THE POLYTECHNIC ADVANTAGE:

# OUR GRADS ARE IN DEMAND.

THE POLYTECHNIC ADVANTAGE

There's a reason why we have a **CONSISTENTLY HIGH GRAD EMPLOYMENT RATE**, and why **WE SCORE TOP MARKS WITH EMPLOYERS**.

Our focus on applied learning develops marketable skills that prepare you to contribute from Day 1 on the job. The blend of knowledge, skills and experience you'll acquire here is a big advantage in today's market.

 ATTRACTIVE PRINT	 Download the free Layar App	 Scan this page	 Discover Interactive content
---	---	---	--

THE POLYTECHNIC ADVANTAGE:

# YOU'LL LEARN BY DOING.

THE POLYTECHNIC ADVANTAGE

## HANDS-ON LEARNING OPPORTUNITIES

let you apply what you learn in the classroom to real-world situations. Depending on your program, you'll reinforce your skills through labs, clinical placements, field investigations, outdoor camps, machinery time, workplace practicums and/or co-op work terms.

THE POLYTECHNIC ADVANTAGE:

# 150+ PROGRAMS TO CHOOSE FROM.

We offer **DEGREES, DIPLOMAS, CERTIFICATES** and **APPRENTICESHIP TRAINING** that lead to rewarding careers in business, information technology, health, mining, transportation and other sectors of the economy. As well, many of our programs let you put your credential towards a professional designation, advanced professional standing or university degree.

THE POLYTECHNIC ADVANTAGE:

# YOU'LL BENEFIT FROM OUR CLOSE RELATIONSHIPS WITH EMPLOYERS.

Saskatchewan Polytechnic not only develops **CURRICULUM IN CONSULTATION WITH EMPLOYERS**, but we ensure that it's up-to-date and relevant through program advisory committees. About 700 representatives lend their expertise to these committees, which include employers, practitioners and grads.

THE POLYTECHNIC ADVANTAGE:

# APPLIED RESEARCH OPPORTUNITIES.

Saskatchewan Polytechnic students and faculty increasingly team up with business, industry and community partners on applied research projects. Participating in applied research will show you how **CLASSROOM LEARNING TRANSLATES INTO REAL LIFE**, and is a great confidence booster that will prepare you to meet the challenges of today's workplaces. Learn more at [saskpolytech.ca/research](https://saskpolytech.ca/research).

# #TomorrowintheMaking

From unique applied learning experiences to relationships that will last a lifetime, life at Sask Polytech has never looked better.

Photos submitted by Sask Polytech students.

# READY? HOW TO APPLY:

HOW TO APPLY

YOUR FUTURE STARTS HERE

DO YOU KNOW WHICH PROGRAM YOU WANT TO TAKE?

YES

AWESOME! IS IT A HIGH-DEMAND\* PROGRAM?

NO

NO

## WE CAN HELP!

You can browse through our 150+ programs at [saskpolytech.ca](http://saskpolytech.ca) or for a closer look at what we have to offer, click "Visit a Campus" for upcoming tours, career fairs and Insight (Explore. Try. Apply.) events. Still undecided? Use our Program Selector at [saskpolytech.ca/undecided](http://saskpolytech.ca/undecided) to build a list of programs that may be a good fit for you.

YES

High demand\* programs are open for application from 8 a.m., October 1 to 4:30 p.m., February 15 (Saskatchewan time) each academic year. All supporting documentation is required by 4:30 p.m. (Saskatchewan time), February 28.

You can apply as soon as you are enrolled in the courses and at the grade level you require for admission. For instance, for a program where Grade 12 is an admission requirement, you may apply in September of your Grade 12 year.

More information can be found at: [saskpolytech.ca/specialadmission](http://saskpolytech.ca/specialadmission)

## HOW DO I APPLY?

### ONLINE = \$50

Visit [saskpolytech.ca/applynow](http://saskpolytech.ca/applynow). VISA, MasterCard and Interac Online accepted.

### MAIL = \$75

Print a copy of the application form from the website or obtain a paper copy from any campus.

### IN PERSON = \$75

Visit Registration Services located at any of the main campus locations.

CHOOSE A PROGRAM

APPLY

\*High-demand programs include: Dental Hygiene, Medical Radiologic Technology, Power Engineering Technology, Practical Nursing, Psychiatric Nursing (Diploma) and the Saskatchewan Collaborative Bachelor of Science in Nursing.

## WHAT ELSE DO I NEED TO DO?

Along with your completed application form and application fee, you will need to include:

- An official transcript of your high school marks\*; **OR**
- A preliminary statement of high school standing\*\*; **AND**
- All other (if any) documents required by the program.

High-demand programs have selection criteria in addition to regular academic admission requirements. All admission requirements are listed on our program web pages at [saskpolytech.ca](http://saskpolytech.ca).

Upon receipt of your application, you will receive in the mail your Saskatchewan Polytechnic Identification Number and instructions on how to log in to your Saskatchewan Polytechnic account. All email communications will be sent through your Saskatchewan Polytechnic email account unless you choose to automatically forward it to your personal email account.

If you are accepted into your program, you will receive a notification from Saskatchewan Polytechnic letting you know your start date, tuition fees and other costs (such as books, supplies and students' association fees). If you are a sponsored student, your sponsoring agency will need to provide us with written confirmation of your sponsorship.

In your acceptance notification, we will ask you to pay a \$500 tuition deposit within 30 days to hold your spot in the program, so plan that cost into your budget when you apply. If you are not offered a seat in the program to which you apply, you will be required to reapply to the next year's intake.

Once accepted, get familiar with Sask Polytech by taking our virtual orientation at [saskpolytech.ca/welcome](http://saskpolytech.ca/welcome).

## WHAT IF I DO NOT MEET THE ADMISSION REQUIREMENTS?

If you do not meet admission requirements, you have several options:

- If you have been out of school for at least one year you can upgrade through various academic upgrading programs at Saskatchewan Polytechnic or through your high school or regional college.
- You may qualify for special admission. Contact a Sask Polytech counsellor at any campus for details. Special admission may include: use of an assessment tool called ACCUPLACER that tests math and English skills, and/or consideration of successfully completed courses and/or credentials. See [saskpolytech.ca/specialadmission](http://saskpolytech.ca/specialadmission) for details.
- You may be able to begin your studies as a part-time, unclassified student. Unclassified students are students who are registered in a Sask Polytech course but who are not currently admitted to a Sask Polytech program.

- ! Because English is the language of instruction and examination at Sask Polytech, applicants whose first or primary language is not English will need to provide evidence of sufficient English skills to gain admission.
- ! For programs with math admission requirements, previous Saskatchewan math requirements are also accepted.
- ! If you're heading into a health-care or technology program, prepare yourself by signing up for Math for Health Care Providers or Pre-Technology Math. Courses run mid- to late August. For more information, call 1-866-467-4278.

SOAR!

GRADUATE

STUDY HARD

\*If you have already completed the high school requirements for admission, arrange for an official transcript to be forwarded electronically to us by the Saskatchewan Ministry of Education or from the appropriate provincial ministry of education if your requirements were completed outside of Saskatchewan.

\*\*If you are currently completing high school requirements for admission, a conditional admission can be granted based on preliminary results – just complete the preliminary statement of high school standing on the application form. Upon completion of the requirements, you must arrange for a final official transcript to be sent electronically by the appropriate provincial ministry of education. Final official transcripts are required by August 1.

# FINANCING YOUR EDUCATION

## TUITION, FEES AND EXPENSES

Application fees are due with your application. Tuition and other assessed fees are due at the time of your registration. Check [saskpolytech.ca](http://saskpolytech.ca) for tuition and other assessed fee details.

## FINANCIAL ASSISTANCE

Full-time students may receive financial assistance under the Canada and Saskatchewan Student Loans programs, including the Saskatchewan Advantage Scholarship for new Grade 12 graduates. Part-time students may receive assistance under the Canada Student Loans Program for Part-time Students.

## AWARDS AND SCHOLARSHIPS

Saskatchewan Polytechnic gives away approximately \$2 million in student awards each academic year.

Saskatchewan Polytechnic offers student awards for every certificate and diploma program at every campus. You don't have to be a brainiac to receive a student award. Not all student awards are based on marks – some are based on financial need or things like community or volunteer involvement. Some bursaries and scholarships are available to all Sask Polytech students, while others are for students attending a specific campus or program, or for education equity students.

Once you've been accepted as a student, you can apply online for an award or scholarship between June 1 and July 15. Once you're on campus, there are other scholarship opportunities available.

