WHY CHOOSE TAFE SA?

- > TAFE SA is the largest institution for vocational education and training (VET) in Australia
- > For more than 45 years, TAFE SA has provided practical, hands on courses that lead students into careers and on to University
- > Small supportive classes and Industry work placements mean our graduates are work-ready and sought after by employees
- > Each year, hundreds of international students from more than 70 nations choose to study at TAFE SA
- > Our qualifications are respected around the world, and we have more than 150 courses and University Pathway programs to choose from

TAKE THE NEXT STEP >

WHY CHOOSE TAFE SA?

TAFE SA gives you choice and flexibility. You can choose from more than 100 courses, and follow pathways within our own areas of study, as well as to university. It is your practical pathway to the career you want.

REAL-WORLD SKILLS FOR PRACTICAL CAREERS

At TAFE SA, you will develop the skills employers want. We have strong relationships with business and industry, ensuring our courses are relevant and up-to-date.

Our lecturers are all highly experienced, and they are active in their fields of expertise. Our teaching methods blend theory with hands-on, practical learning using industry-standard facilities and technology, so when you complete your course, you are job-ready.

Many of our courses include industry work placements as part of the course program. These work placements give you first-hand experience of the workplace, allowing you to test your skills and make valuable industry contacts.

At TAFE SA, our lecturers are accessible and supportive, and our classes are mostly between 15 and 20 students. These small class sizes mean more personal assistance and attention, and a more rewarding study experience.

A PATHWAY TO UNIVERSITY

TAFE SA offers more than 50 University Pathway programs which provide you with guaranteed entry to a degree at a South Australian university. On completion of your TAFE SA qualification, generous credit arrangements mean that you can start your degree in the second or third year, so you will finish your degree sooner. With a University Pathway program you will gain a career-competitive mix of practical, professional skills and theoretical knowledge.

Many of TAFE SA's qualifications can be used to apply for university entry at universities in Australia. Qualifications at a certificate IV, diploma, advanced diploma and associate degree level can also be used as credit towards your university degree.

How does credit transfer work?

TAFE SA has formal credit transfer agreements with South Australian universities, which gives you automatic status or credit in some part of a course or program. This means you can complete your university qualification more quickly and cheaply.

A diploma from TAFE SA usually provides up to a year of credit towards university study. An advanced diploma usually counts for a year and a half, and an associate degree up to two years. There are no fees to apply for recognition through credit transfer.*

**Application fees may be charged by your chosen education provider.*

THE UNIVERSITY
of ADELAIDE

University of
South Australia

Flinders
UNIVERSITY

EXAMPLE OF SAVINGS

Jackson wants to complete the Bachelor of Engineering (Electrical and Electronic) at the University of Adelaide. This will cost him around \$30,000 (AUD) for each year of the four year degree or around \$120,000 (AUD) for the whole degree.

Jackson has chosen to study the Associate Degree in Electronic Engineering at TAFE SA which costs around \$17,250 (AUD) a year or around \$34,500 (AUD) for the two year course. When Jackson completes his TAFE SA study, he will gain two years credit to go on to complete his Bachelor degree at The University of Adelaide, in just two years.

At the end of the four years, Jackson will have two qualifications, the Associate Degree in Electronic Engineering and the Bachelor of Engineering (Electrical and Electronic).

This is what Jackson's dual qualification will cost him compared to if he had entered university directly:

TAFE + University		University	
1st year TAFE SA	\$17,250*	1st year university	\$30,000*
2nd year TAFE SA	\$17,250	2nd year university	\$30,000
3rd year university	\$30,000	3rd year university	\$30,000
4th year university	\$30,000	4th year university	\$30,000
Total	\$94,500 (AUD)	Total	\$120,000 (AUD)
Indicative Saving	\$25,500 (AUD)		

*Course costs current at time of printing. Check TAFE SA and university websites for current courses costs

SAVE ON YOUR DEGREE

Studying at TAFE SA is a smart choice that can save you money. Our tuition fees are very competitive. Your TAFE SA qualification also provides credit towards your university degree, so you can complete your degree in less time and save money.

The indicative cost for a TAFE SA diploma or advanced diploma course is \$12,000 per year. At a South Australian university, the cost is more like \$30,000 per year. This means that every year of credit you receive for your TAFE SA qualification means a saving of around \$18,000.

A COMPETITIVE EDGE

Studying at TAFE SA gives you practical experience and new skills, whatever your career goals. Even if you already have a university degree or years of work experience, learning practical skills and gaining an understanding of the most recent advances in your field gives you a competitive edge in the job market. Qualifications from TAFE SA are recognised throughout Australia and in many other countries.

YOUR LEARNING AND EXPERIENCE IS VALUED

At TAFE SA, we know that knowledge and skills are built up in many ways. Experience in a job or as a volunteer, previous study and training, and self-taught abilities are all important and valuable. If you can provide evidence of relevant skills or knowledge, you might be able to gain recognition for part of, or even an entire TAFE SA course. This is called Recognition of Prior Learning (RPL). Evidence for RPL can include certification, references from employers, testimonials from clients, and samples of your work. Fees apply.

Each year, students from more than 70 nations choose to study at TAFE SA. You could be one of them.

Take the next step ...

REASONS TO LOVE ADELAIDE

Adelaide is one of the world's most liveable and loveable cities. Flanked by rolling hills and endless sandy beaches, the city is beautiful, friendly, safe and affordable. People from more than 125 nations live in Adelaide, making it a welcoming and multicultural city. Its climate is friendly too, with hot summers and mild winters encouraging an outdoor lifestyle. There are lots of reasons you will love Adelaide – here are just a few.

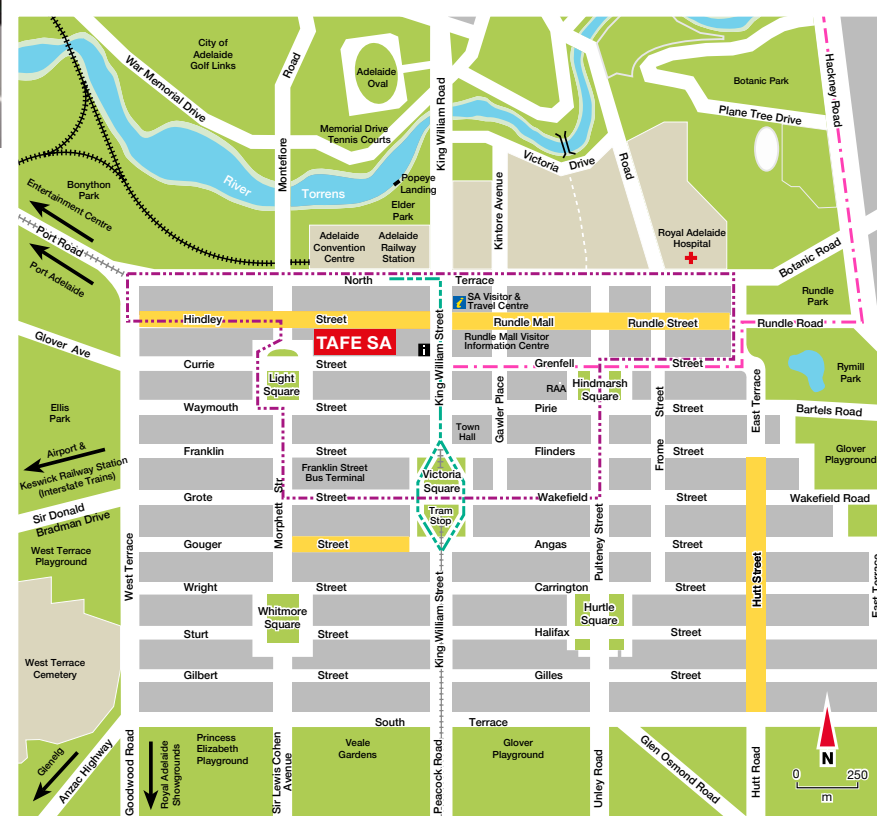

AFFORDABLE LIVING

Living in Adelaide is cheaper than most Australian cities. The cost of rent, transport and food is lower, which means a better quality of life for students. Adelaide is 19% more affordable than Melbourne or Sydney, and five percent cheaper than Perth or Brisbane.

There are job opportunities for students in Adelaide to help you get through your studies. Your student visa gives you automatic work rights in Australia. You can work up to 40 hours per fortnight while studying. Many of our international students find work in retail, hospitality and tourism. You can use websites such as seek.com.au and careerone.com.au to look for employment.

SAFE AND WELCOMING

Adelaide is an inclusive, multicultural city. People from more than 125 nations live here, bringing variety and vibrancy to the city. You are free to practice your culture and faith here without discrimination, and you will get to meet people from all over the world. Our crime rates are the lowest in the country, and Adelaide has been listed as the safest city in Australia.

EASY TO GET AROUND

Adelaide's design is based on a square grid layout surrounded by green parkland, so it is easy and pleasant to find your way around. The flat terrain makes walking and cycling easy, and you can drive if you have an international driver's licence. A public transport system of buses, trains and trams covers the city and suburbs – there is even a free 'city loop' bus and tram around the city centre. All international students can get cheaper tickets – just show your student ID card.

|-------------------------|-----------------------|---------------------------------|
| TRANSPORT | FREE TRANSPORT | Visitor Information Centre |
| Train | 99b Beeline Bus | Passenger Transport Info Centre |
| Adelaide - Glenelg Tram | City Loop | Linear Park Track |
| O'Bahn Buses | | Restaurant & Shopping Precincts |
| | | RAH Emergency Entrance |

A LIVELY, COSMOPOLITAN CITY

Adelaide is known for its rich cultural life, especially for its festivals, which are famous around the world. WOMAdelaide, the Adelaide Festival of Arts, Fringe Festival and Cabaret Festival are just some of the international arts and music events that keep the city buzzing. Sport is also popular, with international cricket and cycling, soccer, car racing, tennis and Australian Rules football to enjoy. Our pristine beaches can be enjoyed all year round, and you can easily escape to the vineyards, national parks and picturesque countryside that surround the city.

Delicious!

Adelaide is surrounded by farmland, providing a constant supply of fresh, local produce. Our historic Central Market sells fresh fruit and vegetables, along with meats, smallgoods, breads, cheese and more. Adelaide is well known for quality wine and beer, and our restaurant scene includes cuisine from all over the world. Our mix of cultures means there is likely to be a supermarket that sells food from your home country too.

SA FAST FACTS

Capital City: Adelaide

State Population: 1.5 million

Adelaide Population: 1.1 million

Language: English

Currency: AUD\$

Area: 984,377 square km

Coastline: 3,700 km

Major exports: Wine, metals, education

A PLACE OF LEARNING

Adelaide has a strong and growing reputation as an education city. In addition to TAFE SA, Adelaide is home to six world-leading universities: the University of Adelaide, Flinders University, the University of South Australia, Carnegie Mellon University, University College London and Torrens University Australia.

EVERYONE AGREES – ADELAIDE IS A GREAT PLACE TO LIVE AND STUDY

Adelaide is recognised as one of the world's most liveable cities. It was named Australia's safest city in the *Suncorp Bank Family Friendly City Report 2012*. In 2014, Lonely Planet's *Best of Travel* book ranked Adelaide in the global top ten. It was voted Australia's most liveable city in the *State of Australian Cities Index Report 2013*, and for the last three years has been ranked one of the most liveable cities in the world by *The Economist Intelligence Unit*.

WEATHER

South Australia has a temperate climate with four distinct seasons. With moderate winters and warm to hot summers, South Australia does not experience tsunamis or cyclones.

