# Why We Picked Red River College

## HANDS-ON LEARNING

Our students don't sit in lecture theatres all day. From skilled trades and research labs to the frontlines of industry, our practicum-based programming gives you the chance to learn through experience.

## SMALL CLASSES, HELPFUL SUPPORTS

We want everyone to have the same chance at success. Our smaller classes give instructors more time with their students, and we provide tutoring and counselling to those who need extra help.

## STATE-OF-THE-ART TECHNOLOGY

You'll learn using the same equipment and technology found in industry, giving you a competitive edge before you even enter the workforce.

## WORK EXPERIENCE

Our programs offer experiential learning through industry placements, apprenticeships and even paid work terms.

## FAST TRACK TO THE WORKFORCE

Most of our programs take two years or less to complete, allowing you to get a head start on your career.

## OUR GRADS GET HIRED

Our programs respond to industry needs, and many of our students receive job offers before they even graduate. Our most recent survey of grads showed that of those looking for work, 96% found employment.

# Helping Succeed @ U

From before you even enrol right through to graduation, we provide valuable support services to help you make the most of your time here.

## STUDENT SERVICE CENTRES

Located at the Notre Dame and Exchange District Campuses, RRC's Student Service Centres are your first point of contact when making appointments with academic advisors, paying tuition, or picking up student cards and parking information.

**204.632.2327**

**[rrc.ca/student-service-centres](http://rrc.ca/student-service-centres)**

## BEFORE YOU ENROL

### CAREER EXPLORATION

Whether you've just started planning your future, or you're changing jobs or advancing in your career, you'll find the tools you need to make the decision that's best for you.

[rrc.ca/careerexploration](http://rrc.ca/careerexploration)

### ACADEMIC ADVISORS

Need help deciding which program to take? Not sure if you meet the admission requirements? Make an appointment with an Academic Advisor – they can answer your questions and walk you through the process.

[rrc.ca/advising](http://rrc.ca/advising)

### RECOGNITION OF PRIOR LEARNING (RPL)

If you've already spent time in the workforce, or you've attended another post-secondary institution, you may be eligible for proven learning credit for your work, education or life experiences. Talk to an RPL Advisor to learn more.

[rrc.ca/rpl](http://rrc.ca/rpl)

### CAMPUS TOURS

Book a tour with one of our Recruitment Officers to learn about programming, student services and general campus life.

[rrc.ca/visitwithus](http://rrc.ca/visitwithus)

## BEFORE YOU ARRIVE

### STUDENT SUCCESS WEBSITE

Access this online resource for tips and info on study skills, time management, and more. Bookmark the page and check back regularly: learn how to stay on track and achieve success!

[rrc.ca/success](http://rrc.ca/success)

### COUNSELLING AND ACCESSIBILITY SERVICES

Your well-being is integral to academic success. Our counsellors can help you manage stress and anxiety, overcome academic and financial hurdles, or deal with depression and other personal issues. If you have a diagnosed physical, mental health, or learning disability, you may be eligible for individualized supports such as interpreting services, note-taking assistance, or adaptive technology and equipment.

[rrc.ca/counsellingservices](http://rrc.ca/counsellingservices)

## KEEP YOUR COSTS DOWN

### SCHOLARSHIPS AND BURSARIES

Lighten your financial load. Check out the full list of available awards, bursaries and scholarships based on academic achievement, financial need, community involvement and extracurricular activities.

[rrc.ca/awards](http://rrc.ca/awards)

## STUDENT AID

Visit the Manitoba Student Aid Branch to apply for federal and provincial loans, or to learn about non-repayable grants and bursaries. (It's a good idea to apply well in advance of your program start date!)

For more information on financial assistance at RRC, visit one of our Student Service Centres or call 204.632.2327.

[manitobastudentaid.ca](http://manitobastudentaid.ca)

## WHILE YOU'RE HERE

### TUTORING

Need extra help? Our Academic Success Centre provides up to one hour of free tutoring per week, in small group and individual settings. You can also sign up to be a tutor yourself – a great way to earn extra money.

[rrc.ca/asc](http://rrc.ca/asc)

### STUDENT EMPLOYMENT SERVICES

Get help with job-seeking strategies, resumé writing, interview preparation and networking opportunities. View thousands of part-time, full-time and internship opportunities at [JobCentral.rrc.ca](http://JobCentral.rrc.ca), the College's exclusive job posting site.

[rrc.ca/ses](http://rrc.ca/ses)

NEARLY HALF  
OF RRC'S FULL-  
TIME, FIRST-YEAR  
STUDENTS HAVE PRIOR  
POST-SECONDARY  
EXPERIENCE.

# Apprenticeship Programs

# Apply Today

**DUE TO HIGH DEMAND, SPACE IN OUR PROGRAMS IS SOMETIMES LIMITED. APPLY EARLY FOR ADMISSION INTO THE NEXT START DATE.**

**Once you've selected your RRC program of choice, check the Admission Requirements online at [rrc.ca/calendar](http://rrc.ca/calendar) or at the back of this book to ensure you're eligible, then follow these easy steps to apply:**

### **STEP 1: FILL OUT AN APPLICATION FORM**

Apply online at [rrc.ca/howtoapply](http://rrc.ca/howtoapply), or in person at any Student Service Centre. Applying early will improve your chances of admission. Some programs have specific application dates, so be sure to check deadlines at [rrc.ca/calendar](http://rrc.ca/calendar).

### **STEP 2: PAY THE APPLICATION FEE**

Pay your non-refundable \$90 application fee at the same time you apply.

### **STEP 3: SUBMIT YOUR REQUIRED DOCUMENTATION WITHIN 30 DAYS**

Required documentation includes: confirmation of enrolment in admission requirement courses (or official transcript, as proof of successful completion), and proof of completion of various other program admission requirements.

**If you have any questions about applying, contact our Student Service Centre: 204.632.2327 or 1.800.903.7707 [register@rrc.ca](mailto:register@rrc.ca)**

**98% OF RRC GRADS CHOOSE TO STAY AND WORK IN MANITOBA**

# Aboriginal Support Services

## Education. Support. Access. Community.

**RRC's School of Indigenous Education offers a range of academic programs and supports to ensure the retention and success of our Aboriginal students. Our goal is to help you maximize your potential in the classroom, while feeling welcomed and comfortable as part of the larger College community. (See page 32 for a full list of Indigenous Education programs and page 14 for ACCESS model programs.)**

Serving students from throughout Manitoba, our Aboriginal Student Support and Community Relations team includes Elders in Residence, Wellness Counsellors, Student Support Representatives, and Aboriginal Liaison/Advisors.

From community feasts to our annual Graduation Pow Wow, we strive to incorporate an Aboriginal worldview – both inside and outside the classroom.

We believe education shouldn't be a solitary journey, rather one that's supported by a community of friends and peers.

Contact our Aboriginal Liaison/Advisors for info on programs, admission requirements, financial supports and housing referrals. They can help you with your application, and tell you what to expect if you're relocating to Winnipeg for the first time.

# Diversity at Red River College

We're dedicated to providing an atmosphere of respect, inclusiveness, equity and support for all students. We serve students from all demographics and corners of the globe, and our culturally-diverse campuses are a great destination for international learners wishing to study and work in Canada.

## DIVERSITY AND INTERCULTURAL SERVICES

We're committed to helping immigrant and international students adjust to campus life, local culture and the Canadian labour force, by providing College preparation and orientation info, integration services, cross-cultural mentorship opportunities and a range of workshops and social activities.

Our efforts ensure learning environments are inclusive and respectful of diversity, and that students develop valuable intercultural skills to achieve success in today's global work environment.

If you have immigrated to Manitoba and would like to pursue your post-secondary education at RRC, contact us at **204.949.8393** or online at [rrc.ca/requestinfo](http://rrc.ca/requestinfo).

## LGBTB\* INITIATIVE

We're equally committed to fostering a safe campus environment by ensuring everyone has the chance to work, learn and access services in an inclusive and welcoming manner.

Open to all students, staff and faculty, the College's LGBTB\* Initiative provides educational opportunities and ally training resources that help build communication, understanding and respect throughout our campuses.

[rrc.ca/LGBTBInitiative](http://rrc.ca/LGBTBInitiative)

For more information or to contact our team: [rrc.ca/diversity](http://rrc.ca/diversity)

# International Education

We know that immigrant and international students face many challenges when moving to a new country.

Our International Education department can help you make a smooth transition to your new life in Canada, by providing:

- Assistance with applications and representation, ensuring timely admission and registration
- Special counselling and advice to ensure academic and personal success
- Home-stay, student residence and accommodation referrals
- International student activities
- Summer language training camps
- Workshops on income tax and immigration regulations

We currently host students from 30 different countries, and continue to expand our reach through innovative partnerships with colleges around the world. These agreements allow RRC students to receive accreditation through joint diploma programs, while giving staff and students from partner colleges the chance to share their expertise through study exchanges.

## Live, work and study in the heart of Canada

# Campuses

WITH FOUR CAMPUSES IN WINNIPEG AND FIVE THROUGHOUT MANITOBA, RRC GIVES YOU MORE CHOICES.

All of our campuses feature modern classrooms, relaxing study spaces, and state-of-the-art equipment. In Winnipeg, our Notre Dame and Exchange District Campuses are also home to libraries, recreation facilities, research centres, and more.

## NOTRE DAME CAMPUS 2055 NOTRE DAME AVE. WINNIPEG, MB

Home to the majority of our full-time programs, as well as our applied research labs, Rebels athletics programs and skilled trades training facilities.

## EXCHANGE DISTRICT CAMPUS 160 PRINCESS ST. WINNIPEG, MB

Nestled in the heart of downtown, and comprised of a trio of historically-significant sites:

- The Roblin Centre (160 Princess St.) - home to our business, creative arts, and IT programs, as well as our downtown bookstore, library, computer lab and fitness centre.
- Paterson GlobalFoods Institute (504 Main St.) - home to our hospitality and culinary arts programs, and our 100-room student residence.
- Massey Building (294 William Ave.) - home to a number of downtown supports, including Diversity and Intercultural Services, Campus Living and Continuing Education.

## STEVENSON CAMPUSES 2280 SASKATCHEWAN AVE. WINNIPEG, MB

## 75 MUSKETEER RD W. SOUTHPORT, MB

Located in Winnipeg and Southport, RRC's Stevenson Campuses support all aspects of Manitoba's thriving aerospace industry. Our hangars are packed with large and small aircraft, providing valuable experience to students in aviation and aerospace.

## LANGUAGE TRAINING CENTRE 300-123 MAIN ST. WINNIPEG, MB

One of Canada's premier language training facilities, our Language Training Centre offers basic- to advanced-level English and academic preparation programs designed to meet the needs of newcomers with specific employment and settlement goals.

## ADULT LEARNING CENTRES

RRC's Adult Learning Centres offer high school courses in a variety of subject areas. Whether you wish to complete your high school education, upgrade your skills, or enter college or university – we can help.

# Campus Life

We want you to be as comfortable as possible while on campus. Our Winnipeg locations offer a full range of services – pretty much everything you need is within walking distance of your classroom!

## RRC STUDENTS' ASSOCIATION

Intramurals! Ski trips! Parties! Movie marathons! RRC's Students' Association makes campus life more interesting, keeping your calendar filled with fun events and activities – everything from Welcome Back BBQs and holiday keggers, to Reading Week getaways and graduation cruises.

The SA also provides a number of student-centred supports and services, including scholarships, health and dental plans, on-campus food banks and RRC's annual Career Fair. They're always looking for new members – drop them a line or pay a visit to their offices to find out how you can get involved!

[rrcsa.ca](http://rrcsa.ca)

## DINING

Our Winnipeg campuses offer a menu of options for all appetites – everything from grab-and-go convenience to upscale dining. At the Exchange District Campus, upscale restaurant Jane's and the adjacent Culinary Exchange feature food prepared by our very own students. At the Notre Dame Campus, grab a bite at the Buffalo Cafeteria or Voyageur Dining Room – both feature mouthwatering specials made fresh daily.

[rrc.ca/food](http://rrc.ca/food)

## FITNESS AND RECREATION

Whether you're building up muscle, shedding a few pounds, or working off stress before an exam, our fitness facilities can help you maintain a healthy, active lifestyle.

From weightlifting and cardio equipment to spin and yoga classes – outdoor walking trails to weekend intramurals – you'll have no trouble keeping fit while on campus.

[rrc.ca/athletics](http://rrc.ca/athletics)

## RRC REBELS

Perennial title contenders in the Manitoba Colleges Athletic Conference (MCAC), the RRC Rebels field teams in men's and women's soccer, basketball, volleyball and futsal. In addition to regular league play, the Rebels also compete in tournaments across Canada. If you think you've got what it takes, watch for selection camps in August and September.

[rrc.ca/rebels](http://rrc.ca/rebels)

## LIBRARIES

Stocked with everything you need to make the grade. Access our entire catalogue of books, periodicals, and online databases and computer labs, as well as media services, titles, and computer and audio-visual equipment. Reciprocal agreements with the University of Manitoba and University of Winnipeg provide access to materials from those schools, as well.

[library.rrc.ca](http://library.rrc.ca)

## PARKING

Spaces at the Notre Dame Campus are available on a first come, first serve basis with the purchase of a monthly/annual permit, or an hourly/daily pass from a ticket dispenser. Students who car-pool are eligible for reduced rates and priority parking. In the Exchange District, daily and monthly parking is available at nearby parkades.

[rrc.ca/parking](http://rrc.ca/parking)

## HOUSING

Mixing comfort and convenience, our student residences are housed in the Paterson GlobalFoods Institute, close to many of the city's best shops, restaurants and nightclubs. With space for 104 students, the residence is an exciting addition to Winnipeg's downtown – allowing you to work, dine and play in the heart of the historic Exchange District.

[rrc.ca/campusliving](http://rrc.ca/campusliving)

## HEALTH SERVICES

Located at both the Notre Dame and Exchange District Campuses, our Health Service Centres are staffed by professional nurses who can respond to emergency medical situations, and provide healthy lifestyle info and tips for avoiding illness. If you're feeling under the weather, they can help get you back on your feet as soon as possible!

[rrc.ca/health](http://rrc.ca/health)

## SAFETY AND SECURITY

We take a proactive approach to maintaining a safe, secure environment, providing 24-hour patrols, SafeWalk escorts for students, and emergency call boxes throughout our campuses.