Learn more at [saskpolytech.ca/scholarships](http://saskpolytech.ca/scholarships).

# RECOGNITION OF PRIOR LEARNING AND TRANSFER CREDIT

## SASKATCHEWAN POLYTECHNIC VALUES YOUR PRIOR LEARNING

Save time and money as you reach your goals. Through the Prior Learning Assessment and Recognition (PLAR) process, you can seek academic credit for the knowledge you've already gained through life and work experiences. PLAR considers a variety of ways people learn, such as:

- industry training
  - on-the-job training
  - volunteer work
  - work experience
  - workshops

More information about PLAR can be found at [saskpolytech.ca](http://saskpolytech.ca).

## TRANSFER CREDIT

It is a fact that some college students go on to university, some university students go on to college, and no one wants to waste their time and money studying the same thing twice.

Saskatchewan Polytechnic offers transfer credit opportunities which give you:

- greater flexibility
- savings on tuition and expenses
- better return on investment

To learn more about transfer credit, visit [saskpolytech.ca/transfer-credit](http://saskpolytech.ca/transfer-credit).

SASKATCHEWAN POLYTECHNIC GIVES AWAY APPROXIMATELY  
**\$2 MILLION**  
IN STUDENT AWARDS EACH ACADEMIC YEAR.

# LIFE ON CAMPUS

## AT SASKATCHEWAN POLYTECHNIC, REAL-LIFE LEARNING LEADS DIRECTLY TO JOB OPPORTUNITIES IN THE FIELD OF YOUR CHOICE.

It's an approach that earns consistently high employment rates for our graduates ... and consistently excellent reviews of our grads by employers. But we realize there's more to your education than what takes place in the classroom or on work placements.

### BOOKSTORES

Get your course materials and supplies here. You can buy textbooks, course manuals, ebooks, book rentals, program clothing, supplies, instruments, bookstore gift cards and Saskatchewan Polytechnic parking cards from the Sask Polytech bookstores. Book lists are available on our website for most Sask Polytech programs; the bookstores also sell Adobe software at low student pricing.

Stop by your local campus bookstore where the friendly staff will assist you with acquiring your program materials and supplies ... and for the fun of it, you can browse our giftware!

Learn more at [saskpolytech.ca/bookstore](http://saskpolytech.ca/bookstore).

#### ONLINE

[saskpolytech.ca/  
bookstore](http://saskpolytech.ca/bookstore)

#### PHONE

1-888-569-8398

#### IN PERSON

at any of our four  
campus stores

Gift cards are available online or at any Saskatchewan Polytechnic bookstore location.

### CHILD CARE

Saskatchewan Polytechnic campuses in Prince Albert, Regina and Saskatoon offer child care centres. Each centre accommodates children of various ages in a safe and friendly environment. Parents may be eligible to receive a child care subsidy dependent on family income.

### COUNSELLING SERVICES

Counsellors provide admission guidance for the general public and confidential counselling services to Saskatchewan Polytechnic students.

Counsellors offer guidance on many topics, including program selection and career development. They can help you address academic, financial and personal concerns. Also, counsellors assist with providing learning accommodations for students with disabilities. Throughout the academic year, Counselling Services, in co-operation with Learning Services, may offer workshops to help students succeed.

### EMPLOYMENT SERVICES

Connecting Saskatchewan Polytechnic students, graduates and employers is our mission! Services include an annual career fair and an online job posting service.

Learn more at [saskpolytech.ca/SES](http://saskpolytech.ca/SES).

### EQUITY INFORMATION

Saskatchewan Polytechnic is committed to developing a student body that represents every segment of Saskatchewan's population - our Education Equity Program provides a framework to achieve our education equity goals. We take measures to identify, eliminate and reduce systemic practices that may create barriers for members of designated groups.

Designated groups include:

- women interested in trades and technology
- people with one or more disabilities
- members of visible minority groups
- people of Aboriginal ancestry

## FOOD SERVICES / STUDENT LOUNGES

On-campus food choices at Saskatchewan Polytechnic include breakfast, lunch, dinner and snack options. Each campus offers food services with a variety of healthy food choices, including vegetarian and gluten free options. Vending machines with snacks and beverages are also available. Student lounge areas offer an opportunity for students to eat, relax, study and connect in a comfortable setting. The lounges feature free Wi-Fi.

## HEALTH SERVICES

Whether you're feeling stressed out, need treatment or support, or require specific health information, as a Saskatchewan Polytechnic student you have access to a registered nurse at any of our main campuses. A nurse practitioner is available at the Sask Polytech Regina campus. Services are confidential and available by appointment or on a walk-in basis.

## HOUSING

If you are looking for an apartment, room and board or shared accommodations, housing registries are available at each campus and can be accessed from [saskpolytech.ca](http://saskpolytech.ca). Students attending our Regina campus might also have the option of living in residence at the nearby University of Regina campus. Students attending our Prince Albert campus can apply for accommodations in our family housing complex.

## LEARNING SERVICES

Learning Services provides individual attention to help you succeed. You can refresh your academic skills, get help with basic mathematics, learn how to communicate more effectively and develop stronger writing skills. Also, an online writing lab (OWL) is available if you need help with written assignments.

## LIBRARY

The library at Saskatchewan Polytechnic connect you with the learning resources you need and are committed to providing services to all students from all backgrounds, whether on campus, online or at a distance. In the library, you can borrow books, journals, magazines and DVDs, as well as access photocopiers, computers, study spaces, electronic media and more. Through the online Sask Polytech library you can access your library account; search the catalogue for ebooks, ejournals and streaming videos; as well as browse information about library services. Adaptive technologies and formats for students with learning and perceptual disabilities are also available.

Learn more at [library.saskpolytech.ca](http://library.saskpolytech.ca).

## LOCKERS

Lockers are available on campus for storing books, educational supplies and clothing.

## PARKING AND TRANSIT

Saskatchewan Polytechnic campuses are served by public transit. Paid parking is available at all campuses for students and visitors. Paid parking is in effect between 6 a.m. and 10 p.m., seven days a week. Anyone without a valid hang tag will need to purchase a pay and display ticket and have it prominently displayed. Parking cards are available for purchase from the bookstores.

If you live in Regina but go to school at Sask Polytech in Moose Jaw, you can purchase monthly bus passes with the Saskatchewan Transportation Company (STC).

Learn more at [saskpolytech.ca/parking](http://saskpolytech.ca/parking).

## RECREATION

Don't sweat it only in the classroom - get active. Saskatchewan Polytechnic offers you great ways to get moving at any of our four campus locations through athletic clubs, intramurals and other recreational activities. Get involved in fitness classes and special interest clubs or take advantage of fitness assessments and programs. Facilities and recreation offerings vary by campus.

Learn more at [saskpolytech.ca/recreation](http://saskpolytech.ca/recreation).

## STUDENTS' ASSOCIATIONS

Energetic students' associations represent student interests to Saskatchewan Polytechnic administration and promote cultural, social, educational and recreational programs for members. All students enrolled in Sask Polytech programs and courses automatically are members of their home campus students' association.

Minimal membership fees help fund services such as accident insurance, dental and health plans, family oriented activities, intramural activities, leadership scholarship awards, resumé service, social events, student advocacy and representation, student agenda/handbook, student discount cards, subsidies to plan and implement activities, used book kiosks, and vending machines and arcade games.

Students' association offerings vary by campus.

**DID YOU KNOW?**

The library hosts community-minded and academic events including Aboriginal Storytelling, Science Literacy Week and Nights Against Procrastination.

# INDIGENOUS SERVICES

## CELEBRATE AND INCLUDE YOUR CULTURE, HISTORIES AND SYSTEMS OF KNOWLEDGE IN YOUR LEARNING AT SASKATCHEWAN POLYTECHNIC.

More Indigenous students obtain education and skills training at Sask Polytech than at any other Saskatchewan post-secondary institution. With more than 18 per cent of the total student population identifying as Indigenous, it is the responsibility of the entire organization to ensure each and every student has an equal opportunity to succeed in their educational and career goals.

Saskatchewan Polytechnic supports you in your educational journey - from finding housing and child care to providing a welcoming environment on campus. Each Sask Polytech campus is home to an Indigenous Students' Centre. The Indigenous Students' Centres host culturally affirming events for both Indigenous and non-Indigenous students and employees. You will also find a number of other services including access to Elders, counselling and other supportive advice.

For more information, visit [saskpolytech.ca/asap](http://saskpolytech.ca/asap).

