHNICIAN

Work in the construction industry as a site supervisor, project estimator, quality assurance inspector or assisting in other construction related processes. This technology-focused program will prepare students for a career in the office or out in the field.

OUR GRADS GET GREAT JOBS

Grade Foreman, Drain Bros. Excavating
Carpentry Apprentice, Highland Design Build
Lead Survey/Assistant Site Supervisor, Strathcona
Solar Initiatives
Inspector, G.D. Jewell Engineering
Q.C. Administrator/Project Manager, The Miller Group

Two-year Ontario College Diploma (CONS)
September entry
Contact: cons@loyalistic.on.ca

FIND YOUR CAREER

Our graduates are employed by:

- Construction contractors
 - Municipalities and cities
 - Construction supply and sales businesses
- Prepare for a high-demand position in:

- Site supervision
- Building inspection and approval
- Project estimating
- Quality assurance (testing and inspection)
- Retail sales (building supply and rental)
- 100% of 2014 grads were working within six months of graduation†.
- Professional certification through the Ontario Association of Certified Engineering Technicians and Technologists (OACETT) is available with a diploma from Loyalist College.

HOW YOU'LL LEARN

Enjoy a mix of learning experiences, indoors and out, with lots of personal attention from faculty:

- The program combines classroom instruction, hands-on learning in the field and lab work in Loyalist's Building Sciences Lab.
- Gain experience in surveying, structural drafting, testing and inspection of construction materials, project supervision and estimating.
- Work with the latest AutoCAD software used in the industry today.
- Apply your skills on a construction site while working one day a week during a semester-long on-the-job field placement.
- Year one is common with the Civil Engineering Technician program, allowing for ease of transfer.

APPROXIMATE COSTS (2015-16)

- Domestic Tuition/Ancillary Fees: \$3,894 (two semesters).
- Additional Program Costs: Year one: \$106.
- Books: \$1,500.
- Additional costs, such as travel and parking, may be incurred during placements.

CONSTRUCTION RENOVATION TECHNIQUES/TECHNICIAN

There are career-building opportunities in this skilled trade for people who enjoy working with their hands and take pride in a job well done. Loyalist is a leader in green building methods — featuring certified Energy Star builders who guide students through a major home construction or renovation project.

OUR GRADS GET GREAT JOBS

Construction Framers, Classic Construction
Granite Fabricator Installer, Take Mike for Granite
Carpenter, Nick Hoornweg Contracting
Chief Estimator, Ontario Flooring
Landscape, Scott Wentworth Landscaping Group

One-year Ontario College Certificate (Techniques) (CNTP)
Two-year Ontario College Diploma (Technician) (CNTD)
September entry
Contact: cntp@loyalstc.on.ca

FIND A CAREER

Prepare for opportunities in residential or commercial construction and renovation:

- Specialize as a new homebuilder, renovator, general carpenter, home inspector, building inspector, energy efficiency and green/sustainable builder, fine finish carpenter, project coordinator, manager or estimator.
- Employers include general contractors, subcontractors, new homebuilders, woodworking shops and restoration contractors; there are also opportunities selling building materials in hardware stores, lumberyards and building centres.
- Training in entrepreneurship and estimating can help you work towards running your own business as an independent contractor.
- Grads of the two-year program may specialize in framing or fine finish carpentry or explore a specialty in energy efficient, sustainable residential construction, green build and healthy homes, i.e. low VOC (volatile organic compounds).
- Loyalist grads are eligible to pursue professional certification through the Ontario Association of Certified Engineering Technicians and Technologists (OACETT).

HOW YOU'LL LEARN

Learning emphasizes practical hands-on work during a major home construction or renovation project:

- Practise your skills in carpentry, from base footings to framing, interior and exterior finishing and fine finishing techniques.
- Work from blueprints, produce basic sketches, develop building details and create computer-assisted drawings using AutoCAD.
- Receive hands-on instruction in environmentally sound construction techniques, proper tool usage and jobsite safety.

- Second-year students develop advanced techniques in sustainable and alternative building, mechanical, electrical and plumbing skills.
- 2015 students built a rustic cabin for permanent installation at Bon Echo Provincial Park.

APPROXIMATE COSTS (2015-16)

- Domestic Tuition/Ancillary Fees: \$3,894 (two semesters).
- Additional Program Costs: Year one: \$205.
- Books: \$1,050.
- Students must purchase their own tools. Any travel expenses associated with on-site renovation projects are the student's responsibility.

Enrolment in this skilled trades program makes you eligible to apply for The W. Garfield Weston Foundation Fellowship program.

up to
\$4,000
+ a tuition
credit

ADMISSION REQUIREMENTS

Required academic preparation

- OSSD/OSSGD or equivalent with courses at the general, advanced, (C), (U) or (M) level, AND Grade 12 English (C) level or equivalent.
- OR mature applicant (see page 105).

CULINARY SKILLS-CHEF TRAINING/CULINARY MANAGEMENT

Being a top chef goes beyond loving food. It's about appreciating the soil and sunshine, how food is grown and what it takes to run a business. It means taking creative risks and constantly adapting. If this is the career of which you've been dreaming, start creating now in Loyalist's on-campus gourmet restaurant.

OUR GRADS GET GREAT JOBS

Cook, Chateau Whistler
Cook, Eigensinn Farm, Toronto
Cook, L'Auberge de France, Belleville
Cook, Drake Devonshire Inn, Prince Edward County
Cook, Le Club Chasse et Pêche, Montreal
Cook, Blumen Bistro, Picton

One-year Ontario College Certificate in Culinary Skills (CHEF)
Two-year Ontario College Diploma in Culinary Management (CULM)
September entry
Contact: chef@loyalstc.on.ca

FIND A CAREER

There's no life like the one of a chef. You will work evenings, weekends and most holidays in a high-pressure environment, sweating over a hot stove ... and love it!

- Culinary Management graduates are prepared to work as cooks and apprentices in their choice of establishment around the world.
- Opening a restaurant is a high-risk venture. A diploma from Loyalist will prepare you to pursue your dreams with solid skills in culinary technique, marketing and leadership.
- 100% of 2014 Chef Training grads were working within six months of graduation†.
- Diploma graduates complete the in-class requirements for apprenticeship training.
- Following completion of on-the-job apprenticeship outcomes, graduates are qualified to write the exam for Interprovincial Red Seal Certification — an internationally recognized standard of quality.

HOW YOU'LL LEARN

Create and innovate under the guidance of distinguished chefs with a rich appreciation of farm-to-table cuisine.

- Work in the kitchen and dining room of Club 213, Loyalist's on-campus student-run gourmet restaurant.
- Earn first-hand experience in all aspects of culinary management — from hosting and service, food preparation, pricing and menu design, to developing marketing strategies.
- Students also operate the Loyalist Market, a retail outlet offering an amazing variety of fresh and frozen products designed and created by culinary students.
- Second-year students return to the kitchen of Club 213 supervising their first-year peers, developing essential teamwork and leadership skills.

- Optional field trips provide invaluable experience in food and culture. Recent destinations include New York City, Paris, Switzerland and Portugal.
- Receive individual attention from licensed chefs and Red Seal pastry chefs.
- Faculty have a tremendous depth and breadth of experience, working in environments ranging from the Fairmont Chateau Whistler during the 2010 Vancouver Olympics, to Chateau Lake Louise, Toronto's Royal York Hotel, the Milford Bistro and Harvest in Prince Edward County.
- The program was developed by Chef John Schneeberger, a renowned chef with 17 years of teaching experience and the host of the weekly TV cooking show Chef Class.

APPROXIMATE COSTS (2015-16)

- Domestic Tuition/Ancillary Fees: \$3,894 (two semesters).
- Additional Program Costs: Year one: \$514 (chef's knives).
- Lab Fee: To be confirmed.
- Uniforms: \$400.
- Optional field trips: \$600 – \$3,000.

ADMISSION REQUIREMENTS Required academic preparation

- OSSD/OSSGD or equivalent with courses at the general, advanced, (C), (U) or (M) level, AND Grade 12 English (C) level or equivalent.
- OR mature applicant (see page 105).

Experience with the Canadian Forces

Loyalist Culinary programs are recognized by the Canadian Forces:

- Chef Training students can participate in the Subsidized Education Program.
- Culinary Management students have the opportunity to receive advanced standing as a Cook (Apprentice).
- Visit forces.ca for details.

CUSTOMS BORDER SERVICES

Post-9/11 border security in Canada has emerged as a defining focus in public safety and global business. Train for a career in this growing segment of law enforcement through realistic practise scenarios. Learn with leaders in virtual learning environments — Loyalist’s border simulations have been used by the Canada Border Services Agency to train new recruits.

OUR GRADS GET GREAT JOBS

Border Services Officer, Canada Border Services Agency
Municipal Law Enforcement Officer, City of Mississauga
Enforcement Officer, Canada Border Services Agency
Customs Release Analyst, Livingston International
Border Services Officer, Pearson International Airport

Two-year Ontario College Diploma (**CUSB**)
September and January entry
Contact: cusb@loyalistic.on.ca

FIND YOUR CAREER

Graduates of this innovative program are extremely well regarded by employers and business is booming. In just two years, you can train for a lucrative career within government or the private sector:

- Employers include private businesses, customs brokerages importing and exporting and freight forwarders that ship goods throughout the world.
- You could work as a border services officer, enforcement officer, customs release analyst, trade compliance specialist, import analyst, customs research analyst, customs coordinator or policy officer.
- Starting salaries range from \$32,000 to \$60,000.
- 90% of Loyalist 2014 grads were working within six months of graduation†.

HOW YOU’LL LEARN

We believe in preparing by doing, with hands-on experience and cutting-edge technology:

- Develop essential skills in listening, observing, critical thinking, conflict management and decision making during realistic practise scenarios.
- Experience the role of a border service officer in a virtual learning environment, completing the inspection line questioning with unknown travellers as you would in real life.
- Take part in role-play scenarios with other students to identify key indicators suggesting further inspection.
- Practise searching for and identifying contraband during forensic vehicle searches.
- Learn from guest speakers working in the industry today.
- Gain a deeper understanding of cultural inclusion by participating in multicultural fairs.

DEVELOPMENTAL SERVICES WORKER

Developmental services workers provide support and advocacy — helping people with disabilities access the services they need and deserve, and work towards full inclusion for the betterment of the entire community.

OUR GRADS GET GREAT JOBS

Residential Counsellor, Community Living Belleville and Area, and Community Living Quinte West
Residential Counsellor, Pathways to Independence
Educational Assistants, Algonquin and Lakeshore Catholic District School Board and Hastings and Prince Edward District School Board
Live-in Assistants, L’Arche
Direct Support Professionals, Christian Horizons
Human Resources, CARE Canada

Two-year Ontario College Diploma (**DSWP**)
Accelerated stream for applicants with related diploma or degree (**DSWA**)
September and January entry
Contact: dswp@loyalistic.on.ca
For online delivery of the DSW Diploma or Apprenticeship Certificate, contact cedsw@loyalistic.on.ca

FIND YOUR CAREER

Developmental services workers support people of all ages with disabilities, enhancing their presence and participation in community life. Loyalist grads find rewarding positions:

- Providing in-home support to help people maintain independence.
- In community agencies as residential counsellors and vocational coaches, helping people find meaningful activities.
- In schools as educational assistants.
- With not-for-profit organizations.
- As activation directors in residential programs and long-term care facilities.
- Providing respite support for families.
- Average starting salaries range from \$35,000 to \$39,999††.
- 93% of 2014 Loyalist grads were working within six months of graduation†.

HOW YOU’LL LEARN

Learn to effectively support people with physical and/or developmental disabilities as valued members of the community and help them advocate for themselves:

- Develop hands-on skills to assist people with day-to-day activities, maintain health, administer medication and help them learn practical skills and positive behaviour.
- Identify available resources in a community and how to connect people with services.
- Collaborate with people with disabilities to overcome barriers and promote full inclusion.

- Benefit from the expertise of a wide range of guest speakers, including first-hand experiences of people with disabilities and their family members, advocates, professionals with local organizations and ministry representatives discussing new legislation.

APPROXIMATE COSTS (2015-16)

- Domestic Tuition/Ancillary Fees: \$3,894 (two semesters).
- Accelerated Domestic Tuition/Ancillary Fees: \$5,841 (three semesters).
- Books: \$1,040.
- Additional costs, such as travel and parking, may be incurred during placements.

ADMISSION REQUIREMENTS Required academic preparation

- OSSD/OSSGD or equivalent with courses at the general, advanced, (C), (U) or (M) level, AND Grade 12 English (C) level or equivalent.
- OR mature applicant (see page 105).

Additional requirements

- Standard First Aid Level “C” CPR certification.
- Completed Immunization Form, submitted and approved by the Loyalist Health Centre.
- Criminal Record Check and Vulnerable Sector Screening must be dated within six months of placement start date.
- If you have been convicted of an offence under the Criminal Code for which you have not been pardoned, you may be ineligible for field placement. Please contact the coordinator to discuss your options.
- All DSW field placements are block placements, minimum six hours per day, three to four days per week. Students entering the program must be able to arrange their schedules to accommodate these blocks. For more information, contact a DSW program coordinator.

EARLY CHILDHOOD EDUCATION

Children's first five years are critical to their future success — academically, economically and socially. Early childhood educators get to be an instrumental part of that magic — guiding children through play-based learning and exploration. Make a difference that lasts a lifetime.

OUR GRADS GET GREAT JOBS

Designated Early Childhood Educator, Algonquin & Lakeshore Catholic District School Board
Designated Early Childhood Educator, Hastings & Prince Edward District School Board
Acting Assistant Director and Head Preschool Teacher, Catundra Day Care Centre
Early Childhood Educator, YMCA

Two-year Ontario College Diploma (ECEP)
September entry

Contact: ecep@loyalistc.on.ca

For online delivery of ECE Diploma or Child Development Practitioner Apprenticeship Certificate, contact cece@loyalistc.on.ca

FIND YOUR CAREER

Graduates work as early childhood educators in settings such as:

- Full-day kindergarten programs
- Childcare centres
- Nursery schools
- Private home childcare
- Live-in and live-out nanny
- Resource centres
- Cruise ships and resorts

• 91% of 2014 Loyalist grads were employed within six months of graduation[†].

HOW YOU'LL LEARN

Loyalist's ECE program consistently ranks high in student and graduate satisfaction, combining theory with practise:

- Design and implement curriculum to meet the diverse learning needs of children at different stages.
- Learning emphasizes inclusive practices, partnerships with families, multiple intelligences and evidence-based practices supported by current research.
- Develop reflective practitioner skills with one-on-one faculty mentoring.
- Develop authentic relationships with children while you put theory into practice.
- Get a range of experiences in childcare centres, kindergartens and school-age community programs.

APPROXIMATE COSTS (2015-16)

- Domestic Tuition/Ancillary Fees: \$3,894 (two semesters).
- Additional Program Costs: Year one: \$98; Year two: \$129.
- Books and Practicum Clothing: \$1,600.
- Additional costs, such as travel and parking, may be incurred during placements.

ADMISSION REQUIREMENTS

- OSSD/OSSGD or equivalent with courses at the general, advanced, (C), (U) or (M) level, AND Grade 12 English (C) level or equivalent.
- OR mature applicant (see page 105).
- Applicants with a related diploma or degree may be eligible for advanced standing.

Additional requirements

- A formal, confidential health history, up-to-date immunization and Tuberculosis (two-step TB) test are required as part of the registration process.
- Standard First Aid and Level "C" CPR certification.
- Clear, current Criminal Record Check and Vulnerable Sector Check.
- If you have been convicted of an offence under the Criminal Code for which you have not been pardoned, you may be ineligible for field placement.

TURN YOUR DIPLOMA INTO A DEGREE

- Algoma University – B.A.; B.B.A.; B.Sc.; Bach. Computer Science
- Athabasca University – Bach. Professional Arts in Human Services
- Brock University – B.A. (Hons) Early Childhood Education
- Carleton University* • Davenport University – B.A. General Business
- George Brown College – Bach. Applied Arts in Early Childhood Leadership
- Griffith University – B.A. • Institutes of Technology Ireland
- Lakehead University – Bach. Education (Concurrent Education) Primary/Junior Specialization • Laurentian University*
- Laurier Brantford – any honours program • Nipissing University – B.A.
- Ryerson University – B.A. in Early Childhood Studies
- Seneca College – Bach. Child Development; Bach. Interdisciplinary Studies • University of Guelph – Bach. Applied Science (Hons) in Early Childhood • University of Ontario Institute of Technology – B.A. Adult Education & Digital Technology • University of Waterloo*
- University of Windsor – B.A. (General or Honours); B.A. (Hons) Disability Studies; Bach. of Social Work • Wilfrid Laurier University*
- York University*

*Various potential degree pathways. Please confirm details with receiving institution.