Summer

December – February
Mainly hot & dry
25°C – 35°C

Autumn

March – May
Mainly dry
20°C – 25°C

Winter

June – August
Cool & wet
10°C – 15°C

Spring

September – November
Little rain
20°C – 25°C

AVERAGE WEEKLY LIVING EXPENSES

	Weekly
Accommodation (shared or single)	\$135-\$385

WHERE YOU WILL STUDY

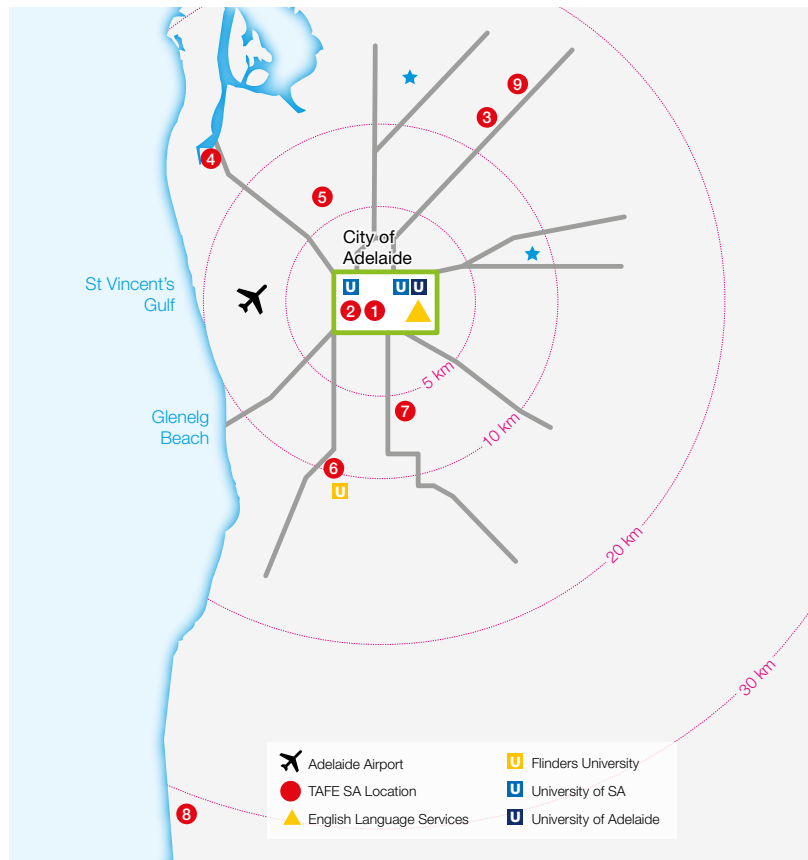

TAFE SA HAS CAMPUSES IN THE HEART OF THE CITY AS WELL AS THROUGHOUT SOUTH AUSTRALIA.

TAFE SA's campuses feature specialised training facilities equipped with industry standard equipment and technology. Training facilities include:

- > workshops
- > studios
- > computer suites
- > restaurants and kitchens
- > theatres
- > nursing wards
- > dental clinics
- > hair and beauty salons
- > industry simulators
- > laboratories
- > veterinary surgery

Our campuses also provide student facilities including:

- > libraries with computers and study rooms
- > cafeterias and food preparation areas
- > student common areas

Campus	Location (distance from City Centre)	Example of courses offered
1 Adelaide City	City Centre	English Language, Business and Marketing, Information Technology, Hair and Beauty

5 Regency	7.5km	Hospitality, Food and Wine, Community Services, Mining and Engineering Transport Centre (METC), Tourism and Events, Children's Services
6 Sustainable Industries Education Centre (SIEC) at Tonsley TAFE	10km	Building and Design
7 Urrbrae	7km	Environment and Horticulture, Landscape Design
8 Noarlunga	31km	Nursing
9 Tea Tree Gully	15km	Graphic Design, Photo Imaging, Digital and Interactive Games

STUDENT SERVICES AND ACCOMMODATION

Studying as an international student can seem daunting, but TAFE SA provides support to help you make the most of your time with us. From your arrival until graduation, we provide services including:

- > orientation for all new arrivals
- > counselling
- > academic learning and English language support
- > social and recreational programs

ORIENTATION AND SETTLEMENT

As a new student at TAFE SA, you will attend a two-day orientation program. You will get to meet lecturers and other students, and be shown around your new campus. It is a great way to get familiar with Adelaide and settle into TAFE SA.

TAFE SA International has engaged Multicultural Youth SA Inc. (MYSA International) to provide international students with orientation, settlement and support services. MYSA International will help you find your way in a new city, make new friends, and find accommodation. They will even pick you up free of charge, from the airport when you arrive.

Go to tafesa.edu.au/international/int-support-services/arrival-pickup to book these services.

MYSA is leading community-based, not-for-profit organisation that provides a diverse range of services and programs to support multicultural young people and young families living in South Australia.

Visit mysa.com.au/international for more information.

STUDENT SERVICES

COUNSELLING SERVICES

If you have difficulties, our counsellors can help you. Counselling services are free, and include:

- > career and course choice
- > help with learning and language
- > financial advice and assistance
- > finding accommodation
- > medical, personal and family problems
- > student visa and attendance issues

Counselling services are accessible by phone, email, or in person.

LEARNING SUPPORT

TAFE SA provides extra teaching assistance to students who experience difficulties with any aspects of their course. Learning support can help you:

- > organise your coursework and study schedules
- > prepare for tests or examinations
- > build your academic skills

STUDYADELAIDE

StudyAdelaide is a great source of information and support for international students. They run free competitions, giveaways and events, which are a wonderful way to meet other international students and experience Australian life in Adelaide. Visit studyadelaide.com for more information, or send an email to events@studyadelaide.com if you'd like to join their mailing list to stay up-to-date with free StudyAdelaide activities.

“ I struggled when I first arrived in Adelaide to adapt to the culture and language. Student services helped me both personally and academically and offered me help with English, counselling and academic support. ”

Satomi Naanishi – Japan
Hospitality Student

ACCOMMODATION

Where to live is an important decision when you move to a new city. For most people, rental and transport costs are important, along with finding somewhere close to your campus, workplace and other facilities. Most TAFE SA international students choose between purpose-built student housing, homestay and private rental.

ACCOMMODATION TYPES

Student housing

Student housing in Adelaide includes individual studio apartments, shared apartments, or dormitory accommodation. Most student housing is in the city centre, or near TAFE SA campuses, which reduces transport costs. One advantage of student accommodation is that it often includes internet access, utilities, furnished apartments, and sometimes other services such as meals and laundry.

One example of affordable student housing is Regency International House at TAFE SA's Regency Campus. The rental fee includes meals, utilities, weekly cleaning, and access to shared recreation facilities. See tafesa.edu.au/international/int-support-services/int-accommodation for more information.

Homestay

Homestay is living with an Australian host family. It is a great way to experience Australian life and practice your English in a welcoming environment. As a homestay student, you will have a bedroom with linen and a place to study, and you will share a bathroom, kitchen and other facilities with your host family. Most homestay hosts provide meals, or you may need to provide and prepare your own food.

Your homestay hosts may be a family with children, a couple, or a single person. Many Australian homes have pets, including dogs. You will be part of the household, so you will have to look after your own needs, such as keeping your room tidy and doing your laundry.

Visit homestaynetwork.org, studentliving.com.au or unilodge.com.au/Adelaide for more information.

Private rental

You can rent a house or apartment anywhere you like. On top of your weekly rent you will need to pay for utilities such as electricity, gas, water and telephone. You may need to sign a lease agreement with your landlord and pay a refundable bond in advance. Go to cbs.sa.gov.au/renting-and-letting/ for more information about your legal rights and obligations as a tenant.

Students often share a house, having a bedroom each, sharing the rest of the house and splitting expenses. If you rent a room in a share house, you might pay more if the room is furnished, or if utilities are included in your weekly rent. Sharing can be a cheap option, but it is important to clearly agree on how chores and bills will be divided.

You can search realestate.com.au or domain.com.au to find properties for rent.

UNDERSTANDING AUSTRALIAN QUALIFICATIONS

The Australian Qualification Framework (AQF) defines the learning outcomes for all Australian qualifications. Each qualification type has a level that connects to the corresponding career level. With TAFE SA flexible learning, you can progress from a lower level qualification such as a certificate III to a higher level qualification, such as an advanced diploma, to enable you to gain the skills for the career that you want.

Australian qualification	AQF Level	Training outcomes	Example career outcomes
Degree	Level 7	Graduates at this level have broad and coherent knowledge and skills for professional work	Manager, Business Owner, Researcher, Market Leader, Strategist Advisor, Engineer
Advanced Diploma	Level 6	Graduates at this level have broad knowledge and skills for highly skilled paraprofessional work	Manager, Business Owner, Coordinator, Franchisor, Supervisor, Engineering Technical Officer
Associate Degree	Level 6	Graduates at this level will have broad theoretical and technical knowledge of a specific area or a broad field of work and learning	Manager, Supervisor, Business Owner, Researcher, Strategist, Advisor
Diploma	Level 5	Graduates at this level have specialised knowledge and skills for skilled paraprofessional work	Supervisor, Coordinator, Business Operator, Manager, Assistant Manager, Computer Technician
Certificate IV	Level 4	Graduates at this level have theoretical and practical knowledge and skills for specialised skilled work	Operations Coordinator, Accounts Manager, Senior Consultant, Officer
Certificate III	Level 3	Graduates at this level have theoretical and practical knowledge and skill for work	Assistant Technician, Receptionist, Attendant, Clerk, Sales Agent, Guide

TAFE SA ENTRY REQUIREMENTS

ENTRY REQUIREMENTS

The minimum academic entry requirements for international students at TAFE SA are:

To Apply for	Requirement
Certificate II or Certificate III course	Satisfactory completion of Australian Year 10 or equivalent in your country
Certificate IV course	Satisfactory completion of Australian Year 11 or equivalent in your country
Diploma, Advanced Diploma or Associate Degree course	Satisfactory completion of Australian Year 12 or equivalent in your country

Most foundation studies programs offered by Australian education institutions and universities are accepted as equivalent to Australian Year 12. Some exceptions apply.

ENGLISH LANGUAGE ENTRY REQUIREMENTS

The minimum IELTS (or equivalent) score for entry to most TAFE SA courses is an academic IELTS of 5.5 with a minimum of 5.0 in all bands.

DON'T HAVE AN IELTS SCORE?

Some students who do not have a current IELTS (or equivalent) score may be able to gain an English language test score for entry to TAFE SA courses by taking the ISLPR test.

Students currently living in Australia with a valid student visa can take the ISLPR test at the TAFE SA Adelaide City campus at a cost of \$250. An ISLPR score cannot be used for Australian visa applications.

SPECIAL ADMISSION REQUIREMENTS

Some courses including Dental and Oral Health, Veterinary Nursing, Nursing, Laboratory Technology, Electronic Engineering and Acting have special admission requirements which might include:

- > successful completion of certain subjects
- > a specific pass level in certain subjects
- > an IELTS score higher than 5.5
- > presentation of a portfolio or audition
- > passing an assessment or a test set by TAFE SA

You should always check the entry requirements for your chosen course before you apply.

STUDENTS UNDER 18 YEARS

Students younger than 18 can study with TAFE SA. You will need to be 17 years old when you start your study (at the date shown on your CoE) but you can apply when you are 16 years old.

The Department of Immigration and Border protection (DIBP) requires all students who are younger than 18 and who are not living in Australia with their parents to have somewhere suitable to live and an appropriate adult who will be responsible for their care.

TAFE SA has approved AHN (Australian Homestay Network) and International Student Alliance (ISA) to provide welfare and accommodation services to these students and their families.

To apply for a student visa, students younger than 18 need to show the Department of Immigration and Border Protection (DIBP) that they have appropriate welfare and accommodation arrangements in place. All welfare and accommodation arrangements must be approved by either DIBP or TAFE SA.

UNDER 18 APPLICATION QUICK GUIDE

- 1 > Student applies to study with TAFE SA
- 2 > Parent or guardian decides who will provide care and accommodation for the student, ie. parents or a close relative, or TAFE SA - approved care and accommodation providers
- 3 > Parent or guardian completes the Welfare and Accommodation Arrangement Form and follows the process
- 4 > Care and accommodation is confirmed with the parent or guardian
- 5 > Student accepts offer and receives CoE
- 6 > Students must not travel to Australia before the day their welfare arrangements begin.

PATHWAY PROGRAMS

- > University pathways
- > Packaged offers
- > Guaranteed entry
- > Dual qualifications
- > Guaranteed credit*
- > Single visa

TAFE SA offers many pathways to get to the future that you want, whether that is straight to a career or on to further study at university. With pathways from English language to postgraduate study, we can help you find your way.

* Conditions may apply

UNIVERSITY PATHWAY PROGRAMS

TAFE SA offers more than 50 University Pathway programs which provide you with guaranteed entry to a connected degree at a South Australian university.

On completion of your TAFE SA qualification, generous credit arrangements mean that you can start your degree in the second or third year, so you will finish your degree sooner. With a University Pathway program, you will gain a career-competitive mix of practical, professional skills and theoretical knowledge.