[rrc.ca/security](http://rrc.ca/security)

# ACADEMIC PREPARATION

## ACCESS AIRCRAFT MAINTENANCE AND MANUFACTURING

TUITION: \$5,239

BOOKS/SUPPLIES: \$590

ADMISSION REQUIREMENTS: PG. 37

Gain the basic knowledge and practical skills required for entry-level employment in the aircraft maintenance engineer industry. After completing the program, you'll be prepared to service and maintain fixed and rotary-wing aircraft.

### Career Opportunities:

Passenger and cargo air carriers, aircraft maintenance organizations, flight schools

> Locations:

- Adult Learning Centre (Notre Dame Campus)
- Steinbach Community Learning Centre
- Winkler Community Learning Centre

[rrc.ca/g11](http://rrc.ca/g11) [rrc.ca/g12](http://rrc.ca/g12)

## English as Second Language

### ACADEMIC ENGLISH PROGRAM FOR UNIVERSITY AND COLLEGE ENTRANCE

TUITION: WAIVED FOR PERMANENT RESIDENTS

BOOKS/SUPPLIES: \$250

ADMISSION REQUIREMENTS: PG. 37

This advanced-level program is designed for students who wish to develop academic language and study skills for university and college programs in Manitoba.

[rrc.ca/aep](http://rrc.ca/aep)

## BRIDGING PROGRAM FOR INTERNATIONALLY EDUCATED NURSES, LEVEL 1

**TUITION:** WAIVED FOR PERMANENT RESIDENTS

**ADMISSION REQUIREMENTS:** PG. 38

This program is for students who want to develop communication skills for re-entry into the nursing profession, or obtain further training related to nursing practice. Learn medical vocabulary, test-taking strategies and socio-cultural communication skills.

[rrc.ca/bpn](http://rrc.ca/bpn)

## COMMUNICATION FOR BUSINESS AND FINANCE

**TUITION:** WAIVED FOR PERMANENT RESIDENTS

**ADMISSION REQUIREMENTS:** PG. 38

Build the language skills required in a business environment or training. This advanced-level program will help you to read and understand business materials, write reports and develop a business vocabulary.

[rrc.ca/cbf](http://rrc.ca/cbf)

## COMMUNICATION FOR HEALTH PROFESSIONS

**TUITION:** WAIVED FOR PERMANENT RESIDENTS

**ADMISSION REQUIREMENTS:** PG. 38

Acquire language skills that will help you in the health-care field, or prepare you for health-care aide training. Learn to communicate effectively in daily, social and health-care situations.

[rrc.ca/chp](http://rrc.ca/chp)

## COMMUNICATION FOR INTERNATIONALLY EDUCATED HEALTH PROFESSIONALS

**TUITION:** WAIVED FOR PERMANENT RESIDENTS

**ADMISSION REQUIREMENTS:** PG. 38

This program supports the communication skills of international graduates preparing to re-enter the health care field in Canada. Blended delivery approach (online, face-to-face workshops, assessments and assignments) with a focus on language, culture and communication in the Canadian Health Care Context. Skill-building in speaking and listening will be emphasized.

[rrc.ca/cie](http://rrc.ca/cie)

## COMMUNICATION FOR TECHNICAL PROFESSIONS

**TUITION:** WAIVED FOR PERMANENT RESIDENTS

**ADMISSION REQUIREMENTS:** PG. 38

Develop language skills for training and employment in the computer, engineering and trades fields. This advanced-level program will help you read and understand technical materials, write reports and develop language specific to trades and technologies.

[rrc.ca/ctp](http://rrc.ca/ctp)

## INTENSIVE ENGLISH AS AN ADDITIONAL LANGUAGE

**TUITION:** WAIVED FOR PERMANENT RESIDENTS

**ADMISSION REQUIREMENTS:** PG. 38

Aimed at newcomers to Canada who wish to improve their reading, writing, listening and speaking skills in order to pursue settlement, employment or educational goals. Learning is enhanced through computer lab work, community excursions or workplace exposure. (Various levels.)

[rrc.ca/iea](http://rrc.ca/iea)

## INTENSIVE ENGLISH FOR INTERNATIONAL STUDENTS

**TUITION:** CONTACT RRC'S INTERNATIONAL EDUCATION

DEPARTMENT FOR CURRENT INFORMATION ON PROGRAM AND STUDENT FEES. INTLED@RRC.CA

**ADMISSION REQUIREMENTS:** PG. 38

Develop language skills for living and studying in Canada; enhance learning through online tools and computer lab work, community excursions and other cultural experiences.

[rrc.ca/iei](http://rrc.ca/iei)

ADMISSION REQUIREMENTS: PG. 38

Gain the fundamental skills required for property and casualty insurance sales, claim adjusting, underwriting and risk management. Upon successful completion of the program, you may apply for a Level 1 General Agent License. In addition, you will be prepared to write the Insurance Council of Manitoba's licensing exam to become a Level 1 Assistant Adjuster.

### Career Opportunities:

Insurance underwriter, adjuster, claims examiner and business development specialist

[rrc.ca/gic](http://rrc.ca/gic)

## HEALTH INFORMATION MANAGEMENT

TUITION: PER YEAR - \$3,461

BOOKS/SUPPLIES: YEAR 1 - \$1,300; YEAR 2 - \$800

OTHER FEES: YEAR 2 - \$125<sup>1</sup>

ADMISSION REQUIREMENTS: PG. 38

Learn to manage information required for patient care, administration, research and education. Studies include a unique combination of medical, computer and business courses. Grads are eligible to write the Canadian Health Information Management Association's national certification exam. Program offered in alternate years (Next entry dates: 2016 and 2018.)

### Career Opportunities:

Hospitals, health information technologist

<sup>1</sup> MED2020 ACCESS FEE

[rrc.ca/him](http://rrc.ca/him)

## INTERNATIONAL BUSINESS

TUITION: \$3,207

BOOKS/SUPPLIES: \$1,500

OTHER FEES: \$500<sup>1</sup>

ADMISSION REQUIREMENTS: PG. 38

Meet the challenges of global competition in the international marketplace. Program includes international business theory courses, a custom-designed foreign language component and work experience with an organization involved in global marketing.

### Career Opportunities:

International commerce for businesses of all sizes, international marketing, international finance

<sup>1</sup> OTHER VOLUNTARY EXPENSES TO TAKE ADVANTAGE OF NETWORKING OPPORTUNITIES IN THE BUSINESS COMMUNITY, SUCH AS SEMINARS AND CONFERENCES.

[rrc.ca/int](http://rrc.ca/int)

## LEGAL ASSISTANT

TUITION: \$10,023

BOOKS/SUPPLIES: \$1,000

OTHER FEES: \$255<sup>1</sup>

ADMISSION REQUIREMENTS: PG. 38

Acquire the skills to succeed in an entry-level administrative position in a legal setting. Learn to prepare legal documentation for real estate, civil litigation, wills and estates, domestic and family law, business and appeals. Practicum component provides hands-on experience. Program runs July to May.

### Career Opportunities:

Junior legal administrative assistants

<sup>1</sup> HEALTH AND DENTAL PLAN

[rrc.ca/laa](http://rrc.ca/laa)

## TECHNOLOGY MANAGEMENT

TUITION: \$3,725

BOOKS/SUPPLIES: \$1,300

ADMISSION REQUIREMENTS: PG. 38

Designed for students with technical diplomas and degrees, this program offers a condensed, accessible solution to the demand for advanced management training in the evolving knowledge economy.

### Career Opportunities:

Supervisors and managers in technological organizations

## COMMUNITY SERVICES

### AMERICAN SIGN LANGUAGE - ENGLISH INTERPRETATION

**TUITION (RRC):** YEAR 1 - \$3,360<sup>1</sup>; YEAR 2 - \$3,347<sup>1</sup>; YEAR 3 - \$3,105<sup>1</sup>

**BOOKS AND SUPPLIES:** YEAR 1 - \$500<sup>1</sup>; YEAR 2 - \$500<sup>1</sup>; YEAR 3 - \$500<sup>1</sup>

**ADMISSION REQUIREMENTS:** PG. 39

Develop the skills to facilitate interactions between Deaf and hearing individuals. Grads receive a diploma in ASL - English Interpretation from RRC and a Bachelor of Arts degree from the University of Manitoba.

#### Career Opportunities:

Government agencies and services, post-secondary schools, freelance interpreting

<sup>1</sup> REFER TO THE UNIVERSITY OF MANITOBA FOR ADDITIONAL COSTS.

[rrc.ca/asl](http://rrc.ca/asl)

### CHILD AND YOUTH CARE

**TUITION:** PER YEAR - \$3,325

**BOOKS/SUPPLIES:** PER YEAR - \$900

**ADMISSION REQUIREMENTS:** PG. 39

Make a difference in the lives of children and youth experiencing behavioural and emotional difficulties, by helping them to identify and resolve concerns. Learn how to intervene, assess and formulate strategies for enhancing quality of life.

#### Career Opportunities:

Family support programs, treatment homes, mental health centres, young offender program support worker, youth/family counsellor

[rrc.ca/cyc](http://rrc.ca/cyc)

### DEAF STUDIES

**TUITION (RRC):** \$3,546<sup>1</sup>

**BOOKS/SUPPLIES:** \$400

**OTHER FEES (U OF M):** \$1,200<sup>1</sup>

**ADMISSION REQUIREMENTS:** PG. 39

Explore the language, culture and history of the Deaf community. Graduates of this program can enrol in the ASL - English Interpretation Program.

#### Career Opportunities:

Gain skills to aid you in your current job, or prepare for entry to ASL/ASL - English Interpretation training

<sup>1</sup> REFER TO THE UNIVERSITY OF MANITOBA FOR ADDITIONAL COSTS.

[rrc.ca/def](http://rrc.ca/def)

### DISABILITY AND COMMUNITY SUPPORT

**TUITION:** PER YEAR - \$3,325

**BOOKS/SUPPLIES:** YEAR 1 - \$900; YEAR 2 - \$700

**ADMISSION REQUIREMENTS:** PG. 39

Develop the knowledge, skills and values to support, care for and enhance the development of individuals with disabilities in a variety of community settings. Learn how to assist individuals in planning and achieving personal goals, and in maintaining their health and well-being.

#### Career Opportunities:

Community residential programs, employment programs, developmental services worker

[rrc.ca/dis](http://rrc.ca/dis)

### EARLY CHILDHOOD EDUCATION

**TUITION:** PER YEAR - \$3,377

**BOOKS/SUPPLIES:** YEAR 1 - \$1,500<sup>1</sup>; YEAR 2 - \$500

**ADMISSION REQUIREMENTS:** PG. 39

Prepare for a career providing high-quality child care in the community. Learn how to plan learning experiences that stimulate children's intellectual, physical, emotional and social development. A practicum component provides you with experience working with young children in a variety of children's centres.

#### Career Opportunities:

Daycare centres, nursery schools, Level 2 Early Childhood Educator

<sup>1</sup> IT IS RECOMMENDED THAT STUDENTS HAVE ACCESS TO A FLASH DRIVE AND A DIGITAL CAMERA.

[rrc.ca/ech](http://rrc.ca/ech)

## EARLY CHILDHOOD EDUCATION WORKPLACE

TUITION: PER YEAR - \$3,377

BOOKS/SUPPLIES: YEAR 1 - \$1,500<sup>1</sup>; YEAR 2 - \$500

ADMISSION REQUIREMENTS: PG. 39

Complete this program on an accelerated basis by attending classes two full days per week, and working at a daycare centre the other three days. Learn how to plan appropriate learning experiences that stimulate the intellectual, physical, emotional and social development of young children.

<sup>1</sup> IT IS RECOMMENDED THAT STUDENTS HAVE ACCESS TO A FLASH DRIVE AND A DIGITAL CAMERA.

[rrc.ca/ecw](http://rrc.ca/ecw)

## LIBRARY AND INFORMATION TECHNOLOGY

TUITION: PER YEAR - \$3,559

BOOKS/SUPPLIES: YEAR 1 - \$1,100; YEAR 2 - \$400

ADMISSION REQUIREMENTS: PG. 39

Attain the public service and technical skills to work in libraries and other related settings. Learn how to use both manual and automated systems for acquiring, organizing and disseminating information in a variety of formats.

### Career Opportunities:

Library technician/assistant, information specialist, research assistant/analyst

[rrc.ca/lit](http://rrc.ca/lit)

## THERAPEUTIC RECREATION FACILITATOR FOR OLDER ADULTS

TUITION: \$9,891

BOOKS/SUPPLIES: \$1,000

OTHER FEES: \$255<sup>1</sup>

ADMISSION REQUIREMENTS: PG. 39

Gain the skills to provide recreational programming and services for older adults. Learn to design, implement and evaluate programs for clientele in various settings, including personal care homes, extended hospital care, adult day cares and other community-based programs.

### Career Opportunities:

Long-term care facilities, hospitals, rehabilitation centres, adult day centres and community-based settings

<sup>1</sup> HEALTH AND DENTAL PLAN

# COMPUTER AND INFORMATION SYSTEMS TECHNOLOGY

## BUSINESS INFORMATION TECHNOLOGY

**TUITION:** YEAR 1 - \$4,013; YEAR 2 - \$6,090  
**BOOKS/SUPPLIES:** YEAR 1 - \$2,150; YEAR 2 - \$1,200  
**ADMISSION REQUIREMENTS:** PG. 40

Gain a solid foundation in information technology (IT), with a focus on database and network management, and application and web development. Program includes training in technical and business fields, plus practical experience through industry projects and paid co-op work terms.

### Career Opportunities:

Specialists in areas such as networking, client/server programming, database management or electronic commerce; application developer; information manager

[rrc.ca/bit](http://rrc.ca/bit)

## BUSINESS TECHNOLOGY MANAGEMENT

**TUITION:** YEAR 1 - \$6,697; YEAR 2 - \$7,756  
**BOOKS/SUPPLIES:** YEAR 1 - \$2,000<sup>1</sup>; YEAR 2 - \$1,200  
**ADMISSION REQUIREMENTS:** PG. 40

Provides graduates with the knowledge and skills required to analyze, design and manage projects and business in the field of IT, by building on a combined set of IT and business courses. You'll be exposed to a variety of case studies and practical skills to help you become effective in advising or managing teams in the IT field.