ELECTRICAL ENGINEERING TECHNIQUES/TECHNICIAN - AUTOMATION

Electricity is the energy of the future and the demand for skilled electrical workers and electricians is soaring. Thanks to advanced training in PLC programming, Loyalist technician students are preparing for tomorrow's trends in next generation robotics and industrial automation.

OUR GRADS GET GREAT JOBS

Electrical Designer, Bombardier
Millwright/Machine Maintenance, Horizon Plastics
Construction/Maintenance Electrician, Hydro One
Electrical Apprentice, Quorum International
Account Manager, Torbram Electric Supply

One-year Ontario College Certificate (Techniques) (ELTP)

Two-year Ontario College Diploma (Technician) (ELTT)

September entry

Contact: eltp@loyalistc.on.ca

FIND YOUR CAREER

Loyalist's focus on industrial automation provides the foundation for a vast array of career options. Opportunities include:

- Residential, commercial or industrial electrician
- Automation specialist
- Robotics technician
- Technical customer service rep/sales support
- Research technician
- Video and security systems technician
- Alternative energy technician
- Home automation specialist
- Network installation technician
- Industrial maintenance technician
- Motor control specialist
- Programmable Logic Controller programmer
- Appliance repair
- Heating, air conditioning and ventilation (HVAC)
- Electrical estimator
- Industrial networking specialist
- Electrical inspector
- Electrical systems and products trainer
- Communications systems technician
- Gaffer (movie/video production electrician)
- Railway signal technician
- Average starting salaries range from \$35,000 to \$39,999^{**}.
- 100% of Loyalist 2014 grads were working within six months of graduation[†].

HOW YOU'LL LEARN

Get practical, real-life training in a supportive learning environment that nurtures one-on-one relationships with instructors:

- The first year provides a working understanding of electricity and electronics, as well as the fundamental skills needed in electrical construction and automation.
- Develop skills in electrical installation, motor control and the basics of industrial processes — including Programmable Logic Controllers (PLCs), fluid power and process control.
- Work hands on with actual PLCs in your first year, not just simulation software.
- Students gain a solid understanding of the Ontario Electrical Safety Code.
- A second year of study delivers skills required in installing, configuring, maintaining, servicing and calibrating industrial systems, including industrial robotic and production systems.
- Courses in technical math and general education ensure that graduates have the practical knowledge to succeed.
- Students can apply their knowledge to extracurricular projects, such as building a racecar simulator arcade game using only automation equipment and software.
- There are opportunities to participate in career events such as TradeWise and Trade Roots, and trips to local industry such as Tyco Thermal.

APPROXIMATE COSTS (2015-16)

- Domestic Tuition/Ancillary Fees: \$3,894 (two semesters).
- Additional Program Costs: Year one: \$383 (toolkit).
- Books: \$1,500.

Enrolment in this skilled trades program makes you eligible to apply for The W. Garfield Weston Foundation Fellowship program.

up to
\$4,000
+ a tuition
credit

ADMISSION REQUIREMENTS Required academic preparation

- OSSD/OSSGD or equivalent with courses at the general, advanced, (C), (U) or (M) level, AND Grade 12 English (C) level or equivalent, AND Grade 11 Math.
- OR mature applicant (see page 105).

Recommended academic preparation

- Math MCT 4C.

ENGLISH FOR ACADEMIC PURPOSES

Prepare for a better job or further studies at college or university by upgrading your proficiency in English. Improve your everyday conversation, formal language skills and TOEFL scores, while earning credits toward further study.

One-year Ontario College Certificate (EAPC)
September and January entry
Contact: eapc@loyalistic.on.ca

FIND YOUR CAREER

Proficiency in the English language is required by most employers in Canada and in many countries throughout the world. English for Academic Purposes will give you the foundation to:

- Get a better job.
- Pursue further studies at college or university.
- Continue in Loyalist's General Arts and Science program with a full semester credit toward a two-year diploma, or enrol in another diploma program at Loyalist.

HOW YOU'LL LEARN

There's something for every style of learning with a variety of teaching techniques to improve both your formal English language skills and functional everyday usage:

- Develop confidence in your speaking and understanding during weekly classroom discussions.
- Practise pronunciation, grammar and listening skills in computer-based language labs.
- Get familiar with computers and the vocabulary of technology.
- Complete practical writing assignments with support from your professors.
- Gain a better understanding of Canadian culture through contemporary readings and group discussions.
- Pursue your personal interests and goals with two elective courses of your choice, and earn credits toward future diploma studies.
- Successful completion of the program will help graduates achieve the following testing outcomes: IELTS 6.0; TOEFL 213 – 240 (computer-based); TOEFL 79 – 95 (Internet-based).

APPROXIMATE COSTS (2015-16)

- Domestic Tuition/Ancillary Fees: \$3,894 (two semesters).
- Books: \$500.

ADMISSION REQUIREMENTS

Required academic preparation

- OSSD/OSSGD or equivalent with a majority of courses at the general, advanced, (C), (U) or (M) level.
- OR mature applicant (see page 105).
- OR IELTS: 5.0 overall.
- OR TOEFL: Computer-based 173 or Internet-based (iBT) 65.

ENVIRONMENTAL TECHNICIAN/TECHNOLOGIST

We all share one planet. Bioremediation techniques can restore contaminated environments and reclaim them for farmland, wildlife habitats and the Earth's increasing population. Choose a career where you can make an impact.

OUR GRADS GET GREAT JOBS

Environmental Technician, Atomic Energy of Canada
Soil Tester, Matrix Solutions
Environmental Lab Technician, SGS Canada
Water and Sewer Plant Operator, Prince Edward County
Environmental Technologist, The Greer Galloway Group
Relief Wastewater Treatment Plant Operator, Town of Smiths Falls

Two-year Ontario College Diploma (Technician) (ENVR)
Three-year Ontario College Advanced Diploma (Technologist) (ENV3)
September and January entry
Contact: envr@loyalistic.on.ca

FIND YOUR CAREER

Everyone's going green and there have never been so many opportunities to combat environmental contamination through prevention, pollution abatement, waste reduction and public education. Graduates find opportunities:

- Working within industries to reduce and clean up waste.
- Conducting environmental investigations and enforcement for government agencies.
- Monitoring water and wastewater treatment and safe drinking water for municipalities.
- Providing technical support to consulting engineers, urban and rural planners and environmental consultants.
- Students acquire skills in assessment of freshwater bodies using Ontario stream assessment protocols (OSAP and OBBN).
- Grads are prepared for certification in the Ministry of the Environment's entry-level course for drinking water operators.
- Average starting salaries range from \$35,000 to \$39,999**.
- Starting salaries for third-year grads average \$40,000 to \$44,999**.

HOW YOU'LL LEARN

Prepare to get your hands dirty! Loyalist offers real-world learning for real-world problems — featuring extensive fieldwork and hands-on instruction with technologies of the future:

- Sample natural environments and analyze environmental contaminants.
- Get hands-on experience in leading-edge environmental facilities, including well-equipped Field Biology and Instrumentation labs.
- Understand the underlying social systems that contribute to pollutants in water, soil and air.
- Learn to apply current legislation under the Environmental Protection Act.
- Get on-the-job experience with field placements in years two and three.

APPROXIMATE COSTS (2015-16)

- Domestic Tuition/Ancillary Fees: \$3,894 (two semesters).
- Additional Program Costs: Year one: \$91; Year two: \$31; Year three: \$31.
- Books: \$1,040.
- Additional costs, such as travel and parking, may be incurred during placements.

ADMISSION REQUIREMENTS

Required academic preparation

- OSSD/OSSGD or equivalent with courses at the general, advanced, (C), (U) or (M) level, AND Grade 12 English (C) level or equivalent.
- OR mature applicant (see page 105).

Recommended academic preparation

- Chemistry and Physics at the (C), (U) or general level.
- Applicants with a related degree or diploma may be considered for advanced standing or direct entry into second year.

TURN YOUR DIPLOMA INTO A DEGREE

Two or three-year diploma

- Algoma University – B.Sc.; B.A.; B.B.A.; Bach. Computer Science
- Athabasca University – Bach. Science

ESTHETICS AND SPA MANAGEMENT

Spas and salons are increasingly popular destinations for people wanting to reduce stress and feel younger. Train in a full range of spa services to help people look and feel their best. Then, put those skills to work, both in our on-campus, student-run day spa and during two field placements.

OUR GRADS GET GREAT JOBS

Spa Therapist, Ste. Anne's Spa
Esthetician/Skin Therapist, Beauty Works Day Spa
Manager, Polish Day Spa & Salon
Spa Therapists/Esthetician, Studio 237
Esthetician, Salon You & Day Spa
Manager, Claramount Inn, Spa & Restaurant

Two-year Ontario College Diploma (ESTH)
September and January starts available
Contact: esth@loyalistic.on.ca

FIND YOUR CAREER

Estheticians and spa therapists are creative, caring and innovative professionals who help people look and feel their personal best. Our program prepares you with the skills to:

- Travel and work locally or throughout Canada in hotel spas, day spas, wellness centres, medical spas and luxury resorts. Work as a freelance make-up artist or mobile spa operator.
- Find opportunities as a skin therapist, make-up artist, nail technician, spa therapist, spa manager and owner or sales representative.

HOW YOU'LL LEARN

In this hands-on program, students operate The Spa at Loyalist, a busy wellness retreat and retail boutique — delivering full esthetic services in a supervised environment:

- Train in a full range of spa services in a safe learning environment, including manicures, pedicures, facials, hair removal, make-up artistry, aromatherapy and hot stone massage.
- Get the highest technical skills in Loyalist's state-of-the-art lab using the latest in skincare technology, including microdermabrasion and facial machinery.
- Deliver high-end customer service as you interact with clients.
- Develop important skills in front desk management and the latest point-of-sale software.
- Learn the business side of spa management with instruction in visual display, retail sales, marketing, personal finance, business communications and entrepreneurship.
- Create a business plan including a spa design layout and creative spa menu showcasing a variety of skills learned in the program.
- Earn 180 hours of clinic time in our state-of-the-art, full-service spa.

FITNESS AND HEALTH PROMOTION

More and more, people are looking to make the most of their exercise experiences with workouts that get results and are engaging and fun. Qualified fitness and health professionals help people lead better, longer lives through healthy, active lifestyles.

OUR GRADS GET GREAT JOBS

Fitness and Sports Instructor, Canadian Armed Forces
Fitness Programmer, City of Brampton
Fitness Consultant, Granite Club
Personal Fitness Trainer, YMCA
General Manager, GoodLife Fitness

Two-year Ontario College Diploma (FAHP)
September entry
Contact: fahp@loyalistic.on.ca

FIND YOUR CAREER

Qualified fitness and health professionals find rewarding positions:

- Health clubs, corporate fitness centres, community recreation centres, military bases, penitentiaries, community health promotion programs, cruise ships, resort destinations and through self-employment.
- Grads are well prepared to obtain nationally recognized certification with the Canadian Society for Exercise Physiology as Certified Personal Trainers.
- Graduate with industry-recognized High 5 certification in leadership and coaching required to work with day camps and children's programs.

HOW YOU'LL LEARN

In this hands-on program you will develop confidence and expertise in designing and implementing fitness programs for both individuals and groups:

- Learn to accurately assess health and fitness levels, evaluate progress and develop exercise prescriptions tailored to meet the interests and lifestyle goals of every client.
- Train and teach in Loyalist's newly renovated on-campus fitness centre.
- Gain applied knowledge of anatomy, kinesiology, physiology, nutrition and chronic disease prevention.
- Hear from guest speakers who are industry professionals in fitness and wellness.
- Take on personal training clients at the College.
- Earn 320 hours of on-the-job training in two field placements.
- Past placements include resorts, fitness clubs, corporate settings, municipalities, health units, health promotion and wellness clinics, athletic departments at universities and colleges, and at 8 Wing/CFB Trenton and CFB Borden.

APPROXIMATE COSTS (2015-16)

- Domestic Tuition/Ancillary Fees: \$3,894 (two semesters).
- Books: \$1,450.
- Additional fees may be charged for supply kits, overnight field trips, uniforms, course/testing fees as applicable.
- Additional costs, such as travel and parking, may be incurred during placements.

ADMISSION REQUIREMENTS

Required academic preparation

- OSSD/OSSGD or equivalent with courses at the general, advanced, (C), (U) or (M) level with Grade 11 or 12 Biology, Chemistry, Physics or Kinesiology, AND Grade 12 English (C) level or equivalent.
- OR mature applicant (see page 105).

Additional requirements

- A formal, confidential personal health history and up-to-date immunization are required as part of the registration process.
- Standard First Aid and Level "C" CPR certification (adult, child and infant).
- Criminal Record Check (Vulnerable Sector Check may also be required).
- The program includes a physical fitness component. Prospective students with special needs, limitations or health-related issues are encouraged to discuss their career goals with the program coordinator.

Recommended academic preparation

- Sciences and mathematics.
- Applicants with a baccalaureate degree focusing on exercise sciences may be eligible for direct entry into the second year.

TURN YOUR DIPLOMA INTO A DEGREE

- Algoma University – B.A.; B.B.A.; B.Sc.; Bach. Computer Science

JOURNALISM JOINT DEGREE-DIPLOMA PROGRAM WITH TRENT UNIVERSITY

Journalists help citizens understand the world and make informed decisions. Today, these stories are delivered across multiple platforms at lightning speed. This fully integrated program will help shape entrepreneurial journalists who are informed, critically aware and technically skilled.

Ontario College Advanced Diploma
Bachelor of Arts in Journalism plus another discipline
September entry
Contact: jobp@loyalstc.on.ca - journalism@trentu.ca

Complete this program in four or five years (depending on your joint-major discipline) of full-time study.

FIND YOUR CAREER

- Grads prepare for career opportunities as reporters, writers, columnists, news photographers, editors, freelancers, web content providers, program hosts and news anchors.
- Through a wide range of employers, settings include radio, television, newspaper, magazine and online newsrooms.
- In public and media relations, and educational, training or industrial video production.

HOW YOU'LL LEARN

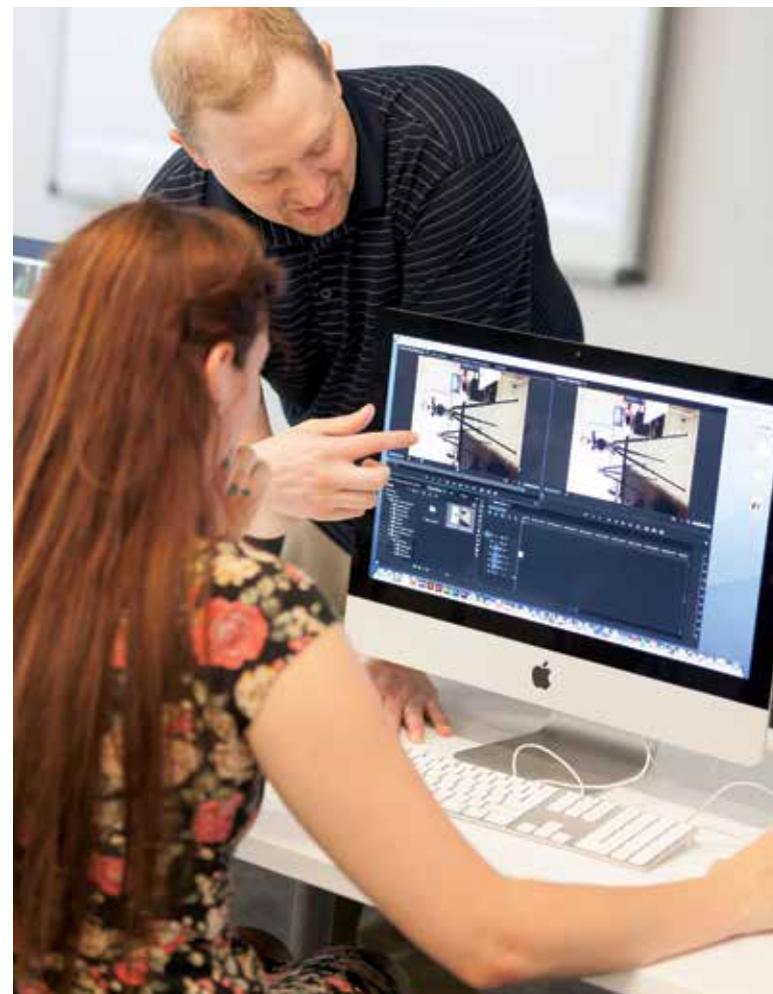

- Divide your studies between Loyalist College in Belleville and Trent University in Peterborough to:
- Earn hands-on experience in the fundamentals of research, critical analysis, writing and reporting for a variety of media platforms, including digital news organizations, television, radio, newspapers and magazines.
 - Build a foundation in critical and analytical thinking, ethical awareness and journalistic practice, while pursuing studies in your joint major area of interest, such as English, History, Media Studies, Environmental Studies, Politics or Psychology.
 - Take advantage of community-based educational projects and game day opportunities at Trent, such as stadium announcer, interviewer, broadcaster, media relations practitioner and social media manager.
 - Attend two six-week summer institutes at Loyalist College to build knowledge and skills in civic literacy, journalistic writing styles, media production, design and performance.
 - Create and deliver cross-platform content in Loyalist's state-of-the-art integrated newsroom.
 - Develop an integrated capstone project, meeting the requirements for a thesis or major project and an example of enterprise journalism.
 - Finish your studies with an eight-week field placement.
 - Graduate with a comprehensive body of work (portfolio).