SASKATCHEWAN POLYTECHNIC'S  
**INDIGENOUS ENROLMENT  
IS CLOSE TO 3,500.**  
THAT'S HIGHER THAN AT ANY OTHER  
POST-SECONDARY INSTITUTION IN THE PROVINCE AND  
REPRESENTS ABOUT 18% OF OUR STUDENT POPULATION.

# INTERNATIONAL

# STUDENTS

## SASKATCHEWAN POLYTECHNIC WELCOMES INTERNATIONAL STUDENTS.

We're Saskatchewan's leading public institution for post-secondary technical education and skills training and we'll help prepare you for an exciting and rewarding career.

Here, you'll discover hands-on learning opportunities, employer-driven training and small classes that allow for plenty of interaction with instructors. You can even earn credits toward a university degree.

Not surprisingly, Sask Polytech has a high graduate employment rate. Its cost-effective, innovative programs are recognized in Canada and abroad.

### READY TO SOAR?

For more information about studying at Saskatchewan Polytechnic visit [saskpolytech.ca/international](http://saskpolytech.ca/international), email [international@saskpolytech.ca](mailto:international@saskpolytech.ca), or call +1-306-659-6906.

Saskatchewan is the second fastest-growing province in Canada with the population at an all-time high of 1 million+.

A place of beauty year-round, Saskatchewan receives more hours of sunshine than any other Canadian province. It has vast stretches of golden plains and breathtaking scenery.

Saskatchewan Polytechnic's four campuses are in the cities of Moose Jaw, Prince Albert, Regina and Saskatoon.

Saskatchewan is in the Prairies, in the centre of Canada, and covers almost 500,000 square kilometres. It borders the Canadian provinces of Alberta to the west and Manitoba to the east, and Canada's Nunavut and Northwest Territories to the north. To the south are the American states of Montana and North Dakota.

## WHICH PROGRAMS ARE OPEN TO INTERNATIONAL STUDENTS?

Programs open to international students are identified by a globe (🌐) in this viewbook, but you'll find the most up-to-date list on our website: [saskpolytech.ca/international/programs](http://saskpolytech.ca/international/programs). If you cannot access the program you're interested in via the online application, this means that the program does not accept international students or it is full for the next intake.

## WHEN SHOULD I APPLY?

You can apply as soon as you have completed the courses at the grade level you need for admission. You must also meet our English language requirements. For information about these requirements, visit: [saskpolytech.ca/ELRequirements.pdf](http://saskpolytech.ca/ELRequirements.pdf). Most programs use the First Qualified/First Admitted (FQFA) process.

Ensure that you allow enough time for us to review your application and for Immigration, Refugees and Citizenship Canada (IRCC) to process your application for a study permit. IRCC lists processing times, by visa office, at [cic.gc.ca/english/information/times/temp/students.asp](http://cic.gc.ca/english/information/times/temp/students.asp).

For more information about applying to Saskatchewan Polytechnic as an international student, see [saskpolytech.ca/International/apply](http://saskpolytech.ca/International/apply).

Note: There is a different application process for Sask Polytech's Power Engineering Technology program and Saskatchewan Collaborative Bachelor of Science in Nursing program. See the Saskatchewan Polytechnic website for details.

## HOW DO I APPLY?

**ONLINE = \$150**  
VISA, MasterCard and Interac Online accepted.

- Complete the international online application form by clicking the "apply now" link at [saskpolytech.ca/international](http://saskpolytech.ca/international). For information on how to complete this form, visit: [saskpolytech.ca/international/application-guide](http://saskpolytech.ca/international/application-guide).

## WHAT ELSE DO I NEED TO DO?

Along with your completed online application form and application fee, you will need to send colour PDF files of your scanned educational documents (transcripts, certificates and mark sheets) to [internationaldocuments@saskpolytech.ca](mailto:internationaldocuments@saskpolytech.ca).

Note: If your transcripts are in a language other than English, you must submit translated documents. We will verify their validity. If you need to have your documents translated into English, we recommend you contact the Association of Translators and Interpreters of Saskatchewan ([atis-sk.ca](http://atis-sk.ca)).

## WHAT HAPPENS NEXT?

- Upon receipt of your application, you will receive by email your Saskatchewan Polytechnic Identification Number and instructions on how to log in to your Saskatchewan Polytechnic account. All email communications will be sent through your Saskatchewan Polytechnic email account unless you choose to automatically forward it to your personal email account.
- If you are accepted into your program, you will receive a notification from Saskatchewan Polytechnic letting you know your start date, tuition fees and other costs (such as books, supplies and students' association fee).
- In your acceptance notification, we will ask you to pay a \$1,000 CAD tuition deposit within 30 days of the time and date your acceptance letter was posted on your mySaskPolytech account. This will hold your spot in the program.
- Prior to paying your tuition deposit, please review our Tuition and Fee Policy at [saskpolytech.ca/about/tuitionandfees.pdf](http://saskpolytech.ca/about/tuitionandfees.pdf).
- Once you have your acceptance letter and tuition deposit receipt, you can apply for your study permit through Immigration, Refugees and Citizenship Canada (IRCC). Visit [ircc.gc.ca](http://ircc.gc.ca).
- Orientation for the September intake begins a week prior to start date for the majority of international students. Check [saskpolytech.ca/welcome](http://saskpolytech.ca/welcome) for more information.

SCHOOL OF  
**ANIMAL AND  
BIOSCIENCES**

[saskpolytech.ca/sciences](http://saskpolytech.ca/sciences)

# SCHOOL OF BUSINESS

[saskpolytech.ca/business](http://saskpolytech.ca/business)

Business skills give you a competitive edge - wherever you're steering your career. Saskatchewan Polytechnic's Business students are tomorrow's accountants, financial officers, marketing managers, insurance brokers, human resources specialists, executive assistants and entrepreneurs. Our programs let you call the shots, whether you're looking for a great grounding in business basics, specialized training or career advancement through continuing education or distance learning.

## PUTTING YOU IN THE DRIVER'S SEAT

Build basic business skills in Saskatchewan Polytechnic's one-year Business certificate program then jump into the workforce or move into the second year of a two-year diploma program. Choose a specialty from accountancy, management, financial services, human resources, insurance or marketing.

## PREP FOR SUCCESS

The success of our Business grads is rooted in real-world learning experiences. Co-op work terms are an essential part of our diploma programs, and class time simulates the business workday.

## CONNECT WITH EMPLOYERS

It's easier than you think, thanks to career fairs, on-campus employer visits and program-targeted job postings. Companies from across Western Canada actively recruit our grads every year.

## FULL SPEED AHEAD

Saskatchewan Polytechnic's Business certificate and diploma grads can apply to transfer directly into the second or third year of the University of Regina's Bachelor of Business Administration degree program. Diploma graduates can also transfer into the third year of the University of Saskatchewan's four-year Bachelor of Commerce program at the Edwards School of Business. Many of our programs are recognized by leading national associations that let you earn a professional designation in your area of expertise.

### ADMISSION REQUIREMENTS

Grade 12  
English A20  
English B30  
Mathematics  
Science requirement  
Transfer credit  
(see page 12)

 Indicates program is open to international students.

# SCHOOL OF CONSTRUCTION

[saskpolytech.ca/construction](http://saskpolytech.ca/construction)

SCHOOL OF CONSTRUCTION

If you enjoy working with your hands, or you're interested in building structures, then consider a career in construction. There's high demand for skilled construction tradespeople and architectural technologists, with competitive wages to match. Our programs can train you in every stage of building design and construction, from estimating, space planning and interior design to bricklaying, carpentry and electrical installation.

### TRAINING THAT'S THE REAL DEAL

Saskatchewan Polytechnic offers top-quality shop facilities, modern industry tools and enthusiastic instructors who have worked in industry.

### WORK EXPERIENCE ... PLUS A PAYCHEQUE!

Three mandatory four-month work terms are part of our Architectural Technologies diploma program. You'll not only put your skills to the test, but you'll also have the opportunity to earn money for tuition and forge valuable industry ties.

### THINKING ABOUT APPRENTICESHIP?

Graduates of many of our Construction certificate programs may be eligible to apply trade time and academic credit towards an apprenticeship program.