HOW TO APPLY FOR A UNIVERSITY PATHWAY PROGRAM

University of South Australia

You can apply:

- > through agents who are representatives of both TAFE SA and the University of South Australia
- > through agents who are representatives of TAFE SA only
- > through agents who are representatives of the University of South Australia only
- > directly to TAFE SA through the online application system

To find a TAFE SA agent in your country visit tafesa.edu.au/international

To find a University of South Australia agent in your country visit unisa.edu.au/find-an-agent

University of Adelaide

You can apply:

- > through agents who are representatives of the University of Adelaide
- > through agents who are representatives of both TAFE SA and the University of Adelaide
- > yourself, by applying separately to both TAFE SA and the University of Adelaide through their online application systems.

Agents must submit each application through the University of Adelaide online application system: international.adelaide.edu.au/apply/application

To find a TAFE SA agent in your country visit tafesa.edu.au/international

To find a University of Adelaide agent in your country visit international.adelaide.edu.au/choosing/agents

CREDIT TRANSFER

Credit transfer means that your TAFE SA studies are recognised as being equivalent in content and level to parts of other education programs, including university degrees. Successful completion of your TAFE SA certificate IV, diploma, advanced diploma or associate degree can provide you with entry to or credit toward your degree at an Australian university.

TAFE SA has agreements with the three South Australian and some Australian universities to provide clear pathways and generous credit for connected degree programs.

A diploma from TAFE SA usually provides up to a year of credit towards university study. An advanced diploma usually counts for a year and a half, and an associate degree up to two years.

Check the TAFE SA website to find credit transfer connected to your course.

WHAT IS THE DIFFERENCE BETWEEN A UNIVERSITY PATHWAY PROGRAM AND A CREDIT TRANSFER PATHWAY?

A University Pathway program provides you with:

- > a joint offer from both TAFE SA and the university
- > guaranteed entry to university on successful completion of your TAFE SA qualification
- > a single visa for the duration of the whole study program
- > application is made to TAFE SA (except when applying to the University of Adelaide)

A Credit Transfer program provides you with:

- > credit from your TAFE SA qualification into the connected university program, which may reduce study load and duration
- > Application must be made directly to the university on completion of your TAFE SA study

ENGLISH LANGUAGE PATHWAYS

DIRECT ENTRY TO THE UNIVERSITY OF SOUTH AUSTRALIA WITH AWARD PROGRAMS AT TAFE SA

The TAFE SA English for Academic Purposes (EAP) courses can provide direct entry to a range of undergraduate and postgraduate programs (excluding Dentistry programs) at the University of South Australia without requiring a further English Language test.

KAPLAN INTERNATIONAL ENGLISH

You can combine a KAPLAN English Language package with any TAFE SA course (except Dentistry programs). Successful completion of your KAPLAN English program before your TAFE SA course means that you will not need to sit an extra IELTS test.

Courses requiring an IELTS of 6.5 and over cannot choose a Kaplan pathway.

Application for a KAPLAN and TAFE SA program is made direct to KAPLAN. If successful, you will receive an offer from KAPLAN and an offer from TAFE SA.

CRICOS Provider Code **03008A**

ENGLISH LANGUAGE PATHWAYS TO UNIVERSITY OF SOUTH AUSTRALIA

Course	Pathway	Duration	Intake	Entry	Exit
EAP 20 Part 1 and 2	Entry into TAFE SA and University of South Australia programs which require IELTS 6.0 for entry.	20 weeks	January (Term 1) or July (Term 3)	IELTS 4.5 and 5 or equivalent	Pass (students deemed to meet IELTS 5.5*) Credit (students deemed to meet IELTS 6.0*)
EAP 20 Part 2	Entry into TAFE SA and University of South Australia programs which require IELTS 6.0 for entry.	10 weeks	April (Term 2) or October (Term 4)	IELTS 5 and 5.5 or equivalent	Pass (students deemed to meet IELTS 5.5*) Credit (students deemed to meet IELTS 6.0*)
EAP Advanced Part 1	Entry into TAFE SA and University of South Australia programs which require IELTS 6.0 for entry.	10 weeks	January (Term 1) or July (Term 3)	IELTS 5.5 or equivalent	Pass Part 1 (students deemed to meet IELTS 6.0*)
EAP Advanced Part 2	Entry into TAFE SA and University of South Australia programs which require IELTS 6.5 for entry.	10 weeks	April (Term 2) or October (Term 4)	IELTS 6.0 or equivalent	Pass Part 2 (students deemed to meet IELTS 6.5*)

* Equivalent to IELTS score – there is no IELTS exam at the course end

Note: Students requiring 6.5 IELTS would be offered EAP Advanced, and dependent on their current IELTS level may require the General English and/or EAP 20 prior.

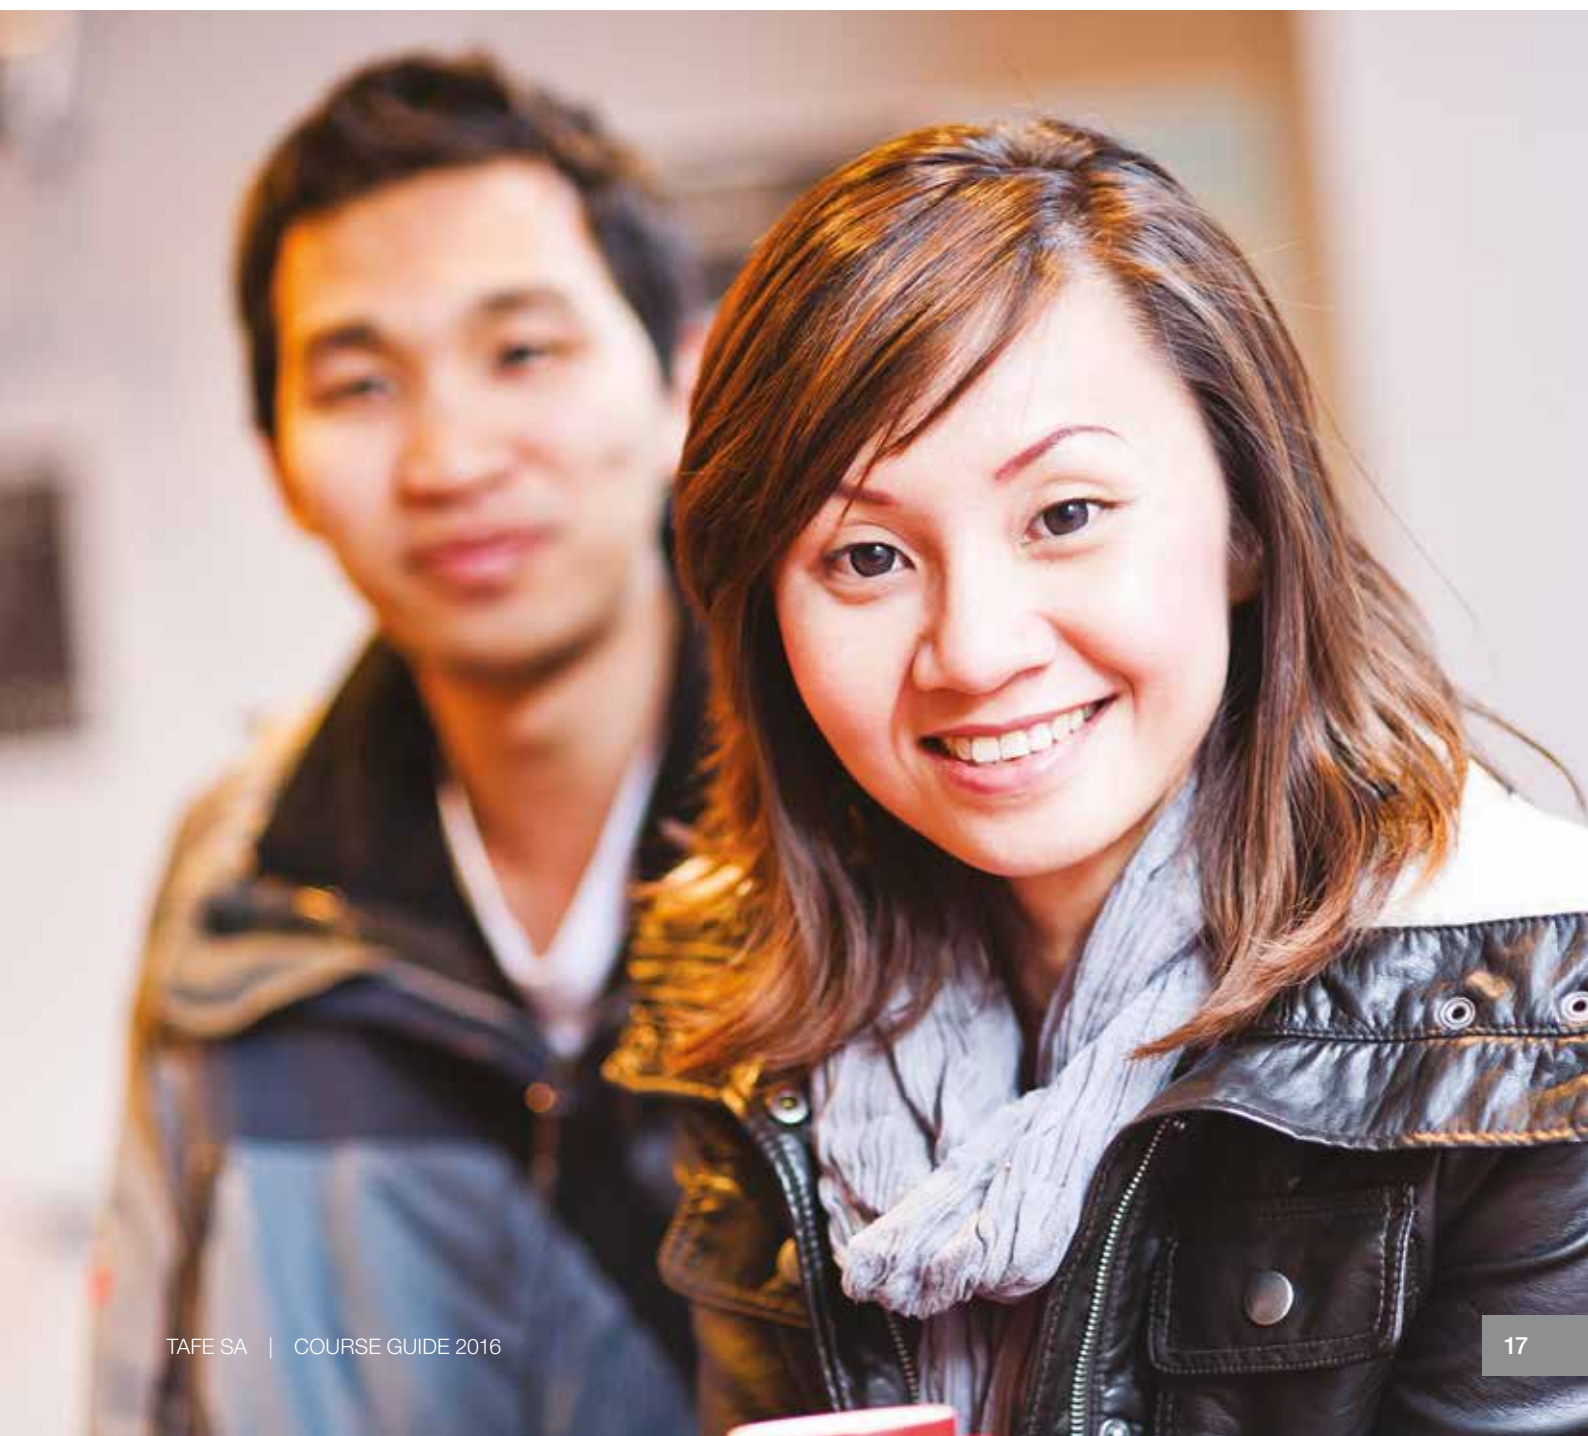

EAP20 Part 2 (Apr/Oct entry) and EAP Advanced Part 1 (Jan/July entry) both exit with an IELTS equivalent of 6.0. Students should select their course based on their current English language level (IELTS or equivalent score) and the start date of their University of South Australia course.

“ TAFE SA is very affordable compared to doing a university course. With the flexibility of courses; it was the obvious choice for me. ”

Donna Chee – Malaysia

Certificate IV in Hospitality, Diploma of Human Resource Management and Diploma of Business Management

HOW TO APPLY

1. Choose your course or University Pathway program
2. Check the entry requirements and the information needed for your application
3. Choose one of two easy ways to apply

Online at tafesa.edu.au/international

Through an agent in your country. Find a TAFE SA registered agent near you at tafesa.edu.au/international

4. Accept your offer

Unconditional offer

If you have received an unconditional offer, this means that you have been offered a place in your chosen course and do not need to meet any extra conditions.