APPROXIMATE COSTS (2015-16)

- Please visit trentu.ca/journalism for details.

ADMISSION REQUIREMENTS

- Apply through the Ontario Universities' Application Centre at ouac.on.ca.

JOURNALISM — ONLINE, PRINT AND BROADCAST

The face of journalism is changing as fast as news events occur, but good storytelling and solid research remain essential. Journalists must adapt to new means of delivering the news. Earn a competitive edge with reporting, writing and editing skills for online, television, radio and print within this ever-evolving industry.

OUR GRADS GET GREAT JOBS

Anchor/Reporter, CTV News Kitchener-Waterloo
Multimedia Journalist, Kingston Whig-Standard
Content Producer, Station 14, Kingston
Multimedia Journalist, Metroland
Anchor/Reporter, Quinte Broadcasting
Reporter/Photographer, Postmedia Network
Announcer/Reporter, 97.7 Moose FM in Bancroft

Three-year Ontario College Advanced Diploma (JOBP)
September entry
Contact: jobp@loyalstc.on.ca

FIND YOUR CAREER

- Students are prepared to work in radio, television, newspaper, magazine and online newsrooms.
- Graduates find work as writers, reporters, photographers, editors, freelancers, web content providers, editorial assistants, videographers, program hosts and news anchors.
- The skills developed in this program can also lead to careers in public and media relations, and educational, training or industrial video production.

HOW YOU'LL LEARN

- Get a well-rounded set of skills in our all-platform newsroom in Loyalist's new Digital Media Centre. You will:
- Develop hands-on skills in research, writing and interviewing.
 - Create newscasts for the federally licensed College radio station, 91X.
 - Work with a team of student reporters, ENG shooters, producers, anchors and editors to produce a web-based television newscast.
 - Publish original work for the student-produced community online news service, QNet News (qnetnews.ca).
 - Learn with guest speakers from the community and from large-market radio stations, newspapers and TV networks.
 - Cap off your studies with on-the-job experience during an eight-week field placement. Placements have been completed at newsgathering organizations across the country including the Winnipeg Free Press, Windsor Star, Bracebridge Examiner/Gravenhurst Banner, CHEX-TV and CTV.
 - Students are also encouraged to submit their work to the Radio, Television and Digital News Foundation, which awards several scholarships annually.
 - Use digital tools and apps for gathering and sharing stories, video, social media and interactive journalism.

APPROXIMATE COSTS (2015-16)

- Domestic Tuition/Ancillary Fees: \$3,894 (two semesters).
- Additional Program Costs: Year one: \$418; Year two: \$57; Year three: \$57.
- Students are required to purchase a smartphone/data plan (iPhone or Android, though iPhone is preferred).
- Additional costs, such as travel and parking, may be incurred during placements.

ADMISSION REQUIREMENTS

Required academic preparation

- OSSD/OSSGD or equivalent with courses at the general, advanced, (C), (U) or (M) level, AND Grade 12 English (C) level or equivalent.
- OR mature applicant (see page 105).

Additional requirements

- A College vehicle is available for use on assignment by students with a G-level driver's licence and Driver Abstract (insurance provided).

Recommended academic preparation

- English, computer literacy, basic photography, knowledge of and interest in current events, history, geography, politics, writing and public speaking.

TURN YOUR DIPLOMA INTO A DEGREE

- Algoma University – B.A.; B.B.A.; B.Sc.; Bach. Computer Science

MANUFACTURING ENGINEERING TECHNICIAN

Employers seek skilled workers who will help them to compete globally. Prepare to be in demand with a powerful combination of mechanical and electronic skills that you can apply in any manufacturing career.

OUR GRADS GET GREAT JOBS

Field Fabrication Specialist, Atomic Energy of Canada
Machinist, Billet Precision
Engineering Technician, Beclawat Manufacturing
CNC Operator, Transformix Engineering
Quality Control, Holcim
General Machinist, Sciens Industries
Coating Operator/Manufacturing Technician, Indsale

Two-year Ontario College Diploma (**MANU**)

September entry

Contact: mech@loyalistic.on.ca

FIND YOUR CAREER

- There are many opportunities in large machine shops, manufacturing, design/build and food processing facilities.
- Work as a maintenance planner, performance lab coordinator, design verification technician, CNC programmer, CAD technician, mechanical designer, buyer, quality control, or continuous improvement technician.
- Graduates work on fabrication and improvement of PLC-based equipment.
- Skilled manufacturing work is rewarded with above-average pay and benefits.
- Average entry-level salaries range from \$40,000 to \$44,999^{††}.
- 100% of 2014 Loyalist grads were working within six months[†].

HOW YOU'LL LEARN

Learn hands on in Loyalist's newly equipped Skills Centre:

- Create projects on the latest CNC lathes, milling machines and 3D printing equipment.
- Use state-of-the-art Programmable Logic Controllers (PLCs) to control electromechanical systems.
- Create pneumatic and hydraulic circuits based on common industrial processes.
- Use welding processes to create projects.
- Design components using Autodesk Inventor, AutoCAD and CAD/CAM.
- Gain a deep understanding of machine and tool design, numerical control programming and statistical quality control.

Join Loyalist's winning team!

- Gold medal in the Mechanical Computer Aided Drafting category at the 2015 Ontario Technological Skills Competition - Steven Mullin (2015 graduate).

APPROXIMATE COSTS (2015-16)

- Domestic Tuition/Ancillary Fees: \$3,894 (two semesters).
- Additional Program Costs: Year one: \$31.
- Books: \$1,450.

Enrolment in this skilled trades program makes you eligible to apply for The W. Garfield Weston Foundation Fellowship program.

ADMISSION REQUIREMENTS

Required academic preparation

- OSSD/OSSGD or equivalent with courses at the general, advanced, (C), (U) or (M) level, AND Grade 12 English (C) level or equivalent.
- OR mature applicant (see page 105).
- Applicants with a related certificate or diploma may be eligible to gain direct entry into year two (bridging courses may be required).

Recommended academic preparation

- Courses in CADD, Chemistry, Manufacturing, Welding and Computers.

TURN YOUR DIPLOMA INTO A DEGREE

- Algoma University – B.A.; B.B.A.; B.Sc.; Bach. Computer Science
- Brock University*
- Davenport University – B.A. General Business
- Lakehead University*
- Laurentian University*
- Nipissing University*
- Seneca College – Bach. Interdisciplinary Studies
- University of Ontario Institute of Technology – B.A. Adult Education and Digital Technology
- University of Waterloo*
- Wilfrid Laurier University*
- York University*

MECHANICAL TECHNIQUES

Get a well-rounded set of mechanical skills that prepare you for a career in maintenance or manufacturing and give you an edge when seeking a competitive apprenticeship.

OUR GRADS GET GREAT JOBS

Foreman, CN Rail
Operations Technician, Procter & Gamble
Hydraulics Technician, Multi-Flow FluidPower
Operations Technician, Kellogg's Canada
Machinist, Kennametal Stellite Group

One-year Ontario College Certificate (**MECH**)

September entry

Contact: mech@loyalistic.on.ca

FIND YOUR CAREER

- Graduates are prepared to plan and supervise maintenance work in industries of all kinds.
- You could work as an industrial mechanic, welder or manufacturing senior maintenance technician, and assist in basic electrical troubleshooting.
 - Salaries start at more than \$32,000 per year.
 - 100% of 2014 Loyalist Grads were working in their field within six months of graduation[†].

HOW YOU'LL LEARN

- Hands-on shop work includes welding, machining and maintenance procedures.
- Use the latest in laser alignment technology.
- Explore design using AutoCAD and the interpretation of engineering drawings.
- Earn experience diagnosing and troubleshooting.
- Use leading-edge simulation software to design and demonstrate hydraulic circuits and electrical circuits.
- The positive learning environment includes well-lit, roomy labs with brand new lathes and milling machines.
- You could apprentice as an industrial mechanic (millwright), machinist, metal fabricator, welder and in many other trades.
- Loyalist's program is based on the same curriculum standards as apprenticeship training for industrial mechanics (millwrights).
- Graduates are entitled to write the provincial test for an exemption from Level I of the in-school portion of the Industrial Mechanics apprenticeship.
- Candidates who pass the exam don't need to leave the workplace to attend school – making them more valuable to employers.
- Graduates may continue into year two of the Manufacturing Engineering Technician program and complete a diploma in one additional year (with bridging courses).

APPROXIMATE COSTS (2015-16)

- Domestic Tuition/Ancillary Fees: \$3,894 (two semesters).
- Additional Program Costs: \$31.
- Books: \$1,300.

Enrolment in this skilled trades program makes you eligible to apply for The W. Garfield Weston Foundation Fellowship program.

ADMISSION REQUIREMENTS

Required academic preparation

- OSSD/OSSGD or equivalent with courses at the general, advanced, (C), (U) or (M) level, AND Grade 12 English (C) level or equivalent.
- OR mature applicant (see page 105).

Recommended academic preparation

- Welding and machine shop experience are highly recommended.

MEDIA, ARTS + DESIGN EXPERIENCE

Not sure which career path to choose? Find the right fit before you commit. Sample a wide range of programs. Discover your strengths and new possibilities while developing practical skills you can apply to further study.

One-year Ontario College Certificate (**MECP**)
January/February and May entry
Contact: mecp@loyalistc.on.ca

FIND A CAREER

A certificate in Media, Arts + Design Experience will prepare you for further studies at Loyalist. Get ready for a program that will lead to a career in:

- Animation
- Journalism – Online, Print and Broadcast
- Photojournalism
- Radio Broadcasting
- Television and New Media Production
- Architectural Technician/Technology
- Residential Drafting and Design

HOW YOU'LL LEARN

Get a hands-on, creative introduction to media, arts and design that will lead you to a career you will love:

- Balance your time between the lab and the classroom, working on a range of media-based projects.
- Get practical experience in design, visual and oral storytelling, media writing and presentation.
- Observe, practise and implement new skills each week, sampling a buffet of media and design-related activities.
- Work with cutting-edge technology in Loyalist's new Digital Media Centre.
- Get hands-on practise with video recording, Photoshop and state-of-the-art editing equipment.
- Try out different programs as a Student for a Day.
- Learn from industry guest speakers and faculty in various programs.
- Select an area of specialty and work directly with a faculty mentor in your program of choice.
- Develop confidence with hands-on exposure to the techniques and equipment you will use in further studies.
- Create a targeted learning portfolio, which may be used to seek exemptions towards future assignments or courses.

APPROXIMATE COSTS (2015-16)

- Domestic Tuition/Ancillary Fees: \$3,894 (two semesters).

MILITARY ARTS AND SCIENCES

Advance your career in the military or in business through online studies. A diploma in Military Arts and Sciences is designed to provide both military and civilian participants with essential skills and knowledge required to excel in the modern military or in large organizations.

Two-year Ontario College Diploma (**DMAS**)
September, January and May entry
Contact: clane@loyalistc.on.ca

FIND YOUR CAREER

Professional development for Non-Commissioned Members is essential to keep up with the intellectual and technological demands of the Canadian Forces.

- Strengthen your credentials in ways that are recognized within the Canadian Forces and after retirement from military service.
- Earn the skills and knowledge that will shape the business leaders of tomorrow.

HOW YOU'LL LEARN

Online delivery

- Under the guidance of knowledgeable faculty, you will independently pursue a combination of required courses and electives to meet your individual interests and career goals.
- Examine the historical roots of the Canadian Forces and its role in modern society.
 - Discuss national and international security issues confronting government today, and the role of specific military action.
 - Gain an understanding of the laws associated with the use of armed force, in both domestic and international operations.
 - Learn effective project management and teambuilding techniques.
 - Plan complex operations, making efficient use of resources.
 - Develop strong communication, problem solving and critical thinking skills.
 - Strengthen stress management strategies.
 - Build upon ethical reasoning and leadership strengths.

APPROXIMATE COSTS (2015-16)

- Tuition Fees: approximately \$305 per course.
- Books: approximately \$80 - \$110 per course.
- Several courses are taken online directly through Royal Military College of Canada (RMC). RMC fees will apply.

ADMISSION REQUIREMENTS

Required academic preparation

- OSSD/OSSGD or equivalent with courses at the general, advanced, (C), (U) or (M) level, AND Grade 12 English (C) level or equivalent.
- OR mature applicant (see page 105).

Additional considerations

- Many jobs in the media, and some field placements, require a valid driver's licence.
- Students are encouraged to get a driver's licence and maintain a clean driving record.

MOTIVE POWER FUNDAMENTALS — PARTS AND COUNTER PERSONNEL MOTIVE POWER TECHNICIAN — SERVICE AND MANAGEMENT

A skilled and trustworthy automotive service technician earns customers' loyalty. Train for a career in the fast-paced and ever-changing automotive field with expertise that can be applied to motive power trades such as heavy equipment, small engine, marine, power sport, truck and coach and agricultural technician.

OUR GRADS GET GREAT JOBS

Auto Parts Counter Person, Benson Auto Parts
Apprentice Technician, Boyer Kia
Service Writer, Canadian Tire
Automotive Technician, Heninger Toyota
Automotive Apprentice, Ford Canada

One-year Ontario College Certificate (Fundamentals) (MPFP)
Two-year Ontario College Diploma (Technician) (MPTN)
September entry
Contact: mpfp@loyalistc.on.ca

FIND YOUR CAREER

Motive power tradespeople possess refined knowledge, diagnostic abilities and business management skills.

- A one-year certificate prepares you for a career as parts and counter personnel.
- A two-year diploma prepares you to progress to a position as a technician, along with the practical training to manage a small business or franchise.
- Graduates work in dealerships, manufacturers, service and repair shops, parts distributors, retail stores, wholesalers, insurance appraisers and adjusters, and manufacturing plants for automotive-related items.
- Activities may include repairs, writing customer service orders, sales, customer relations, parts counter service, warranty claim processing, supervision, and insurance appraisal; you may also work toward a career as a service writer or shop manager.

HOW YOU'LL LEARN

- Get a hands-on education that will prepare you for this trade:
- Learn by doing in Loyalist's new state-of-the-art Skills Centre.
 - Practise your skills on real vehicles and engines in a safe learning environment.
 - Gain practical knowledge of safe environmental practises and small business management.
 - Enjoy extracurricular opportunities including the annual Show and Shine event, Drive to Survive, Santa Claus parade, Heels on Wheels, and the Specialty Equipment Market Association (SEMA) show in Las Vegas – the premier world automotive specialty products trade event.

- SEMA has invited Loyalist students to participate in its student placement program for the past seven years – the only College Automotive program in Canada to participate in the program.
- First-year instruction incorporates a large component of the Level I curriculum.
- Second-year students receive training that closely resembles Levels II and III of the apprenticeship curriculum.
- Graduates who wish to pursue an apprenticeship with an employer may obtain cross-accreditation from their regional apprenticeship office.

APPROXIMATE COSTS (2015-16)

- Domestic Tuition/Ancillary Fees: \$3,894 (two semesters).
- Additional Program Costs: Year one: \$137.
- Books: \$1,000.