**ADMISSION REQUIREMENTS**

- Grade 12
- English A20
- Math 11B20
- Math 11B20
- Science requirement (see page 10)

**PROGRAM NAME & DETAILS**

- • • **ARCHITECTURAL TECHNOLOGIES (BUILDING SCIENCES AND INTERIOR DESIGN) - DIPLOMA**

 Duration: 76 weeks  
 Additional requirements: Minimum 70% in Pre-Calculus 30. Five academic semesters and three four-month paid co-operative education work terms.
- • • **BUILDING SYSTEMS TECHNICIAN - CERTIFICATE** ⓘ  
 Location: Regina  
 Duration: 36 weeks  
 Additional requirements: Grade 12 with a minimum of 60% in Workplace and Apprenticeship Math 30 or 60% in Foundations of Math 20 or 60% in Pre-Calculus 20. Standard First Aid and CPR certification may be required for work experience.
- • **CARPENTRY - CERTIFICATE** ⓘ  
 Location: Moose Jaw, Prince Albert  
 Duration: 30 weeks  
 Additional requirements: Grade 10.
- • **ELECTRICIAN - APPLIED CERTIFICATE**  
 Location: Moose Jaw, Prince Albert, Saskatoon  
 Duration: 20 weeks  
 Additional requirements: Grade 11. Workplace and Apprenticeship Math 20 or Foundations of Math 20 or Pre-Calculus 20. Note: Colour blindness may hinder laboratory performance and employment opportunities.
- **LEADERSHIP SKILLS - APPLIED CERTIFICATE**  
 Location: Distance learning options available  
 Duration: 180 hours  
 Additional requirements: Grade 10 (with a recommended minimum two years of experience working in an industrial setting). Students do not apply to the program, but take courses part time and apply to graduate once all courses are completed.
- **PLUMBING AND PIPEFITTING - APPLIED CERTIFICATE**  
 Location: Delivery is subject to needs assessment  
 Duration: 17 weeks  
 Additional requirements: Grade 11.
- • **REFRIGERATION AND AIR CONDITIONING - CERTIFICATE**  
 Location: Saskatoon  
 Duration: 34 weeks  
 Additional requirements: Any 30-level math. Minimum 60% overall average.

ⓘ Indicates program is open to international students.

# HEALTH SCIENCES

[saskpolytech.ca/healthsciences](http://saskpolytech.ca/healthsciences)

Canada's complex health-care system, aging population and evolving medical technologies all add up to a growing demand for skilled health-care workers. Health careers demand accuracy, attention to detail, manual dexterity, self-motivation, organizational skills and empathy. Saskatchewan Polytechnic grads are answering that call. Some work as medical lab technologists, dental hygienists, paramedics or continuing care assistants. Others immerse themselves in addictions counselling, therapeutic recreation programming or health information management. The School of Health Sciences offers a host of career options from which to choose.

## AWESOME PRACTICUMS

You'll boost your confidence and confirm skill competence through significant hands-on training. For example, Medical Radiologic Technology students have several months of clinical experience in a hospital setting, while Dental Hygiene and Dental Assisting students gain experience working with a licensed dental team in our campus dental clinic.

## STEPPING STONE

Many of our Health Sciences grads write industry certification exams. In addition, Cytotechnology, Medical Laboratory Technology and Medical Radiologic Technology programs let you transfer into university degree programs.

## WINDOW OF OPPORTUNITY

There's an application window for our high-demand programs. Apply between October 1 and February 15 each year for Dental Hygiene and Medical Radiologic Technology programs. Applications for other health programs can be accepted throughout the year.

## PAID EDUCATION

Saskatchewan Polytechnic's Medical Laboratory Technology and Medical Radiologic Technology programs qualify for the Canadian Forces (CF) Paid Education program. Once you're enrolled in the CF, the forces will pay for your training. In return, you commit to serve in the forces for a set period after graduation.

**PROGRAM NAME & DETAILS**

- ● ● ● ● **ADDICTIONS COUNSELLING – DIPLOMA** ⓘ  
Location: Prince Albert  
Duration: 65 weeks  
Additional requirements: Grade 12 with English Language Arts A30 and English Language Arts B30, Criminal Record Check, assessment for chemical dependency, Standard First Aid and CPR Heartsaver 'A' AED for occupational/clinical placement, \*65 weeks including a 14-week practicum.
- ● ● ● ● **ADVANCED CARE PARAMEDIC – DIPLOMA**  
Location: Saskatoon  
Duration: 65 weeks  
Additional requirements: PCP certification from an accredited program. Minimum one year related work experience as a PCP or equivalent practitioner level. Verification of 2011 National Occupational Competency Profile for Paramedics training. Current CPR Health Care Provider 'C' AED certificate or equivalent. Current ITLS Provider certificate. Accepted applicants will be required to provide evidence of a Criminal Record Check and Vulnerable Sector Search upon admission to the program.
- ● ● ● ● **COMBINED LABORATORY AND X-RAY TECHNOLOGY – DIPLOMA**  
Location: Saskatoon, some distance learning  
Duration: 80 weeks  
Additional requirements: Grade 12 with a minimum grade of 70% in English Language Arts A30, English Language Arts B30, Foundations of Math 30 or Pre-Calculus 30, Physical Science 20, Chemistry 30 and Biology 30. Physics 30 will not be substituted for Physical Science 20. CPR Heartsaver 'C' AED or equivalent is required prior to entry into the clinical practicum (Standard First Aid is no longer required). Criminal Record Check and Vulnerable Sector Search is required upon admission into the program. Accepted applicants are required to provide current immunization records and meet Saskatchewan Polytechnic immunization requirements prior to entry into clinical practicums. Accepted applicants will be required to provide evidence of Transferring, Lifting, Repositioning (TLR) certification upon admission into the program.
- ● ● ● ● **CONTINUING CARE ASSISTANT – CERTIFICATE** ⓘ  
Location: Prince Albert, Regina, Saskatoon, distance learning  
Duration: 30 weeks  
Additional requirements: Grade 12, or successful completion of seven (7) courses from this program: ANAT 100, SPCR 100 (or presentation of a TLR certificate), SPCR 180, SPCR 182, SPCR 192, and two other courses not to include SANT 181 or SFTY 194. Accepted applicants may be required to undergo an interview and will be required to provide evidence of a Criminal Record Check and Vulnerable Sector Search prior to entering the clinical component of the program. Applicants should have personal and physical suitability and Standard First Aid and CPR Heart Sever 'C' AED or equivalent are required prior to entry into clinical. Accepted applicants are required to provide current immunization records.
- ● ● ● ● **CYTOTECHNOLOGY – DIPLOMA**  
Location: Saskatoon, some distance learning  
Duration: 86 weeks  
Additional requirements: Grade 12 with English Language Arts A30, English Language Arts B30, Foundations of Math 30 or Pre-Calculus 30, Physical Science 20, Chemistry 30 and Biology 30. Minimum of 70% in Foundations of Math 30 or Pre-Calculus 30 and each science. Physics 30 will not be substituted for Physical Science 20. CPR Heartsaver 'C' AED or equivalent is required prior to entry into the clinical practicum (Standard First Aid is no longer required). Criminal Record Check and Vulnerable Sector Search is required upon admission into the program. Accepted applicants are required to provide current immunization records and meet Saskatchewan Polytechnic immunization requirements prior to entry into clinical practicums.
- ● ● ● ● **DENTAL ASSISTING – CERTIFICATE**  
Location: Regina  
Duration: 39 weeks  
Additional requirements: Grade 12 with a minimum overall average of 65% in English Language Arts A30, English Language Arts B30, Biology 30, and the highest grade in either Foundations of Math 20, Foundations of Math 30, or Pre-Calculus 30. Standard First Aid and CPR Heartsaver 'C' AED or equivalent are required prior to entry into the Dental Assisting program and must be current to the year of the program.
- ● ● ● ● **DENTAL HYGIENE – DIPLOMA** ■  
Location: Regina  
Duration: 76 weeks  
Additional requirements: Grade 12 with a minimum 70% overall average in English Language Arts A30 and B30, Biology 30, one of Chemistry 30 or Physics 30 and one of Foundations of Mathematics 30 or Pre-Calculus 30. Standard First Aid and CPR Heartsaver 'C' AED or equivalent are required prior to entry into the Dental Hygiene program and must be current to the year of the program.
- ● ● ● ● **HEALTH INFORMATION MANAGEMENT – DIPLOMA** ⓘ  
Location: Regina, distance learning  
Duration: 67 weeks  
Additional requirements: Grade 12 with an overall average of 65% in English Language Arts A30, English Language Arts B30, Foundations of Math 30 or Pre-Calculus 30, one 30-level science (one of Biology, Chemistry or Physics). Minimum keyboarding speed of 30 words per minute with 90% accuracy (5 minute testing report to be submitted with transcripts). (Testing is available through Saskatchewan Polytechnic Testing Services). Working knowledge of Microsoft Word is strongly recommended. Accepted applicants will be required to provide evidence of a Criminal Record Check and Vulnerable Sector Search upon admission to the program.