### Career Opportunities:

Business analyst, management consultant, project leader/manager, systems architect

[rrc.ca/btm](http://rrc.ca/btm)

## ELECTRONIC AND NETWORK TECHNICIAN

**TUITION:** \$3,727  
**BOOKS/SUPPLIES:** \$1,230  
**ADMISSION REQUIREMENTS:** PG. 40

Build a sound knowledge of electrical and digital fundamentals, including computer servicing, network design, installation and maintenance. Curriculum implements all four semesters of the Cisco Certified Networking Associate (CCNA) program.

### Career Opportunities:

Automated factories as installers and maintenance staff; medical electronics and computer services; public utilities

[rrc.ca/ent](http://rrc.ca/ent)

## INTRODUCTION TO BUSINESS INFORMATION TECHNOLOGY

**TUITION:** \$2,080  
**BOOKS/SUPPLIES:** \$600  
**ADMISSION REQUIREMENTS:** PG. 40

Designed for applicants who don't meet the admission requirements of the two-year Business Information Technology (BIT) program. Curriculum includes both preparatory courses and some Term 1 BIT courses, which will reduce the Term 1 course load for those continuing on into the BIT program.

[rrc.ca/ibt](http://rrc.ca/ibt)

## NETWORK TECHNOLOGY (CCNA)

**TUITION:** \$3,879  
**BOOKS/SUPPLIES:** \$4,700<sup>1</sup>  
**ADMISSION REQUIREMENTS:** PG. 40

Designed for students who've worked with computer networks and have more than a basic knowledge of computer systems. Courses cover Windows client and server operating systems, computer hardware, advanced networking, network cabling, Linux, wireless networks, VOIP, and network security.

### Career Opportunities:

Working with Microsoft MCSE, Cisco CCNA, A+, Linux, wireless networks, VOIP, and network security

<sup>1</sup> INCLUDES BOOKS, SUPPLIES, TESTING AND EXAM FEES FOR CCNA.

[rrc.ca/nta](http://rrc.ca/nta)

## NETWORK TECHNOLOGY (CCNP) - CERTIFICATE

TUITION: \$3,879

BOOKS/SUPPLIES: \$4,700<sup>1</sup>

ADMISSION REQUIREMENTS: PG. 40

Designed for students who've worked with computer networks and are CCNA-certified. Courses cover Windows client and server operating systems, computer hardware, advanced networking, network cabling, Linux, wireless networks, VOIP, and network security.

### Career Opportunities:

Working with Microsoft MCSE, Cisco CCNP, A+, Linux, wireless networks, VOIP, and network security

<sup>1</sup> INCLUDES BOOKS, SUPPLIES, TESTING AND EXAM FEES FOR CCNP, A+ CERT AND MCSE.

[rrc.ca/ntc](http://rrc.ca/ntc)

## NETWORK TECHNOLOGY (CCNP) - DIPLOMA

TUITION: \$3,879

BOOKS/SUPPLIES: \$4,700<sup>1</sup>

ADMISSION REQUIREMENTS: PG. 40

Designed for students who've completed the Electronic and Network Technician certificate program. Courses cover Windows client and server operating systems, computer hardware, advanced networking, network cabling, Linux, wireless networks, VOIP, and network security.

### Career Opportunities:

Working with Microsoft MCSE, Cisco CCNA, A+, Linux, wireless networks, VOIP, and network security

<sup>1</sup> INCLUDES BOOKS, SUPPLIES, TESTING AND EXAM FEES FOR CCNP, A+ CERT AND MCSE.

## CREATIVE ARTS

### 3D COMPUTER GRAPHICS

TUITION: \$5,137

BOOKS/SUPPLIES: \$500

ADMISSION REQUIREMENTS: PG. 40

Designed for industry professionals and/or graduates of Digital Media Design (or equivalent programs) who wish to upgrade their skills. Studies focus on new skill requirements in areas such as advanced 3D graphics, animation and production management.

#### Career Opportunities:

Visual effects artist, motion graphics, video game development, medical imaging

[rrc.ca/3dg](http://rrc.ca/3dg)

### CREATIVE COMMUNICATIONS

TUITION: PER YEAR - \$4,175

BOOKS/SUPPLIES: YEAR 1 - \$4,300; YEAR 2 - \$1,800

ADMISSION REQUIREMENTS: PG. 40

Prepare for a career in advertising, media production, journalism, communications and public relations. Explore e-publishing, web design, social media, creative writing, photography, business and marketing. Gain industry experience through six weeks of work placements.

#### Career Opportunities:

Newspapers, advertising agencies, public relations/communications departments, TV/radio stations, copywriter, journalist, social media coordinator, etc.

[rrc.ca/cre](http://rrc.ca/cre)

### DIGITAL MEDIA DESIGN

TUITION: YEAR 1 - \$4,289; YEAR 2 - \$4,278

BOOKS/SUPPLIES: YEAR 1 - \$4,100; YEAR 2 - \$1,450

ADMISSION REQUIREMENTS: PG. 40

Explore techniques and philosophies of graphic and new media/web design, through a blend of design instruction, web and interactive technologies, and academic courses. Major in 3D animation, web design, or video and motion graphics.

#### Career Opportunities:

Web design, 3D animators, video post-production technicians, broadcast graphics designers

[rrc.ca/dmd](http://rrc.ca/dmd)

### GRAPHIC DESIGN

TUITION: PER YEAR - \$4,193

BOOKS/SUPPLIES: YEAR 1 - \$3,500; YEAR 2 - \$1,200

ADMISSION REQUIREMENTS: PG. 40

Study the technology, techniques and philosophy of graphic design, through a blend of art instruction and academic courses. Develop the knowledge and technical skills essential to professional competence; gain practical work experience through industry field placements.

#### Career Opportunities:

Advertising agencies, design studios, newspapers, magazines, TV and film studios, production specialist, graphic designer, illustrator, art director

[rrc.ca/gde](http://rrc.ca/gde)

### GRAPHIC DESIGN - ADVANCED

TUITION: \$4,289

BOOKS/SUPPLIES: \$3,200

ADMISSION REQUIREMENTS: PG. 40

Designed for industry professionals wishing to upgrade their existing skills. Focus on new skill requirements such as advanced computer, marketing and production management. Major in Advanced Communication Design, New Electronic Media, Production Management, Advanced Prepress Production or Advanced Illustration.

#### Career Opportunities:

Advertising agencies, graphic design studios, retail stores, magazine publishers, TV and film industry, freelance

[rrc.ca/gda](http://rrc.ca/gda)

## PROFESSIONAL PHOTOGRAPHY

TUITION: \$8,202

BOOKS/SUPPLIES: \$1,400

OTHER FEES: \$255<sup>1</sup>

ADMISSION REQUIREMENTS: PG. 41

Develop the technical and creative aspects of digital imaging and processing. Explore digital image manipulation, lighting, SLR operation, exposure, composition, printing, editing, retouching and processing. Learn project management and entrepreneurial skills required to operate a successful business.

### Career Opportunities:

Professional photographer

<sup>1</sup> HEALTH AND DENTAL PLAN

[rrc.ca/pho](http://rrc.ca/pho)

## RESIDENTIAL DECORATING

TUITION: \$4,997

BOOKS/SUPPLIES: \$500

ADMISSION REQUIREMENTS: PG. 41

Learn to manage decorating projects and apply design principles that enhance the function and quality of interior and exterior living environments. Gain the skills required to analyze your clients' needs for development of furniture floor plans, product purchases and installation arrangements.

### Career Opportunities:

Residential decorators in a variety of organizations, sales consultants in home improvement retail stores, decorating consultants

# EDUCATION

## BUSINESS/TECHNOLOGY TEACHER EDUCATION

**TUITION:** YEAR 1-2 - \$3,990; YEAR 3 - \$3,945; YEAR 4 - \$3,900; YEAR 5 - \$2,016  
**BOOKS/SUPPLIES:** PER YEAR - \$500 <sup>1,2</sup>  
**ADMISSION REQUIREMENTS:** PG. 41

Develop teaching and technical skills related to business practices, including management, accounting, marketing, IT, digital photography, film, animation and multimedia. Successful completion results in a Bachelor of Arts degree and a Bachelor of Education degree from the University of Winnipeg, and a diploma in Business/Technology Teacher Education from RRC.

### Career Opportunities:

Teacher in MB secondary schools

<sup>1</sup> TO DETERMINE TOTAL COST FOR PROGRAM/STUDENT FEES AND BOOKS/SUPPLIES FOR YEARS 1-5, UWINNIPEG COSTS MUST BE ADDED TO THESE FIGURES.

<sup>2</sup> FEES ARE BASED ON ONE 90-HOUR COURSE/TERM AT RRC

[rrc.ca/bte](http://rrc.ca/bte)

## BUSINESS/TECHNOLOGY TEACHER EDUCATION - ACCELERATED

**TUITION:** \$3,975  
**BOOKS/SUPPLIES:** \$900  
**ADMISSION REQUIREMENTS:** PG. 41

Designed for certified teachers holding a Bachelor of Education degree. Develop teaching and technical skills related to business practices, including management, accounting, marketing, IT, digital photography, film, animation and multimedia. Emphasis is on teaching methodology and educational theory.

[rrc.ca/bta](http://rrc.ca/bta)

## BUSINESS/TECHNOLOGY TEACHER EDUCATION - AFTER DEGREE

**TUITION:** PER YEAR - \$3,931 <sup>1</sup>  
**BOOKS/SUPPLIES:** YEAR 1 - \$900; YEAR 2 - \$450  
**ADMISSION REQUIREMENTS:** PG. 41

This is a joint Bachelor of Education degree program with the University of Winnipeg, for those with an undergraduate degree. (Completion time depends on the type of degree you hold.) Develop teaching and technical skills related to business practices, including management, accounting, marketing, information technology, digital photography, film, animation and multimedia. Emphasis is on teaching methodology and educational theory.

<sup>1</sup> TO DETERMINE TOTAL COST FOR PROGRAM/STUDENT FEES AND BOOKS/SUPPLIES FOR YEAR 3, UWINNIPEG COSTS MUST BE ADDED TO THESE FIGURES.

[rrc.ca/btd](http://rrc.ca/btd)

## EDUCATIONAL ASSISTANT

**TUITION:** \$5,253  
**BOOKS/SUPPLIES:** \$450  
**OTHER FEES:** \$255<sup>1</sup>  
**ADMISSION REQUIREMENTS:** PG. 41

Prepare for a career in an educational setting, supporting the work of teachers and clinicians. Explore the developmental needs of children, and the instructional strategies to meet those needs. Focus on topics ranging from inclusive education and learner characteristics to supporting the learning environment, managing behaviour, and professionalism.

### Career Opportunities:

Educational assistant

<sup>1</sup> HEALTH AND DENTAL PLAN

[rrc.ca/eac](http://rrc.ca/eac)

## INDUSTRIAL ARTS/TECHNOLOGY TEACHER EDUCATION

**TUITION<sup>1,2</sup>:** YEAR 1-3 - \$3,989; YEAR 4 - \$3,900; YEAR 5 - \$2,016  
**BOOKS/SUPPLIES:** PER YEAR - \$500  
**ADMISSION REQUIREMENTS:** PG. 41

Develop the skills for teaching industrial arts and technology programs in public schools. Explore manufacturing, power and energy, graphic communications, construction, computer applications, and teaching methodology. Successful completion results in a diploma in Industrial Arts Teacher Education from RRC, as well as a Bachelor of Arts degree and a Bachelor of Education degree from the University of Winnipeg.

<sup>1</sup> STUDENTS REGISTER AT BOTH UWINNIPEG AND RRC. THE COSTS AT UWINNIPEG MUST BE ADDED TO THESE FIGURES.

<sup>2</sup> FEES ARE BASED ON ONE 90-HOUR COURSE/TERM AT RRC.

[rrc.ca/iae](http://rrc.ca/iae)

## INDUSTRIAL ARTS/TECHNOLOGY TEACHER EDUCATION - ACCELERATED

TUITION: \$3,931

BOOKS/SUPPLIES: \$900

ADMISSION REQUIREMENTS: PG. 41

This accelerated diploma program is designed for certified teachers holding a Bachelor of Education degree. Emphasis is on technical knowledge and skills in industrial arts, combined with teaching methodology required for the teaching major in this subject area.

[rrc.ca/ita](http://rrc.ca/ita)

## INDUSTRIAL ARTS/TECHNOLOGY TEACHER EDUCATION - AFTER DEGREE

TUITION: PER YEAR - \$3,970 <sup>1</sup>

BOOKS/SUPPLIES: YEAR 1 - \$900; YEAR 2 - \$450

ADMISSION REQUIREMENTS: PG. 41

This program is for those holding an undergraduate degree. Develop the teaching and technical skills for teaching industrial arts and technology education programs in public schools. Emphasis in the RRC portion is on developing skills in industrial arts/technology, combined with teaching methodology required for the teaching major in these areas.

<sup>1</sup> TO DETERMINE TOTAL COST FOR PROGRAM/STUDENT FEES AND BOOKS/SUPPLIES FOR YEAR 3, UWINNIPEG COSTS MUST BE ADDED TO THESE FIGURES.

[rrc.ca/itd](http://rrc.ca/itd)

## TECHNICAL VOCATIONAL TEACHER EDUCATION

TUITION: \$4,335

BOOKS/SUPPLIES: \$575

ADMISSION REQUIREMENTS: PG. 41

Explore teaching methodology, the development of courses and computer applications, and the design of facilities for delivery of vocational education programs. Eighteen weeks of the program will be spent teaching in a local high school setting. Successful completion results in a diploma from RRC; grads are eligible for a Special Vocational Teaching Certificate issued by Manitoba Education and Advanced Learning.

# ENGINEERING AND CAD TECHNOLOGY

## APPLIED ENVIRONMENTAL STUDIES

**TUITION:** YEAR 1 - \$3,525<sup>1</sup>

**BOOKS/SUPPLIES:** YEAR 1 - \$600<sup>1</sup>

**ADMISSION REQUIREMENTS:** PG. 42

4 5 JD + D  N W  CO-OP

Build theoretical and applied knowledge in environmental analysis and problem solving skills. Program includes a six-month co-op work term. Graduates of the four-year program receive a joint Bachelor of Science degree from the University of Winnipeg and RRC; grads of the five-year program also earn a diploma in Environmental Protection Technology.