Enrolment in this skilled trades program makes you eligible to apply for The W. Garfield Weston Foundation Fellowship program.

ADMISSION REQUIREMENTS

Required academic preparation

- OSSD/OSSGD or equivalent with courses at the general, advanced, (C), (U) or (M) level, AND Grade 12 English (C) level or equivalent.

NURSING COLLABORATIVE DEGREE WITH BROCK UNIVERSITY

From making split-second decisions in the ER to preventing illness through community health promotion, Registered Nurses meet new challenges on a daily basis. In this personally and financially rewarding profession, get the best of both worlds — two years at College and two years at University — finishing with a degree from Brock.

Four-year Bachelor of Science in Nursing

September entry

Contact: nurs@loyalistc.on.ca

FIND YOUR CAREER

- Nurses provide care for patients in all conditions, at all stages of life — from prenatal health to palliative care — in a variety of settings:
- Hospitals, specializing in surgical and postsurgical care, emergency, intensive care, maternity, paediatrics, geriatrics, cardiovascular care, oncology (cancer) and psychiatry.
 - Providing ongoing care in rehabilitation centres, hospices, doctors' offices, nursing homes, and community agencies offering home care.
 - As educators in public health units, schools, poison control centres, workplace wellness programs, family planning and baby wellness clinics.
 - In research and progressive leadership positions in health and government agencies.
 - Graduates are eligible to write the registration examination and become registered members of the College of Nurses of Ontario.
 - Registration in Ontario allows nurses to practise across Canada (except in Quebec) and in many states in the U.S. without further preparation.
 - The Canadian Association of Schools of Nursing Board of Accreditation recently awarded both the program and Loyalist College a seven-year accreditation — the highest award available.

HOW YOU'LL LEARN

- The Brock-Loyalist nursing degree is recognized for hands-on learning and academic excellence, featuring an innovative curriculum based on current standards and best practices:
- Spend the first two years at Loyalist and the final two years at Brock University in St. Catharines and graduate with a Bachelor of Science in Nursing awarded by Brock.
 - Learn in small clinical groups with personal, continuous guidance from experienced faculty.
 - Practise sterile technique, dressings, suture removal and administering medications in hands-on labs.
 - Take labs with first responders and other community partners to train for high-risk scenarios.
 - Experience different hospital systems, community agencies and electronic documentation with field placements in two regions of Ontario.

- Your transition to Brock University is supported with a campus orientation, meetings with faculty and senior students, access to housing assistance and ongoing communication with faculty advisors.
- Conduct real-life practise scenarios with high-fidelity human clinical simulators.
- Develop competence and confidence in a safe, realistic learning environment.
- Provide care for a virtual birthing mother and her newborn, with remotely controlled responses.

APPROXIMATE COSTS (2015-16)

- Domestic Tuition/Ancillary Fees: \$4,236.04 (two semesters).
- Additional Program Costs: Year one: \$52.
- Books: Year one: \$1,600.
- Equipment and Supplies: \$500 (includes lab coat, uniforms and stethoscope).
- Travel expenses may be incurred during clinical placements.

ADMISSION REQUIREMENTS

- OSSD/OSSGD or equivalent, with six Grade 12 courses at the (U) or (M) or OAC level at a minimum overall 75% average;
- AND, a minimum of 75% in each of the three prerequisite courses: English (ENG4U), Biology (SBI4U), Chemistry (SCH4U) or the equivalent OAC-level courses;
- OR, mature applicants: Who are 21 years old as of the first day of classes in the year of admission, who have been out of school for at least two years and who do not have a secondary school diploma, may be considered for admission as a mature student. Mature applicants are required to have completed OAC or Grade 12 (U) or equivalent English, Biology and Chemistry.
- For further details visit loyalistcollege.com.
- **Note:** Nursing is a high demand program; possession of the minimum admission requirements does not guarantee an offer of admission. For more information and additional requirements please see loyalistcollege.com.

Recommended academic preparation

- Any (U) level Grade 12 Mathematics.
- Successful completion of a Pre-Health Science program university stream with a minimum GPA of 75% and no grade lower than 70% for each of the following: Biology, Human Biology, Chemistry, Organic Chemistry and Communications.

PARALEGAL

PARAMEDIC

Many people are overwhelmed by the justice system and the cost of legal representation. Paralegals help their clients navigate through the process and answer key questions. Licensed paralegals can also represent their clients in court. The Law Society of Upper Canada accredits this program.

OUR GRADS GET GREAT JOBS

Municipal Prosecutor, City of Kawartha
Legal Assistant, Templeman Menninga LLP
Case Officer, Northumberland County Community and Social Services
Paralegal, Department of Justice Canada

Two-year Ontario College Diploma (PARA)
September entry
Contact: para@loyalistc.on.ca

FIND YOUR CAREER

The Law Society of Upper Canada must license anyone providing legal representation in Ontario. Thanks to a diploma from Loyalist, graduates are qualified to apply for a Class P1 licence, which opens doors to:

- Fee-for-service advocate, representing clients in Criminal Court, Provincial Offences Court, Small Claims Court or before administrative tribunals such as the Ontario Landlord and Tenant Board.
- Provincial offence prosecutors; paralegals in federal and provincial government legal departments, legal assistants in law offices and community legal clinics and courts administration support staff.
- A junior paralegal working in government earns a starting salary of approximately \$45,000 to \$48,000.
- Be part of a legal team supporting lawyers dealing with complex issues and cases.
- In-house client services within government ministries, administrative agencies, private corporations, trade unions and professional associations.

HOW YOU'LL LEARN

Students prepare for the full scope of practice of a licensed paralegal in Ontario through a blend of classroom instruction and practical experience that includes:

- Training in substantive law and legal procedures.
- An emphasis on ethical conduct and professional responsibilities.
- Preparing and presenting a case in court before a local judge during a moot trial in the Ontario Court of Justice, where each student is assigned the role of Crown Attorney or the legal representative of an accused.

- On the job during a field placement in your second year. Loyalist students have completed placements with: Provincial Offences Prosecutor's office; Federal Department of Justice; private law firms; paralegal firms; legal aid clinics; court administration offices and Crown Attorney offices (criminal).

APPROXIMATE COSTS (2015-16)

- Domestic Tuition/Ancillary Fees: \$3,894 (two semesters).
- Additional Program Costs: Year one: \$11.
- Books: \$1,200 (two semesters).
- Relocation and travel may be required for placements – additional costs may be incurred.

ADMISSION REQUIREMENTS

Required academic preparation

- OSSD/OSSGD or equivalent with courses at the general, advanced, (C), (U) or (M) level, AND Grade 12 English (C) level or equivalent.
- OR mature applicant (see page 105).

Additional requirements

- Clear, current Criminal Record Check required for placement (Vulnerable Sector Check may also be required).

Recommended academic preparation

- Computer proficiency in word processing, file management, email and Internet browsing.

TURN YOUR DIPLOMA INTO A DEGREE

- Algoma University – B.A.; B.B.A.; B.Sc.; Bach. of Computer Science
- Athabasca University – Bach. Professional Arts in Human Services

*Various potential degree pathways. Please confirm details with receiving institution.

Paramedics are often the first people on the scene of an emergency. They balance compassion with critical decision-making skills and the ability to take command in a crisis. Train for a career as a first responder and help save lives.

OUR GRADS GET GREAT JOBS

Paramedic, City of Toronto
Firefighter, Brampton Fire and Emergency Services
Paramedic, Ontario Ministry of Health and Long-Term Care
Manager, Radiation Protection, Ontario Power Generation
Paramedic, Hastings-Quinte EMS

Two-year Ontario College Diploma (PMED)
August entry
Contact: pmed@loyalistc.on.ca

FIND YOUR CAREER

Graduates will find opportunities working as:

- Primary Care Paramedics in the ambulance system in Ontario, nationally or abroad.
- Emergency medical responders with municipal fire departments.
- Emergency response team members.
- Private ambulance transfer-service members.
- Health and safety educators in industrial settings.
- Technical assistants in hospital emergency departments or health centres.
- Grads are qualified to write the Advanced Emergency Medical Care Assistant (A-EMCA) exam offered by the Ministry of Health.
- Loyalist offers a unique opportunity for certification with ITLS International, with ITLS exams for international accreditation.
- ITLS International Trauma Life Support Emergency training offered in the program is also an asset when applying to a fire department, police service or RCMP.
- Average starting salaries in Ontario range between \$50,000 and \$54,999**.

HOW YOU'LL LEARN

Loyalist is the only college in Southeastern Ontario that offers a two-year Paramedic diploma through part-time, weekend studies, with a blend of practical, clinical and classroom instruction.

- Classes begin in August and are held at the Bancroft campus Friday evenings, Saturdays and/or Sundays on an average of three weekends per month.
- Participate in live lectures through online delivery, weekday evenings and weekends, and interact with professors and classmates from the comfort of your home.
- Prepare to respond to emergencies and provide life support measures in situations ranging from cardiac arrest to gunshot wounds to childbirth.
- Learn to administer care in a moving ambulance – and to drive one.

- Experience the job first-hand during 448 hours of supervised ride-out in an ambulance.
- Practise skills that emphasize personal safety on the job and effective communication with families and other emergency and medical professionals.

APPROXIMATE COSTS (2015-16)

- Domestic Tuition/Ancillary Fees: \$3,894 (two semesters).
- Books: Year one: \$1,550.
- Students must provide an iPad, iPod Touch or iPhone meeting minimum College requirements.
- Additional costs, such as travel and parking, may be incurred during placements.

ADMISSION REQUIREMENTS

Required academic preparation

- OSSD/OSSGD or equivalent with courses at the general, advanced, (C), (U) or (M) level, AND Grade 12 English (C) level or equivalent.
- OR mature applicant (see page 105).
- AND Grade 11 or 12 Biology; Canadian Adult Achievement Test (CAAT) Level "D" accepted.

Additional requirements (must be completed prior to first class)

- Up-to-date immunization including influenza and Hepatitis B inoculations are required as part of the registration process.
- "Fair" rating on the Canadian Physical Activity, Fitness and Leisure Assessment (CPAFLA).
- Standard First Aid and Level "C" CPR certification.
- Criminal Record Check and Vulnerable Sector Check.
- Clear Driver Abstract.
- Paramedicine is a physically demanding profession. It is strongly recommended that all applicants have a high level of fitness. Students will be required to successfully complete comprehensive lifting evaluations in the first and second year to continue in the program.

PERSONAL SUPPORT WORKER

Help with personal care can mean the difference between people living independently and giving up their homes. The demand for personal support workers is greater than ever and keeps growing in order to meet the needs of an aging population. Make a difference every day by helping people live with independence and dignity.

OUR GRADS GET GREAT JOBS

- PSW, AON
- PSW, All-Care Health Service
- PSW, Chartwell Bayview Retirement Residence
- PSW, Hastings Manor
- PSW, Quinte Gardens Retirement Residence
- PSW, Valley Manor Nursing Home
- PSW, Hastings Centennial Manor
- PSW, Victorian Order of Nurses

One-year Ontario College Certificate (**PSWP**)
January entry (full-time) or flexible entry (alternate delivery through the Bancroft Campus)
Contact: pswp@loyalistc.on.ca

FIND YOUR CAREER

- Personal support workers provide supportive care to clients who are experiencing physical, cognitive, emotional and behavioural challenges.
- Assistance with the routines of daily living may include personal care, ambulation and home management.
 - There are opportunities working in hospitals, long-term care facilities, retirement homes, community agencies providing support in the client's home and self-employment.
 - PSWs work under the direction of both the client and regulated health care professionals such as Registered Nurses and Registered Practical Nurses.
 - Graduates are ready for employment in less than one year with no further qualifying exam or certification required.

HOW YOU'LL LEARN

- In this hands-on program, you will learn to effectively support clients in their day-to-day activities emphasizing trust, respect and individual choice:
- Learn in small clinical practice groups under the guidance of experienced faculty.
 - Practise monitoring and recording changes to clients' conditions in Loyalist's cutting-edge Human Simulation Lab with high-fidelity mannequins simulating vital signs, perspiration, wounds and other realistic scenarios.
 - Learn from guest experts with the Alzheimer Society, Parkinson Society and in palliative care.

- Get practical tips on shopping for clients and providing nutritious meals on a balanced budget with a group trip to a grocery store, then make healthy recipes in the lab – and eat them.
- Earn a certificate in gentle persuasive approach with techniques for dealing with different behaviours and cognitive dysfunctions.
- Learning combines theory, laboratory practice and clinical placement all in the same week so students can apply what they've learned in a real-life setting.
- Clinical placements include long-term care facilities, in-home agencies and retirement residences.
- Students have completed placements with Belmont Long-Term Care Facility, Moira Place, Hastings Manor, EJ McQuigge Lodge, Trent Valley Lodge, John M. Parrott Centre, the Victorian Order of Nurses, Red Cross, ParaMed and St. Elizabeth's Belleville.

Alternate delivery

- Students can pursue alternate delivery through the Department of Continuing Education.
- The program is offered annually at our Bancroft campus, and at outreach locations as need requires.
- Study three days a week (not including placements).
- Labs are offered at the Bancroft campus and students can arrange placements in outreach communities.

APPROXIMATE COSTS (2015-16)

- Domestic Tuition/Ancillary Fees: \$3,894 (two semesters).
- Books: \$450.
- Students are responsible for providing their own transportation to and from clinical placements. Additional costs, such as travel and parking, may be incurred during placements.
- Fees may differ for alternate delivery through Bancroft campus and outreach locations.

ADMISSION REQUIREMENTS

Required academic preparation

- OSSD/OSSGD or equivalent with courses at the general, advanced, (C), (U) or (M) level, AND Grade 12 English (C) level or equivalent.
- OR mature applicant (see page 105).

Additional requirements

- Standard First Aid, Level "C" CPR certification, Basic Cardiac Life Support (BCLS) and Basic Rescuer.
- Clear, current Criminal Record Check and Vulnerable Sector Check.
- Written documentation of immunization against certain communicable diseases is required prior to clinical placement.

PHOTOJOURNALISM

Tell compelling stories through visuals. Experienced news photographers and journalists have come to Loyalist from across Canada for the "triple threat skill set" of multimedia storytelling through digital photography, video capture and news and news writing.

OUR GRADS GET GREAT JOBS

- Photographer/Multimedia Reporter, Postmedia Network
- Photo Editor, Canadian Press
- Photographer, The Toronto Star
- Reporter/Photographer, The Record
- Multimedia Journalist, The Jerusalem Post
- Photographer/Editor, Maclean's

Two-year Ontario College Diploma (**PHJN**)
September entry
Accelerated stream for applicants with related diploma or degree (**PHJF**)
Contact: phjn@loyalistc.on.ca

Our grads and students were recognized at the National Pictures of the Year awards in May 2015:

- Student Photographer of the Year – Annie Sakkab, independent (2015 graduate).
- Photograph of the Year – Michelle Siu, independent (2011 student).
- First Place in the Pictorial category – Daniel Hayduk, AFP (2008 graduate).
- First Place in the Single Multimedia Category – Melissa Tait, Winnipeg Free Press (2010 graduate).

FIND YOUR CAREER

- Intensive training in Canada's only multi-year photojournalism program gives Loyalist graduates a competitive advantage:
- As photojournalists, reporter-photographers, multimedia producers and editors, picture and assignment editors, freelance photojournalists and photographers, and digital publishing specialists.
 - Working across Canada in news organizations, ranging from the biggest dailies to smaller weekly newspapers, wire services and other publications.
 - 92% of 2014 Loyalist grads were working within six months of graduation[†].

HOW YOU'LL LEARN

- Get a well-rounded set of skills through hands-on learning in our new Digital Media Centre:
- Develop skills in reporting, writing, electronic publishing, camera operation and lighting.
 - Get a deep understanding of news judgment and the principles of storytelling.
 - Learn advanced photojournalism techniques in digital photography, video capture and computer-based image processing.
 - Get hands-on experience working for Loyalist's award-winning online community newspaper, the Pioneer.
 - Photograph, report, write and edit assignments for the student-run online news service, QNet News.

APPROXIMATE COSTS (2015-16)

- Domestic Tuition/Ancillary Fees: \$3,894 (two semesters).
- Additional Program Costs: Year one: \$55; Year two: \$55.
- Students can expect to spend up to \$3,500 for the purchase of a full-function digital SLR camera during the first year.
- Additional costs may be incurred during placements.