Conditional Offer

If you have received a conditional offer, this means that you have been offered a place in your chosen course but you must meet the conditions outlined in the letter of offer.

To meet the conditions of your offer, you must supply TAFE SA with all the information, documentation, and any other conditions as stated in your letter of offer. If you do not meet those conditions or return the necessary documentation, your offer will be withdrawn.

Accepting your offer

When you have met the conditions of your offer, you should accept your offer within eight weeks by returning these documents to TAFE SA:

- > Proof of your fee payment
 - > Proof of your International Student Health Cover
5. Once we have finalised your acceptance, we will send your Confirmation of Enrolment to you or to your agent
 6. Apply for your student visa
Apply early. You will need to allow 10 weeks for your student visa application to be completed. If you have applied through an agent, they can help you with your visa application. You can find out more about student visas at border.gov.au
 7. After you have booked your flights, you can arrange your free airport pickup and receive accommodation assistance from us at tafesa.edu.au/international You can also join our Facebook page to find out whats happening at TAFE SA: facebook.com/TAFESAinternational

Overseas student health cover

All student visa holders are required by the Australian Government to contribute to the Overseas Student Health Cover scheme (OSHC). This insurance will cover visits to doctors, specialists and hospitals, pathology services, X-rays and some prescriptions. The amount payable depends on the length of your course. TAFE SA has a preferred provider for OSHC.

Go to border.gov.au/trav/stud/more/health-insurance-for-students for more information.

OVERSEAS QUALIFICATIONS FOR TAFE SA ENTRY

TAFE SA qualifications require you to have completed your schooling to the overseas equivalent of school years 10, 11 or 12 in Australia.

Country	Equivalent to Australian year 10 or 11	Equivalent to Australian year 12
Australia		Australian Year 12 Senior Secondary Certificate of Education – satisfactory completion

ENGLISH LANGUAGE INTENSIVE COURSES FOR OVERSEAS STUDENTS (ELICOS)

TAFE SA offers a highly supportive study environment where students develop high-level English skills through small classes and highly interactive teaching.

With continuous assessment throughout the course, students receive regular feedback and timely intervention to make sure that they achieve the English language skills and outcomes they need.

Successful completion of a TAFE SA English Language Course can provide entry to a range of undergraduate and postgraduate programs at South Australian Universities.

“ The organisation of the course was great. Every two weeks we learnt a new topic and had plenty of time for practice. The support I got from my lecturer assisted me to get an 8.0 in my IELTS test. I can now qualify as a Registered Nurse. ”

Shirley Chen – Taiwan

WHY STUDY ENGLISH WITH TAFE SA?

- > Personalised attention and small classes
- > Affordable fees
- > Intensive teaching with quality resources and facilities
- > Flexible start times and program durations
- > Experienced teachers
- > Free English conversation classes
- > Accessible central location

GENERAL ENGLISH

TEACHING DURATION from 5 to 40 weeks
– not including holidays

CRICOS CODE 064265A

COURSE DESCRIPTION

For international students who plan to do further study at TAFE SA or progress to a university course.

This course has a focus on developing English for high level academic skills, developing grammar, topic pronunciation, computer literacy and developing specific vocabulary for future courses.

This course aims to develop listening, speaking, reading and writing skills from elementary to advanced level, improve vocabulary, improve grammar, develop communication skills.

Requirements: IELTS of 4.5 or less. Pre-course assessment on arrival for class placement.

COURSE ADMISSION REQUIREMENTS

Elementary and above. Not beginners – assessment on arrival for class placement.

FEES

Weekly tuition fee is \$350. Total tuition fee/duration will depend on your English level.

10 weeks	AUD \$3,500
20 weeks	AUD \$7,000
30 weeks	AUD \$10,500
40 weeks	AUD \$14,000

* Seasonal discounts apply.

ENGLISH FOR ACADEMIC PURPOSES (EAP)

TEACHING DURATION 10 or 20 weeks
– not including holidays

CRICOS CODE 064266M / 073621M

COURSE DESCRIPTION

For international students who plan to do further study at TAFE SA or progress to a university course.

This course has a focus on developing English for high level academic skills, developing grammar, topic pronunciation, computer literacy and developing specific vocabulary for future courses.

COURSE ADMISSION REQUIREMENTS

EAP 20: A general or academic IELTS score of 4.5 or equivalent, with a minimum of 4.5 in all macroskills. EAP 10: Academic or general overall score of 5.0 IELTS, with a minimum of 5.0 in writing, and 4.5 for listening, speaking and reading or equivalent. Students with any macroskill score below 5.0 will find it difficult to reach the required level of English by the end of this 10 week course.

FEES

10 week duration total tuition fee	AUD \$3,500
20 week duration total tuition fee	AUD \$7,000

“ Before starting the Advanced Diploma of Accounting at TAFE SA I needed to improve my English skills. The EAP course improved my social communication skills. I am now a lot more confident interacting with my class mates and lecturer. ”

Nghia Tran – Vietnam

ENGLISH FOR ACADEMIC PURPOSES (EAP ADVANCED)

TEACHING DURATION 10 or 20 weeks

CRICOS CODE: 086001K

COURSE DESCRIPTION

English for Academic Purposes (EAP Advanced) is designed for students who need to develop their English language skills for university study at undergraduate and/or postgraduate level.

Students develop the English language skills needed for further education including lecture note taking, presentation and group discussion skills and planning essays and assignments. Students are introduced to and become familiar with the vocabulary specific to their chosen study field.

COURSE ADMISSION REQUIREMENTS

Students with an entry level of General or Academic IELTS 5.5 overall (with a minimum of 5.5 in reading and writing and 5.0 in listening and speaking) or equivalent will generally enrol in EAP Advanced for 20 weeks.

Students with an entry level of General or Academic IELTS 6.0 overall (with a minimum of 6.0 in reading and writing and 5.5 in listening and speaking) or equivalent will generally undertake EAP Advanced for 10 weeks.

FEES

10 week duration total tuition fee AUD \$3,500

20 week duration total tuition fee AUD \$7,000

ADVANCED IELTS PREPARATION

TEACHING DURATION 20 weeks

CRICOS CODE 074846G

COURSE DESCRIPTION

The Advanced IELTS Preparation course is designed for upper intermediate level international students who need to improve their IELTS test score.

The course has a focus on developing high-level English skills for IELTS test practice.

COURSE ADMISSION REQUIREMENTS

IELTS overall of 5.0 with a minimum of 5.0 in all sub scores (20 weeks duration) or equivalent. IELTS overall of 5.5 with a minimum of 5.5 in all sub scores (10 weeks duration) or equivalent.

FEES

Total tuition fee AUD \$7,000

ASSOCIATE DEGREES IN ENGINEERING

**ONE APPLICATION, TWO QUALIFICATIONS:
APPLY ONCE AT THE START AND
GRADUATE WITH TWO QUALIFICATIONS.**

Study an Associate Degree for two years at TAFE SA and then enter a two-year customised program at university, to obtain your Bachelor in Engineering. Much more than a Foundation program; our Associate Degrees give you job-ready skills and offer you the opportunity to study in a supportive environment, in small classes with lecturer support.

PATHWAY OPTIONS

Associate Degree in Biomedical Engineering

CRICOS CODE 092136M NATIONAL CODE CRS1400351

The biomedical industry is an integral part of the rapidly growing health care sector. Biomedical engineers drive the improvements to health technology – from rehabilitation to medical devices.

Like many industries dependent on a specialised and highly trained workforce, biomedical engineering is experiencing a shortage of trained paraprofessional staff. Adelaide's industry is blooming with the development of the Royal Adelaide Hospital and the Biomedical Precinct in the heart of the city.

The Associate Degree in Biomedical Engineering was developed in collaboration with SA Health and Biomedical Engineering (SABME), the main provider of biomedical engineering services for the South Australian Government.

Career examples: Biomedical paraprofessional in Biomedical Engineering departments.

DURATION: 2 Years **COST:** \$34,500

> **ENTRY** Year 12 including a mathematics subject or overseas equivalent and Academic IELTS score of 6.0 overall with a minimum of 5.5 in all bands or equivalent.

Associate Degree in Civil and Structural Engineering (Design Drafting)

CRICOS CODE 092138J NATIONAL CODE CRS1400353

Structural engineering draftspeople are integral to the infrastructure projects of the modern world, bringing their innovative design to buildings, bridges and public spaces.

The Associate Degree in Civil and Structural Engineering (Design Drafting) was developed by TAFE SA to respond to the workforce development needs of the civil and structural consulting industry. Like many industries dependent on a specialised and highly trained workforce, this industry is experiencing a shortage of paraprofessional design drafters.

Career examples: Design Drafter or Technical Officer supporting Engineers..

DURATION: 2 Years COST: \$34,500

> **ENTRY** Year 12 including a mathematics subject or overseas equivalent and Academic IELTS score of 6.0 overall with a minimum of 5.5 in all bands or equivalent.

Associate Degree in Civil and Structural Engineering (Site Management)

CRICOS CODE 092139G NATIONAL CODE CRS1400354

The success of construction projects often relies on site management to maintain safety excellence, maximise production and continue momentum.

Like many industries dependent on a specialised and highly trained workforce, the building industry requires experienced trained site managers. The Associate Degree in Civil and Structural Engineering (Site Management) was developed by TAFE SA to respond to the workforce development needs of the civil and structural construction industry.

It is also the only para-professional qualification in South Australia that prepares you for a site engineer role.

Career examples: Site Engineer or Project Manager in the civil and structural construction industry.

DURATION: 2 Years COST: \$34,500

> **ENTRY** Year 12 including a mathematics subject or overseas equivalent and Academic IELTS score of 6.0 overall with a minimum of 5.5 in all bands or equivalent.

Associate Degree in Electrical Engineering

CRICOS CODE 092137K NATIONAL CODE CRS1400352

Electrical engineering is driving research and development in the electronic, communication and computer systems industries.

The Associate Degree in Electrical Engineering was developed by TAFE SA to respond to the workforce development needs of electrical industries, taking into consideration industry requirements, skillsets and expectations in designing, manufacturing and operating networks, electronic plants and equipment.

Career examples: Electrical Paraprofessional service delivery in the professional, scientific and technical fields.

DURATION: 2 Years COST: \$34,500

> **ENTRY** Year 12 including a mathematics subject or overseas equivalent and Academic IELTS score of 6.0 overall with a minimum of 5.5 in all bands or equivalent.

Associate Degree in Electronic Engineering

CRICOS CODE 066407J NATIONAL CODE CRS1400029

This higher education qualification leads to employment and/or fast-track into further study at university. With guaranteed industry work experience and industry-set projects, small classes and lots of hands-on learning you will gain that competitive edge. This course develops skills to analyse, design and integrate hardware and software in complex electronics systems, giving you the right mix of practical and theoretical skills.

This course is accredited by Engineers Australia indicating that it meets national and international quality benchmarks for graduates to practice at the engineering associate level.

Career examples: Technical Officer in the electronics industry and related areas like defence, robotics, biomedical and communications.

DURATION: 2 Years COST: \$34,500

> **ENTRY** Year 12 including a mathematics subject or overseas equivalent and Academic IELTS score of 6.0 overall with a minimum of 5.5 in all bands or equivalent.

AGRICULTURE AND BIOLOGY

WORK WITH ANIMALS AND PLANTS, ON THE LAND OR IN THE LAB

We face a growing need for the sustainable management of our environment. This has driven biotech innovations in agriculture, horticulture, aquaculture and animal welfare. Environmentally sustainable industries provide opportunities in environmental consulting, ecosystem management, and services to agriculture, fisheries and water technologies. TAFE SA agriculture and biology qualifications can lead to careers in animal or veterinary care, laboratory technology, horticulture, landscape design or conservation and natural resource management.

ANIMAL TECHNOLOGY AND LABORATORY SCIENCE

Certificate IV in Veterinary Nursing

CRICOS CODE 080465D **NATIONAL CODE** ACM40412

This course provides you with the knowledge and skills to work effectively across all aspects of general veterinary practice.

Career examples: Veterinary nurse.

DURATION: 1 Year **COST:** \$15,500

> **ENTRY** Year 11 and General IELTS 6.0 overall with minimum of 6.0 in listening and speaking, and 5.5 in reading and writing or equivalent.