**PROGRAM NAME & DETAILS**

- ● ● ● ● **MEDICAL LABORATORY ASSISTANT – APPLIED CERTIFICATE**  
Location: Saskatoon, some distance learning  
Duration: 27 weeks  
Additional requirements: Grade 12 with a minimum of 70% in each of English Language Arts A30, English Language Arts B30, Foundations of Math 20 or Foundations of Math 30 or Pre-Calculus 30, Health Science 20 or Biology 30, and Physical Science 20 or Chemistry 30. 45 words per minute keyboarding speed with 98% accuracy (5 minute testing to be submitted with transcripts). (Testing is available through Saskatchewan Polytechnic Testing Services). CPR Heartsaver 'C' AED or equivalent is required prior to entry into the clinical practicum (Standard First Aid is no longer required). Criminal Record Check and Vulnerable Sector Search is required upon admission into the program. Accepted applicants are required to provide current immunization records and meet Saskatchewan Polytechnic immunization requirements prior to entry into clinical practicum.
- ● ● ● ● **MEDICAL LABORATORY TECHNOLOGY – DIPLOMA**  
Location: Saskatoon, some distance learning  
Duration: 91 weeks  
Additional requirements: Grade 12 with a minimum grade of 70% in English Language Arts A30, English Language Arts B30, Foundations of Math 30 or Pre-Calculus 30, Physical Science 20, Chemistry 30 and Biology 30. (Physics 30 will not be substituted for Physical Science 20). CPR Heartsaver 'C' AED or equivalent is required prior to entry into the clinical practicum (Standard First Aid is no longer required). Criminal Record Check and Vulnerable Sector Search is required upon admission into the program. Accepted applicants are required to provide current immunization records and meet Saskatchewan Polytechnic immunization requirements prior to entry into clinical practicums.
- ● ● ● ● **MEDICAL RADIOLOGIC TECHNOLOGY – DIPLOMA** ■  
Location: Saskatoon, some distance learning  
Duration: 90 weeks  
Additional requirements: Grade 12 with a minimum grade of 70% in English Language Arts A30, English Language Arts B30, Foundations of Math 30 or Pre-Calculus 30, Physical Science 20, Chemistry 30 and Biology 30 (Physics 30 will not be substituted for Physical Science 20). CPR Heartsaver 'C' AED or equivalent is required prior to entry into the clinical practicum (Standard First Aid is no longer required). Criminal Record Check and Vulnerable Sector Search is required upon admission into the program. Accepted applicants are required to provide current immunization records and meet Saskatchewan Polytechnic immunization requirements prior to entry into clinical practicums. Accepted applicants will be required to provide evidence of Transferring, Lifting, Repositioning (TLR) program certification upon admission into the program. Applicants are also required to submit career investigations and awareness questionnaires by February 28(29).
- ● ● ● ● **PHARMACY TECHNICIAN – CERTIFICATE**  
Location: Saskatoon, some distance learning  
Duration: 40 weeks  
Additional requirements: Grade 12 with a minimum of 70% in each of the following subjects: Foundations of Math 30 or Workplace and Apprenticeship Math 30 or Pre-Calculus 30, Physical Science 20 and Biology 30 (Physics 30 will not be substituted for Physical Science 20). CPR Heartsaver 'C' AED or equivalent is required prior to practicum. Standard First Aid and CPR Heartsaver 'A' AED or equivalent is strongly recommended for practicum. Minimum keyboarding speed of 35 words per minute with 95% accuracy in a 5 minute test period. (Testing is available through Saskatchewan Polytechnic Testing Services). Evidence of English language proficiency is required.
- ● ● ● ● **PHLEBOTOMY – APPLIED CERTIFICATE**  
Location: Saskatoon, Distance learning  
Duration: 28 weeks  
Additional requirements: Grade 12 with an overall average of 60% with English Language Arts A30, English Language Arts B30, Foundations of Math 20 or Foundations of Math 30 or Pre-Calculus 30, Health Science 20 or Biology 30, and Physical Science 20 or Chemistry 30. 45 words per minute keyboarding speed with 98% accuracy. Accepted applicants will be required to provide evidence of a Criminal Record Check and Vulnerable Sector Search upon admission to the program. Prior to entry into clinical practicum accepted applicants are required to provide CPR Heartsaver 'C' AED or equivalent, current immunization records and meet Saskatchewan Polytechnic immunization requirements and current N95 respirator mask testing.
- ● ● ● ● **PRIMARY CARE PARAMEDIC – CERTIFICATE**  
Location: Regina, Saskatoon  
Duration: 41 weeks  
Additional requirements: Grade 12 with a minimum overall average of 60% in the following four subjects: English Language Arts A30, English Language Arts B30, one of Biology 30 or Chemistry 30 and one of Workplace and Apprenticeship Math 30, Foundations of Math 30 or Pre-Calculus 30. Standard First Aid or equivalent within two years of the date of issue. CPR Heartsaver 'C' AED or equivalent within one year of the date of issue. Physically able to perform the required tasks. Accepted applicants will be required to provide evidence of a Criminal Record Check and Vulnerable Sector Search upon admission to the program.
- ● ● ● ● **THERAPEUTIC RECREATION – DIPLOMA** ⓘ  
Location: Saskatoon, distance learning  
Duration: 70 weeks  
Additional requirements: Grade 12 is required. New intake every two years on odd-numbered years. Note (effective for 2017 intake). Accepted applicants will be required to provide evidence of a Criminal Record Check and Vulnerable Sector Search prior to entering practicum. Accepted applicants are required to provide current immunization records and to meet Saskatchewan Polytechnic immunization requirements prior to entry into practicum. Current certification in one of the following must be provided prior to entry into practicum: Professional Assault Response Training (PART), Wellness, Alcohol and Violence Education Program (WAVE), Gentle Persuasive Approaches (GPA), Nonviolent Crisis Intervention (NVC), Transferring, Lifting, Repositioning (TLR) certification must be current to enter into practicum.

■ Indicates a high-demand program. ⓘ Indicates program is open to international students.

SCHOOL OF  
**HOSPITALITY  
AND TOURISM**

[saskpolytech.ca/hospitality](http://saskpolytech.ca/hospitality)

SCHOOL OF HOSPITALITY AND TOURISM

There's no better time to think about a career in hospitality and tourism. Employment in both sectors is hopping, and a Saskatchewan Polytechnic diploma or certificate is proof positive that you have both the practical training and knowledge you'll need to succeed. Our Hospitality and Tourism programs will prepare you to work in an array of venues, including hotels, restaurants, resorts, schools, hospitals, recreation complexes and remote catering facilities, or in a business of your own.

## ROCK-SOLID REPUTATION

We're known nationally for our top-quality hospitality programs. Our Professional Cooking program is the most recognized culinary training program in Saskatchewan. We've built on that success and recently started offering the Culinary Arts program, the only two-year culinary education program in the province.

## LEARN BY DOING

Recreation and Community Development students reinforce what they learn in the classroom at fall and winter camps, while students in the Food and Nutrition Management program have a six-week practicum in their diploma year. Students in the Hotel and Restaurant Management program plan and implement a fine dining restaurant. Culinary Arts students put their skills to work in state-of-the-art commercial kitchens.

## FAST-TRACK TO TWO DIPLOMAS OR A DEGREE

Food and Nutrition Management and Hotel and Restaurant Management programs share a number of courses, making it possible to complete both diplomas in less than four years. If further study is in your future, both programs let you transfer credits into university degree programs.

## RESPECTED BY INDUSTRY

The Canadian Society of Nutrition Management accredits our Food and Nutrition Management program. Recreation and Community Development grads can seek industry certification through the Association of Tourism Professionals.

## IS APPRENTICESHIP FOR YOU?

Graduates of our culinary programs may be eligible to apply trade time and academic credit towards an apprenticeship program.

SCHOOL OF

# HUMAN SERVICES AND COMMUNITY SAFETY

[saskpolytech.ca/humanservices](http://saskpolytech.ca/humanservices)

If you're looking to put your people skills into practice, start with Saskatchewan Polytechnic. Our Human Services and Community Safety programs can open the door to satisfying careers that'll let you shine. Sask Polytech offers hands-on education in programs ranging from early childhood education, esthetician services, occupational health and safety, Aboriginal policing preparation, correctional work, disability support and more. The choice is yours.