ADMISSION REQUIREMENTS

Required academic preparation

- OSSD/OSSGD or equivalent with courses at the general, advanced, (C), (U) or (M) level, AND Grade 12 English (C) level or equivalent.
- OR mature applicant (see page 105).

Additional considerations

- Physical demands of the program require sufficient eyesight to focus cameras in low light levels and mobility sufficient to follow sports action and breaking news events.
- A valid driver's licence is essential to employment.
- A College vehicle is available for use on assignment by students with a G-level driver's licence and Driver Abstract (insurance provided).
- To maximize their career opportunities, students should be prepared to relocate.

Accelerated Stream

- Applicants with a degree, diploma or journalism experience can apply for advanced standing to graduate in just 16 months.
- Qualified students with prior post-secondary education may apply for advanced standing in January. Applicants are accepted through May 31. Limited seats are competitive, based on a portfolio submission and interview.
- Applicants must have prior post-secondary education and be prepared to demonstrate competency in the basics of photography and journalism, based upon the outcomes in semester one.

TURN YOUR DIPLOMA INTO A DEGREE

POLICE FOUNDATIONS

Police officers work with communities to protect public safety through crime prevention, law enforcement and public education. Loyalist's program prepares you to excel in the hiring process. It's the only Police Foundations program in Ontario that fully integrates field placements into the curriculum.

OUR GRADS GET GREAT JOBS

Municipal and Regional Police Officers
Ontario Provincial Police
Military Police
Royal Canadian Mounted Police (RCMP)
Special Constables with different police services and nuclear security agencies
Conservation Officers
Park Wardens
Correctional Services Officers
Customs Officers

Two-year Ontario College Diploma (PFND)
September and January entry
Contact: pfnd@loyalistc.on.ca

FIND YOUR CAREER

Recruits in this competitive field must attend post-hire training at the Ontario Police College.

- There are exciting career opportunities with municipal and regional police services, Ontario Provincial Police (OPP), Military Police, RCMP and related law enforcement agencies.
- Before police recruits can be hired in Ontario, applicants must undergo provincial aptitude testing, including physical fitness, visual acuity, psychological and written examinations, and a police background check.
- The Loyalist Police Foundations program prepares graduates for both Physical Readiness Evaluation for Police (PREP) testing and the Ontario Association of Chiefs of Police (OACP) Certificate required by most police services.
- 100% of 2014 Loyalist grads were working within six months of graduation[†].

HOW YOU'LL LEARN

- Train for an intellectually and physically challenging profession in policing. Prepare to enter the field confidently with a combination of high academic standards and practical, hands-on techniques:
- Develop essential career skills in ethical decision-making and conflict management.
 - Practise interpreting and applying the law in class and in mock court.
 - Role-play different scenarios using uniforms and police equipment.
 - Learn to put personal safety and respect for victims into practise.
 - Earn a Certificate in Non-Violent Crisis Intervention before you graduate.
 - Gain valuable field or field-related experience in two separate placements.

PRACTICAL NURSING

Practical nurses are integral members of a health care team, independently providing a full range of nursing care for patients of all ages within their scope of practice.

OUR GRADS GET GREAT JOBS

Quinte Healthcare Corporation
Hastings Manor
Lennox and Addington General Hospital
Kingston General Hospital
Victorian Order of Nurses

Two-year Ontario College Diploma (PNUR)
September entry
Contact: pnur@loyalistc.on.ca

FIND YOUR CAREER

- Provide care to clients and their caregivers in hospital settings, including medical-surgical, maternal child, mental health and emergency departments.
- Community nursing settings such as: doctors' offices, nurse practitioner clinics, home-care nursing agencies, ambulatory clinics and public health units.
- Promote community health and disease prevention.
- Work in leadership positions in retirement homes and long-term care facilities.
- Earn average starting salaries of \$45,000 to \$49,999^{**}.
- Loyalist grads have historically scored above the provincial and national averages in all categories of the Canadian Practical Nurse Registration Exam (CPNRE).
- Loyalist received a Category 1, five-year program approval from the College of Nurses of Ontario (CNO) in March 2014 — the highest attainable rating.
- 95% of 2014 Loyalist grads were working within six months of graduation[†].

HOW YOU'LL LEARN

Learn to assess clients' health throughout the lifespan, and to plan, implement and evaluate appropriate nursing care, in the classroom and beyond:

- Hands-on learning activities.
- Small clinical and lab groups with intensive personal instruction.
- Participation in virtual simulation with realistic, interactive practise scenarios in our cutting-edge Human Simulation Lab.
- Develop skills during a community based blood pressure clinic.
- Engage with dynamic guest speakers from the health care field.
- Participate in clinical placements taught by expert nursing professors in hospitals and long-term care facilities.
- Gain a variety of clinical nursing skills in: medicine, surgery, paediatrics/obstetrics, continuing complex care and mental health.
- Work one-on-one with a Registered Practical Nurse during an intensive eight-week clinical placement.

APPROXIMATE COSTS (2015-16)

- Domestic Tuition/Ancillary Fees: \$5,179.76 (two semesters).
- Additional Program Costs: Year one: \$52.
- Books: \$1,500 (two semesters; includes lab coat, uniform and shoes).
- Students are responsible for providing their own transportation to and from clinical placements.
- Additional costs, such as travel and parking, may be incurred during placements.

ADMISSION REQUIREMENTS Required academic preparation

- OSSD/OSSGD or equivalent with Grade 12 English and Mathematics (C) level or equivalent, Grade 11 or 12 Biology, and one of Chemistry or Physics at the (C) or (U) level.
- Applicants must have a minimum average of 65% in each of English, Mathematics, Biology, and Chemistry or Physics.
- OR mature applicant (see page 105).
- Applicants who have successfully completed the Loyalist College Pre-Health Science certificate or have received 65% in each of the following Loyalist Pre-Health/General Arts and Science courses are eligible to apply: Introductory Language Theory and Composition, Mathematics 1, Human Biology and Chemistry.
- **Note:** Nursing is a high demand program; possession of the minimum admission requirements does not guarantee an offer of admission. For more information and additional requirements please see loyalistcollege.com.

Additional requirements prior to clinical placement

- A record of up-to-date immunization against certain communicable diseases are required as part of the registration process.
- Standard First Aid, Level "C" CPR certification, Basic Cardiac Life Support (BCLS) and Basic Rescuer.
- A clear and current Criminal Record Check and Vulnerable Sector Check.

TURN YOUR DIPLOMA INTO A DEGREE

- Brock University – Bach. Science in Nursing (collaborative degree program with Loyalist College)
- Laurier Brantford – any honours program
- Nipissing University – Bach. Science in Nursing (RPN to BScN)
- Ryerson University – Bach. Science in Nursing (bridging from Centennial College Graduate Certificate)
- University of Ontario Institute of Technology – Bach. Science in Nursing (Hons) or Bach. Allied Health Sciences (Hons).

PRE-HEALTH SCIENCE

Pre-Health Science is a stepping-stone to a career in nursing, practical nursing, paramedicine, dental health, ultrasound or radiation technician. If you're considering a health program in college or university, this certificate can enhance your qualifications for admission and boost your success in future studies.

One-year Ontario College Certificate (PREH)
September entry
Contact: preh@loyalistc.on.ca

FIND YOUR CAREER

- The Pre-Health Sciences pathway can be a bridge to health science programs, including two-year diplomas such as Practical Nursing and Paramedic.
- Graduates who meet program-specific requirements, including minimum grade average, will be eligible for admission to the Brock University-Loyalist College collaborative Nursing Degree.
- For admission requirements, please refer to your college or university program of choice.
- Nursing programs remain competitive and the grade average for entry varies based on number of applicants.

HOW YOU'LL LEARN

- Upgrade your skills and knowledge through hands-on activities:
- Learning combines laboratory studies, classroom instruction and outdoor lab exercises including a fungi or plant study.
 - Take an EcoWalk – a virtual learning experience.
 - Calculate your ecological footprint and create a sustainability plan to decrease your environmental impact.
 - Perform chemistry experiments such as burning metals.
 - Conduct labs in food biochemistry, blood analysis, microscope studies and dissection.
 - A common first semester, including six required courses permits all students to explore skills and options.
 - Individual meetings with the program coordinator prior to the second semester will help students decide which stream best suits them and their career goals.

APPROXIMATE COSTS (2015-16)

- Domestic Tuition/Ancillary Fees: \$3,894 (two semesters).
- Books: \$1,000.

ADMISSION REQUIREMENTS

Required academic preparation

- OSSD/OSSGD or equivalent with courses at the general, advanced, (C), (U) or (M) level, AND Grade 12 English (C) level or equivalent.
- OR mature applicant (see page 105).
- **Note:** Nursing is a high demand program; possession of the minimum admission requirements does not guarantee an offer of admission. For more information and additional requirements please see loyalistcollege.com.

Recommended academic preparation

- Grade 11/12 Biology, Chemistry and Mathematics.

FURTHER YOUR STUDIES

- A certificate in Pre-Health Science is a strong foundation for further study:
- Graduates who maintain a minimum average of 70% and meet specific entrance requirements are eligible to be considered for admission to the four-year collaborative Nursing degree program (BScN) at Loyalist College and Brock University.
 - Applicants who have successfully completed the Pre-Health Science certificate are eligible to apply for Loyalist's Practical Nursing diploma program.
 - Students must apply through ontariocolleges.ca before February 1 to be considered for September entry.
 - All credit are transferable to a Loyalist diploma in Arts and Science (GASP).
 - Pre-Health Science has enabled students to enter programs such as Biosciences, Biotechnology degrees.

PROTECTION, SECURITY AND INVESTIGATION

There has been such rapid growth in the fields of crime prevention and security that industry training can't keep up with the demand for qualified professionals. Extensive hands-on training will prepare you for a wide range of careers in security, enforcement, investigations, inspection, risk assessment and emergency planning.

OUR GRADS GET GREAT JOBS

Inspector, Alcohol and Gaming Commission of Ontario
Tobacco Enforcement Officer, Hastings and Prince Edward Counties Health Unit
Police Officer, Toronto Police Service
Correctional Officer, Correctional Service Canada
Private Investigator, Garda
Military Police Officer, Canadian Armed Forces

Two-year Ontario College Diploma (PSIN)
September and January entry
Contact: psin@loyalistc.on.ca

FIND YOUR CAREER

- Your diploma in 'PSI' will prepare you for a rich variety of careers with:
- The private or public law enforcement sectors as a special constable.
 - The Alcohol and Gaming Commission as inspector, by-law enforcement officer, security auditor, fraud investigator, fraud/risk analyst, nuclear security officer or emergency planner.
 - The Military Police, governments, hospitals, universities, hotels, casinos and transit authorities.
 - Private security and investigation firms.
 - Provincial and federal corrections agencies, Canada Border Services, police services and the RCMP (before police recruits can be hired in Ontario, applicants must undergo provincial aptitude testing including physical fitness, visual acuity, psychological and written examinations, as well as a police background check).
 - 100% of 2014 Loyalist grads were working within six months of graduation†.

HOW YOU'LL LEARN

- PSI is all about being prepared — learning how to deal with any situation and then practising these scenarios so you're ready to face them in the real world:
- Two four-week on-the-job placements, which can be completed locally or from coast to coast. The program coordinator organizes placements.
 - Receive hands-on training in surveillance, emergency planning and incident response to serious situations.
 - Conduct your own crime scene investigation, gathering evidence, conducting interviews, taking statements, and sharpening your skills in critical thinking and problem solving.
 - Take part in different scenarios using a non-violent crisis intervention approach to people in distress, as well as using handcuffs and batons, and appropriate use of force.
 - Learn to apply ethical decision-making and effective communication in varied circumstances.

- Prepare to secure the job you want with panel interviews, résumé writing, portfolio development and justice job testing.
- Hear from guest speakers such as senior military police, OPP detachment commanders, and managers in the fields of loss prevention, tax enforcement and hospital security.
- Check out the latest security technology and how it's used at an annual Security Technology Conference.

APPROXIMATE COSTS (2015-16)

- Domestic Tuition/Ancillary Fees: \$3,894 (two semesters).
- Additional Program Costs: Year one: \$11.
- Books: \$1,240.
- Relocation and travel may be required for placement experience – additional costs may be incurred.

ADMISSION REQUIREMENTS Required academic preparation

- OSSD/OSSGD or equivalent with courses at the general, advanced, (C), (U) or (M) level, AND Grade 12 English (C) level or equivalent.
- OR mature applicant (see page 105).
- Applicants with a related diploma or degree may be considered for advanced standing or direct entry into year two.

Additional requirements

- Criminal Record Check (Vulnerable Sector Check may be required).
- A formal, confidential personal health history is required as part of the registration process.
- Applicants with special needs or limitations that may affect their potential employment are encouraged to discuss their program and career goals with the coordinator prior to enrolment.

RADIO BROADCASTING

A career in radio can take you from coast to coast. Get hands-on professional training at two College radio stations, and prepare for a variety of exciting opportunities on the air and behind the scenes.

OUR GRADS GET GREAT JOBS

Morning Show Host/Program Director, Mix 97 Belleville
 Imaging Producer/Music Director, 105.7 K-Rock Kingston
 Morning Show Host, 98.1 CHFI Toronto
 Afternoon Host, QX 104 Winnipeg
 Commercial Producer Host, Country 101.1, Ottawa
 Director of National Promotions,
 Sony Music Entertainment

Two-year Ontario College Diploma (RADB)
 September entry
 Contact: radb@loyalistic.on.ca

FIND YOUR CAREER

Radio is a critical source of local news, sports, traffic, weather and community events. There are many opportunities for trained professionals, particularly for students who are willing to relocate:

- Graduates find positions as announcers, producers, copywriters, sales and promotional personnel, sportscasters, and radio web managers.
- Recent Loyalist grads are working at radio stations across the country, at FLY FM Kingston, Jump! Ottawa, The Wolf Peterborough, CHFI and CHUM FM Toronto, JACK FM Calgary, KG Country Red Deer, Q104 Halifax, CJAD Montreal and Virgin Radio in Vancouver.

HOW YOU'LL LEARN

From the first week of classes you'll get hands-on experience in a live, on-air environment, preparing you for actual broadcast conditions in the industry:

- First-year students operate Hot Hits, an Internet radio station equipped with the latest digital automation system, production equipment and music scheduling software.
- By their second year, students are ready to run 91X (CJLX-FM 91.3), a licensed, full-power College radio station serving the local region: 91X.FM.
- Get experience in on-air performance, creative writing, audio production, sales, marketing, promotions, programming and web content development.
- Travel around eastern and central Ontario, broadcasting live coverage of community events.
- Hear from guest speakers representing the music industry and commercial radio stations.

- Get valuable work experience during a four-week field placement anywhere in the country, with the potential to graduate into a job.
- In 2014 the CRTC renewed the broadcast licence for CJLX-FM for the maximum seven-year-term, until 2021.

APPROXIMATE COSTS (2015-16)

- Domestic Tuition/Ancillary Fees: \$3,894 (two semesters).
- Additional Program Costs: Year one: \$207; Year two: \$39.
- Students must budget for a four-week placement at the end of their second year.
- Additional costs, such as travel and parking, may be incurred during placements.

ADMISSION REQUIREMENTS

Required academic preparation

- OSSD/OSSGD or equivalent with courses at the general, advanced, (C), (U) or (M) level, AND Grade 12 English (C) level or equivalent.
- OR mature applicant (see page 105).

Additional requirements

- A College vehicle is available for use on assignment by students with a G-level driver's licence and Driver Abstract (insurance provided).

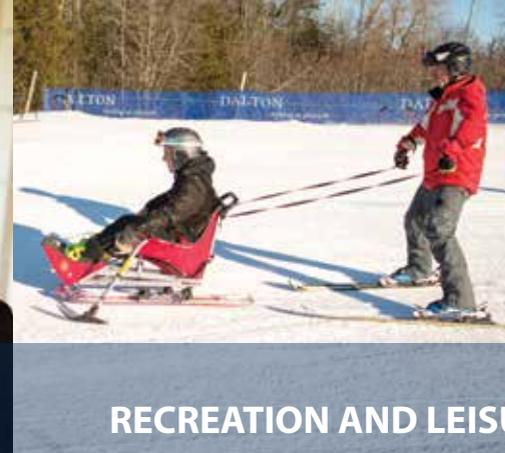

Recommended academic preparation

- English, computers, current events, history, geography, theatre arts or public speaking, music, creative writing and media technology.