> **WORK PLACEMENT** 336 HRS

Diploma of Animal Technology

CRICOS CODE 075283G **NATIONAL CODE** ACM50110

This course has been designed to provide you with the knowledge and skills to work effectively in all aspects of caring for animals in a scientific, research or teaching organisation.

Career examples: Biomedical technician, laboratory technician, animal technician, zoo keeper, animal welfare officer, veterinary technician.

DURATION: 1 Year **COST:** \$17,000

> **ENTRY** Year 12 and IELTS 6.0 overall with minimum of 6.0 in reading, listening and writing, and 5.5 in speaking or equivalent.

> **WORK PLACEMENT** 175 HRS

Diploma of Laboratory Technology

CRICOS CODE 073399A **NATIONAL CODE** MSL50109

This course covers the skills and knowledge required to apply a range of laboratory technologies to conduct scientific-technical tests and sampling in most industry sectors.

DURATION: 2 Years **COST:** \$28,500

> **ENTRY** Year 12 and IELTS 6.0 overall with a minimum of 6.0 in listening, speaking and reading, and 5.5 in writing or equivalent.

> **WORK PLACEMENT** 240 HRS (Optional)

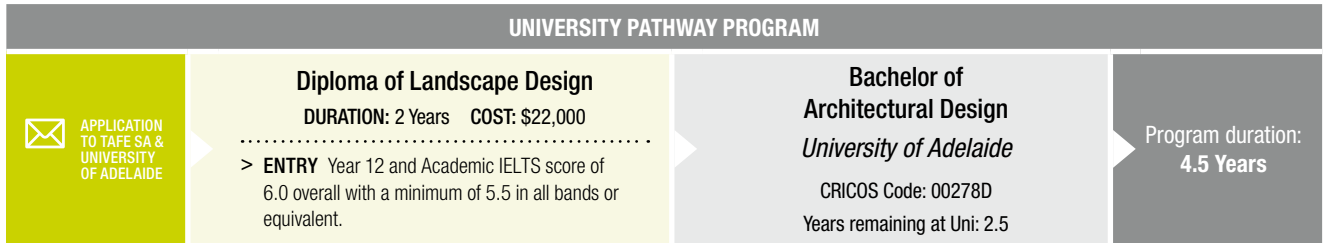

ENVIRONMENT AND HORTICULTURE

Diploma of Landscape Design

CRICOS CODE 076521B NATIONAL CODE AHC50610

By completing this course you will learn about assessing, designing and preparing a variety of landscape projects including residential and commercial studios; producing computer aided drawings; and implementing business processes such as quoting and tendering, preparing contracts, and designing suitable landscapes.

Career examples: Landscape Designer

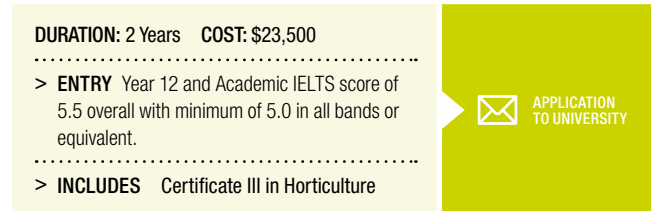

Diploma of Horticulture

CRICOS CODE 076240M NATIONAL CODE AHC50410

This course will enable you to develop skills and knowledge in managing plant health, managing horticultural trials, collecting and managing data, preparing reports, monitoring and managing soils, managing plant cultural practices for amenity horticulture, developing strategies for the management of pests and collecting and classifying plants.

Career examples: Senior horticulturist, parks and garden manager, horticulture enterprise manager

Certificate III in Conservation and Land Management

CRICOS CODE 084655K NATIONAL CODE AHC31410

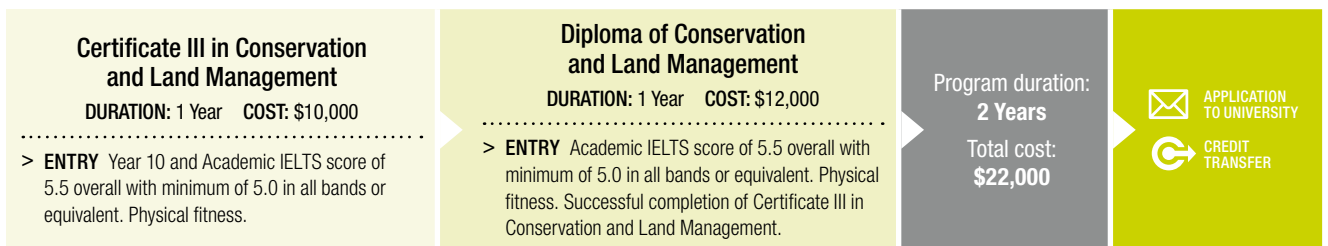

For those with a green thumb and a passion for conservation, this course will provide you with an excellent working knowledge of the Horticulture and Conservation industries.

Diploma of Conservation and Land Management

CRICOS CODE 084656J NATIONAL CODE AHC51110

This course reflects the role of personnel working in management positions with technical level skill in land management roles.

Career examples: The qualification enables individuals to select an indigenous land management, conservation earthworks, lands, parks and wildlife or natural area management context as a job focus, or a mix of these.

ARTS AND DESIGN

EXPRESS YOURSELF IN A CREATIVE CAREER

Arts and design play a crucial role in our society. Performing arts and visual arts tell us stories about who we are and where we're going. Design is an essential part of turning ideas into reality. TAFE SA arts and design courses offer intensive, practical learning across a range of disciplines. From acting and fashion to graphic design, digital media and sound production, there's a huge range of careers to choose from. You'll study and work in modern, professional facilities, mastering tools and techniques that are vital to a career in the creative industries.

PERFORMING ARTS, DESIGN AND PRODUCTION

Certificate IV in Visual Arts

CRICOS CODE 090409G NATIONAL CODE CUV41315

This course provides a largely studio-based learning environment, introducing the student to a range of skills including drawing, ceramics, painting, digital imaging and sculpture. This practical learning is further supported by an introduction to art history and how the student can use this to support and enhance their own work. Students are encouraged to explore and develop practical skills, and apply creative thinking skills to their own work. Certificate III in Live Production and Services Backstage careers start with this course and is available in three streams; lighting, sound, staging and vision; set building, props making and scenic art; stage management.

Career examples: Audio, vision and lighting console operators, follow spotting, stage mechanists, radio mic operators, props makers, set builders, scenic artists, scenery construction technicians and stage managers.

DURATION: 1 Year COST: \$12,000

> **ENTRY** Year 11 and Academic IELTS score of 5.5 overall with minimum of 5.0 in all bands or equivalent.

APPLICATION TO UNIVERSITY

Diploma of Arts (Acting)

CRICOS CODE 085869K NATIONAL CODE 10259NAT

Advanced Diploma of Arts (Acting)

CRICOS CODE 085870F NATIONAL CODE 10260NAT

If you are born to perform, then take to the stage with this qualification. The rigorous actor-training program incorporates the core disciplines of acting, voice and movement. Through projects in theatre-making, your third year will culminate in a main stage production. You'll explore the specialised demands of acting on screen, with classes from first year onward culminating in exercises in television multi-camera in second year, and short films and professional showreel shoots in third year.

Career examples: Actor in TV, film and radio including commercial, documentary and training films/TV, as well as voice work in TV and radio.

Diploma of Arts (Acting)

DURATION: 1.5 Years COST: \$21,000

> **ENTRY** Year 12 and Academic IELTS score of 5.5 overall with minimum of 5.0 in all bands or equivalent. Audition. Physical fitness.

Advanced Diploma of Arts (Acting)

DURATION: 1.5 Years COST: \$21,000

> **ENTRY** Academic IELTS score of 5.5 overall with minimum of 5.0 in all bands or equivalent. Diploma of Arts (Acting) or equivalent. Audition and interview. Successful completion of Diploma of Arts.

Program duration:

3 Years

Total cost:
\$42,000

APPLICATION TO UNIVERSITY

CREDIT TRANSFER

Advanced Diploma of Jewellery and Object Design

CRICOS CODE 088748F NATIONAL CODE MEM60211

This qualification aims to introduce a selection of jewellery making and designing skills that form the foundation of jewellery practice. The course has a practical, studio-based focus which is supported by core studies such as art history and design, and by the development of creative and original thinking. Students are expected to apply these skills in the production of jewellery pieces and objects to meet industry standards.

Career examples: Graduates of this course could expect to find employment in the jewellery industry where basic skills are required, and/or as retail assistants. Further opportunities exist throughout the creative arts sector as freelance workers in related fields of visual art, design and education.

DURATION: 1.5 Years COST: \$20,000

> **ENTRY** Year 12 and Academic IELTS score of 5.5 overall with minimum of 5.0 in all bands or equivalent

APPLICATION TO UNIVERSITY

FASHION

Advanced Diploma of Applied Fashion Design and Technology

CRICOS CODE 066123K NATIONAL CODE LMT60307

This qualification gives you high-level skills in fashion design, specialist patternmaking, marketing, managing design, product development and production processes.

Career examples: Fashion designer

UNIVERSITY PATHWAY PROGRAM			
 APPLICATION TO TAFE SA & UNIVERSITY OF ADELAIDE	Advanced Diploma of Applied Fashion Design and Technology DURATION: 2 Years COST: \$28,000 > ENTRY Year 12 and Academic IELTS score of 5.5 overall with minimum of 5.0 in all bands or equivalent.	Bachelor of Innovation and Entrepreneurship <i>University of Adelaide</i> CRICOS Code: 072303M Years remaining at Uni: 1.5	Program duration: 3.5 Years

Advanced Diploma of Fashion and Textiles Merchandising

CRICOS CODE 089257F NATIONAL CODE LMT60507

If an international career in buying, fashion business and marketing, product development, merchandising, textile development and styling sounds like you, then make it happen with this qualification. You'll gain access to fashion industry connections and networks including successful brand houses such as Australian Fashion Labels.

Career examples: Product developer, assistant buyer, sales representative, range coordinator, marketing assistant and production assistant.

DURATION: 2 Years COST: \$28,000

> **ENTRY** Year 12 and Academic IELTS score of 5.5 overall with minimum of 5.0 in all bands or equivalent.

 APPLICATION TO UNIVERSITY

INTERIOR DESIGN

Certificate IV in Design of Kitchens, Bathrooms and Interior Spaces

CRICOS CODE 084401K NATIONAL CODE MSF40313

This course provides the skills and knowledge required to design kitchens, bathrooms and interior spaces to meet client requirements. It targets those designing kitchens, bathrooms and interior spaces that typically feature built-in cabinetry and furniture.

Career examples: Small business operators in kitchen and bathroom design or product supply and specialist design personnel.

DURATION: 1 Year COST: \$14,000

> **ENTRY** Year 11 and Academic IELTS score of 5.5 overall with minimum of 5.0 in all bands or equivalent

 APPLICATION TO UNIVERSITY

Diploma of Interior Design and Decoration

CRICOS CODE 084391G NATIONAL CODE MSF50213

This qualification provides the skills and knowledge required to give design and decoration advice for building interiors, including the development of complete decorative schemes for the effective use of residential and commercial or institutional interior spaces, working with a client brief and within project parameters. There is an emphasis on furnishings, finishes and aesthetics, environmental sustainability, colour and pattern in interior spaces and historic furnishing styles. It may also include specialist design areas such as facilities for people with disabilities and the aged.

Career examples: Self-employment as an interior decorator, colour consultant or interior stylist, in-house interior designer or decorator.

Advanced Diploma of Interior Design

CRICOS CODE 084366G NATIONAL CODE MSF60113

Diploma of Interior Design and Decoration Duration: 2 Years Cost: \$27,000 > ENTRY Year 12 and Academic IELTS score of 5.5 overall with minimum of 5.0 in all bands or equivalent.	Advanced Diploma of Interior Design Duration: 6 Months Cost: \$7,500 > ENTRY Academic IELTS score of 5.5 overall with minimum of 5.0 in all bands or equivalent. Successful completion of the Diploma of Interior Design and Decoration.	Program duration: 2.5 Years Total cost: \$34,500	 APPLICATION TO UNIVERSITY  CREDIT TRANSFER

FILM, TV, VISUAL EFFECTS, GAME ART AND GRAPHIC DESIGN

Diploma of Graphic Design

CRICOS CODE 090457K NATIONAL CODE CUV50715

Advanced Diploma of Graphic Design

CRICOS CODE 084984D NATIONAL CODE CUV60411

Design your career with this qualification and explore your area of specialisation in graphic, digital or illustration. You'll learn the skills required to establish, negotiate and refine a design brief, manage design realisation, manage projects, originate graphic designs for complex briefs and extend typographic design expertise.