SCHOOL OF

# INFORMATION AND COMMUNICATIONS TECHNOLOGY

[saskpolytech.ca/ICT](http://saskpolytech.ca/ICT)

We live in a connected world, with a wealth of career options for those who embrace technology. Today's digital economy needs people like you – creative minds, problem solvers, quick thinkers and technology buffs. Saskatchewan Polytechnic's Information and Communications Technology programs can train you for a variety of positions, including computer network technician, web developer, library technician and graphic designer.

### LEARN BY DOING

Saskatchewan Polytechnic lets you apply what you've learned in the classroom to the work world. Business Information Systems students have a six-month paid co-operative education work term between Semesters 2 and 3.

### ON BOARD WITH INDUSTRY

Several Information and Communications Technology programs are accredited nationally by key industry associations, boosting your employability throughout Canada. In fact, Saskatchewan Polytechnic is home to the Cisco Regional Academy for Saskatchewan, a real plus if you're enrolling in our Computer Networking Technician program. If you're heading into our Graphic Communications program, you can apply for a Canadian Printing Industries Association scholarship.

### LADDER TO A DEGREE

Saskatchewan Polytechnic has transfer agreements with several Canadian universities. Complete your diploma in Business Information Systems, Computer Systems Technology or Library and Information Technology, and apply to transfer into a degree program.

Our school's technology programs allow graduates to transfer their credits to degree programs at universities in Alberta, British Columbia, Ontario, and Newfoundland and Labrador.

#### PROGRAM NAME & DETAILS

- ● ● **BUSINESS INFORMATION SYSTEMS – DIPLOMA** ⓘ  
Location: Moose Jaw, some distance learning  
Duration: 64 weeks  
Additional requirements: Grade 12 with any 30-level mathematics course or with ICTC FIT (Information and Communication Technology Council Focus on IT) certificate.
- ● ● **COMPUTER NETWORKING TECHNICIAN – CERTIFICATE** ⓘ  
Location: Regina, some distance learning  
Duration: 33 weeks  
Additional requirements: Grade 12 and a minimum of 60% in Workplace and Apprenticeship Math 30 or in Foundations of Math 20 or in Pre-Calculus 20.
- ● ● ● **COMPUTER SYSTEMS TECHNOLOGY – DIPLOMA** ⓘ  
Location: Saskatoon, some distance learning  
Duration: 74 weeks  
Additional requirements: Minimum of 70% in one of Physics 30, Chemistry 30 or Computer Science 30; minimum of 60% in Foundations of Math 30 or in Pre-Calculus 30; and Grade 12 with a minimum 65% overall average.
- ● ● **GRAPHIC COMMUNICATIONS – DIPLOMA** ⓘ  
Location: Regina  
Duration: 68 weeks  
Additional requirements: Grade 12 is required.
- ● ● **INTERACTIVE DESIGN AND TECHNOLOGY - DIPLOMA (formerly New Media Communications)** ⓘ  
Location: Prince Albert, Regina, some distance learning  
Duration: 35 weeks  
Additional requirements: Grade 12 is required. Basic computer literacy recommended.
- ● ● ● **LIBRARY AND INFORMATION TECHNOLOGY – DIPLOMA** ⓘ  
Location: Saskatoon  
Duration: 72 weeks  
Additional requirements: Grade 12 is required. Minimum 60% average in English Language Arts A30 and B30. New intake every two years on even-numbered years. Accepted applicants will be required to provide evidence of a Criminal Record Check and Vulnerable Sector Search upon admission to the program.
- ● ● ● **MEDIA ARTS PRODUCTION – CERTIFICATE** ⓘ  
Location: Prince Albert, some distance learning  
Duration: 35 weeks  
Additional requirements: Grade 12 with English Language Arts A30 and English Language Arts B30. Basic computer literacy (word processing and spreadsheets) strongly recommended.
- ● ● ● **MEDIA ARTS PRODUCTION – DIPLOMA** ⓘ  
Location: Prince Albert, some distance learning  
Duration: 35 weeks  
Additional requirements: Media Arts Production certificate.
- ● ● **TELECOMMUNICATIONS NETWORKING TECHNICIAN – CERTIFICATE** ⓘ  
Location: Regina  
Duration: 45 weeks  
Additional requirements: Grade 12 with a minimum of 60% in Workplace and Apprenticeship Math 30 or Foundations of Math 20 or Pre-Calculus 20.
- ● ● **WEB SITE DESIGN AND DEVELOPMENT – APPLIED CERTIFICATE**  
Location: Distance learning  
Duration: 35 weeks  
Additional requirements: Grade 12 is required. Basic computer literacy recommended.

SCHOOL OF

# MINING, ENERGY AND MANUFACTURING

[saskpolytech.ca/MEM](http://saskpolytech.ca/MEM)

You're analytical, have an eye for detail, and are at home in a lab ... or maybe you thrive in a creative environment, the outdoors or working with machinery. Careers in mining, energy and manufacturing require a diversity of skills. Our school's programs train students in everything from engineering technology, welding and industrial mechanics to electronics, ironworking and underground mining.

## ON THE CUTTING EDGE

Hands-on learning starts with modern equipment and first-rate shop facilities. Students in Engineering Design and Drafting Technology use cutting-edge software to create, animate and print in 3D. If you're in Geomatics and Surveying Engineering Technology, you'll be trained to use electronic survey instruments and satellite receivers. Power Engineering Technology students receive boiler firing time and training in the production of power that drives our various industries. Several of the school's programs include an applied research project so you can put theory to the test in real-world situations.

## EARN WHILE YOU LEARN

Several of the school's engineering technology programs feature paid co-operative education work terms. You'll not only start building a professional resumé, but you'll also have the chance to stand out from the crowd by developing job interviewing, interpersonal communications and leadership skills. When you return to your studies, you'll have a strong understanding of the environment you are studying.

## IN SYNC WITH INDUSTRY

All programs in the School of Mining, Energy and Manufacturing are nationally accredited which gives graduates the opportunity to work across Canada. After two years of employment in the field, Saskatchewan Polytechnic grads from these programs are eligible to apply for professional endorsement from the Saskatchewan Applied Science Technicians and Technicians (SASST).

## LADDER UP

Our school's engineering technology programs allow graduates to transfer their credits to degree programs at universities in Alberta, British Columbia, and Ontario.

## THINKING ABOUT APPRENTICESHIP?

Graduates of several of our Mining, Energy and Manufacturing programs may be eligible to apply trade time and academic credit towards an apprenticeship program.

**ADMISSION REQUIREMENTS**  
Grade 12  
English A30

Science 30 or 30S  
Transfer credit (see page 13)

### PROGRAM NAME & DETAILS

- ● ● ● **CAD/CAM ENGINEERING TECHNOLOGY - DIPLOMA** 🌐  
Location: Saskatoon, some distance learning  
Duration: 74 weeks  
Additional requirements: Grade 12 with a minimum of 60% in Pre-Calculus 30 and Physics 30.
- ● ● ● ● **CHEMICAL TECHNOLOGY - DIPLOMA** 🌐  
Location: Saskatoon, some distance learning  
Duration: 72 weeks  
Additional requirements: Grade 12 is required. Minimum 60% in each of English Language Arts A30, English Language Arts B30, Chemistry 30 and Pre-Calculus 30. Criminal Record Check may be required for practicum.
- ● ● **COMPUTER ENGINEERING TECHNOLOGY - DIPLOMA** 🌐  
Location: Moose Jaw, some distance learning  
Duration: 76 weeks  
Additional requirements: Grade 12 is required. Minimum of 60% in Pre-Calculus 30. Five academic semesters and three four-month paid co-operative education work terms. Note: Colour blindness may hinder laboratory performance and employment opportunities.
- ● ● ● **ELECTRICAL ENGINEERING TECHNOLOGY - DIPLOMA** 🌐  
Location: Moose Jaw, some distance learning  
Duration: 76 weeks  
Additional requirements: Grade 12 is required. Physics 30. Minimum of 60% in Pre-Calculus 30. Five academic semesters and three four-month paid co-operative education work terms. Note: Colour blindness may hinder laboratory performance and employment opportunities.
- ● ● ● **ELECTRONIC SYSTEMS ENGINEERING TECHNOLOGY - DIPLOMA**  
Location: Saskatoon, some distance learning  
Duration: 74 weeks  
Additional requirements: Grade 12 is required. Physics 30. Minimum of 60% in Pre-Calculus 30.
- ● ● **ENGINEERING DESIGN AND DRAFTING TECHNOLOGY - DIPLOMA** 🌐  
Location: Moose Jaw, some distance learning  
Duration: 76 weeks  
Additional requirements: Grade 12 is required. Pre-Calculus 30. Five academic semesters and three four-month paid co-operative education work terms.
- ● ● **FABRICATOR-WELDER - CERTIFICATE** 🌐  
Location: Saskatoon  
Duration: 34 weeks  
Additional requirements: Grade 12 with Foundations of Math 20 or Workplace and Apprenticeship Math 20 or Pre-Calculus 20.
- ● ● **GEOMATICS AND SURVEYING ENGINEERING TECHNOLOGY - DIPLOMA** 🌐  
Location: Moose Jaw, some distance learning  
Duration: 76 weeks  
Additional requirements: Grade 12 is required. Pre-Calculus 30. Five academic semesters and two consecutive paid co-operative education work terms.