TURN YOUR DIPLOMA INTO A DEGREE

RECREATION AND LEISURE SERVICES

Our busy days are often highly scheduled, but we choose how to keep active in our leisure time — seeking ways to combine fitness and fun. Here is a career where your clients are giving you the best part of their day.

OUR GRADS GET GREAT JOBS

Youth Programmer, YMCA Northumberland
 Assistant OHL Trainer
 Community Development Coordinator,
 Batawa Development Corporation
 Activity Director, Carrington Retirement Residence
 Programmer, Body Boomers Fitness Club

Two-year Ontario College Diploma (RALS)
 September entry
 Contact: rals@loyalistic.on.ca

FIND YOUR CAREER

This program prepares students for leadership positions in sports and recreation programs. Train to:

- Design recreational initiatives for community recreation centres, fitness clubs, seniors' facilities, college and university athletic departments, community associations such as the YMCA, service clubs, corporate fitness programs, tourist resorts and cruise ships.
- Manage indoor and outdoor recreation, sports and fitness facilities.
- Start your own business.
- Graduate with industry-recognized High 5 certification in leadership and coaching required to work with day camps and children's programs.

HOW YOU'LL LEARN

This hands-on program produces energetic leaders with the skills and knowledge to help people of all ages combine fun and physical activity in their daily lives:

- Enjoy hands-on activities in dedicated classrooms and labs.
- Apply your skills in Loyalist's well-equipped consultation room and renovated on-campus fitness centre.
- Get practical instruction in current industry trends and customer service.
- Prepare for self-employment through marketing strategies, entrepreneurship, research and proposal writing.
- Hear from industry professional guest speakers in recreation and outdoor education.
- During an independent research project in the final semester, design an original program that you can showcase to potential employers.
- Gain 320 hours of on-the-job experience in two field placements.
- Past placements include municipal health and wellness centres across the country, recreational centres at military bases, YMCAs, community centres, resorts, outdoor education centres, the Ontario Lottery and Gaming Corporation and international programs working with children across the world.

APPROXIMATE COSTS (2015-16)

- Domestic Tuition/Ancillary Fees: \$3,894 (two semesters).
- Additional Program Costs: Year one: \$77.25.
- Books: \$1,450.
- Additional fees may be charged for supply kits, overnight field trips and uniforms.
- Additional costs, such as travel and parking, may be incurred during placements.

ADMISSION REQUIREMENTS

Required academic preparation

- OSSD/OSSGD or equivalent with courses at the general, advanced, (C), (U) or (M) level, AND Grade 12 English (C) level or equivalent.
- OR mature applicant (see page 105).

Additional requirements

- A formal, confidential personal health history and up-to-date immunization are required as part of the registration process.
- Standard First Aid and Level "C" CPR certification (adult, child and infant).
- Clear, current Criminal Record Check (Vulnerable Sector Check may also be required).

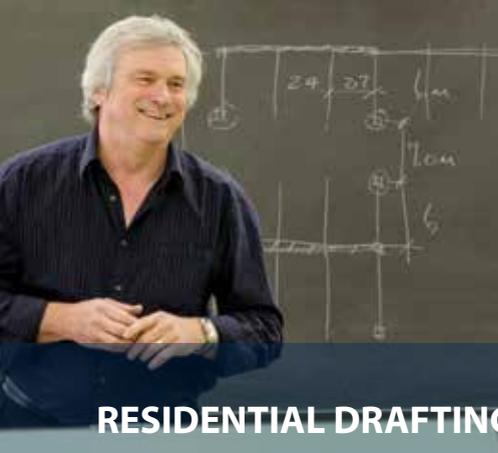

Recommended academic preparation

- Sciences and mathematics.
- Applicants with a baccalaureate degree focusing on exercise sciences may be eligible for direct entry into second year.

TURN YOUR DIPLOMA INTO A DEGREE

- Algoma University – B.A.; B.B.A.; B.Sc.; Bach. Computer Science
- Athabasca University – Bach. Professional Arts in Human Services; B.Sc. Human Science

*Various potential degree pathways. Please confirm details with receiving institution.

RESIDENTIAL DRAFTING AND DESIGN

This hands-on introduction to residential design includes consideration of the environment, building codes and residential building design practices. It delivers marketable skills in under a year of study and prepares students for further study in the Architectural Technician/Technology program.

OUR GRADS GET GREAT JOBS

Draftsperson, CORCAN Construction
Project Coordinator, GRG Building Consultants
Skilled Tradesperson, JPM Construction

One-year Ontario College Certificate (RDAD)
September entry
Contact: arch@loyalstc.on.ca

FIND YOUR CAREER

Architects, designers, consultants, developers and builders employ skilled workers in residential drafting and design.

- You may find opportunities as a house designer, draftsperson, assistant project manager, renderer/concept artist, CAD operator, building product representative or estimator.
- This program was designed in consultation with regional employers to produce graduates with the skills that are in demand.
- With further study in the Architectural Technician/Technology program, graduates can broaden their opportunities to work on larger commercial or public projects.

HOW YOU'LL LEARN

Bring your design ideas to life in this hands-on program:

- Get a practical blend of classroom instruction and hands-on studio experience.
- Design a small building, considering the structure's physical needs, and designing solutions that creatively address the use of space, costs, code requirements and the environment.
- Showcase creativity and analytical skills to create a design and then bring your concepts to life with a 3D scale model.
- In less than a year, you will develop marketable skills and knowledge in: blueprint reading and drafting; residential building codes; computer-assisted drafting (AutoCAD); construction methods for wood-frame housing; estimating materials and costs; and presenting your designs.

APPROXIMATE COSTS (2015-16)

- Domestic Tuition/Ancillary Fees: \$3,894 (two semesters).
- Additional Program Costs: Year one: \$50

ADMISSION REQUIREMENTS

Required academic preparation

- OSSD/OSSGD or equivalent with courses at the general, advanced, (C), (U) or (M) level, AND Grade 12 English (C) level or equivalent.
- OR mature applicant (see page 105).

SOCIAL SERVICE WORKER

Social Service Workers help individuals and families deal with broad and complex issues such as divorce, marriage, pregnancy, adoption, learning disabilities, mental health, addictions, abuse, illness and loss. This program will prepare you for the rewards and challenges of supporting people as they change and grow.

OUR GRADS GET GREAT JOBS

Program Facilitator, Canadian Mental Health Association
Family Support Worker, Children's Aid Society
Residential Staff, Bayfield Treatment Centres
Coordinator for Social Service Programs,
Community Care for Seniors
Social Services Caseworker and Employment Counsellor,
Ontario Works

Two-year Ontario College Diploma (SSWP)

September entry

Accelerated stream for applicants with related diploma or degree (SSWA)

Contact: sswp@loyalstc.on.ca

FIND YOUR CAREER

Social Service Workers work with adults, seniors, children, families and youth in need of support. Prepare for a variety of job opportunities:

- Case workers.
- Social service positions with municipal, provincial and federal governments.
- Counsellors and front-line workers in group homes, employment offices, corrections, residential treatment programs, community agencies, business and industry.
- Social Service Worker is a registered professional title that may only be used by members in good standing of the Ontario College of Social Workers and Social Service Workers.
- Average starting salaries range from \$35,000 to \$39,999**.

HOW YOU'LL LEARN

- Incorporate theory and practise with extensive group work.
- Develop essential skills in human relations, interpersonal communication, needs assessment and critical thinking.
- Practise interviewing and counselling skills in a soundproof lab with a two-way mirror for observation and feedback.
- Learn from guest speakers working in probation and parole, crisis shelters, seniors' facilities, Ontario Works and other community agencies.
- Rate your strengths and areas of greater focus with ongoing self-assessment.
- Complete a culminating activity that occurs in several core courses and entails a self-evaluative written and verbal component with faculty.

APPROXIMATE COSTS (2015-16)

- Domestic Tuition/Ancillary Fees: \$3,894 (two semesters).
- Additional Program Costs: Year one: \$20; Year two: \$11.
- Books: \$1,040.

- Some placements may require transportation, a valid driver's licence and/or access to a motor vehicle.
- Additional costs may be incurred during placements.

ADMISSION REQUIREMENTS

Required academic preparation

- OSSD/OSSGD or equivalent with courses at the general, advanced, (C), (U) or (M) level, AND Grade 12 English (C) level or equivalent.
- OR mature applicant (see page 105).
- Students with significant related experience may receive credit recognition through prior learning assessment.

Additional requirements

- Standard First Aid and Level "C" CPR certification.
- Current criminal Record Check and Vulnerable Sector Check.
- A formal, confidential personal health history is required.
- Prospective students with special needs or limitations that may affect their field placement or potential employment opportunities are encouraged to discuss their program and career goals with faculty prior to admission.
- Strong computer and communication skills (written and oral) are critical.
- Social service work requires proficiency in time and stress management.

TURN YOUR DIPLOMA INTO A DEGREE

- Algoma University – B.A.; B.B.A.; B.Sc.; Bach. Computer Science
- Athabasca University – Bach. Professional Arts in Human Studies

SURVEY ENGINEERING TECHNICIAN

Loyalist College offers the only specialized program for survey technicians in Ontario. Survey engineering technicians assist in determining locations of improvements and property boundaries for a variety of employers including land surveyors, construction companies, government agencies and mining and resource exploration.

OUR GRADS GET GREAT JOBS

Survey Technician, Gifford Harris Surveying
Junior Party Chief, Mission Geospatial
Instrument/CAD Person, Marshall Macklin Monaghan
Junior Inspector, GD Jewell Engineering
Paving Superintendent, Villeneuve Construction Co.

Two-year Ontario College Diploma (**SURV**)
September entry
Contact: surv@loyalistc.on.ca

FIND YOUR CAREER

Surveying is the foundation of most engineering projects. You might be involved in:

- Pre-engineering surveys, laying out proposed structures and locating existing improvements.
- Assisting an Ontario Land Surveyor in locating property boundaries.
- Gathering data for use in Geographic Information Systems.

HOW YOU'LL LEARN

Learning combines classroom instruction and practical field exercises.

- Gets hands-on experience using total stations, data collectors and automatic levels in small groups.
- Work with the latest versions of industry software from Autodesk, MicroSurvey CAD, AutoCAD Map and Civil3D.
- Using topographic data, create plans for a new community, a registered plan of a subdivision and engineering drawings for a new development.
- Put your skills to work one day a week with a semester-long, on-the-job field placement.
- Gather data using the very latest survey field equipment, GPS/GIS technology.
- Graduates are eligible for certification with the Ontario Association of Certified Engineering Technicians and Technologists (OACETT).

APPROXIMATE COSTS (2015-16)

- Domestic Tuition/Ancillary Fees: \$3,894 (two semesters).
- Additional Program Costs: Year one: \$80.
- Books: \$850.
- Additional costs, such as travel and parking, may be incurred during placements.

ADMISSION REQUIREMENTS

Required academic preparation

- OSSD/OSSGD or equivalent with courses at the general, advanced, (C), (U) or (M) level, AND Grade 12 English (C) level or equivalent.
- OR mature applicant (see page 105).

Recommended academic preparation

- Math MCT 4C.
- MCF 3M.

TELEVISION AND NEW MEDIA PRODUCTION

This program will prepare you to create engaging content and deliver it through any medium. Earn a full spectrum of skills — ranging from television production and digital filmmaking to web streaming, podcasting and DVD authoring.

OUR GRADS GET GREAT JOBS

ENG Editor, Rogers Sportsnet
Producer, Rogers TV Toronto
Video Editor, CTV National News
Broadcast Technician, CBC
Transport Coordinator, Big Brother Canada/Insight Productions
Data I/O Operator, Deluxe Post Production

Three-year Ontario College Advanced Diploma (**TVNM**)
September entry
Contact: tvnm@loyalistc.on.ca

FIND YOUR CAREER

Prepare for ever-growing content creation opportunities with:

- Broadcast facilities
- Specialty and digital channels
- Independent production
- New media
- Corporate production
- Related support services

HOW YOU'LL LEARN

No textbooks! Just great teachers and technology to:

- Prepare you for current industry with 24/7 access to high-definition equipment.
- Provide well-rounded skills by performing all production and crew functions in studio, field and post-production environments.
- Specialize with crew rotations in your area of interest and choose specific roles in digital filmmaking, remote event production and content creation for clients.
- Produce creative content on multiple platforms, broadcasting across Canada and to the world.
- Participate in studio tours and seminars such as the TIFF Bell Lightbox Series.
- Scripts written in the first year and developed in the second come to life on the big screen in the final year with a public screening.
- Team up with other students to create a submission for the 48 Hour Film Festival.
- The annual live awards show 'The Sparkies' celebrates academic achievements with awards presented to students in all three years of the program. The recipient of the Dome Award alone, chosen from first-year students, receives \$2,000 towards his or her tuition.

APPROXIMATE COSTS (2015-16)

- Domestic Tuition/Ancillary Fees: \$3,894 (two semesters).
- Additional Program Costs: Year one: \$405; Year two: \$6; Year three: \$9.
- Students need to budget for placements in the fourth semester (four weeks) and the sixth semester (eight weeks).
- Additional costs may be incurred during placements.

ADMISSION REQUIREMENTS

Required academic preparation

- OSSD/OSSGD or equivalent with courses at the general, advanced, (C), (U) or (M) level, AND Grade 12 English (C) level or equivalent.
- OR mature applicant (see page 105).

Recommended academic preparation

- Computer literacy, communications technology, basic photography, current events, history, geography and public speaking.

Additional requirements

- Students must be prepared for an above-average commitment of time and intensity.
- A valid driver's licence is of great use in the program and essential in the industry.
- A College vehicle is available for use on assignment by students with a G-level driver's licence and Driver Abstract (insurance provided).

TURN YOUR DIPLOMA INTO A DEGREE

ENHANCED BAKING FOR COOKS

While passion and creativity are the main ingredients to being a great chef, a broad range of expertise is what sets the best apart from the rest. Culinary Management diploma graduates and Red Seal Cooks can take their baking and pastry skills to the next level with advanced production and presentation techniques that will make them valued and versatile employees.

One-year Ontario College Graduate Certificate (EBFC)
Compressed delivery May through August
Contact: ebfc@loyalistc.on.ca

FIND YOUR CAREER

The demands of the food service industry are evolving and the most valuable chefs are the ones showcasing a versatile range of skills. Graduates will have a competitive advantage seeking a career as a chef, cook, baker or pastry chef. There are opportunities in:

- Large commercial bakeries
- Boutique/artisanal bakeries
- Restaurants
- Catering companies
- Hotels and resorts

HOW YOU'LL LEARN

The culinary industry is evolving. Rather than becoming specialists in one area, today's chefs require a holistic blend of skills encompassing the entire range of food production. Working with individual portions and banquet-style desserts, you will develop enhanced production and presentation skills with:

- Advanced breads, yeast dough and cookie varieties
- French pastries
- Cake baking, assembly, piping and decoration
- Cheesecakes, mousses, creams and sauces
- Chocolate and confections
- Wedding and special occasion cakes
- Ice cream and frozen desserts
- Healthy baking
- Learn in small classrooms with one-on-one, personalized attention.
- Train for a full range of advanced baking and pastry skills in our outstanding kitchen facilities.
- Spend more than 70% of your classroom time in labs and workshops, learning hands-on.
- Develop a deep understanding of baking theory, preparing you to adapt to different conditions.
- Learn to translate your passion and knowledge from your head to your hands, and utilize that training to achieve consistently excellent results.

APPROXIMATE COSTS (2015-16)

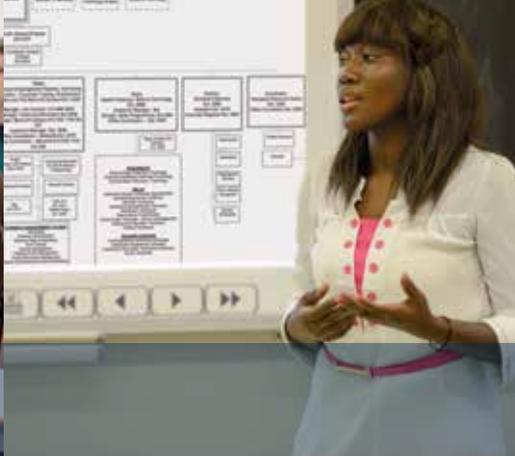

- Domestic Tuition/Ancillary Fees: \$3,894 (two semesters).
- Equipment Kit: \$300.