Career examples: Graphic designer, web and multimedia designer, advertising creative team member.

General Stream:

This stream aims to develop multi-skilled individuals who will be flexible in their approach to work within the Graphic Design Industry. Study topics include advanced typography; illustration; photo imaging; marketing; packaging design; advertising; editorial and publishing design; creative studio; and basic web design and construction.

Digital Design Stream:

This stream aims to develop individuals who will be able to work in a diverse range of digital and web design environments. Study topics include advanced web design and construction; editorial and publishing design; photo imaging; mobile and tablet website creation; eBook creation and digital publishing for iPad; and emerging technologies.

Illustration Stream:

This stream is designed to develop a range of visual art skills and knowledge which are necessary in becoming a professional illustrator. Graduates will be skilled in both traditional and digital medias and emerging technologies. Students will produce project-based quality illustrations for varying industries including publishing, advertising, film and game.

Diploma of Graphic Design DURATION: 1 Year COST: \$14,000 > ENTRY Year 12 and Academic IELTS score of 5.5 overall with minimum of 5.0 in all bands or equivalent.	Advanced Diploma of Graphic Design DURATION: 1 Year COST: \$14,000 > ENTRY Academic IELTS score of 5.5 overall with minimum of 5.0 in all bands or equivalent. Successful completion of the Diploma of Graphic Design (in the same field of design).	Program duration: 2 Years Total cost: \$28,000	 APPLICATION TO UNIVERSITY  CREDIT TRANSFER

Diploma of Photography and Photo Imaging

CRICOS CODE 090482J NATIONAL CODE CUV50915

If photography is your passion, then unleash your creativity with this qualification. Explore photographic techniques, advertising, editorial, industrial, portraiture, still life, architecture, and fashion. Through projects, you'll create a range of imagery for commercial and domestic clients. You can also specialise in a range of photographic work of your choice.

Career examples: Photographers and photographic assistants in a range of genres including photojournalism/ editorial, wedding/portrait, advertising/ commercial/ industrial, medical/scientific.

UNIVERSITY PATHWAY PROGRAM			
 APPLICATION TO TAFE SA & UNIVERSITY OF ADELAIDE	Diploma of Photography and Photo Imaging DURATION: 1 Year COST: \$12,500 > ENTRY Year 12 and Academic IELTS score of 5.5 overall with minimum of 5.0 in all bands or equivalent.	Bachelor of Media <i>University of Adelaide</i> CRICOS Code: 041717A Years remaining at Uni: 2	Program duration: 3 Years

Diploma of Screen and Media

CRICOS CODE 084942C
NATIONAL CODE CUF50107

> **Computer Generated Imaging & Visual Effects Stream (CGI & VFX)**

> **Game art stream**

Advanced Diploma of Screen and Media

CRICOS CODE 084980G NATIONAL CODE CUF60107

Computer Generated Imaging & Visual Effects Stream (CGI & VFX)

If TV production and 3D computer animation for television and cinema are your passion then this qualification is for you. This course has a hands-on approach to industry-standard 2D and 3D software and broadcast standard hardware. You will be taught various aspects of the movie and television making process so that you understand where computer generated imagery fits in the workflow of a production.

Game art stream

Your future as a game artist starts with this qualification. Explore all the skills required of artists in game development including: modelling, texturing, rigging, animation, game engines and drawing.

Career examples: Computer Animator

Diploma of Digital and Interactive Games

CRICOS CODE 091842D
NATIONAL CODE ICT50215

You'll learn the skills to be a game artist. Game artists are chiefly modellers and texturers but also have a broad knowledge of the game development process. This course puts particular emphasis on modelling, texturing, concept development and drawing. Students develop skills and knowledge in these key areas as well as project management, team work, simulations industry and a variety of delivery platforms.

CGI & VFX Stream / Film and TV Stream Diploma of Screen and Media Duration: 1 Year Cost: \$13,500 > ENTRY Year 12 equivalent and Academic IELTS score of 5.5 overall with minimum of 5.0 in all bands or equivalent.	Advanced Diploma of Screen and Media Computer Generated Imaging & Visual Effects Stream (CGI & VFX) / Game Art Stream Duration: 1 Year Cost: \$13,500 > ENTRY Academic IELTS score of 5.5 overall with minimum of 5.0 in all bands or equivalent. Successful completion of Diploma of Screen and Media in the same stream or Diploma of Digital and Interactive Games.	Program duration: 2 Years Total cost: \$27,000	 APPLICATION TO UNIVERSITY  CREDIT TRANSFER

BUILDING AND FURNISHING

CREATE AND WORK ON STRUCTURES AND THEIR COMPONENT SYSTEMS

The building, construction and furnishing industries offer many opportunities for workers with trade certificates. A significant new trend in these sectors is emerging technologies that challenge traditional methods. In TAFE SA building and construction courses, you'll study contemporary and traditional approaches, covering practical and theoretical aspects of a variety of occupations. With qualifications in these areas you can pursue a range of careers in the building sector.

BUILDING, DESIGN AND DRAFTING

Certificate IV in Building and Construction (Estimating)

CRICOS CODE 071800B **NATIONAL CODE** CPC40308

This course is designed to meet the needs of estimators and schedulers in the building and construction field. An estimator is the person who measures and costs the amount of material, labour, plant and equipment needed to complete a job. The estimator will also negotiate with sub-contractors on costs as well as produce material schedules for ordering a delivery.

Career examples: Building estimator, building scheduler.

DURATION: 1 Year **COST:** \$13,500

> **ENTRY** Year 11 and Academic IELTS score of 5.5 overall with minimum of 5.0 in all bands or equivalent

APPLICATION TO UNIVERSITY

Certificate IV in Building and Construction (Site Management)

CRICOS CODE 071802M **NATIONAL CODE** CPC40508

This course is designed to meet the needs of site managers and supervisors in the building and construction industry. A site manager/ supervisor is the person who manages and supervises all construction work carried out on a building site by tradespeople, subcontractors and suppliers.

Career examples: Building site manager, building site supervisor.

DURATION: 1 Year **COST:** \$13,500

> **ENTRY** Year 11 and Academic IELTS score of 5.5 overall with minimum of 5.0 in all bands or equivalent

APPLICATION TO UNIVERSITY

Certificate IV in Building Design Drafting

CRICOS CODE 091802A **NATIONAL CODE** CPP40115

This qualification provides building design drafters with the skills to support building designers and architects. The building design drafter may work on a wide range of building design projects, including high rise commercial projects under the supervision and instruction of an appropriately licensed or accredited architect or building designer. The role of the drafter includes using building information modelling (BIM)-capable current industry standard building design software to produce drawings and documentation required by clients and stakeholders, and for the planning and building authorisation processes.

DURATION: 1 Year **COST:** \$13,500

> **ENTRY** Year 11 and Academic IELTS score of 5.5 overall with minimum of 5.0 in all bands or equivalent

APPLICATION TO UNIVERSITY

Certificate IV in Building and Construction (Building)

CRICOS CODE 073643E NATIONAL CODE CPC40110

This course is designed to meet the needs of builders and managers of small to medium-sized building businesses. A builder is the person who coordinates the construction of a building and takes responsibility for the overall completion of the job, including selecting contractors, overseeing the work and its quality, and liaising with the client. The builder may also be the appropriately licensed person with the responsibility under the relevant building licensing authority in each State or Territory.

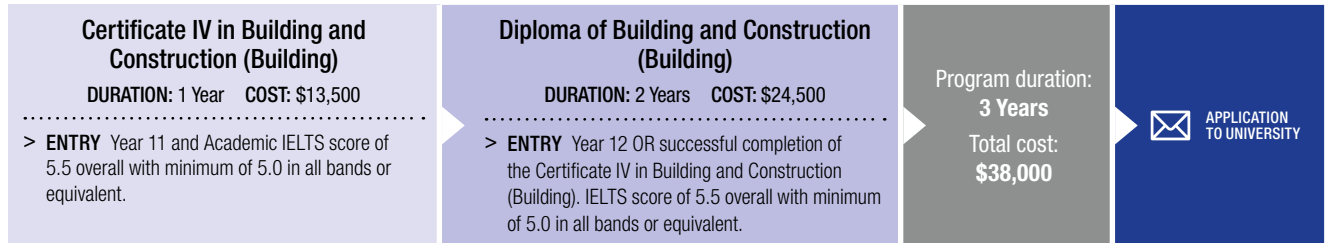

Career examples: Builder, construction manager.

Diploma of Building and Construction (Building)

CRICOS CODE 085427C NATIONAL CODE CPC50210

This qualification is designed to meet the needs of builders, including selecting contractors, overseeing the work and its quality, and liaising with clients. The builder may also be the appropriately licensed person with responsibility under the relevant building licensing authority in the state or territory.

Career examples: Commercial construction manager.

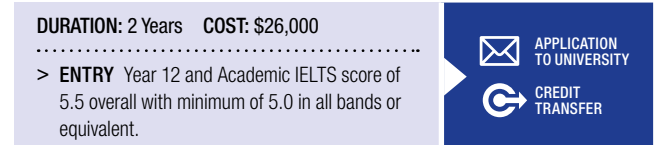

Diploma of Building Design

CRICOS CODE 078979G NATIONAL CODE CPP50911

This qualification applies to building designers who undertake building design projects covered by the Building Code of Australia (BCA), except Construction Type A buildings. Building designers may specialise in residential projects including new buildings, heritage restorations and additions or renovations; or they may also undertake commercial and industrial projects such as factories, motels, offices, restaurants, retail or service outlets and warehouses.

Career examples: Numerous career paths exist for building designers, including working for building design or architectural firms, consultancies, government departments, residential and commercial developers or self-employment.

BUSINESS AND MARKETING

PUT YOUR IDEAS TO WORK IN A RANGE OF BUSINESS-ORIENTED CAREERS

TAFE SA business and marketing courses can open the door to careers in a number of fields. Whether you're interested in the management of money, people or projects, you'll gain the skills and knowledge you need to thrive. With the right qualifications, you could start your own business or work in government, banks, and small or large enterprises. You can continue to build your skills with higher level qualifications, or go on to further study at university.

ACCOUNTING AND FINANCE

Certificate IV in Accounting

CRICOS CODE 089968G
NATIONAL CODE FNS40615

This course provides a defined pathway in accounting and includes specialist accounting theory, knowledge and practice. Completion of this qualification meets the educational requirements of the Tax Practitioners Board (TPB) for BAS agent registration. A module-based holistic delivery approach with online delivery and assessment makes this program accessible to anyone seeking accounting, bookkeeping skills, or BAS agent registration.

Career examples: Registered BAS agent, licensed bookkeeper, accounts payable officer, accounts receivable officer or payroll officer, senior financial clerk, office manager.

Diploma of Accounting

CRICOS CODE 088359G
NATIONAL CODE FNS50215

This qualification provides the training for professional accounting job roles in financial services and other industries. It contributes to, but does not fully meet, educational requirements for providing tax agent services. Skills cover external financial reporting, tax accounting, internal controls, financial performance and management.

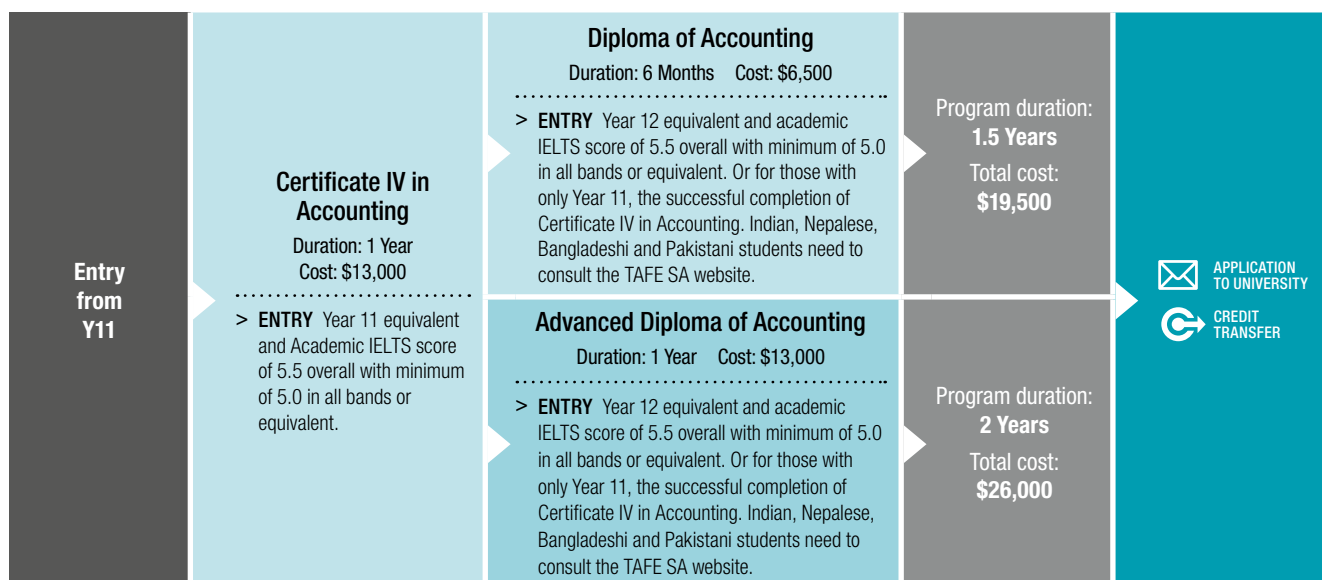

Career examples: Registered BAS agent, licensed bookkeeper, licensed tax agent, senior financial clerk, financial accountant, management accountant, taxation accountant.