**ADMISSION REQUIREMENTS**  
Grade 12  
English A30  
Math 30 or 30S  
Science requirement (see page 13)

### PROGRAM NAME & DETAILS

- ● ● ● **INDUSTRIAL MECHANICS - CERTIFICATE**  
Location: Prince Albert, Saskatoon  
Duration: 32 weeks  
Additional requirements: Grade 10.
- ● ● ● **INNOVATIVE MANUFACTURING TECHNOLOGY - DIPLOMA** (new for Sept 2017)  
Location: Regina  
Duration: 76 weeks  
Additional requirements: Grade 12 with a minimum of 60% in Foundations of Math 30 or Pre-Calculus 30 and Physics 30.
- ● ● ● **INSTRUMENTATION ENGINEERING TECHNOLOGY - DIPLOMA**  
Location: Moose Jaw  
Duration: 76 weeks  
Additional requirements: Grade 12 is required. Physics 30 and a minimum 60% in Pre-Calculus 30. Five academic semesters plus three four-month co-operative education work terms. Note: Colour blindness may hinder laboratory performance and employment opportunities.
- ● ● ● **MACHINIST - CERTIFICATE** 🌐  
Location: Regina, Saskatoon  
Duration: 34 weeks  
Additional requirements: Grade 10.
- ● ● ● **MECHANICAL ENGINEERING TECHNOLOGY - DIPLOMA** 🌐  
Location: Saskatoon, some distance learning  
Duration: 74 weeks  
Additional requirements: Grade 12 with a minimum of 60% in Pre-Calculus 30 and Physics 30.
- ● ● **MINING ENGINEERING TECHNOLOGY - DIPLOMA** 🌐  
Location: Saskatoon, some distance learning  
Duration: 72 weeks  
Additional requirements: Grade 12 is required. Minimum 60% in Pre-Calculus 30. Physics 30 is recommended but not required.
- ● ● ● **POWER ENGINEERING TECHNOLOGY - DIPLOMA** 🌐  
Location: Saskatoon  
Duration: 74 weeks  
Additional requirements: Grade 12 with Foundations of Math 30 or Pre-Calculus 30. Minimum 65% overall average. Chemistry and Physics are not required, but are extremely helpful and may be a requirement for some employers. This is classified as a high-demand program, and applicants are subject to additional selection criteria.
- ● ● ● **WELDING - CERTIFICATE** 🌐  
Location: Moose Jaw, Prince Albert, Regina, Saskatoon  
Duration: 34 weeks  
Additional requirements: Grade 10.

SCHOOL OF

# NATURAL RESOURCES AND BUILT ENVIRONMENT

[saskpolytech.ca/NRBE](http://saskpolytech.ca/NRBE)

If you want to play a key role in managing our natural environment or in shaping our built environment, Saskatchewan Polytechnic can help. The School of Natural Resources and Built Environment will prepare you for a career such as forestry technician; park interpreter; environmental protection officer; water resource manager; geographic information science specialist; engineering technologist in civil, environmental and water resources fields; and more.

## HONE YOUR SKILLS BEFORE YOU GRADUATE

Saskatchewan Polytechnic lets you combine in-depth study and small class sizes with applied learning opportunities. Depending on your program, you will participate in lab exercises, simulated investigations, outdoor camp and field experiences. If you're in one of the school's engineering technology programs, earn while you learn on paid co-op work terms. When you return to your studies, you'll have a strong understanding of the environment you are studying.

## YOUR FUTURE IS FLEXIBLE

Thanks to transfer agreements with a number of Canadian universities, you can use your diploma to ladder into a degree program if you're in Civil Technologies, or Environmental or Water Resources Engineering Technology, Resource and Environmental Law or Integrated Resource Management. Some of our school's programs are accredited nationally or in North America, giving you the flexibility to work outside of Saskatchewan.

## ALREADY WORKING IN YOUR CHOSEN FIELD?

If you're already employed and want to enhance your skills, consider our flexible training options. Our self-paced Water and Wastewater Technician certificate program can be completed over five years through distance learning. In our two Vocational Forestry applied certificate programs, students are employed in the forestry and timber harvesting industries and receive work-based training.

### ADMISSION REQUIREMENTS

Grade 12  
English 300  
English 300  
Math requirement  
Science requirement  
Transfer credit  
(see page 15)

### PROGRAM NAME & DETAILS

- • • • **CIVIL ENGINEERING TECHNOLOGIES - DIPLOMA** ⓘ  
Location: Moose Jaw, some distance learning  
Duration: 76 weeks  
Additional requirements: Grade 12 and Pre-Calculus 30 are required. Five academic semesters and two consecutive paid co-operative education work terms (eight months in total) are required to complete the program.
- • • • **CIVIL TECHNICIAN - CERTIFICATE**  
Location: Moose Jaw  
Duration: 36 weeks  
Additional requirements: Grade 12 with a minimum 60% in Workplace and Apprenticeship Math 30, or minimum 60% in Foundations of Math 20, or minimum 60% in Pre-Calculus 20.
- • • • **ENVIRONMENTAL ENGINEERING TECHNOLOGY - DIPLOMA** ⓘ

# SCHOOL OF NURSING

[saskpolytech.ca/nursing](http://saskpolytech.ca/nursing)

SCHOOL OF NURSING

## PROGRAM NAME &amp; DETAILS

● **MEDICAL DEVICE REPROCESSING TECHNICIAN - APPLIED CERTIFICATE**

Location: Distance learning  
Duration: 24 weeks  
Additional requirements: Grade 12. Accepted applicants will be required to provide an up-to-date immunization record. Accepted applicants will be required to provide evidence of a Criminal Record Check upon admission to the program.

●●●● **PSYCHIATRIC NURSING - DIPLOMA ■**

Location: Regina, distance learning in second and third year  
Duration: 86 weeks (7 terms over 3 years)  
Additional requirements: Grade 12 with a minimum overall average of 70% in the following five subjects (or their equivalents): English Language Arts A30, English Language Arts B30, Foundations of Math 30 or Pre-Calculus 30, Biology 30 and Chemistry 30. All successful applicants must provide proof of Standard First Aid and CPR Health Care Provider 'C' AED or equivalent, and submit the results of a Criminal Record Check, prior to commencement of the program.

●●●● **BACHELOR OF PSYCHIATRIC NURSING - DEGREE (DEGREE COMPLETION)**

Location: Distance learning  
Duration: BPN Degree Completion for Saskatchewan Polytechnic Psychiatric Nursing graduates 2010 and beyond is two years. BPN Degree Completion for Psychiatric Nursing graduates prior to 2010 is 2.5 years.  
Additional requirements: Saskatchewan Polytechnic Psychiatric Nursing diploma, and active registration and good standing with the Registered Psychiatric Nurses Association of Saskatchewan or from the regulatory body where the applicant resides.

●●●● **PRACTICAL NURSING - DIPLOMA ■**

Location: Prince Albert, Regina, Saskatoon, distance learning  
Duration: 68 weeks  
Additional requirements: Grade 12 with a minimum overall average of 65% in the following five subjects: English Language Arts A30; English Language Arts B30; one of Foundations of Math 30, Pre-Calculus 30 or Workplace and Apprenticeship Math 30; one of Biology 30, Chemistry 30 or Physics 30; and one of Social Studies 30, History 30 or Native Studies 30. Standard First Aid and CPR Health Care Provider 'C' AED or equivalent and current immunization records and meet Saskatchewan Polytechnic immunization requirements are required prior to entry into the clinical practicum. Accepted applicants are required to provide a Criminal Record Check and current Transferring, Lifting and Repositioning (TLR\*) certification upon admission into the program. English language requirement specific to Practical Nursing.