ADMISSION REQUIREMENTS

Required academic preparation

- Ontario College Diploma in Culinary Management or equivalent.
- Red Seal Cook/Chef, or international equivalent.
- Applicants with significant related work experience will be considered on an individual basis.
- Transfer students from other institutions will also be considered on an individual basis.

ENTREPRENEURIAL STUDIES – BUSINESS LAUNCH

Apply the principles of entrepreneurship to develop a scalable, repeatable and successful business model with guidance from experienced faculty and a powerful network of expert advisors and community partners. Graduate with the skills to launch and grow your own start-up in less than a year.

One-year Ontario College Graduate Certificate (ESBL)
September entry
Contact: esbl@loyalistc.on.ca

FIND YOUR CAREER

This post-graduate program will prepare you with the business knowledge, professional network and entrepreneurial skills to launch your own business in virtually any field:

- Launch your own high-growth business opportunity.
- Develop an existing business idea into a global venture.
- Become an entrepreneur, business owner or manager of a start-up.

HOW YOU'LL LEARN

- Participate in a two-week start-up boot camp focusing on best practices and how to turn high-impact start-up ideas into reality.
- Work in teams to nurture high-growth ideas or existing early-stage start-ups and be guided through the building process.
- Create and deliver executive-style presentations before an audience of prospective customers, employees and investors during industry showcase and pitch competitions.
- Participate in monthly educational “pit stops,” providing tailored, rigorous training on strategic entrepreneurship issues.
- Utilize the cutting-edge Strategyzer toolbox to develop a business model canvas.
- Learn to balance ethics and social responsibility in a dynamic global environment.
- Meet regularly with, and be mentored by, seasoned entrepreneurs and top industry executives.
- Apply current and emerging research, systems and technologies to effectively manage and accelerate the growth of your new venture.

APPROXIMATE COSTS (2015-16)

- Domestic Tuition/Ancillary Fees: \$3,894 (two semesters).
- Additional Program Costs: To be determined.

ADMISSION REQUIREMENTS

Required academic preparation

- A diploma or degree in a related field from a recognized college or university.
- In certain cases, three-to-five years relevant experience will be considered if additional admissions requirements are met.

Additional requirements

- Résumé
- Three references
- Letter of intent specifying why you would like to register for the program, along with a description of why you believe you are a good candidate.
- Interview process (in person for candidates within a 100-km radius; online for long distance candidates).

HUMAN RESOURCES MANAGEMENT

The greatest asset of any business is its people. Human resources professionals help guide organizations with sound practices — hiring the right people, training them to be effective and developing strategies to motivate and inspire. Loyalist grads earn advanced standing towards nationally respected CHRP accreditation.

One-year Ontario College Graduate Certificate (HRPG)
September and January
Contact: hrrpg@loyalistc.on.ca

FIND A CAREER

As businesses get more competitive and legislative changes become more complex, the demand for human resources professionals who can help guide organizational change continues to rise.

- Prepare for a career as an HR manager, HR development officer, planning analyst, training coordinator, HR Information System (HRIS) specialist, payroll coordinator or health and safety officer.
- Graduates find positions in business, government and not-for-profit organizations, as well as private consulting.
- Entry-level salaries for Certified Human Resources professionals average \$39,500, with the potential to progress quickly from a generalist to an HR manager earning about \$63,000-73,000 within five years.
- Earning potential for a vice-president tops \$170,000 per year.

HOW YOU'LL LEARN

Through this in-depth program, you will get a blend of theory and hands-on practical experience that goes beyond the classroom:

- Expert faculty teach students to anticipate what’s coming next in training and development, occupational health and safety, benefits and compensation, as well as work-life balance.
- Projects emphasize learning by doing, such as performing a health and safety audit for a real-world organization.
- Develop a professional portfolio showcasing your learning experiences and projects.
- Learn about current issues and trends from guest speakers working in the field.
- Interaction with faculty and other post-grad students coming from university, college and workplace backgrounds helps prepare students to appreciate different perspectives.
- Students earn field experience one day a week throughout the semester where they apply theoretical and practical knowledge in a workplace setting and make valuable industry contacts.

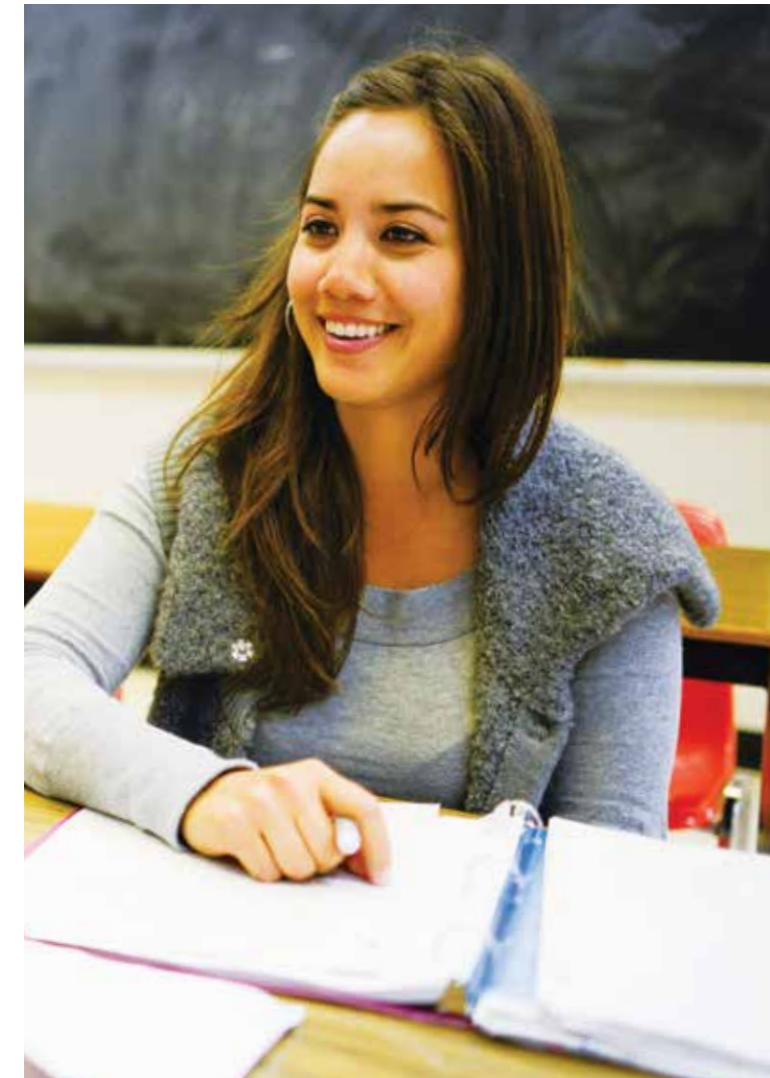

APPROXIMATE COSTS (2015-16)

- Domestic Tuition/Ancillary Fees: \$3,894 (two semesters).
- Books: \$500.
- Additional costs, such as travel and parking, may be incurred during placements.

ADMISSION REQUIREMENTS

Required academic preparation

- A diploma or degree in any discipline from a recognized college or university or three to five years of human resources management-related work experience.

INTERNATIONAL TRADE AND LOGISTICS MANAGEMENT

Before products hit the shelves, there's a lot of work that goes on behind the scenes — from purchasing materials and coordinating inventory to the distribution of finished goods. As global trade widens and deepens, demand continues to rise for skilled workers in the areas of supply chain logistics and international trade compliance.

One-year Ontario College Graduate Certificate (LOGS)

September entry

Contact: itlm@loyalstc.on.ca

FIND YOUR CAREER

There's a huge demand for supply-chain specialists with the knowledge to facilitate international trade. There are opportunities in retail operations, logistics companies, transportation industry, distribution centres, in the public and private sectors, working as:

- Purchasing Agent or Officer
- Inventory Specialist
- Compliance Specialist or Manager
- Supply Chain Supervisor
- Customs Agent, Broker or Specialist
- Tracking and Scheduling Coordinator
- Logistics Coordinator
- Demand Planner

HOW YOU'LL LEARN

Prepare hands on for a career in supply chain management concentrating on trade compliance and logistics planning:

- Gain a depth of knowledge in customs, including compliance, risk management and the global movement of goods.
- Navigate international customs and business practices.
- Get applied knowledge of project management including planning and reporting, scheduling techniques, element interdependencies, and project costing and crashing.
- Explore consultative selling and social media marketing.
- Learn first-hand during local field trips and presentations by guest speakers.
- Earn critical hands-on employment experience during an eight-week field placement from mid-May to mid-July.

APPROXIMATE COSTS (2015-16)

- Domestic Tuition/Ancillary Fees: \$3,894 (three semesters).
- Books: \$500.
- Additional costs may be incurred during placements.

ADMISSION REQUIREMENTS

Required academic preparation

- Degree or diploma in a related field.
- Applicants with a degree or diploma in an unrelated field, or significant related work experience, will be considered on an individual basis.

PUBLIC RELATIONS

Public relations professionals are increasingly in demand as employers recognize the value of effective communications. A career in PR is never dull! From one day to the next you could be pitching a story, staging a news conference or managing crisis communications.

OUR GRADS GET GREAT JOBS

Executive Director, Belleville Downtown Improvement Area
Marketing Coordinator, Assurant Solutions

One-year Ontario College Graduate Certificate (PURE)

September entry Contact: pure@loyalstc.on.ca

FIND YOUR CAREER

People come to PR from different backgrounds — from aviation and sociology to fitness and the non-profit sector. In just eight months, you'll develop skills that will make you an asset in any industry:

- Graduates find dynamic opportunities working for government, hospitals, schools, businesses, advocacy groups and non-governmental organizations (NGOs), as well as public relations firms.
- You could work as a PR specialist, promotions manager, fundraising coordinator, media relations specialist, public affairs expert, publicist, lobbyist or campaign manager.
- Many jobs offer extensive opportunities for travel.
- Entry-level jobs include producing digital media packages, organizing interviews and news conferences, creating visual presentations and planning special events.
- Average entry-level salaries for Ontario graduates range from \$35,000 to \$39,999** and vary depending on the sector and location. Many graduates in urban centres earn more than \$100,000.
- Public Relations students automatically obtain student membership in both the Canadian Public Relations Society (CPRS) and the International Association of Business Communicators (IABC).

HOW YOU'LL LEARN

No textbooks! Students enjoy a combination of project-based learning and hands-on experience that goes beyond the classroom. In this intensive, eight-month program you will:

- Learn from guest speakers in the industry.
- Develop a solid portfolio of relevant workplace skills.
- Participate in a speed-mentoring event and micro-networking session.
- Meet with industry professionals and PR agencies in Toronto.
- Stage a mock disaster during Crisis Communications Week.
- Plan and host special events such as concerts and wine tastings in neighbouring Prince Edward County.
- Write clear, targeted communications materials that deliver your message persuasively.
- Build relationships with media and stakeholders, plan special events, market for corporate and non-profit, deliver persuasive presentations, prepare for media interviews and handle crisis situations.
- Use new media, social media and graphics creation to promote your message.

APPROXIMATE COSTS (2015-16)

- Domestic Tuition/Ancillary Fees: \$3,894 (two semesters).
- Additional Program Costs: \$510.
- Additional costs, such as travel and parking, may be incurred during placements.

ADMISSION REQUIREMENTS

Required academic preparation

- A diploma or degree from a recognized college or university.
- Applicants with significant related work experience will be considered for entry based on a review of their demonstrated competencies and academic credentials.
- Computer literacy as it relates to online communication.

TURN YOUR DIPLOMA INTO A DEGREE

SPORTS AND ENTERTAINMENT SALES AND MARKETING

Those who dream of working in the sports and entertainment field need specialized business training to turn their passion into a career. In only four months, you will learn to make an impact on the bottom line. Then, demonstrate those skills on the job during a four-month placement.

OUR GRADS GET GREAT JOBS

Coordinator, Corporate Partnerships, Rugby Canada
Community Events Coordinator, Maple Leaf Sports and Entertainment
Sales Manager, Global Spectrum
Group Sales Manager, London Knights
Brand Activation and Events Coordinator, S&E Sponsorship Group
Client Development Representative, Ottawa Senators

One-year Ontario College Graduate Certificate (SESM)
September entry
Contact: sesm@loyalistc.on.ca

FIND YOUR CAREER

Sports and entertainment sales and marketing professionals work with sporting organizations, entertainment complexes and the non-profit sector.

Prepare for a career as:

- Sales and marketing manager, account representative, sponsorship liaison, sponsorship sales manager, marketing executive, licensing brand manager, game night coordinator, community events coordinator, social media coordinator, group sales or ticketing manager, and corporate services coordinator.
- 100% of 2014 Loyalist grads were working within six months of graduation[†].
- Starting annual salaries in this exciting field can reach upwards of \$52,000.

HOW YOU'LL LEARN

Every aspect of this intensive eight-month post-grad program is focused on opening doors to employment. Learning features:

- Intensive role-play scenarios.
- Guest speakers representing organizations such as the Detroit Red Wings and the Ontario Hockey League.
- A field trip to a major North American city to meet with the sales and marketing staff of a major sports and entertainment organization.

- Building a personal network and a professional portfolio.
- Planning and executing promotional sales strategies for events.
- Expanding the brand to build revenue.
- Creating transactional sales opportunities for sport.
- Boosting participation and leveraging investments to get results.
- Developing win-win activation opportunities for sponsors and partners.
- Creating integrated marketing, media and public relations plans.
- Evaluating marketing initiatives against sales forecasting, budgeting, financial health and return on investment.

APPROXIMATE COSTS (2015-16)

- Domestic Tuition/Ancillary Fees: \$3,894 (two semesters).
- Additional Program Costs: \$1,210.
- Wi-Fi-ready laptop recommended.
- Additional costs, such as travel and parking, may be incurred during placements.

ADMISSION REQUIREMENTS

Required academic preparation

- A diploma or degree from a recognized college or university.
- Applicants with significant related work experience will be considered on an individual basis.
- Transfer students from other institutions will also be considered on an individual basis.

Additional requirements

- Most placements require a valid driver's licence.
- Students seeking international placements require a valid passport.

Recommended academic preparation

- Credentials in a related field of study, such as sales, marketing, business, sports management, administration or commerce, are recommended.

[†]Source: KPI Survey 2014, Forum Research Inc. for Ministry of Training, Colleges and Universities.

SPORTS JOURNALISM

Calling all major-league dreamers! Parlay your passion for sports into a career in journalism. Sports journalists are storytellers; curious about the personalities and power brokers in sport. This program will help you polish your writing skills, gain proficiency as a videographer, and find your voice as an on-air TV and radio sportscaster.

OUR GRADS GET GREAT JOBS

News Editor, theScore, Toronto
Digital Producer, USA Today Sports, Los Angeles
Sports and News Anchor; OHL play-by-play announcer, 90.5 Extra, Peterborough
Communications Coordinator, Golf Association of Ontario
Sports Reporter, Timmins Press, Timmins, Ontario

Hockey Writer, Sportsnet, Toronto
Sports Reporter, Alaska Highway Daily News, Fort St. John, British Columbia

One-year Ontario College Graduate Certificate (SPJN)
September entry
Contact: spjn@loyalistc.on.ca

FIND YOUR CAREER

- Videographers, editors, reporters in TV, documentary film-makers, anchors, reporters, on-air hosts in radio.
- Sports writing for newspapers and web-based media.
- Play-by-play analysts, colour commentators, side-line reporters, producers.
- Digital and social media content producers.
- Videographers, communications and media relations for sports teams/organizations.
- 100% of 2014 Loyalist grads were working within six months of graduation[†].

HOW YOU'LL LEARN

This intensive, 28-week program focuses on practical experience, with an emphasis on radio and TV:

- Workshops and one-on-one instruction in the use of radio and TV newsroom technology.
- Instruction in print and broadcast-style writing.
- Coaching in on-air announcing techniques.
- Practical experience doing play-by-play and colour commentary for live radio.
- Research, shoot and edit sports stories for TV.
- Research, write and anchor live sportscasts for 91X FM, the College's CRTC-licensed radio station.

- On-air experience on weekly radio sports talk shows and interview shows.
- Develop skills in reporting, interviewing, sideline reporting, producing.
- Instruction in the use of state-of-the-art TV camera gear and industry-standard editing software.
- Gain experience writing and anchoring TV sportscasts.
- Meet with industry professionals and guest lecturers.
- Gain networking opportunities and industry experience with a 140-hour placement.