Advanced Diploma of Accounting

CRICOS CODE 088370B
NATIONAL CODE FNS60215

This qualification meets the needs of individuals working in accounting and seeking professional accreditation.

Career examples: Accountant

COMMUNITY AND CHILDREN'S SERVICES

Certificate IV in Community Services

CRICOS CODE 091894C
NATIONAL CODE CHC42015

This course provides the training for community service workers who design and deliver person-centred services to individuals and/or groups. Workers may provide support, advocacy or interventions to individual clients, groups or communities across a range of services. At this level, workers may be autonomous with limited responsibility within established parameters and may be required to supervise and lead other workers in projects or teams. Work may take place in a range of community service, case work or case management contexts.

Career examples: case worker, prevention worker, home-based care worker, community services worker, welfare worker and early intervention worker.

Diploma of Community Services

CRICOS CODE 091895B
NATIONAL CODE CHC52015

This qualification provides training for community services, case management and social housing workers involved in managing, coordinating and/or delivering person-centred services to individuals, groups and communities. At this level, workers have specialised skills in community services and work autonomously under broad direction from senior management. Workers are usually providing direct support to individuals or groups. Workers may also have responsibility for the supervision of other workers and volunteers, case management, program coordination or the development of new business opportunities.

Career examples: Case coordinator, case manager, client service assessor, coordinator family support services, welfare worker, social welfare worker, early intervention coordinator or community worker.

Diploma of Community Development

CRICOS CODE 091896A
NATIONAL CODE CHC52115

This course provides training for workers who aim to facilitate community members working together to influence and guide the future of their community. Work includes assisting community members to develop techniques and frameworks to facilitate the process of the establishment or building of community capability and networks, undertaking needs assessments, working towards social justice and increasing people's skills.

Career examples: Community worker, project worker, aid worker.

EDUCATION AND LANGUAGES

LEARN AND HELP OTHERS TO LEARN AND UNDERSTAND

TAFE SA education and languages courses focus on developing the skills essential for success in our society. Whether you're learning how to express yourself or helping others to do so, these courses can provide the knowledge you need to take the next step in your career.

ENGLISH AS A SECOND LANGUAGE

Certificate IV In Teaching English to Speakers of Other Languages (TESOL)

CRICOS CODE 076118B **NATIONAL CODE** 40649SA

This course provides the and knowledge for designing and delivering an English language training program for learners from Culturally and Linguistically Diverse backgrounds(CALD). This course has a strong focus on developing and using a range of adult teaching methods to assist learners to develop and improve their reading, writing, listening and speaking skills. TESOL methods are used in developing English language skills, through grammatical concepts and traditional metalanguage while developing and enhancing skills in cross cultural awareness.

Career examples: TESOL teacher

DURATION: 6 Months **COST:** \$4,000

> **ENTRY** Year 11 and an academic IELTS score of 6.5 overall, with 6.5 in all macroskills or equivalent and interview.

APPLICATION TO UNIVERSITY

Certificate IV in English Proficiency

CRICOS CODE 086020G **NATIONAL CODE** 10270NAT

This flexible program is suitable for upper intermediate level students for whom English is an additional language, or international students (IELTS 5.5 / ISLPR 2+ and above in speaking, listening, reading and writing). The course is responsive to individual needs and is taught by teachers with wide experience and specialist skills in this area.

DURATION: 6 Months **COST:** \$7,000

> **ENTRY** Year 11 equivalent and Academic IELTS Score of 5.5 overall and 5.0 in all bands or equivalent.

APPLICATION TO UNIVERSITY

ELECTRICAL AND ELECTRONICS

WORK ON THE TECHNICAL ASPECTS OF ELECTRONIC AND COMMUNICATION SYSTEMS

Electronic technology is essential in our society. It enables communications, entertainment, transport, health and safety systems. It also facilitates the creativity and productivity of the community. As a TAFE SA student, you'll gain practical skills in the design and implementation of hardware and software for electronics and communication systems.

ELECTRONICS AND COMPUTER SYSTEMS

Diploma of Computer Systems Engineering

CRICOS CODE 078300K **NATIONAL CODE** UEE50111

Learn how to assemble and test computers, install and configure Operating Systems and connect electronic and computer equipment to a network. Build electronic circuits, program microcontrollers in assembly language and other programming languages. Support customers in larger businesses, troubleshoot simple server and networking problems and provide technical advice/sales.

Career examples: Work as a computer systems technician, customer support or computer operator. You may be maintaining, repairing, installing electronic and computing equipment in a workplace or troubleshooting networking and servers in large organisations.

Diploma of Computer Systems Engineering

DURATION: 2 Years **COST:** \$27,500

> **ENTRY** Year 12 and academic IELTS score of 5.5 overall with a minimum of 5.0 in all bands or equivalent

Diploma of Electronics and Communications Engineering

CRICOS CODE 078960G **NATIONAL CODE** UEE50511

DURATION 2 Years **COST** \$27,500

This qualification leads to the application of electronic components and computers to enable technologies like mobile communications, medical devices, mining equipment, robotics and more. You develop skills to select, commission, maintain and diagnose malfunctions of electronic subassemblies and systems.

Career examples: Work as a technical officer in the rapidly-growing electronics industry and related areas like defence, mining, biomedical and communications. You may be commissioning and maintaining medical equipment or supervising production line activities in a manufacturing environment.

> **WORK PLACEMENT** 36 HRS

> **ENTRY** Year 12 and academic IELTS score of 5.5 overall with minimum of 5.0 in all bands or equivalent.

Advanced Diploma of Electronics and Communications Engineering

CRICOS CODE 078959M **NATIONAL CODE** UEE60211

DURATION 2.5 Years **COST** \$35,000

This qualification leads to the application of electronic components and computers to enable technologies like mobile communications, medical devices, mining equipment, robotics and more. You develop skills to test, modify, design and integrate hardware and software in complex electronics systems.

Career examples: Work as a technical officer in the rapidly growing electronics industry and related areas like defence, mining, biomedical and communications. You may commission and maintain communications equipment for traffic control or design test jigs for new products in a manufacturing environment.

> **WORK PLACEMENT** 72 HRS

> **ENTRY** Year 12 and academic IELTS score of 5.5 overall with minimum of 5.0 in all bands or equivalent.

ENGLISH LANGUAGE INTENSIVE COURSES FOR OVERSEAS STUDENTS (ELICOS)

TAFE SA offers a range of flexible and intensive English Language programs for international students. Students can develop their English language skills to prepare for study, employment, professional registration or to increase their IELTS level. Successful completion of a TAFE SA English Language course can provide entry to a range of undergraduate and postgraduate programs at South Australian and Australian Universities.

TAFE SA's English Language Centre offers personalised attention and small classes, affordable fees, intensive teaching with quality resources and facilities, flexible start times and program durations, experienced teachers and central city location.

General English

CRICOS CODE 064265A

General English is designed for international students and holders of other temporary visas who wish to improve their English. General English develops students' general English skills with a focus on: developing listening, speaking, reading and writing skills from elementary to advanced level, developing vocabulary, improving grammar and building communication skills.

Students are assessed on arrival and placed into the appropriate level class from elementary to advanced. Actual course duration and cost will depend on their English level, goals and pathway.

DURATION: 10-40 Weeks **COST:** \$14,000

> **ENTRY** Elementary and above. Not beginners - assessment on arrival for class placement.

English for Academic Purposes 10

CRICOS CODE 073621M

English for Academic Purposes (EAP) is designed for students with good English Language skills (upper intermediate level) who need to improve their skills for study at TAFE SA or University. English for Academic Purposes focuses on developing high-level academic skills writing, listening and note taking, reading and comprehension, building research skills, academic language for oral presentations and seminars, study skills and group work, developing grammar, topic pronunciation and computer literacy and building academic vocabulary for future study.

DURATION: 10 Weeks **COST:** \$3,500

> **ENTRY** Academic or general overall score of 5.0 IELTS, with a minimum of 5.0 in reading and writing, and 4.5 for listening and speaking or equivalent.

UNIVERSITY
APPLICATION
TO UNI SA

English for Academic Purposes 20

CRICOS CODE 064266M

English for Academic Purposes (EAP) is designed for students with good English Language skills (upper intermediate level) who need to improve their skills for study at TAFE SA or University.

English for Academic Purposes focuses on developing high-level academic skills, writing, listening and note taking, reading and comprehension, building research skills, academic language for oral presentations and seminars, study skills and group work, developing grammar, topic pronunciation and computer literacy and building academic vocabulary for future study.

DURATION: 20 Weeks **COST:** \$7,000

> **ENTRY** General or academic IELTS score of 4.5 with a minimum of 4.5 in all bands. Any student wishing to enter an award course which requires 6.0 IELTS or equivalent entry will need to enter EAP 20 with 5.0 IELTS in all bands.

UNIVERSITY
APPLICATION
TO UNI SA

English for Academic Purposes (Advanced)

CRICOS CODE 086001K

English for Academic Purposes (Advanced) is designed for students who need to develop their English language skills for university study at undergraduate and/or postgraduate level. Students develop the English language skills needed for further education including lecture note taking, presentation and group discussion skills and planning essays and assignments. Students are introduced to and become familiar with the vocabulary specific to their chosen study field. The course will expose students to a University-style learning environment which includes research tasks, group presentations, tutorials and seminars. Students attend University lectures, meet academic and university staff and go on familiarisation tours of a University campus ensuring that they are ready for their University career. TAFE SA offers a highly supportive study environment where students develop high level English skills through small classes and highly interactive teaching. With continuous assessment throughout the course, students receive regular feedback and timely intervention to make sure that they achieve the English language skills and outcomes that they need. Successful completion of the EAP Advanced course can provide a direct pathway to undergraduate and postgraduate courses at the University of South Australia.

Successful completion of EAP Advanced (Part 1-10 weeks with a Pass result) provides entry to a range of undergraduate courses with an entry of IELTS 6.0 (in reading and writing) at the University of South Australia. Successful completion of EAP Advanced (Part 2-10 weeks, with a Pass result) provides entry to undergraduate and postgraduate courses with an entry of IELTS 6.5 (minimum in reading and writing) at the University of South Australia. Applicants should confirm the English Language entry requirements for their selected course with TAFE SA, their preferred University or education provider.

DURATION: 10-20 Weeks **COST:** \$7,000

> **ENTRY** General or academic IELTS score of 5.5 overall with minimum of 5.5 in reading and writing and 5.0 in listening and speaking or equivalent for 20 weeks duration or general or academic IELTS score of 6.0 overall with a minimum of 6.0 in reading and writing and 5.5 in listening and speaking or equivalent for 10 weeks duration. Satisfactory completion of Year 11 or overseas equivalent.

ENGINEERING AND TRANSPORT

FORGE A CAREER IN MINING OR MECHANICAL MAINTENANCE.

Continuous technological changes in light vehicles make for exciting careers in the automotive industry. Mining and exploration offer many rewarding careers.

TAFE SA provides industry-leading education for the mining and automotive industries. Our courses range from entry-level training to advanced courses for para-professionals, and pathways to university. You'll have access to the latest technology and equipment as you build skills and knowledge. Links with industry provide you with opportunities to gain real-world experience in the workplace as you learn.