●●●● **SASKATCHEWAN COLLABORATIVE BACHELOR OF SCIENCE IN NURSING - DEGREE (B)**

Offered jointly with the University of Regina. [www.sasknursingdegree.ca](http://www.sasknursingdegree.ca)  
Location: Regina, Saskatoon, Swift Current, some distance learning  
Duration: 3, 3.5 and 4 year options  
Additional requirements: Grade 12, English Language Arts A30, English Language Arts B30, Biology 30, Chemistry 30 and one of Foundations of Math 30 or Pre-Calculus 30. Students must have a minimum grade of 70% in each of the required courses. Note: CPR Health Care Provider, Standard 'A' First Aid, up-to-date immunization record, Workplace Hazardous Materials Information System (WHMIS), Criminal Record Check and Vulnerable Sector Search must be complete before classes start. You must also complete a Transferring, Lifting and Repositioning (TLR\*) course by November 1.

●●●● **COLLABORATIVE NURSE PRACTITIONER PROGRAM - DEGREE (MASTER OF NURSING)**

Offered jointly with the University of Regina. [www.sasknursingdegree.ca](http://www.sasknursingdegree.ca)  
Location: Distance learning  
Duration: Two years as a full-time student, or over four years part time.  
Additional requirements: Designation as a registered nurse with at least two years of experience. To apply to the Collaborative Nurse Practitioner program, you must satisfy the Nursing admission requirements listed in the University of Regina's Faculty of Graduate Studies and Research website.

■ Indicates a high-demand program.

(B) Indicates program is open to international students.

Nursing is a compelling career choice: fulfilling work, great job prospects, and a portable skill set. You can choose to work in a hospital, community health centre, outpatient clinic, physician's office, or with home care. Or you may prefer to specialize in health promotion, administration or research. Saskatchewan Polytechnic has been educating nurses for more than 49 years. With our nursing programs, we're preparing a new generation of nurses to meet the realities of modern health care delivery.

**FACE TIME WITH FACULTY**

Small class sizes afford plenty of one-to-one interaction with faculty. These experienced nurses and health care practitioners go beyond textbooks to help you develop essential skills such as critical thinking, communicating and caring.

**PREPARE FOR REAL-LIFE SITUATIONS**

Prior to clinical practice placements, you'll build your confidence and competence in simulation centres complete with high-tech mannequins, hospital and assessment rooms, video cameras and control rooms.

**EARN A DEGREE**

The Saskatchewan Collaborative Bachelor of Science in Nursing program is offered jointly by Saskatchewan Polytechnic and the University of Regina and can be completed in three, three and a half, or four years. The Bachelor of Psychiatric Nursing Degree Completion program gives grads of Sask Polytech's Psychiatric Nursing diploma program the opportunity to earn a psychiatric nursing degree in two years. Saskatchewan Polytechnic and the University of Regina also offer the Collaborative Nurse Practitioner program which leads to the Master of Nursing (Nurse Practitioner) degree.

**FLEXIBLE LEARNING**

We realize that on-campus programs aren't always convenient. That's why many of our programs and courses are offered through online learning and in communities throughout the province.

# SCHOOL OF TRANSPORTATION

[saskpolytech.ca/transportation](http://saskpolytech.ca/transportation)

SCHOOL OF TRANSPORTATION

It's not only cars and trucks that have become increasingly computerized and complex – it's agricultural machinery, heavy equipment, recreational vehicles, and planes too. That's why there's a growing demand for skilled tradespeople and other individuals who can repair, service and operate them. The programs in our School of Transportation will give you the tools to take on these challenges with confidence.

### TOP TRAINING

You'll learn in modern facilities from supportive instructors with real-world experience.

### INDUSTRY-RECOGNIZED PROGRAMS

Saskatchewan Polytechnic collaborates with industry to ensure our programs are right on target with labour market needs.

### APPRENTICESHIP OPTION

Graduates of many of our certificate programs may be eligible to apply trade time and academic credit towards an apprenticeship program.

#### ADMISSION REQUIREMENTS

Grade 12

Additional requirements: Grade 12 is required.
- **WAREHOUSE WORKER-APPLIED CERTIFICATE**  
Location: Delivery is subject to needs assessment.  
Duration: 8 weeks  
Additional requirements: Grade 10.

ⓘ Indicates program is open to international students.

# APPRENTICESHIP

Apprenticeship training is a multi-year earning-while-learning arrangement. Apprentices already have jobs in their desired field of work, and have signed a contract of apprenticeship with their employer and the Saskatchewan Apprenticeship and Trade Certification Commission (SATCC). Under the supervision of a certified journeyman, an apprentice receives knowledge and develops skills through on-the-job training.

The skills apprentices learn while working are supplemented with a required number of weeks of in-school technical training each year. Upon successfully completing an apprenticeship program, apprentices are eligible to write an examination to become a certified journeyman in their trade. Saskatchewan Polytechnic provides the in-school portion of apprenticeship training for 20 apprenticeable trades.

All apprenticeship training is scheduled by SATCC.

More information about apprenticeship training and training start dates may be obtained by contacting the Saskatchewan Apprenticeship and Trade Certification Commission at [saskapprenticeship.ca](http://saskapprenticeship.ca) or SATCC, 2140 Hamilton Street, Regina SK S4P 2E3.

# RETURN TO LEARNING

Saskatchewan Polytechnic is committed to helping you be the best possible you. Maybe you're an adult planning to complete high school, or a newcomer to Canada learning English, or a student transitioning into the job market. Saskatchewan Polytechnic offers the services that can give you the building blocks you need to succeed – at school, at work and in the community.

## **ACADEMIC UPGRADING**

Earn the equivalent of a high school diploma in the Adult 12 program. If you already have the skills and knowledge of a Canadian high school graduate but need the documentation to prove it, we offer a program that prepares you to take the GED® tests. Build basic academic and life skills in Adult 10 and literacy programs.

## **ADULT LITERACY / LEARNING CENTRES**

Drop by one of our three centres. Staff can give you individual assistance with reading, writing and math, as well as help you improve your computer and job-search skills.

## **ASSESSMENT AND TESTING**

You may need to show that you can communicate in English for admission to post-secondary studies or for employment purposes. We offer several English proficiency tests on campus including IELTS, CLBA and CELPIP, as well as GED® tests.

## **EMPLOYMENT READINESS**

Prepare for the world of work through in-class and on-the-job training. We partner with business and industry to offer an array of learning and employment opportunities. We also provide job-readiness programming for adults with disabilities and individuals of First Nations ancestry.

## **ENGLISH LANGUAGE TRAINING**

Our ESL programs are suited to both newcomers to Canada and any other individuals who want to improve their English, whether it's their first or an additional language.

## WANT TO KNOW MORE?

USE THIS CHECKLIST TO GET INFO ABOUT THE PROGRAM THAT'S RIGHT FOR YOU.

- Sign up on myPath by visiting [saskpolytech.ca/myPath](https://saskpolytech.ca/myPath).
- Register for an Insight (Explore, Try, Apply) Saskatchewan Polytechnic event or book a campus tour to learn about career options.
- Read the Saskatchewan Polytechnic Career Guide online at [saskpolytech.ca/careerguide](https://saskpolytech.ca/careerguide).
- Try our program selector.
- Discuss your career plans and program choices with one of our counsellors.
- Take an interest and skills inventory test (available on all four campuses).
- Arrange to visit the campus or program that interests you.
- Find out about job options in your field of interest.

## READY TO APPLY?

USE THIS CHECKLIST TO GET READY TO COMPLETE YOUR APPLICATION.

- Check the Sask Polytech website at [saskpolytech.ca](https://saskpolytech.ca) for full program details and updated info.
- Log-in to your **myPath** account and click on "Program Information," then pick your program of interest and investigate:
  - **Academic Readiness** – What do I need to know to be successful in the program?
  - **Personal Readiness** – What are the six main areas I need to consider to manage my personal life effectively when at school?
  - **What's the work like?** – Find out what you can expect upon starting your career after you graduate.
- Determine whether you meet admission requirements.
- Complete any necessary upgrading.
- Inquire about potential start dates for particular programs.
- Double-check your application and ask for help if you need it.
- Find out if you are eligible under Sask Polytech's Education Equity Program.

## QUESTIONS?

CONNECT WITH US.

- Visit [saskpolytech.ca](https://saskpolytech.ca).
- Review Frequently Asked Questions.
- Email [askaquestion@saskpolytech.ca](mailto:askaquestion@saskpolytech.ca).
- Phone **1-866-467-4278** and ask for a Student Recruitment advisor.