APPROXIMATE COSTS (2015-16)

- Domestic Tuition/Ancillary Fees: \$3,894 (two semesters).
- Additional Program Costs: \$407.
- Additional costs may be incurred during four-week placement.

ADMISSION REQUIREMENTS

Required academic preparation

- Graduates of Loyalist's Journalism, Photojournalism, Radio Broadcasting and Television and New Media Production programs are encouraged to apply to this program.
- Those with a degree or diploma in journalism or media-related field are encouraged to apply.
- Applicants with work experience in TV, radio, or print media will be considered for admission based on a portfolio review, references and demonstrated competencies.

Additional requirements

- A valid G-level driver's license is an asset as it may qualify those accepted into this program to use the College media vehicles to cover off-campus assignments.

LOYALIST TRAINING AND KNOWLEDGE CENTRE (LTKC)

Loyalist Training and Knowledge Centre (LTKC), the Corporate Training Division of Loyalist College, offers practical, hands-on workplace learning and performance solutions that enable organizations to meet their specific business goals and objectives. We have hundreds of courses available, which can be found at loyalisttraining.com or we can work with your organization to customize programs to suit your requirements. Programs can be delivered on site at your facility or within our classrooms at Loyalist College. LTKC also offers employment testing, coaching and consulting services. For further information, please contact LTKC at 613-969-1913 ext. 2294 or 1-888-569-2547 or at ltk@loyalistc.on.ca.

financial

FINANCIAL

Scholarships, Bursaries and Awards

Loyalist provides more than a million dollars each year through awards, bursaries, scholarships and work-study opportunities to help students succeed. Thanks to the friendly staff in our Financial Aid office, you will have access to a wide range of funding options, and tips on how to apply and remain on budget through the school year.

Bursaries are based on financial need, while scholarships are awarded for academic excellence. They are not loans; you never have to pay them back. The process may sound daunting, but rest assured; it's really not — the application only takes about five minutes to complete. Apply online at myloyalist.com.

An awards directory is available online at loyalistcollege.com. You can also check out what's available at scholarshipscanada.com, studentsawards.com, campusaccess.com and yconic.com. For further information on these opportunities, or for help applying, email awards@loyalistc.on.ca.

Ontario Student Assistance Program (OSAP)

Ontario residents who are Canadian citizens, permanent residents or protected individuals may qualify for OSAP, providing interest-free loans while you are in school. OSAP loans, grants and bursaries are awarded based on your educational costs and access to revenue.

Apply online at osap.gov.on.ca. You can also explore bank loans and student lines of credit.

Out-of-province students should apply for financial assistance within their home province.

Staff in our Financial Aid office will be pleased to assist you. Call them at 613-969-1913 ext. 2425.

Full-Time Post-Secondary Students

To qualify as a full-time student, your course load must represent at least 70% of the hours of two-thirds of the courses required for the semester of the program in which you are enrolled.

2015-16 Domestic Full-Time Student Fees

Fees apply to domestic full-time students for a standard two-semester program. Fees for programs that are less than or greater than two semesters will be adjusted. There are no additional taxes.

| | Year One | Year Two | Year Three |
|--------------------------|-------------------|-------------------|-------------------|
| Tuition* | \$2,767.92 | \$2,741.94 | \$2,727.44 |
| Full-Time Ancillary Fees | \$1,126.00 | \$1,126.00 | \$1,126.00 |
| TOTAL | \$3,893.92 | \$3,867.94 | \$3,853.44 |

*Practical Nursing Tuition: \$4,053.76 (Year One) and \$5,638.59 (Year Two – 3 semesters) plus \$1,126.00 Ancillary Fees.

*Collaborative Nursing Degree Tuition: \$6,110.04 (Year One) and \$6,051.72 (Year Two) plus \$1,126.00 Ancillary Fees.

All full-time students at the Belleville campus must pay mandatory Ancillary Fees of \$1,126 per year. Rates are adjusted for part-time students and for winter/spring and summer intake. The individual fee amounts are as follows:

| Ancillary Fees | Full-Time Students |
|--|---|
| Student Government Activity Fee | Enriches the lives of students with a variety of services, welcoming facilities, amazing social events and invaluable resources. \$148 |
| Student Planner Fee | Includes a durable vinyl binder, monthly calendars, weekly pages, stickers, pagefinder, pouch and helpful information. <i>This is a non-refundable fee and there will be no exceptions, including withdrawing within the first 10 days of classes and/or changing to part-time status.</i> \$14 |
| Student ID Card Fee | Identifies you as a full-time student at Loyalist College and provides access to various campus events, facilities and services. <i>This is a non-refundable fee and there will be no exceptions, including withdrawing within the first 10 days of classes, changing to part-time status and/or failure to get your student ID card on the scheduled date(s).</i> \$10 |
| Facilities Enhancement Fee | Improves student spaces on campus through renovations and capital purchases of furnishings. \$25 |
| Student Centre Fee | Features a pub and outdoor patio, pool tables, dining and study area, lounge space, wireless hot spot, plasma TVs, big-screen movies and Tim Hortons. \$150 |
| Athletics Fee | Offers varsity programs and maintains the athletics facilities. \$140 |
| Student Fitness Centre Fee | Provides membership to a commercial club quality facility which features a wide range of cardiovascular and resistance training equipment. \$65 |
| Campus Recreation Facility Fee | Includes numerous recreational activities on campus, including the Sports Dome and fun off-campus trips. \$20 |
| Facilities/Lockers Fee | Maintains the lockers and outdoor facilities. \$20 |
| Student Health Centre Fee | Provides various health care services including a full-time registered nurse on staff and a physician on campus two half-days per week (<i>excluding summer</i>). \$70 |
| Student Prescription Drug Plan & Accident Insurance Fee | Includes receiving 80% off the cost of prescription drugs and provides some coverage for accident benefits (<i>there are some exceptions</i>). \$52 |
| Academic Support Fee | Supports peer tutoring and the academic skills centre. \$45 |
| Wellness Services Fee | Provides counselling, mentor, mind and wellness services. \$45 |
| Employment & Career Services Fee | Connects you to work opportunities on and off campus, provides one-on-one help with career planning and job search skills and includes access to popular online resources. \$25 |
| Alumni Fee | Provides opportunities for graduates to remain actively engaged with the College and connected with one another and keeps you up to date with monthly e-newsletters and a bi-annual magazine. \$31 |
| Technology Fee | Supports enhancements to basic information technology infrastructure including computer labs (Kente Building's Student Access Lab and Pioneer Building's P11), open classrooms/labs, wireless printing, print credits, etc. \$170 |
| Transcript/Registration Fee | Includes lifetime transcript and processing, validating and delivering various enrolment forms. \$15 |
| Convocation Fee | Assists with Convocation related costs. \$35 |
| Campus Connect & Student Engagement Fee | Includes fall and winter's Orientation activities and events and Student Engagement activities and events held throughout the year. \$10 |
| 91X Radio Fee | Supports the operation of the on-campus radio station. \$26 |
| Access Copyright Fee | Covers the cost of using material protected by copyright in compliance with the Access Copyright License. \$10 |
| TOTAL ANCILLARY FEES | \$1,126 |

Taxes included. Ancillary fees are paid at the start of each term and are non-refundable after 10 days of scheduled classes from the start of the term. All dollar figures listed are in Canadian dollars. Fees are subject to change.

how to apply

Apply online at
ontariocolleges.ca

HOW TO APPLY

APPLICATION PROCESS

You can apply to up to five colleges across Ontario, but may only accept one offer of admission. ontariocolleges.ca receives college applications, records and student responses to offers of admission.

TRANSFER CREDITS

Transfer credits from other post-secondary institutions will be assessed on an individual basis. Applicants with training from other institutions should share this documentation with Loyalist when they apply.

EQUIVALENT CANADIAN STANDINGS

In order to be considered for admission to Loyalist, applicants must provide proof of academic standing equivalent to a Grade 12 Ontario Secondary School Diploma (OSSD). Applicants from outside Ontario — including international applicants — must submit certified transcripts of their grades. Applicants whose first language is not English must provide documented proficiency in English (see below).

MATURE APPLICANTS

A mature applicant is someone who:

- Is 19 years old on the first day of classes in the year of admission
- Does not have an OSSD or equivalent
- Is a Canadian citizen or permanent resident

Mature applicants apply through ontariocolleges.ca. They must complete the subjects noted as “required” for admission to a program. Applicants may be directed to write a diagnostic test to determine eligibility prior to acceptance. Mature applicants are considered on an individual basis and should consult with the Enrolment Services Office as early as possible to determine if pre-entry testing and/or College preparatory studies are required.

INTERNATIONAL STUDENTS

HOW TO APPLY

International students may apply directly to the College. Please visit loyalistcollege.com for detailed admission requirements.

2015-16 INTERNATIONAL STUDENT FEES*

Applicants who applied for a student visa may pay the following fees for regular full-time post-secondary programs (two semesters per year). Fees related to programs that are less than or greater than two semesters will be adjusted accordingly. Please note that a minimum payment equivalent to one semester is required prior to classes beginning. However, we encourage students to pay for the entire academic year in one transfer. Costs related to textbooks, instruments and supplies vary from \$500 to \$2,500 per year, depending on the program. Most of these items are available through the College Bookstore.

| | Two Semesters | One Semester |
|------------------------------|-----------------|----------------|
| Tuition | \$13,000 | \$6,500 |
| Full-Time Ancillary Fees | \$1,126 | \$575 |
| Health Insurance (mandatory) | \$600 | \$600 |
| TOTAL | \$14,726 | \$7,675 |

*Fees are subject to change

Please forward test scores from one of the following tests with your application:

| English Language Proficiency Test | English for Academic Purposes (EAPC) | Certificate/Diploma Programs | Post-Graduate Programs Fast-Track |
|--|---|---|---|
| TOEFL (Test of English as a Foreign Language) toefl.org | 173 (computer-based) 65 (Internet-based) | 550 (paper-based test) 213 (computer-based test) 79 with Writing, Reading and Speaking minimums of 19 (iBT Internet-based test) | 560 (paper-based test) 220 (computer-based test) 83 with Writing, Reading and Speaking minimums of 21 (iBT Internet-based test) |
| IELTS (International English Language Test Service) ielts.org | 5.0 overall | 6.0 overall with a minimum score of 5.5 in each section | 6.0 overall with a minimum of 5.5 in each section |
| CAEL (Canadian Academic English Language Assessment) cael.ca | | Overall band of 60 | Overall band of 60 and Writing 60 |

For more information, contact Jodie Russett in the International Centre at jrussett@loyalistc.on.ca; 613-969-1913 ext. 2146 or 1-888-569-2547.

HEALTH REQUIREMENTS

All successful applicants must satisfy health requirements stipulated by their program. Detailed health requirements are listed by program at loyalistcollege.com.

DOUBLE DIPLOMAS

Double diplomas are pairings of related programs that allow a graduate of a diploma program to complete a second diploma in only one additional calendar year. For detailed information and minimum requirements, contact the program Coordinator of the second program.

ADMISSIONS DECISIONS

Applicants can expect a written decision (accepted, accepted with conditions, waitlisted or not accepted) in the mail, accepting or declining their application for admission to Loyalist. If you wish, you can request a verbal explanation from the Loyalist College Enrolment Services Officer with whom you have been corresponding and, if further explanation is required, to the Registrar.

ADDITIONAL PROGRAM COSTS

The College levies Additional Program Costs for items such as equipment, learning materials, co-op work terms and clothing retained by the student, along with material used in the production of items that become the property of the student.

CHALLENGE PROCESS AND PORTFOLIO ASSESSMENT FEE

Students who apply to challenge a course through portfolio, examination, demonstration or other acceptable method, will be assessed a non-refundable fee. Please visit loyalistcollege.com for more information.

LANGUAGE REQUIREMENTS

All teaching within the College is conducted in English. In order to be successful in a program, communication, listening comprehension, reading and writing skills must be at level sufficient to meet the demands of post-secondary studies. All applicants to Loyalist whose first language is not English, or whose previous education was in another language, will be expected to provide an English proficiency assessment for admissions.

INTERNATIONAL CENTRE

Our International Centre is here to help you settle into your new home at Loyalist College — socially, academically and culturally. We have a variety of fun welcome programs and offer assistance with housing and health insurance. International students and students who are new to Canada are valued members of the Loyalist community. To find out more about the International Centre, please call 613-969-1913 ext. 2146 or 1-888-569-2547.

NOTIFICATIONS AND DISCLOSURES

Equity at Loyalist College

The Education and Employment Equity program at Loyalist College demonstrates a commitment to promote increased awareness of the changing roles of women and men, and to encourage full male and female participation in all areas of society. The program is designed to promote education equity for students, and employment equity for faculty and staff.

Protection of Personal Information

The College may collect and maintain personal information from students and prospective students for the purposes of communicating with them about programs, applications, admissions and awards; maintaining statistical data on applications; registering students for courses; delivering academic and administrative services; and Student Government initiatives and activities. Personal information in the student record is protected in compliance with the Ontario Freedom of Information and Protection of Privacy Act and the College's privacy policies.

Notification of Disclosure of Personal Information to Statistics Canada

Statistics Canada is the national statistical agency. As such, Statistics Canada carries out hundreds of surveys each year on a wide range of matters, including education. It is essential to be able to follow students across time and institutions to understand, for example, the factors affecting enrolment demand at post-secondary institutions. The increased emphasis on accountability for public investment means that it is also important to understand 'outcomes.' In order to carry out such studies, Statistics Canada asks all colleges and universities to provide data on students and graduates.

Institutions collect and provide to Statistics Canada student identification information (student's name, student ID number, Social Insurance Number), student contact information (address and telephone number), student demographic characteristics, enrolment information, previous education and labour force activity. The Federal Statistics Act provides the legal authority for Statistics Canada to obtain access to personal information held by educational institutions. The information may be used only for statistical purposes, and the confidentiality provisions of the Statistics Act prevent the information from being released in any way that would identify a student.

Students who do not wish to have their information used may ask Statistics Canada to remove their identification and contact information from the national database. Further information on the use of this information can be obtained from Statistics Canada's website at statcan.gc.ca or by writing to the Post-Secondary Section, Centre for Education Statistics, 17th Floor, R.H. Coats Building, Tunney's Pasture, Ottawa K1A 0T6.

Viewbook Changes

Programs and courses announced in this Viewbook represent the best information available at the time of printing. These programs and courses may or may not be offered depending upon the number of students enrolled. The College reserves the right to change, without notice, any information contained in this Viewbook,

DATES TO REMEMBER

Fall Semester 2016

| | |
|--|---------------|
| Residence Move-in Day | September 5 |
| Labour Day | September 5 |
| Registration and Orientation for First-Year Students | September 6 |
| Classes Begin for all Students | September 7 |
| Thanksgiving (no classes) | October 10 |
| Study week (no classes) | October 10-14 |
| Fall Semester Ends | December 16 |

Winter Semester 2017

| | |
|-----------------------------------|----------------|
| Registration/First Day of Classes | January 4 |
| Family Day (no classes) | February 20 |
| Study Week (no classes) | February 20-24 |
| Good Friday (no classes) | April 14 |
| Winter Semester End Dates Begin | April 14 |

Spring/Summer Semester 2017

| | |
|--|------------|
| Registration/First Day of Classes | April 18 |
| Victoria Day (no classes) | May 22 |
| Convocation Ceremonies | June 8 & 9 |
| Spring/Summer Semester End Dates Begin | June 9 |
| Canada Day (no classes) | July 1 |
| All Spring/Summer Semester Classes Completed | July 28 |
| Civic Holiday | August 1 |

including but not limited to the availability, timing, or content of any program or course, the applicable fees, and any rule or regulation pertaining to the standard for admission to, the requirements for the continuation of study in, and the requirements for the granting of degrees or diplomas in any or all of its programs. The publication of information in this Viewbook does not bind the College to the provision of courses, programs, schedules, or facilities as listed herein. Changes may occur in a number of areas, including, but not limited to, courses, their content, enrolment and the withdrawal of courses listed as being offered, as the College may deem appropriate or necessary.

The College will not be liable for any loss or damage suffered or incurred by any student, prospective student, or third party as a result of any interruption in, change to, or cancellation of, any academic activities as set forth in this Viewbook and on the College website (loyalistcollege.com) and related information, where such interruption, change, or cancellation is caused by fire, strike, lock-out, inability to procure materials or trades, restrictive laws or governmental regulations, actions taken by faculty, or students, financial exigency, civil unrest or disobedience, or any other cause of any kind.