### Career Opportunities:

Laboratories, environmental industry, health care industry, lab technician

<sup>1</sup> REFER TO UWINNIPEG FOR COSTS IN YEARS 1, 2 AND 4.

[rrc.ca/aes](http://rrc.ca/aes)

## CIVIL ENGINEERING TECHNOLOGY

**TUITION:** YEAR 1 - \$5,010<sup>1</sup>; YEAR 2 - \$3,530-4,505;

YEAR 3 - \$3,475

**BOOKS/SUPPLIES:** YEAR 1 - \$2,600;

YEAR 2 - \$600-\$900; YEAR 3 - \$600

**ADMISSION REQUIREMENTS:** PG. 42

3 2 D  N  LAP CO-OP 

A common first year provides training in construction engineering, environmental protection and geomatics technologies, setting the stage for the diploma and certificate programs listed on this page. Topics covered include algebra and trigonometry, chemistry, statics and strength of materials, surveying, technical communications, technical drafting and WHMIS.

<sup>1</sup> AFTER COMPLETING YEAR 1, STUDENTS REGISTER INTO THE APPLICABLE CAD TECHNOLOGY PROGRAM FOR YEAR 2, OR CIVIL TECHNOLOGY PROGRAM FOR YEARS 2 AND 3.

## CIVIL ENGINEERING TECHNOLOGY (32 MONTHS)

### ARCHITECTURAL/ENGINEERING TECHNOLOGY

Explore engineering and architectural construction systems for careers in design and construction of building systems, computer-aided design and drafting, site inspection and supervision, construction project and administration management, technical sales and support, building sciences, and environmental systems.

### ENVIRONMENTAL ENGINEERING TECHNOLOGY

Study principles and applications of environmental technology for careers in waste disposal and water supply, reuse and recycling, workplace health and safety, integrated project management and quality control.

### GEOMATICS TECHNOLOGY

Gain skills for a career in surveying, including design and construction of civil works, computer-aided surveying applications and drafting, mapping, photogrammetry and cartography, as well as land surveying and measurement.

### MUNICIPAL ENGINEERING TECHNOLOGY

Study the principles and applications required for careers in design and construction of civil works and municipal, computer-aided design and drafting, infrastructure, project inspection, testing and supervision, construction administration and project management, as well as technical sales and support.

## STRUCTURAL ENGINEERING TECHNOLOGY

Develop the skills and knowledge of structural design and analysis for careers in design and construction of building systems, computer-assisted design and drafting, site inspection, testing and supervision, as well as project management.

## CAD TECHNOLOGY PROGRAMS (20 MONTHS)

### BUILDING DESIGN TECHNOLOGY

Explore principles of architectural and structural systems; prepare for careers in computer-aided drafting, design and construction of building systems, site inspection and supervision, contract administration and project coordination, technical sales and support, and building sciences.

[rrc.ca/cet](http://rrc.ca/cet)

## CONSTRUCTION MANAGEMENT

**TUITION:** YEAR 1-3 - \$6,641; YEAR 4 - \$5,613

**BOOKS/SUPPLIES:** YEAR 1 - \$750; YEAR 2 - \$200;

YEAR 3 - \$500; YEAR 4 - \$350

**ADMISSION REQUIREMENTS:** PG. 42

4   N  CO-OP 

This degree program focuses on heavy, industrial/commercial and residential construction, and is designed to develop managerial expertise for those in the skilled trades and engineering or engineering technologies. Prepare for Canadian Construction Association Gold Seal exams and the Leadership in Energy and Environmental Design (LEED) Green Associate exam. Three six-month co-op work terms provide practical hands-on.

There are four exit points:

1. After completion of Year 1: Civil Technician certificate
2. After completion of Year 2: Construction Technician certificate
3. After completion of Year 3: Construction Technology diploma
4. After completion of Year 4: Bachelor of Technology - Construction Management

[rrc.ca/con](http://rrc.ca/con)

## ELECTRICAL ENGINEERING TECHNOLOGY

**TUITION:** YEAR 1 - \$4,521; YEAR 2 - \$4,535; YEAR 3 - \$1,995  
**BOOKS/SUPPLIES:** YEAR 1 - \$1,400; YEAR 2 - \$890-\$1,560;  
 YEAR 3 - \$255-595

**ADMISSION REQUIREMENTS:** PG. 42

After acquiring a solid foundation in the common first year, you'll major in one of the areas listed below.

### ELECTRICAL ENGINEERING TECHNOLOGY

Train for entry-level employment as an engineering technologist in such fields as electrical utility systems, consulting engineering and electrical contracting.

### ELECTRONIC ENGINEERING TECHNOLOGY

Learn about electronic circuits used for amplifiers, AM/FM radio, programmable logic, control systems, biomedical applications, microprocessor control, high-frequency circuits, and other technologies.

### INSTRUMENTATION ENGINEERING TECHNOLOGY

Gain the knowledge and skills for careers involving calibrating systems used to measure, record and control industrial process variables.

[rrc.ca/eet](http://rrc.ca/eet)

## GEOGRAPHIC INFORMATION SYSTEMS TECHNOLOGY

**TUITION:** \$4,169

**BOOKS/SUPPLIES:** \$1,000

**ADMISSION REQUIREMENTS:** PG. 42

Designed for those with technical and conceptual skills in the design, development and implementation of geographic information systems (GIS). You'll explore underlying concepts in technology management, data collection, data manipulation, data analysis and cartographic presentation.

### Career Opportunities:

Engineering consulting, surveying and mapping, GIS programming

[rrc.ca/gis](http://rrc.ca/gis)

## INTRODUCTION TO ELECTRICAL ENGINEERING TECHNOLOGY

**TUITION:** \$1,991

**BOOKS/SUPPLIES:** YEAR 1 - \$800

**ADMISSION REQUIREMENTS:** PG. 42

Designed to provide a solid foundation in Electrical, Electronic, or Instrumentation Engineering Technology for individuals that don't meet the admission requirements for the 28-month Electrical Engineering Technology program.

[rrc.ca/iee](http://rrc.ca/iee)

## MANUFACTURING COMPUTER AIDED DRAFTING (CAD)

**TUITION:** \$3,869

**BOOKS/SUPPLIES:** \$600

**ADMISSION REQUIREMENTS:** PG. 42

Learn to produce computer-aided mechanical drawings of components and assemblies of industrial machines, machinery parts and other mechanical equipment.

### Career Opportunities:

Technical representatives, sales persons, designers, shop inspectors, engineering firms, consulting firms, manufacturing companies, utility companies, aerospace

[rrc.ca/cad](http://rrc.ca/cad)

## MECHANICAL ENGINEERING TECHNOLOGY

**TUITION:** YEAR 1-2 - \$4,695; YEAR 3 - \$2,073

**BOOKS/SUPPLIES:** YEAR 1 - \$1,300; YEAR 2 - \$1,300;  
 YEAR 3 - \$1,000

**ADMISSION REQUIREMENTS:** PG. 42

Explore the design and production stages of high-quality manufactured goods. Topics include design, manufacturing methods, quality assurance, equipment selection, computer-aided engineering, building systems design and control, mechanical analysis, computer applications, supervision and management.

### Career Opportunities:

Design, manufacturing, technical sales, CAD designer, production supervisor

# HEALTH SCIENCES

## ADVANCED CARE PARAMEDIC

TUITION: YEAR 1 - \$4,902; YEAR 2 - \$6,412

BOOKS/SUPPLIES: \$900

ADMISSION REQUIREMENTS: PG. 42

This program is designed to provide paramedics with advanced knowledge and skills in emergency health care and prepare them to function as leaders in emergency situations. Graduates will have the ability to care for patients of all ages and administer advanced medical treatment measures.

### Career Opportunities:

Advanced care paramedic

[rrc.ca/acp](http://rrc.ca/acp)

## ANIMAL HEALTH TECHNOLOGY

TUITION: PER YEAR - \$4,007

BOOKS/SUPPLIES: YEAR 1 - \$1,360; YEAR 2 - \$425

ADMISSION REQUIREMENTS: PG. 42

Explore a rewarding career working with animals. Learn to perform medical procedures under the supervision of veterinarians, including anaesthesia induction and monitoring, surgical nursing, lab testing, dentistry, diagnostic imaging, emergency care, and routine clinic procedures.

### Career Opportunities:

Private veterinary practices, farm production units, research laboratories, zoological collections, federal or provincial governments

[rrc.ca/aht](http://rrc.ca/aht)

## APPLIED BIOLOGY

TUITION: YEAR 3 - \$3,879<sup>1</sup>

BOOKS/SUPPLIES: YEAR 3 - \$970<sup>1</sup>

ADMISSION REQUIREMENTS: PG. 43

Gain theoretical and applied knowledge of cell and molecular biology, and other skills required to succeed in the field of biotechnology. Years 1, 2 and 4 are offered at the University of Winnipeg, while Year 3 is at RRC. You'll be required to complete 20 full-course equivalents for this joint program.

### Career Opportunities:

Laboratories, the food industry, agriculture, lab technician, research assistant

<sup>1</sup> REFER TO UWINNIPEG FOR COSTS IN YEARS 1, 2 AND 4.

[rrc.ca/bio](http://rrc.ca/bio)

## APPLIED CHEMISTRY

TUITION: YEAR 3 - \$3,879<sup>1</sup>

BOOKS/SUPPLIES: YEAR 3 - \$970<sup>1</sup>

ADMISSION REQUIREMENTS: PG. 43

Specialize in environmental or industry chemistry, while meeting the requirements of both the University of Winnipeg's four-year Chemistry major and RRC's two-year Science Laboratory Technology program. Years 1, 2 and 4 are offered at the University of Winnipeg, while Year 3 is at RRC. You'll be required to complete 20 full course equivalents for this joint program.

### Career Opportunities:

Chemical laboratories, the health-care industry, the environmental industry, lab technician, research assistant

<sup>1</sup> REFER TO UWINNIPEG FOR COSTS IN YEARS 1, 2 AND 4.

[rrc.ca/chm](http://rrc.ca/chm)

## BRIDGING PROGRAM FOR INTERNATIONALLY EDUCATED NURSES

TUITION: PER LEVEL - \$1,500

BOOKS/SUPPLIES: PER LEVEL - \$1,200

ADMISSION REQUIREMENTS: PG. 43

This program prepares internationally-educated nurses to work as registered nurses (RNs) in Manitoba. Take Level 1 (at RRC's Language Training Centre) to upgrade your English skills; take Level 2 if required by the College of Registered Nurses of Manitoba to enhance your knowledge and skills before writing the Canadian Registered Nurses Exam. For info on Level 2, contact:

College of Registered Nurses of Manitoba Registration Services

P: 1.204.784.5181 or toll-free 1.800.665.2027, ext. 181 (Manitoba only)  
E: [registration@crnm.mb.ca](mailto:registration@crnm.mb.ca)

[rrc.ca/bpn](http://rrc.ca/bpn)

## DENTAL ASSISTING - LEVEL II

TUITION: \$3,886

BOOKS/SUPPLIES: \$1,125

ADMISSION REQUIREMENTS: PG. 43

Accredited by the Commission on Dental Accreditation of Canada, this program helps you develop the skills to assist dentists. Learn about dental procedures, handling and mixing materials, sterilization and lab procedures and preparation of equipment. Program also includes a supervised practicum working alongside students from the University of Manitoba's Faculty of Dentistry, and in a private dental office.

### Career Opportunities:

Private dental clinics, hospital dental clinics, dental assistant

[rrc.ca/den](http://rrc.ca/den)

## DIAGNOSTIC CARDIAC SONOGRAPHY

TUITION: \$6,120

BOOKS/SUPPLIES: \$300

OTHER FEES: \$350<sup>1</sup>

ADMISSION REQUIREMENTS: PG. 43

As part of the patient care team, diagnostic cardiac sonographers apply high-frequency sound waves to assess patients and provide information to cardiologists for diagnoses and health status monitoring.

This program prepares you to conduct echocardiography exams focusing on the heart. Content is cross-referenced to the national competency profile established by Sonography Canada.

### Career Opportunities:

Diagnostic cardiac sonographers

[rrc.ca/dia](http://rrc.ca/dia)

## HEALTH CARE AIDE

TUITION: \$2,384

BOOKS/SUPPLIES: \$300

OTHER FEES: \$350<sup>1</sup>

ADMISSION REQUIREMENTS: PG. 43

Train to become a health-care worker who under the supervision of a nurse assists patients, personal care home residents and home care clients with meeting their physical, emotional and social needs, while also maintaining their independence.

### Career Opportunities:

Hospitals, care homes or agencies; health care aide

<sup>1</sup> IMMUNIZATIONS - \$100 TO \$300.  
UNIFORMS/SHOES - APPROXIMATELY \$150.

[rrc.ca/hca](http://rrc.ca/hca)

## HEALTH UNIT CLERK

TUITION: \$5,462

BOOKS/SUPPLIES: \$600

ADMISSION REQUIREMENTS: PG. 43

Acquire the knowledge and skills required to function as part of the health-care team. Learn to maintain patient and unit records, manage unit supplies, and process physician, diagnostic and laboratory orders.

[rrc.ca/huc](http://rrc.ca/huc)

## MAGNETIC RESONANCE IMAGING (MRI) AND SPECTROSCOPY

TUITION: \$5,117

BOOKS/SUPPLIES: \$2,000

OTHER FEES: \$1,000<sup>1</sup>

ADMISSION REQUIREMENTS: PG. 43

This program is designed for qualified medical radiation technologists, providing a state-of-the-art education on magnetic resonance instrumentation, methodologies and techniques. Upon graduation, you will be prepared to write the National Certification examinations.

### Career Opportunities:

Hospitals, specialized clinics, MRI specialist

<sup>1</sup> UNIFORMS AND SHOES - \$200; CAMRT CERTIFICATION EXAM FEE - APPROXIMATELY \$800.

[rrc.ca/mri](http://rrc.ca/mri)

## MEDICAL DEVICE REPROCESSING TECHNICIAN

TUITION: \$5,856

BOOKS/SUPPLIES: \$800

ADMISSION REQUIREMENTS: PG. 44

Enhance your knowledge and technical skills through both theoretical and

practical training. Learn more about the decontamination, cleaning, processing, assembly, sterilization, storage and distribution of medical devices and supplies within a health-care setting.

### Career Opportunities:

Medical device reprocessing technician

[rrc.ca/mdr](http://rrc.ca/mdr)

## MEDICAL LABORATORY SCIENCES

TUITION: YEAR 1 - \$4,520; YEAR 2 - \$4,332

BOOKS/SUPPLIES: YEAR 1 - \$2,000<sup>1</sup>

OTHER FEES: YEAR 1 - \$20<sup>2</sup>; YEAR 2 - \$720<sup>3</sup>

ADMISSION REQUIREMENTS: PG. 44

Learn to collect, prepare and analyze blood, body fluids and tissue samples – and to interpret your results. Become proficient in the five disciplines of lab work: Chemistry, Hematology, Histology, Microbiology, and Transfusion Science. Year 2 includes clinical training in diagnostic labs, where you'll gain experience interacting with patients and health-care professionals.

### Career Opportunities:

Hospital laboratories, private laboratories, Regional Health Authority laboratories, Laboratory Centre for Disease Control, pharmaceutical laboratories, Canadian Blood Services, or industrial or commercial laboratories

<sup>1</sup> BOOKS PURCHASED IN YEAR 1 WILL BE USED IN BOTH YEARS 1 AND 2.

<sup>2</sup> ANNUAL MEMBERSHIP REQUIRED BY STUDENTS FOR THE COLLEGE OF MEDICAL LABORATORY TECHNOLOGISTS OF MANITOBA (CMLTM).

<sup>3</sup> ANNUAL CMLTM MEMBERSHIP AND CSMLS NATIONAL EXAMINATION FEE \$700 (MEMBERS) OR \$925 (NON-MEMBERS).

[rrc.ca/mls](http://rrc.ca/mls)

## MEDICAL RADIOLOGIC TECHNOLOGY

TUITION: YEAR 1 - \$4,283; YEAR 2 - \$4,439

BOOKS/SUPPLIES: YEAR 1 - \$2,800<sup>1</sup>

OTHER FEES: YEAR 1 - \$200; YEAR 2 - \$800

ADMISSION REQUIREMENTS: PG. 44

Prepare for a career performing diagnostic/interventional-imaging procedures using ionizing radiation and diagnostic imaging equipment. Gain the academic foundation and supervised practical experience required to take X-rays of the human body.

### Career Opportunities:

Hospitals, clinics, medical radiologic technologist

<sup>1</sup> BOOKS PURCHASED IN YEAR 1 WILL BE USED IN BOTH YEARS 1 AND 2.

[rrc.ca/mrt](http://rrc.ca/mrt)

## NURSING

TUITION: YEAR 1 - \$6,201, YEAR 2 - \$8,231, YEAR 3 - \$8,687,

BOOKS/SUPPLIES: YEAR 1 - \$2,500; YEAR 2 - \$1,500;

YEAR 3 - \$1,500

ADMISSION REQUIREMENTS: PG. 44

RRC's Nursing program is 32 months in length (equivalent of four academic years). Each year of study is 10 months long, followed by a senior practicum of 450 hours. Following successful completion, you'll receive a Bachelor of Nursing degree and will be eligible to write the Canadian Nurse Registration Exam, successful completion of which entitles you to become a member of the College of Registered Nurses of Manitoba, and to use the designation Registered Nurse.

### Career Opportunities:

Nurse

\* SENIOR PRACTICUM FEES OF \$977 IN ADDITION TO THE TUITION, BOOKS/SUPPLIES.

[rrc.ca/nur](http://rrc.ca/nur)

## OCCUPATIONAL HEALTH AND SAFETY

TUITION: \$8,256

BOOKS/SUPPLIES: \$1,000

OTHER FEES: \$255<sup>1</sup>

ADMISSION REQUIREMENTS: PG. 44

Learn the roles and responsibilities of an occupational health and safety practitioner, including risk management; hazard recognition, control and prevention; and safety management systems in the workplace. Gain hands-on training through the program's work experience component.

<sup>1</sup> HEALTH AND DENTAL PLAN

[rrc.ca/ohs](http://rrc.ca/ohs)

## PARAMEDICINE - PRIMARY CARE PARAMEDIC

TUITION: \$5,085

BOOKS/SUPPLIES: \$1,800

ADMISSION REQUIREMENTS: PG. 45

Gain the academic and clinical experience to work in the field of emergency medical services. Program's academic component will be delivered in class in Winnipeg and by video delivery to three remote locations throughout Manitoba. Program is based on the national occupational competency profile for Paramedicine - Primary Care Paramedic; graduates can challenge the licensing exams for Technician-Paramedic.

### Career Opportunities:

Paramedics, emergency personnel

[rrc.ca/pcp](http://rrc.ca/pcp)

## PHARMACEUTICAL MANUFACTURING

TUITION: \$3,955

BOOKS/SUPPLIES: \$200

ADMISSION REQUIREMENTS: PG. 45

Develop the skills required for employment in the production of pharmaceutical, biotechnology and related products, including over-the-counter and prescription drugs, vaccines, analgesics, antibiotics and other drugs for life threatening diseases. Program consists of two main streams: Solid Dosage and Biopharmaceutical Processing.

### Career Opportunities:

Production technicians with Manitoba pharmaceutical manufacturing companies

[rrc.ca/phm](http://rrc.ca/phm)

## QA/QC IN THE PHARMACEUTICAL INDUSTRY

TUITION: \$5,065

BOOKS/SUPPLIES: \$550

ADMISSION REQUIREMENTS: PG. 45

Gain instruction in the concept of quality assurance in a manufacturing environment controlled by good practices, quality systems and regulatory agencies. Learn analytical instrumental techniques, calibration of common lab equipment, and testing of raw materials and finished product as performed by a quality control laboratory.

### Career Opportunities:

Quality control or quality assurance laboratories at pharmaceutical manufacturing companies

[rrc.ca/qac](http://rrc.ca/qac)

## SCIENCE LABORATORY TECHNOLOGY

TUITION: YEAR 1 - \$4,741; YEAR 2 - \$4,729

BOOKS/SUPPLIES: YEAR 1 - \$1,750; YEAR 2 - \$300

ADMISSION REQUIREMENTS: PG. 45

Become a laboratory technologist in an industrial, government or commercial laboratory. Explore applied lab skills, analytical and organic chemical procedures, microbiology techniques, and biochemical methods. Specialized techniques in molecular biology, immunology, tissue culture and instrumentation are emphasized. Program includes a paid co-op work placement providing valuable on-the-job experience.

### Career Opportunities:

Research chemistry, analytical chemistry, quality control, biotechnologies specializing in: research, quality control, environmental topics, pharmaceutical topics

[rrc.ca/slt](http://rrc.ca/slt)

## ULTRASOUND - DIAGNOSTIC MEDICAL SONOGRAPHY

TUITION: PER YEAR - \$5,838

BOOKS/SUPPLIES: \$1,000

ADMISSION REQUIREMENTS: PG. 45

Through a mix of theoretical and clinical training, prepare to conduct ultrasound examinations, focusing on areas such as obstetrics and gynecology, abdomen and superficial structures, and vascular sonographic studies.

### Career Opportunities:

Sonographer in urban/rural hospitals or private clinics; related teaching, management and research positions; application specialists, technical advisors or representatives for diagnostic image equipment and supply manufacturers

[rrc.ca/ult](http://rrc.ca/ult)

# HOSPITALITY

## CULINARY ARTS

**TUITION:** PER YEAR - \$5,143

**BOOKS/SUPPLIES:** YEAR 1 - \$2,125; YEAR 2 - \$505

**OTHER FEES:** YEAR 1 - \$100<sup>1</sup>

**ADMISSION REQUIREMENTS:** PG. 46

Learn to cook like a master chef while meeting the challenges of the sophisticated and demanding hospitality industry. A full-service restaurant and on-campus facilities allow you to gain experience preparing and serving. Graduates can write the Red Seal Exam after meeting the practical hours requirement.

### Career Opportunities:

Hotels, restaurants, commercial cook, chef

<sup>1</sup> FEES FOR THE CERTIFIED FOOD HANDLER TRAINING PROGRAM LEVEL 1 (\$35), AND EMERGENCY FIRST AID COURSE (\$65).

[rrc.ca/cul](http://rrc.ca/cul)

## HOSPITALITY AND TOURISM MANAGEMENT

**TUITION:** YEAR 1 - \$4,794; YEAR 2 - \$4,799

**BOOKS/SUPPLIES:** YEAR 1 - \$2,070; YEAR 2 - \$1,460

**OTHER FEES:** YEAR 1 - \$65<sup>1</sup>

**ADMISSION REQUIREMENTS:** PG. 46

Learn hotel and restaurant management through the study of hospitality-related courses, practical lab training and industry work experience. After a common first year you will major in Hotel and Restaurant Management.

### Career Opportunities:

Hotels, restaurants, front desk manager, food and beverage manager, executive housekeeper, festivals and events

<sup>1</sup> FEES FOR EMERGENCY FIRST AID COURSE.

[rrc.ca/htm](http://rrc.ca/htm)

## PROFESSIONAL BAKING AND PATISSERIE

**TUITION:** \$5,131

**BOOKS/SUPPLIES:** \$1,350

**OTHER FEES:** \$100<sup>1</sup>

**ADMISSION REQUIREMENTS:** PG. 46

Learn how to produce commercial quantities of breads, rolls, sweet dough, pastries, cookies, cakes and desserts. Training is provided through a combination of classroom instruction, practical lab, and off-campus co-op work experience.

### Career Opportunities:

Large in-store bakeries and smaller bakery operations, hotels, resorts and franchises

<sup>1</sup> FEES FOR THE CERTIFIED FOOD HANDLER TRAINING PROGRAM LEVEL 1 (\$35), AND EMERGENCY FIRST AID COURSE (\$65).

# INDIGENOUS EDUCATION

## ABORIGINAL LANGUAGE SPECIALIST

**TUITION:** PER YEAR - \$3,500

**BOOKS/SUPPLIES:** PER YEAR - \$1,400

**ADMISSION REQUIREMENTS:** PG. 46

Available in two streams - one for fluent Algonquian speakers (Cree, Ojibwe, Oji-Cree and Michif) and one for non-fluent speakers. Fluent speakers are trained in language instruction, translating and interpreting, while non-fluent speakers learn about Aboriginal language planning.

### Career Opportunities:

Educators, interpreters for legal or medical systems, or Aboriginal and government agencies

[rrc.ca/als](http://rrc.ca/als)

## ABORIGINAL PROGRAM FOR COLLEGE ENRICHMENT AND TRANSITION

**TUITION:** \$3,253

**BOOKS AND SUPPLIES:** \$850

**ADMISSION REQUIREMENTS:** PG. 46

Acquire the skills and appropriate college-level prerequisites to transfer into the RRC program of your choice. Students who haven't finished high school can earn dual credits and graduate with a mature student diploma. Credits are transferable to other RRC programs.

[rrc.ca/aet](http://rrc.ca/aet)

## ABORIGINAL SELF-GOVERNMENT ADMINISTRATION

**TUITION:** YEAR 1 - \$3489

**BOOKS/SUPPLIES:** PER YEAR - \$1,200

**ADMISSION REQUIREMENTS:** PG. 46

Make a difference in your community by gaining knowledge of present political systems, as well as

existing and traditional models of self-government. Learn skills in administration, management and policy analysis. Upon successful completion, pursue the University of Winnipeg's Aboriginal Self-governance Degree program.

### Career Opportunities:

Aboriginal governments or agencies, researcher, policy analyst

[rrc.ca/asg](http://rrc.ca/asg)

## COMMUNITY DEVELOPMENT/ COMMUNITY ECONOMIC DEVELOPMENT

**TUITION:** PER YEAR - \$3,115

**BOOKS AND SUPPLIES:** YEAR 1 - \$1,000; YEAR 2 - \$800

**ADMISSION REQUIREMENTS:** PG. 46

Become an agent of change in communities experiencing barriers to development. Learn how to recognize and use a community's gifts and assets, promote social inclusion and participation at all levels of transformation, understand power dynamics and ethical issues, and use

practical facilitation skills to aid in your work.

### Career Opportunities:

Agencies working in inner-city neighborhoods

[rrc.ca/ced](http://rrc.ca/ced)

## COMPUTER APPLICATIONS FOR BUSINESS

**TUITION:** YEAR 1 - \$4,372; YEAR 2 - \$3,193

**BOOKS AND SUPPLIES:** YEAR 1 - \$1,050; YEAR 2 - \$700

**ADMISSION REQUIREMENTS:** PG. 46

Learn to use Microsoft Office; prepare accurate business correspondence; develop problem-solving, decision-making and management skills; and communicate effectively while respecting cultural diversity. Program includes a 16-week work placement.

[rrc.ca/cab](http://rrc.ca/cab)

## INTRODUCTION TO TRADES

**TUITION:** \$2,251

**BOOKS AND SUPPLIES:** \$600

**OTHER FEES (SAFETY EQUIPMENT):** \$200

**ADMISSION REQUIREMENTS:** PG. 46

Prepare for entry into existing RRC trades programs. This introductory program incorporates an Aboriginal perspective that reinforces cultural identity and enhances self-esteem and pride, allowing students to connect with traditional values and beliefs.

[rrc.ca/itr](http://rrc.ca/itr)

## SKILLED TRADES

### CABINETRY AND WOODWORKING

DIPLOMA TUITION: YEAR 1 - \$4,703; YEAR 2 - \$3,899

CERTIFICATE TUITION: \$2,155

DIPLOMA BOOKS/SUPPLIES: YEAR 1 - \$895;  
YEAR 2 - \$330

CERTIFICATE BOOKS/SUPPLIES: \$565

ADMISSION REQUIREMENTS: PG. 47

CO-OP

PRE

Develop the skills to produce cabinets, furniture and other wood products. Gain knowledge and experience through a blend of classroom studies and hands-on workshop practice; topics include construction and finishing techniques.

[rrc.ca/cwt](http://rrc.ca/cwt) (diploma option)  
[rrc.ca/cww](http://rrc.ca/cww) (certificate option)

### CARPENTRY

TUITION: \$2,569

BOOKS/SUPPLIES: \$550

ADMISSION REQUIREMENTS: PG. 47

PRE

Gain the skills required to enter the carpentry trade or a related apprenticeship program. Learn about woodworking machines, blueprint reading and sketching, and safe working practices, while developing skills in framing, roofing and surveying.

#### Career Opportunities:

Commercial construction, house building, factories or building material companies

[rrc.ca/car](http://rrc.ca/car)

### DISTRIBUTION TECHNICIAN

TUITION: \$5,835

BOOKS/SUPPLIES: 550

ADMISSION REQUIREMENTS: PG. 47

Explore a career in the distribution sector of the supply chain industry. Learn to handle inventory, use distribution processes, interpret and complete documentation, and use a variety of tools, equipment and technology specific to the field.

#### Career Opportunities:

Warehouse supervisor, warehouse assistant, warehouse materials handler, warehouse shipper/receiver, warehouse picker/loader

[rrc.ca/dtn](http://rrc.ca/dtn)

### ELECTRICAL

TUITION: \$2,569

BOOKS/SUPPLIES: \$850

ADMISSION REQUIREMENTS: PG. 47

PRE

Develop the knowledge and skills required for employment in the electrical construction industry, public utilities and motor repair facilities, or with manufacturers and distributors of electrical equipment. Gain knowledge in the fundamentals of electricity, electrical codes, wiring practices and trade safety awareness.

#### Career Opportunities:

Utility companies, contractors, manufacturers

## GREENSPACE HORTICULTURE

**DIPLOMA TUITION:** YEAR 1 - \$4,966; YEAR 2 - \$4,825; YEAR 3 - \$2,056

**CERTIFICATE TUITION:** \$3860

**DIPLOMA BOOKS/SUPPLIES:** YEAR 1 - \$2,700; YEAR 2 - \$800; YEAR 3 - \$200

**CERTIFICATE BOOKS/SUPPLIES:** \$2375

**ADMISSION REQUIREMENTS:** PG. 47

This program develops the foundational knowledge and skills required to work in (certificate) or construct and manage (diploma) landscaped areas such as parks, golf courses, athletic fields, botanical gardens, and cemeteries.

### Career Opportunities:

Golf courses, parks, cemeteries, groundskeeper, landscape technician, gardener

[rrc.ca/gre](http://rrc.ca/gre) (Greenspace Certificate)  
[rrc.ca/grh](http://rrc.ca/grh) (Greenspace Diploma)

## MANUFACTURING TECHNICIAN

**TUITION:** PER YEAR - \$4,131

**BOOKS/SUPPLIES:** YEAR 1 - \$500; YEAR 2 - \$300

**ADMISSION REQUIREMENTS:** PG. 47

Prepare for a career as a manufacturing technician by studying processes such as conventional machining and metal forming operations, composites, and advanced manufacturing methods. Focus on Computer Numerical Control (CNC) machine operation and programming, Computer Aided Design (CAD)/Computer Aided Manufacturing (CAM), and jig and fixture design.

### Career Opportunities:

Production and assembly lines, aerospace manufacturing, machine shop operator, CNC operator, tool and die operator

[rrc.ca/mfg](http://rrc.ca/mfg)

## PLUMBING

**TUITION:** \$2,569

**BOOKS/SUPPLIES:** \$550

**ADMISSION REQUIREMENTS:** PG. 47

Develop the knowledge and skills to install and repair piping systems in residential and commercial buildings. Study the installation of water and waste disposal systems, lay out sanitary drainage, and learn about rigging and material handling with an emphasis on efficient and safe work practices.

### Career Opportunities:

Contracting: plumbing, heating, fire systems, industrial maintenance, technical sales, project estimator, building inspector

[rrc.ca/plm](http://rrc.ca/plm)

## POWER ENGINEERING - 5TH CLASS

**TUITION:** \$5,346

**BOOKS/SUPPLIES:** \$550

**ADMISSION REQUIREMENTS:** PG. 47

Gain the knowledge and skills required for the safe operation of major equipment in commercial and industrial buildings. This program's instruction meets rating requirements and licensing as regulated by the Manitoba Department of Labour and Immigration under the Power Engineers Act.

### Career Opportunities:

Employment in industrial plants, school divisions, and other commercial, industrial or public buildings

[rrc.ca/pow](http://rrc.ca/pow)

## POWER ENGINEERING TECHNOLOGY

**TUITION:** PER YEAR - \$3,749

**BOOKS/SUPPLIES:** YEAR 1 - \$1,800; YEAR 2 - \$1,500

**OTHER FEES:** YEAR 1 - \$100<sup>1</sup>; YEAR 2 - \$200<sup>1</sup>

**ADMISSION REQUIREMENTS:** PG. 47

Learn the skills required for the safe and efficient operation of process equipment in residential, institutional, commercial and industrial establishments, with a focus on power plant operation. Graduates will challenge the Province of Manitoba licensing exams at the Fourth and Third Class levels. Students who gain additional work experience may also qualify to attempt Part 'A' of the Standardized Second Class exams.

### Career Opportunities:

Industrial plants, commercial and public buildings

<sup>1</sup> MANITOBA DEPARTMENT OF LABOUR CERTIFICATION EXAM FEE

[rrc.ca/pet](http://rrc.ca/pet)

## PRECISION METAL MACHINING

**TUITION:** \$4,273

**BOOKS/SUPPLIES:** \$600

**ADMISSION REQUIREMENTS:** PG. 47

This program targets students pursuing an apprenticeship career as a machinist, or entering the workforce as a CNC operator. Learn to safely handle tools and equipment, safely set up and operate manual and CNC metal-forming machines, interpret engineering drawings, apply geometric dimensioning, and use basic CAD software.

### Career Opportunities:

Machine operator, pre-employment to other fabrication positions, quality assurance inspector

[rrc.ca/pmm](http://rrc.ca/pmm)

## REFRIGERATION AND AIR CONDITIONING TECHNICIAN

**TUITION:** \$2,632

**BOOKS/SUPPLIES:** \$500

**ADMISSION REQUIREMENTS:** PG. 47

Learn to install, service and repair residential, commercial and industrial heating, ventilation, air conditioning and refrigeration equipment. Gain theoretical and practical knowledge of refrigeration systems, air conditioning, piping, welding and electrical wiring, with an emphasis on safety regulations.

### Career Opportunities:

Refrigeration and air conditioning service, retail sales, service technician, salesperson

[rrc.ca/air](http://rrc.ca/air)

## WELDING

**TUITION:** \$3,787

**BOOKS/SUPPLIES:** \$450

**ADMISSION REQUIREMENTS:** PG. 47

Develop the skills and knowledge to perform the oxyacetylene, arc, tungsten inert gas, and metal inert gas welding processes and related operations. Grads receive an RRC certificate and a student Canadian Welding Bureau (CWB) ticket.

### Career Opportunities:

Aircraft maintenance, farm equipment manufacturing, heavy equipment repairs, highway construction, northern mines and hydroelectric power plants

[rrc.ca/wld](http://rrc.ca/wld)

# TRANSPORTATION TECHNOLOGY

## AEROSPACE MANUFACTURING

**TUITION:** \$3,189

**BOOKS/SUPPLIES:** \$45

**ADMISSION REQUIREMENTS:** PG. 48

Developed by Boeing Canada, Bristol Aerospace and RRC, this program prepares you for a career as a skilled production worker in the area of aerospace composite manufacturing.

### Career Opportunities:

Repair or manufacture composite structure

[rrc.ca/aer](http://rrc.ca/aer)

## AIRCRAFT MAINTENANCE ENGINEER

**TUITION:** PER YEAR - \$5,011

**BOOKS/SUPPLIES:** \$350

**OTHER FEES (TOOLS):** \$1,500

**ADMISSION REQUIREMENTS:** PG. 48

Prepare for a career servicing and maintaining both large and small airplanes and helicopters. This program is Transport Canada-approved to provide basic training towards an Aircraft Maintenance Engineer "M" License, and meets the accreditation requirements of Canadian Aviation Regulations.

### Career Opportunities:

Passenger and cargo air carriers, air charter companies, flight schools, and nationally-approved Aircraft Maintenance Organizations

[rrc.ca/ame](http://rrc.ca/ame)

## AUTOMOTIVE TECHNICIAN - CERTIFICATE

**TUITION:** \$3,681

**BOOKS/SUPPLIES:** \$470

**OTHER FEES (TOOLS):** \$750<sup>1</sup>

**ADMISSION REQUIREMENTS:** PG. 48

Develop the knowledge and skills required to disassemble, inspect, machine, calibrate and reassemble motor vehicle units and components. Study internal combustion engines, automatic and standard transmissions, brakes, steering, electrical circuits, wiring and fuel systems.

GRADUATES OF HIGH SCHOOL VOCATIONAL PROGRAMS OR LOUIS RIEL SCHOOL DIVISION'S ARTS & TECHNOLOGY CENTRE MAY BE ELIGIBLE FOR ADVANCED CREDIT.

### Career Opportunities:

Service stations, dealerships, specialty automotive shops, automotive technician, electrical/electronics technician

<sup>1</sup> THE COLLEGE RECOMMENDS STUDENTS PROVIDE THEIR OWN HAND TOOLS FOR THIS PROGRAM.

## LEGEND

### PROGRAM LENGTH

- Less than 1 year
- 1 year
- 2 years
- 3 years
- 4 years

### PROGRAM TYPE

- Certificate
- Diploma
- Post-graduate
- Degree
- Joint Degree

### LEARNING OPTIONS

- Co-op Education
- Laptop Required
- Work Experience
- Practicum
- Fast-track
- Pre-employment
- International Education

### ENTRY DATE

- Fall
- Spring
- Winter

### LOCATION

- Notre Dame Campus
- Roblin Centre
- Paterson GlobalFoods Institute
- Stevenson Campus
- Language Training Centre
- University of Winnipeg
- University of Manitoba

## AUTOMOTIVE TECHNICIAN - DIPLOMA

TUITION: \$3,630

BOOKS/SUPPLIES: \$400

ADMISSION REQUIREMENTS: PG. 48

A combination of classroom instruction and work experience supplements the Automotive Technician certificate program while preparing you to work in the electronic technician field.

### Career Opportunities:

Service stations, dealerships, automotive shops, automotive technician, electrical/electronics technician

[rrc.ca/atd](http://rrc.ca/atd)

## COLLISION REFINISHING

TUITION: \$2,791

BOOKS/SUPPLIES: \$250

ADMISSION REQUIREMENTS: PG. 48

Develop the trade skills and knowledge to refinish damaged vehicles by safely performing repairs and restoring them to their pre-accident condition. Program covers minor panel replacement, interior and exterior trim, molding removal and installation, proper methods of substrate preparation and refinishing, and repair estimations.

### Career Opportunities:

Autobody preppers, paint technicians, paint estimators, shop management, jobber and manufacturer paint representatives, factory or assembly

[rrc.ca/col](http://rrc.ca/col)

## COLLISION REPAIR AND REFINISHING

TUITION: \$4,109

BOOKS/SUPPLIES: \$420

ADMISSION REQUIREMENTS: PG. 48

Gain a basic working knowledge of all areas of metalworking and spray painting. Develop the skills and knowledge to repair damaged vehicles, including all phases of autobody repair and painting.

### Career Opportunities:

Collision repair centres, insurance/claim centres, autobody technician, insurance claims adjuster

[rrc.ca/crr](http://rrc.ca/crr)

## HEAVY DUTY EQUIPMENT MECHANIC

TUITION: \$3,706

BOOKS/SUPPLIES: \$1,055

OTHER FEES (TOOLS): \$1,500<sup>1</sup>

ADMISSION REQUIREMENTS: PG. 48

Take this entry-level program to develop the knowledge and skills required to perform routine maintenance and repairs to vehicle systems and components. Learn to adjust, service and repair a variety of heavy mobile equipment, including diesel-powered vehicles used in construction, agricultural or highway transportation.

### Career Opportunities:

Agriculture, construction, transport, heavy-duty mechanic

<sup>1</sup> THE COLLEGE RECOMMENDS STUDENTS PROVIDE THEIR OWN HAND TOOLS FOR THIS PROGRAM.

[rrc.ca/hde](http://rrc.ca/hde)

## INTRODUCTION TO AIRCRAFT

### MAINTENANCE ENGINEER

TUITION: \$3,664

BOOKS & SUPPLIES: \$500

OTHER FEES (TOOLS): \$1,500

ADMISSION REQUIREMENTS: PG. 48

Gain the knowledge and skills required for entry-level employment in the aircraft maintenance industry, including training required for a career maintaining airplanes and helicopters. Credit can be transferred to RRC's Aircraft Maintenance Journey person program (Apprenticeship Level 1).

[rrc.ca/ime](http://rrc.ca/ime)

## OUTDOOR POWER EQUIPMENT TECHNICIAN

TUITION: \$3,823

BOOKS/SUPPLIES: \$650

OTHER FEES (TOOLS): \$900<sup>1</sup>

ADMISSION REQUIREMENTS: PG. 48

Learn to service and repair lawn and garden equipment, chainsaws, snow throwers, outboard motors, snowmobiles, all-terrain vehicles and motorcycles. Curriculum includes shop practices, precision measuring, repair and maintenance, as well as two three-week work placements.

### Career Opportunities:

Power equipment dealers, repair shops, power equipment service and repair

<sup>1</sup> THE COLLEGE RECOMMENDS STUDENTS PROVIDE THEIR OWN HAND TOOLS FOR THIS PROGRAM.

[rrc.ca/out](http://rrc.ca/out)

## RAILWAY CONDUCTOR

TUITION: \$10,735

ADMISSION REQUIREMENTS: PG. 48

Acquire the knowledge and skills to work in the railway industry as part of a train crew in road or yard service. Learn about switching and marshalling cars, transporting dangerous goods, performing inspections, copying authorities and keeping records. Gain hands-on experience through the program's practicum component.

[rrc.ca/rai](http://rrc.ca/rai)

# ➔ Admission Requirements

## English Language Proficiency Requirements

English is the language of instruction at Red River College. Applicants are responsible for a level of English proficiency that is sufficient to participate in all aspects of College study, including lectures, reading, writing and discussion.

If you are an internationally educated applicant with education earned outside of Canada or the United States, you must submit results of an English language proficiency assessment. You will be informed in writing when to submit your

credentials for assessment. Please ensure you submit your application well in advance of your program's start date. For more information, visit [rrc.ca/credentials](http://rrc.ca/credentials)

\*Your primary language is the language you know best and are most comfortable with, and use primarily for reading, writing, listening and speaking.

PROGRAM NAME	ADMISSION REQUIREMENTS	
<b>ACADEMIC PREPARATION AND ESSENTIAL SKILLS</b>		
<b>ACCESS Aircraft Maintenance and Manufacturing</b> <a href="http://rrc.ca/amm">rrc.ca/amm</a>	Successful completion of a high school diploma from a recognized provincial or territorial Canadian high school or equivalent or a mature high school diploma / Participate in an ACCESS Program interview / Complete the ACCESS supplemental application form	Preference will be given to people of Aboriginal ancestry, immigrants and single parents

<b>Advanced Care Paramedic</b> <a href="http://rrc.ca/acp">rrc.ca/acp</a>	Successful completion of a Primary Care Paramedic Certificate from a Canadian Medical Association-accredited training program or submission of proof of Intermediate level of practice for Paramedicine (ICP) or Emergency Medical Technician (EMT) with Transfer of Function (TOF) Level / Submission of a résumé (with references) detailing three years' experience in the primary care paramedic field / Submit up-to-date and completed immunization records within 30 days of submitting your application; for further information on immunizations see <a href="http://rrc.ca/immunizations">rrc.ca/immunizations</a>	Upon receiving your notice of acceptance, submission of official Adult Criminal Record/Vulnerable Sector, Provincial Child Abuse Registry and Provincial Adult Abuse Registry check documents
<b>Animal Health Technology</b> <a href="http://rrc.ca/aht">rrc.ca/aht</a>	Successful completion of Grade 12, including one credit in each of the following: Grade 12 English, Grade 12 Math (excluding Essential Mathematics), Grade 12 Chemistry, Grade 11 Biology / 80 hours of volunteer or work experience related to veterinary medicine at a veterinary clinic; this must include a minimum of eight hours spent with large animals in a large animal clinic or large animal facility / You must submit confirmation of these hours using the Animal Occupational Familiarization forms within 30 days of applying to this program; this experience must be recent (within the last year) / Completion of a diagnostic test to advise you of your program readiness; the test will include writing, math, science and occupational elements / Attend a mandatory information session	See website for additional information and requirements at <a href="http://rrc.ca/aht">rrc.ca/aht</a> / Due to high demand, this program is open to Manitoba residents only; applications received from non-Manitoba residents will be cancelled and application fees will not be refunded

PROGRAM NAME	ADMISSION REQUIREMENTS	
<b>Applied Biology</b> <a href="http://rrc.ca/bio">rrc.ca/bio</a>	Applicants must apply directly to the University of Winnipeg by March 1 and meet the University's admission requirements	Students who have completed Years 1 and 2 at the UWinnipeg must submit an application to RRC for the third year of the program by March 1 of the year in which they wish to enrol at RRC (RRC's application fee will be waived)
<b>Applied Chemistry</b> <a href="http://rrc.ca/chm">rrc.ca/chm</a>	Applicants must apply directly to the University of Winnipeg by March 1 and meet the University's admission requirements	Students who have completed Years 1 and 2 at the UWinnipeg must submit an application to RRC for the third year of the program by March 1 of the year in which they wish to enrol at RRC (RRC's application fee will be waived)
<b>Bridging Program for Internationally Educated Nurses</b> <a href="http://rrc.ca/bpn">rrc.ca/bpn</a>	To apply to this program, you must be educated outside of Canada as a registered nurse.	
<b>Dental Assisting - Level II</b> <a href="http://rrc.ca/den">rrc.ca/den</a>	Successful completion of Grade 12 including one credit in each of the following: Grade 12 English, Grade 12 Math and Grade 12 Science (Biology 40S is recommended) / Successful completion of a prescribed reading skills test / Submit up-to-date and completed immunization records within 30 days of submitting your application, see <a href="http://rrc.ca/immunizations">rrc.ca/immunizations</a> for more details / Attend a mandatory information session	All students are required to submit medical and dental certificates, which confirm general good health and current certificates in Emergency First Aid and CPR Level C / Program is open to Manitoba residents only; applications received from non-Manitoba residents will be cancelled and application fees will not be refunded
<b>Diagnostic Cardiac Sonography</b> <a href="http://rrc.ca/dia">rrc.ca/dia</a>	Successful completion of diploma from an accredited post-secondary program in Diagnostic Medical Sonography (General), Massage Therapy, Medical Laboratory Sciences, MRI and Spectroscopy, Medical Radiological Technology, Nuclear Medicine, or Nursing with a minimum program GPA of 2.5 or Bachelor's Degree from a recognized college or university in one of the following areas: Nursing, Athletic Therapy, Kinesiology, Medical Rehabilitation, Science (with six credit hours in Human Anatomy and Physiology that includes laboratory components) with a minimum program GPA of 3.0 / Submit up-to-date immunization records within 30 days of your application date. For further information on immunizations please see <a href="http://rrc.ca/immunizations">rrc.ca/immunizations</a> / Provide evidence of a minimum of 40 hours of patient care experience in a health care facility. This experience may be gained through employment or volunteer positions. The primary goal of this experience is to ensure you have a reasonable understanding of and a demonstrated interest in working with people in a health care environment. Where possible, direct patient contact experience is desirable. Acceptable types of evidence include a transcript indicating completion of a student practicum or a letter from an employer or volunteer organization /	Successful completion of a professional questionnaire that includes questions on your knowledge of and preparation for the profession and the program, and your individual experience with patient care / Submission of a Diagnostic Cardiac Sonography Acknowledgement of Physical Requirements form / Submission of a Diagnostic Cardiac Sonography Release and Waiver for Ultrasound Scanning form / Submit evidence of current certification in Standard First Aid and Cardiopulmonary Resuscitation (CPR) / Upon request, completion of a one-day occupational familiarization, an observational experience, to the Diagnostic Cardiac Sonography profession at a hospital (to be arranged during the application process) / Upon request, you will be asked to participate in an interview with the program Chair and/or program admissions committee and provide three letters of professional reference / Upon request, submit official Adult Criminal Records/Vulnerable Sector, Provincial Child Abuse Registry, and Provincial Adult Abuse Registry check documents
<b>Health Care Aide</b> <a href="http://rrc.ca/hca">rrc.ca/hca</a>	Successful completion of Grade 12, including one credit in each of the following: Grade 12 English, Grade 12 Math and Grade 10, 11 or 12 Science / If you are an English as an Additional Language (EAL) applicant, submit Canadian Language Benchmark scores indicating you have achieved a minimum of Level 7 in the speaking, listening and reading tests, and Level 6 in the Writing test / If you are not an EAL applicant, successfully complete a prescribed reading skills test at the required competency level (to be arranged by the College); there is a \$40 fee for this test	Upon receiving your notice of acceptance, submission of official Adult Criminal Record/Vulnerable Sector and Provincial Child Abuse Registry check documents / Submit up-to-date and completed immunization records within 30 days of submitting your application, please see <a href="http://rrc.ca/immunizations">rrc.ca/immunizations</a>
<b>Health Unit Clerk</b> <a href="http://rrc.ca/huc">rrc.ca/huc</a>	Successful completion of Grade 12 / Meet English Language proficiency requirements	Submit up-to-date and completed immunization records within 30 days of applying; for further information on immunizations, see <a href="http://rrc.ca/immunizations">rrc.ca/immunizations</a>
<b>Magnetic Resonance Imaging (MRI) and Spectroscopy</b> <a href="http://rrc.ca/mri">rrc.ca/mri</a>	Successful completion of a diploma/degree in Medical Radiologic Technology, Nuclear Medicine, Radiation Therapy, or Ultrasound from a recognized institute or college / Submission of a completed RRC Immunization Records Form within 30 days of submitting your application; see <a href="http://rrc.ca/immunizations">rrc.ca/immunizations</a> for more information.	See <a href="http://rrc.ca/mri">rrc.ca/mri</a> for details / Post-secondary transcripts must be submitted directly by the post-secondary institution

PROGRAM NAME	ADMISSION REQUIREMENTS	
<b>Medical Device Reprocessing Technician</b> <a href="http://rrc.ca/mdr">rrc.ca/mdr</a>	Successful completion of Grade 12	Submit up-to-date and completed immunization records within 30 days of applying; for further information on immunizations, see <a href="http://rrc.ca/immunizations">rrc.ca/immunizations</a>
<b>Medical Laboratory Sciences</b> <a href="http://rrc.ca/mls">rrc.ca/mls</a>	Successful completion of 24 credits of post-secondary education from RRC or another recognized college or university including: General Chemistry (3 credits), Intro to Physical Chemistry (3 credits) or Intro to Organic Chemistry (3 credits), Human Anatomy & Physiology (6 credits), Biology (6 credits), Basic Statistical Analysis (3 credits), and Communications (3 credits) / Completion of one day of occupational familiarization with the Medical Laboratory Science profession at a hospital or medical laboratory clinic (to be arranged by RRC) / Submit up-to-date and completed immunization records within 30 days of submitting your application; for further information on immunizations see <a href="http://rrc.ca/immunizations">rrc.ca/immunizations</a> / Submit evidence of current certification in Standard First Aid and the Basic Rescuer level of CPR	See <a href="http://rrc.ca/mls">rrc.ca/mls</a> for additional information and requirements / Post-secondary transcripts must be submitted directly by the post-secondary institution / Once you have been accepted into the program, you will receive a written request to complete and submit official Adult Criminal Record/Vulnerable Sector and Provincial Child Abuse Registry check documents / Due to high demand, this program is open to Manitoba residents only; applications received from non-Manitoba residents for this program will be cancelled and the application fee will not be refunded
<b>Medical Radiologic Technology</b> <a href="http://rrc.ca/mrt">rrc.ca/mrt</a>	Successful completion of 27 credits of post-secondary education from RRC or another recognized college or university including: Introduction to Physics (6 credits), Structure and Modeling in Chemistry (3 credits), Human Anatomy and Physiology (6 credits), Introduction to Sociology or Psychology (6 credits), Basic Statistical Analysis (3 credits), and Communications (3 credits) / Attend an information session / Completion of two days of occupational familiarization with the Medical Radiologic Technology profession at a hospital or X-ray clinic (to be arranged by RRC) / Submit up-to-date and completed immunization records within 30 days of submitting your application; for further information on immunizations please see <a href="http://rrc.ca/immunizations">rrc.ca/immunizations</a> / Submit evidence of current certification in Standard First Aid, Basic Life Support (BLS) for Health Care Providers (HCP) Level C with artificial external defibrillator (AED) / It is recommended that you take RRC's BLS for Healthcare Providers course	See <a href="http://rrc.ca/mrt">rrc.ca/mrt</a> for details / Post-secondary transcripts must be submitted directly from the post-secondary institution / Due to high demand, this program is open to Manitoba residents only; applications received from non-Manitoba residents for this program will be cancelled and the application fee will not be refunded
<b>Nursing</b> <a href="http://rrc.ca/nur">rrc.ca/nur</a>	Successful completion of six credits of post-secondary education in Human Anatomy and Physiology, with a minimum grade of 60% or "C" in each course (please see <a href="http://rrc.ca/nur">rrc.ca/nur</a> , Admission Requirements for details on accepted course equivalents at Manitoba post-secondary institutions) / Successful completion of Grade 12, including one credit in each of the following courses, with a minimum of 60% in each subject: Grade 12 English (Transactional Focus 40S and/or Language and Technical Communication 40S are recommended) and Grade 12 Math (excluding Essential Mathematics); University 1000 level courses will also be accepted in these subjects	Evidence of successful completion of a prescribed English Skills Assessment at the required competency level is required within 30 days of submitting your application / Adult Criminal Record/Vulnerable Sector check, Provincial Child Abuse Registry check / Submit up-to-date and completed immunization records within 30 days of submitting your application; see <a href="http://rrc.ca/immunizations">rrc.ca/immunizations</a> for more details / Provide evidence of current certification in Basic Life Support for Health Care Providers Level C, with artificial external defibrillator; we recommend you take RRC's BLS for Healthcare Providers course / Due to high demand, this program is open to Manitoba residents only; applications received from non-Manitoba residents for this program will be cancelled and the application fee will not be refunded
<b>Occupational Health and Safety</b> <a href="http://rrc.ca/ohs">rrc.ca/ohs</a>	Successful completion of Grade 12, including one credit in each of the following: Grade 12 English, Applied Math 40S and Grade 12 Science (Biology 40S, Chemistry 40S, or Physics 40S)	Proficiency in basic computer skills is strongly recommended

PROGRAM NAME	ADMISSION REQUIREMENTS	
<b>Paramedicine - Primary Care Paramedic</b> <a href="http://rrc.ca/pcp">rrc.ca/pcp</a>	Successful completion of Grade 12, including one credit in each of the following courses: Grade 12 English, Grade 12 Math 40S (excluding Essential Mathematics), Grade 12 Chemistry or Physics, and Biology (preferably at the Grade 11 level) / Submit proof of a complete full stage driver's license valid in Manitoba within 30 days of applying (learner and intermediate stage licenses are not accepted) / Meet the designated fitness standard by completing a physical fitness assessment	Provide evidence of current certification in Basic Life Support for Health Care Providers Level C, with artificial external defibrillator; we recommend you take RRC's BLS for Healthcare Providers course / Submit up-to-date and completed immunization records within 30 days of applying; for further information on immunizations, see <a href="http://rrc.ca/immunizations">rrc.ca/immunizations</a> / Due to high demand, this program is open to Manitoba residents only; applications received from non-Manitoba residents for this program will be cancelled and the application fee will not be refunded
<b>Pharmaceutical Manufacturing</b> <a href="http://www.rrc.ca/phm">www.rrc.ca/phm</a>	Successful completion of Grade 12, including one credit in each of the following courses: Grade 12 English, Grade 12 Math and Grade 12 Biology, Chemistry or Physics	
<b>QA/QC in the Pharmaceutical Industry</b> <a href="http://rrc.ca/qac">rrc.ca/qac</a>	Successful completion of: RRC's Science Laboratory Technology program or Medical Laboratory Sciences program, or a science-related diploma or degree program with courses in chemistry and microbiology or equivalent	Post-secondary transcripts must be submitted directly by the post-secondary institution
<b>Science Laboratory Technology</b> <a href="http://rrc.ca/sit">rrc.ca/sit</a>	Successful completion of Grade 12, including one credit in each of the following: Grade 12 English, Grade 12 Pre-Calculus Math 40S or Applied Math 40S, and two of the following three credits: Grade 12 Biology, Grade 12 Chemistry or Grade 12 Physics	Grade 12 Chemistry is strongly recommended
<b>Ultrasound - Diagnostic Medical Sonography</b> <a href="http://rrc.ca/ult">rrc.ca/ult</a>	Successful completion of 24 credit hours from RRC or a recognized college or university, with a minimum grade of B (70%) in each of the following: Biology, Human Anatomy and Physiology (including lab components) and Introduction to Physics, and Introduction to Sociology (each course is six credits); or a diploma (with minimum program GPA of 2.5) from an accredited post-secondary program in Massage Therapy, Medical Radiologic Technology, Medical Laboratory Science, MRI and Spectroscopy, Nuclear Medicine, or Nursing; or a Bachelor's degree (with minimum program GPA of 3.0) from a recognized college or university in one of the following areas: Nursing, Athletic Therapy, Kinesiology, Medical Rehabilitation, Science (with six credit hours in Human Anatomy and Physiology, with lab components)	Provide evidence of 40 hours experience in the provision of patient care (transcript indicating student practicum, letter from employer or volunteer organization, etc.) / Successful completion of a questionnaire addressing your knowledge of (and preparation for) the profession and the program, and your experience with patient care / Submission of a Diagnostic Medical Sonography Acknowledgment of Physical Requirement form, and Release & Waiver for Ultrasound Scanning form / Submit evidence of current certification in Standard First Aid / Submit evidence of current certification in Basic Life Support for Health Care Providers Level C with artificial external defibrillator; it is recommended you take RRC's BLS for Health Care Providers course / Submission of a completed Immunization Records Form within 30 days of submitting your application; see <a href="http://rrc.ca/immunizations">rrc.ca/immunizations</a> for more information / Submit official Adult Criminal Record/ Vulnerable Sector and Provincial Child Abuse Registry check documents / Completion of one day of occupational familiarization, an observation experience, to the Diagnostic Medical Sonography profession at a hospital (to be arranged during the application process) / You may be asked to participate in an interview / Post-secondary transcripts must be submitted to RRC directly by the post-secondary institution / This program is currently open to Manitoba residents only; applications received from non-Manitoba residents will be cancelled and the application fee will not be refunded / Application deadline is February 28

PROGRAM NAME	ADMISSION REQUIREMENTS	
<b>HOSPITALITY</b>		
<b>Culinary Arts</b> <a href="http://rrc.ca/cul">rrc.ca/cul</a>	Successful completion of Grade 12, including one credit in each of the following: Grade 12 English and Grade 12 Math	Due to high demand, this program is open to Manitoba residents only; applications received from non-Manitoba residents will be cancelled and application fees will not be refunded
<b>Hospitality and Tourism Management</b> <a href="http://rrc.ca/htm">rrc.ca/htm</a>	Successful completion of Grade 12, including one credit in each of the following: Grade 12 English and Grade 12 Math	Many students have found successful completion of Grade 11 and Grade 12 Accounting to be very helpful in this program
<b>Professional Baking and Patisserie</b> <a href="http://rrc.ca/bak">rrc.ca/bak</a>	Successful completion of Grade 12, including one credit in each of the following courses: Grade 12 English, Grade 12 Math, Grade 10 Science	Due to high demand, this program is open to Manitoba residents only; applications received from non-Manitoba residents will be cancelled and application fees will not be refunded
<b>INDIGENOUS EDUCATION</b>		
<b>Aboriginal Language Specialist</b> <a href="http://rrc.ca/als">rrc.ca/als</a>	Successful completion of Grade 12, including one credit of Grade 12 English / Fluency in or familiarity with an Aboriginal/Algonquian language / Attend an information session	Successful completion of an Academic Readiness Assessment / Completion of an oral fluency test in an Aboriginal/Algonquian language / Completion of an Aboriginal Education Supplemental Application form within 30 days of applying
<b>Aboriginal Program for College Enrichment and Transition</b> <a href="http://rrc.ca/aet">rrc.ca/aet</a>	Successful completion of Grade 12, including one credit in each of the following courses: Grade 12 English and Grade 12 Math	Successful completion of the Academic Readiness Assessment / Attend an information session / Preference will be given to people of Aboriginal Ancestry / Submission of an Aboriginal Education Supplemental Application form within 30 days of applying
<b>Aboriginal Self-government Administration</b> <a href="http://rrc.ca/asg">rrc.ca/asg</a>	Successful completion of Grade 12, including one credit in each of the following courses: Grade 12 English and Grade 12 Math / Successful completion of the Academic Readiness Assessment / Attend an information session / Submission of an Aboriginal Education Supplemental Application form within 30 days of applying	Work experience in an Aboriginal self-government environment is highly recommended / Preference will be given to people of Aboriginal Ancestry
<b>Community Development/Community Economic Development</b> <a href="http://rrc.ca/ced">rrc.ca/ced</a>	Successful completion of Grade 12, including one credit in each of the following: Grade 12 English and Grade 12 Math / Submission of a CD/CED supplemental application form within 30 days of applying / Submission of two letters of reference / Attend an information session / Successful completion of the Degrees of Reading Power Assessment	Upon acceptance, all students will be required to submit official Adult Criminal Record/Vulnerable Sector and Provincial Child Abuse Registry check documents
<b>Computer Applications for Business</b> <a href="http://rrc.ca/cab">rrc.ca/cab</a>	Successful completion of Grade 12, including one credit in each of the following: Grade 12 English and Grade 12 Math / Submission of an Aboriginal Education Supplemental Application form within 30 days of applying / Successful completion of the Academic Readiness Assessment	Preference will be given to people of Aboriginal Ancestry
<b>Introduction to Trades</b> <a href="http://rrc.ca/itr">rrc.ca/itr</a>	Successful completion of Grade 12, including one credit in each of the following: Grade 12 English and Grade 12 Math / Submission of an Aboriginal Education Supplemental Application form within 30 days of applying	Must be of Aboriginal Ancestry / Attend an information session

PROGRAM NAME	ADMISSION REQUIREMENTS	
<b>SKILLED TRADES</b>		
<b>Cabinetry and Woodworking Technology</b> <a href="http://rrc.ca/cwt">rrc.ca/cwt</a> (diploma) <a href="http://rrc.ca/cww">rrc.ca/cww</a> (certificate)	Successful completion of Grade 12, including one credit in each of the following: Grade 12 English and Grade 12 Math	
<b>Carpentry</b> <a href="http://rrc.ca/car">rrc.ca/car</a>	Successful completion of Grade 12, including one credit in each of the following: Grade 12 English, Grade 12 Math and Grade 10 Science	Due to high demand, this program is open to Manitoba residents only; applications received from non-Manitoba residents will be cancelled and application fees will not be refunded
<b>Distribution Technician</b> <a href="http://rrc.ca/dtn">rrc.ca/dtn</a>	Successful completion of Grade 12	
<b>Electrical</b> <a href="http://rrc.ca/elc">rrc.ca/elc</a>	Successful completion of Grade 12, including one credit in each of the following: Grade 12 English, Grade 11 Applied Math 30S, Pre-Calculus Math 30S, Grade 12 Consumer Math 40S or Essential Math 40S, and Grade 10 Science	Due to high demand, this program is open to Manitoba residents only; applications received from non-Manitoba residents will be cancelled and application fees will not be refunded
<b>Greenspace Horticulture</b> <a href="http://rrc.ca/gre">rrc.ca/gre</a> (Certificate) <a href="http://rrc.ca/grh">rrc.ca/grh</a> (Diploma)	Successful completion of Grade 12, including one credit in each of the following: Grade 12 English and Grade 12 Math	A strong background in science courses is recommended
<b>Manufacturing Technician</b> <a href="http://rrc.ca/mfg">rrc.ca/mfg</a>	Successful completion of Grade 12, including one credit in each of the following: Grade 12 English and Grade 12 Math	English Transactional Focus 40S is recommended
<b>Plumbing</b> <a href="http://rrc.ca/plm">rrc.ca/plm</a>	Successful completion of Grade 12, including one credit in each of the following courses: Grade 12 English; Grade 10 Applied Math 20S, Pre-Calculus Math 20S, Grade 11 Consumer Math 30S or Essential Math 30S, Grade 10 Science	Due to high demand, this program is open to Manitoba residents only; applications received from non-Manitoba residents will be cancelled and application fees will not be refunded
<b>Power Engineering - 5th Class</b> <a href="http://rrc.ca/pow">rrc.ca/pow</a>	Successful completion of Grade 12, including one credit of either Applied Math 40S or Pre-Calculus Math 40S, and one credit of Physics 30S or Chemistry 30S	Participate in an interview
<b>Power Engineering Technology</b> <a href="http://rrc.ca/pet">rrc.ca/pet</a>	Successful completion of Grade 12, including one credit in each of the following: Grade 12 English, Grade 12 Applied Math 40S or Pre-Calculus Math 40S, and one credit of Physics 30S or Chemistry 30S	Due to high demand, this program is open to Manitoba residents only; applications received from non-Manitoba residents will be cancelled and application fees will not be refunded
<b>Precision Metal Machining</b> <a href="http://rrc.ca/pmm">rrc.ca/pmm</a>	Successful completion of Grade 12, including one credit in each of the following courses: Grade 12 English (English Transactional Focus 40S is recommended) and Grade 12 Math	
<b>Refrigeration and Air Conditioning Technician</b> <a href="http://rrc.ca/air">rrc.ca/air</a>	Successful completion of Grade 12, including one credit in each of the following courses: Grade 12 English, Grade 11 Science, Grade 11 Applied Math 30S or Pre-Calculus Math 30S, or Grade 12 Consumer Math 40S or Essential Math 40S	Due to high demand, this program is open to Manitoba residents only; applications received from non-Manitoba residents will be cancelled and application fees will not be refunded
<b>Welding</b> <a href="http://rrc.ca/wld">rrc.ca/wld</a>	Successful completion of Grade 12, including one credit in each of the following courses: Grade 12 English, Grade 12 Math and Grade 10 Science	Due to high demand, this program is open to Manitoba residents only; applications received from non-Manitoba residents will be cancelled and application fees will not be refunded

PROGRAM NAME	ADMISSION REQUIREMENTS	
<b>TRANSPORTATION TECHNOLOGY</b>		
<b>Aerospace Manufacturing</b> <a href="http://rrc.ca/aer">rrc.ca/aer</a>	Successful completion of Grade 12, including one credit in each of the following courses: Grade 12 English and Grade 12 Math	Strong academic, technical and communication skills are recommended
<b>Aircraft Maintenance Engineer</b> <a href="http://rrc.ca/ame">rrc.ca/ame</a>	Successful completion of a high school diploma or equivalent from a recognized provincial or territorial Canadian high school / Successful completion of the Canadian Adult Achievement Test (CAAT) Level C at the minimum competency level required or submission of the Aerospace Manufacturing and Maintenance Orientation Program Certificate	
<b>Automotive Technician - Certificate</b> <a href="http://rrc.ca/atc">rrc.ca/atc</a>	Successful completion of Grade 12, including one credit in each of the following courses: Grade 12 English, Grade 12 Math and Grade 10 Science	Due to high demand, this program is open to Manitoba residents only; applications received from non-Manitoba residents will be cancelled and application fees will not be refunded
<b>Automotive Technician - Diploma</b> <a href="http://rrc.ca/atd">rrc.ca/atd</a>	Successful completion of an Automotive Technician Certificate program or Heavy Duty Equipment Mechanic Certificate program at RRC, Assiniboine Community College, University College of the North, or the Automotive Technician Work Experience program previously offered at RRC with an average of 70% or better, or successful completion of a Grade 12 Auto/Power Mechanics program, including one credit in each of the following courses: Grade 12 English, Grade 12 Math and Grade 10 Science / Applicants must have a grade of 70% or better in both theory and practical in Auto/Power Mechanics	Post-secondary transcripts must be submitted directly by the post-secondary institution / You should have a strong mechanical background / You may be required to participate in an interview and/or testing / Due to high demand, this program is open to Manitoba residents only; applications received from non-Manitoba residents will be cancelled and application fees will not be refunded
<b>Collision Refinishing</b> <a href="http://rrc.ca/col">rrc.ca/col</a>	Successful completion of Grade 12, including one credit in each of the following: Grade 12 English, Grade 12 Math and Grade 10 Science	
<b>Collision Repair and Refinishing</b> <a href="http://rrc.ca/crr">rrc.ca/crr</a>	Successful completion of Grade 12, including one credit in each of the following: Grade 12 English, Grade 12 Math and Grade 10 Science	Due to high demand, this program is open to Manitoba residents only; applications received from non-Manitoba residents will be cancelled and application fees will not be refunded
<b>Heavy Duty Equipment Mechanic</b> <a href="http://rrc.ca/hde">rrc.ca/hde</a>	Successful completion of Grade 12, including one credit in each of the following: Grade 12 English, Grade 12 Math and Grade 10 Science	Due to high demand, this program is open to Manitoba residents only; applications received from non-Manitoba residents will be cancelled and application fees will not be refunded
<b>Introduction to Aircraft Maintenance Engineer</b> <a href="http://rrc.ca/ime">rrc.ca/ime</a>	Successful completion of a high school diploma from a recognized provincial or territorial Canadian high school or equivalent	Upon receiving your notice of acceptance, submit current Adult Criminal Record/Vulnerable Sector check
<b>Outdoor Power Equipment Technician</b> <a href="http://rrc.ca/out">rrc.ca/out</a>	Successful completion of Grade 12, including one credit in each of the following courses: Grade 12 English, Grade 12 Math and Grade 10 Science	Due to high demand, this program is open to Manitoba residents only; applications received from non-Manitoba residents will be cancelled and application fees will not be refunded
<b>Railway Conductor</b> <a href="http://rrc.ca/rai">rrc.ca/rai</a>	Successful completion of Grade 12, including one credit in each of the following: Grade 12 English and Grade 11 Math	Attend an information session, and participate in an interview / Students are responsible for checking with hiring railway(s) for their policies and requirements, and determining the medical and physical standards required by individual railway companies

**Declaration of Waiver**

The information in this brochure is accurate as of September 2015. The College does its best to update program information regularly so that applicants are not inconvenienced; however, changes do occur on occasion.

Therefore, after September 2015, the College reserves the right to modify or cancel any program, process or procedure without notice or prejudice. Please visit our website at [rrc.ca/calendar](http://rrc.ca/calendar) for complete and up-to-date program information.