MINING AND EXPLORATION

Certificate III in Mining Exploration

CRICOS CODE 089822D **NATIONAL CODE** R1130515

Pursue a challenging career in the outdoors. Geoscience field assistants work alongside geoscientists in various areas of mineral, oil and gas exploration undertaking various geological duties in the field and office.

Career examples: This course aims to train you to become geoscience field assistants. Geoscience field assistants work alongside geoscientists in various areas of mineral, oil and gas exploration undertaking various geological duties in the field and office.

Diploma of Applied Geosciences

CRICOS CODE 081629C **NATIONAL CODE** 10263NAT

Start your rewarding career in mineral or oil and gas exploration that can take you anywhere in the world. Employers include petroleum or mineral exploration companies, mining companies, geological or geophysical consulting firms or government organisations. This course can be a pathway towards a university degree. Credit arrangements exist with the University of Adelaide and Flinders University.

Career examples: You will graduate from this diploma as a geotechnician, able to undertake various paraprofessional geological duties in the field and office. Employers include petroleum or mineral exploration companies, mining companies, geological or geophysical consulting firms or government organisations.

Certificate III in Light Vehicle Mechanical Technology

CRICOS CODE 091597A
NATIONAL CODE AUR30616

This course examines service and repair of mechanical, electrical and electronic components and systems associated with light vehicle engines, suspension, steering, braking, transmissions, ignition and electrical accessory systems and related components. Tasks also include discussing problems with customers to detect faults through various diagnostic procedures and use of specialised diagnostic equipment. The introduction of electronic control for engine, emission and dynamic vehicle control systems has given an added dimension to the complexity of this traditional motor mechanic work.

Career examples: Light vehicle mechanical technician.

Certificate IV in Automotive Mechanical Diagnosis

CRICOS CODE 091649E
NATIONAL CODE AUR40216

This course is aimed at technicians who have completed a Certificate III in an automotive trade and wish to gain a higher level of skills in the diagnosis of complex vehicle systems. This course provides a higher level of training in the areas of analysis and evaluation of various automotive systems, including engines, brakes, transmission, steering and suspension. Various automotive electrical systems are also included, as well as engine management, vehicle safety systems and hybrid vehicles.

Career examples: Master technician, workshop foreman.

Diploma of Automotive Technology

CRICOS CODE 091697G
NATIONAL CODE AUR50116

This qualification covers the skills and knowledge required to diagnose, analyse, evaluate, design and modify automotive electrical and mechanical systems. It is suitable for those working in the automotive service and repair industry at the forefront of the implementation of new technologies. Units also covered in the Diploma include preparing technical reports, dynamometer testing of engines and vehicles and modification to mechanical systems.

Career examples: Advanced diagnostic technician, automotive system designer.

<p>Certificate III in Light Vehicle Mechanical Technology DURATION: 1 Year COST: \$15,000</p> <p>> ENTRY Year 10 equivalent and academic IELTS score of 5.5 overall with minimum of 5.0 in all bands or equivalent.</p> <p>> WORK PLACEMENT 152 HRS</p>	<p>Certificate IV in Automotive Mechanical Diagnosis DURATION: 6 Months COST: \$7,500</p> <p>> ENTRY Academic IELTS score of 5.5 overall with minimum of 5.0 in all bands or equivalent. FOOD AND BEVERAGE

Food and cooking are always in demand, leading to a growing range of career opportunities. The TAFE SA Regency International Centre delivers a range of hospitality, food, bakery and patisserie courses to prepare you for careers in food production and preparation and management. Food production can include cooking and baking, as well as working with meat, dairy, seafood, confectionery and food technology. If people skills are your strength, a front-of-house role in a hospitality might be for you.

BAKING AND PATISSERIE

Certificate III in Retail Baking (Combined)

CRICOS CODE 075434J
NATIONAL CODE FDF30710

This course will equip you with the skills and knowledge to work in a range of retail bakery environments from wholesale and commercial bakeries to small independent bakeries. This course covers all areas of sweet and savoury baked-goods production, including cake and sponge making and decoration, bread making, pastry production, preparing biscuits, cookies and meringues, and cake decorating.

Career examples: Certificate level graduates find work in international hotels, catering institutions, small and large bakeries, artisan bakeries, restaurants and cafés.

Certificate IV in Advanced Baking

CRICOS CODE 083068D
NATIONAL CODE FDF40811

This course covers post-trade outcomes for retail bakers, bread makers and pastry cooks. It may be packaged to reflect a specialisation in advanced technical baking skills or in bakery business management skills, or to reflect a combination of both.

Career examples: Retail bakers, bread makers and pastry cooks or in bakery business management skills.

Certificate III in Patisserie

CRICOS CODE 084007J
NATIONAL CODE SIT31113

This course will teach you how to prepare and produce pastries, cakes and yeast goods for commercial use, and prepare you to work with some independence and under limited supervision. You may provide operational advice and support team members.

Career examples: This course provides a pathway to work in various hospitality enterprises where patisserie products are prepared and served, including patisseries, restaurants, hotels, catering operations, clubs, pubs, cafés and coffee shops. Possible job titles include a pastry chef.

Certificate IV in Patisserie

CRICOS CODE 084008G
NATIONAL CODE SIT40713

This course promotes skills for pastry chefs who have supervisory or team leading roles in the kitchen. Pastry chefs operate independently or with limited guidance from others and use discretion to solve non-routine problems and how to control costs. This qualification will equip you with a broad range of advanced cake and dessert finishing skills, including sugar pulling and chocolate designs.

Career examples: Pâtissier, pastry chef or supervisor.

Diploma of Food Processing (Specialising in Baking)

CRICOS CODE 075814G
NATIONAL CODE FDF50110

This qualification covers a range of food processing areas in baking including large scale production of cakes, pastry, biscuits, bread and plant baking. It is suitable for those in senior management, technician or similar roles within food processing industries. It will provide you with extensive skills and knowledge of industry management functions and environments, and the ability to take responsibility for workplace systems.

Career examples: Food processing technician, senior manager.

COMMERCIAL COOKERY

Certificate III in Commercial Cookery

CRICOS CODE 084005M
NATIONAL CODE SIT30813

This course is for commercial cooks who use a wide range of cookery skills. You would use discretion and judgement and have a sound knowledge of kitchen operations. You would work with some independence and under limited supervision and may provide operational advice and support to team members.

Career examples: Commercial cook in a restaurant, hotel or hospital, sous chef in a small hospitality establishment.

Certificate IV in Commercial Cookery

CRICOS CODE 084006K
NATIONAL CODE SIT40413

This course is for commercial cooks who have a supervisory or team leading role in the kitchen. You would operate independently or with limited guidance from others and use discretion to solve non-routine problems.

Career examples: Chef, chef de partie, sous chef in a small hospitality establishment.

Advanced Diploma of Hospitality

CRICOS CODE 084004A
NATIONAL CODE SIT60313

Gain the skills to become a competent manager of a patisserie or your own business. This qualification is for individuals operating at a senior level who wish to use substantial industry knowledge and wide ranging, specialised managerial skills. They operate independently, take responsibility for others and make a range of strategic business decisions.

Career examples: Banquet or function manager, chef de cuisine, chef patissier, kitchen manager, motel manager, restaurant manager, sous chef, unit manager.

BUTCHERY

Certificate III in Meat Processing (Retail Butcher)

CRICOS CODE 081469C **NATIONAL CODE** MTM30813

This course provides students with usable skills and knowledge relevant to the retail butchery industry and offers specialised training in selecting, cutting, trimming, preparing, packing and arranging meat and meat products including primal and specialist cuts for supply and sale. Students learn work practices in retail meat enterprises including health, safety, hygiene, quality and productivity.

Career examples: Butcher shop sales assistant, meat department worker, assistant butcher, meat wholesale worker, boning room assistant.

DURATION: 6 Months **COST:** \$8,000

> ENTRY Year 10 equivalent and academic IELTS score of 5.5 overall with a minimum of 5.0 in all bands or equivalent

Certificate III in Meat Processing (Boning Room)

CRICOS CODE 078357D **NATIONAL CODE** MTM30111

This course covers work activities in the boning rooms or in meat wholesale enterprises which prepare meat cuts from whole carcasses. Graduates may gain employment in independent butcher shops, supermarkets, meat wholesalers, meat boning rooms or catering organisations.

Career examples: Boner, slicer, bandsaw operator.

DURATION: 6 Months **COST:** \$8,000

> ENTRY Year 10 equivalent and academic IELTS score of 5.5 overall with a minimum of 5.0 in all bands or equivalent

Diploma of Food Science and Technology

CRICOS CODE 081468D **NATIONAL CODE** FDF50311

This qualification provides a management level occupational outcome in a technical or quality role in food processing and supporting functions and covers a range of food related industries, including but not limited to: general food processing, meat, seafood, poultry including chicken meat and egg processing, dairy processing, confectionery, beverages, baking and cereals.

Career examples: Food technologist, production manager, quality systems manager, product development team leader, processing systems manager, environmental manager (food processing).

DURATION: 1 Year **COST:** \$9,000

.....
> **ENTRY** Year 12 equivalent and academic IELTS score of 5.5 overall with a minimum of 5.0 in all bands or equivalent

HOSPITALITY AND TOURISM

BUILD A SATISFYING CAREER IN HOSPITALITY AND TOURISM

Food, drink, travel and tourism are always in demand, leading to a growing range of career opportunities. The TAFE SA Regency International Centre delivers a range of hospitality, travel and tourism courses to prepare you for careers in food production and preparation, such as cookery, patisserie and baking. We also have courses in event management and customer service. If people skills are your strength, a front-of-house role in a hospitality or travel business might be for you.

EVENTS COORDINATION

Certificate III in Events

CRICOS CODE 082219B
NATIONAL CODE SIT30612

This course provides you with the skills to work effectively in an assistant role in the event industry. Event assistants provide administrative and on-site support for a wide range of events, from weddings to business conferences to festivals. This qualification will give you the skills, knowledge and abilities to step into an entry level role in the vibrant event industry or continue your event studies to Diploma and beyond.

Career examples: Conference assistant, event assistant, event operations assistant, exhibitions assistant.

Diploma of Events

CRICOS CODE 082220J
NATIONAL CODE SIT50212

This qualification provides skills for individuals who wish to use sound knowledge of event management processes and a broad range of skills to coordinate event operations. When you study the Diploma you will learn how to operate independently and make operational event management decisions, venue selection, conference management, budgeting and team supervision.

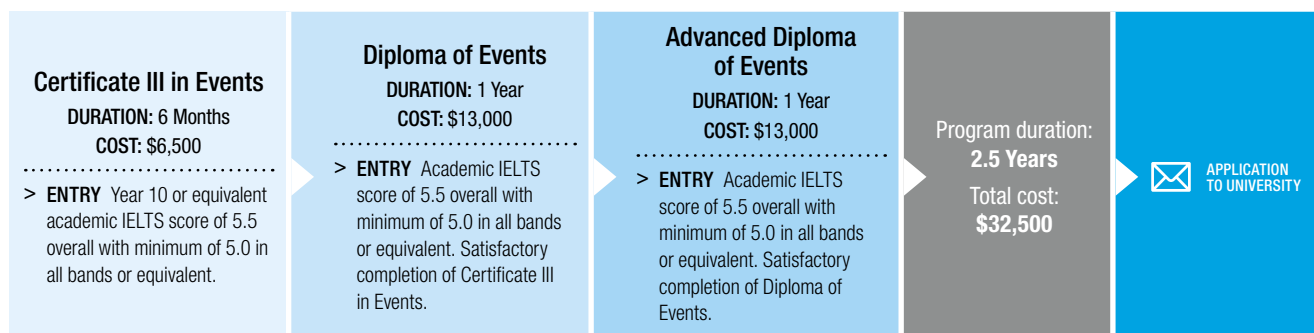

Career examples: Assistant event manager, conference and event coordinator, functions coordinator, conference and event consultant.

Advanced Diploma of Events

CRICOS CODE 082221G
NATIONAL CODE SIT60212

This qualification will prepare you for a management role in events. It will help you develop strong skills in event management processes and combines the specialised skills needed to conceive, plan and stage events with study in event proposals, sponsorship, strategic planning and marketing.

Career examples: Event manager, event sales consultant, event project manager, professional conference organiser.

TOURISM

Certificate III in Tourism

CRICOS CODE 082215F NATIONAL CODE SIT30112

This course provides the skills and knowledge for an individual to be competent in a range of well-developed tourism sales, operational and tour delivery skills. Work would be undertaken in an office environment where the planning of tourism products and services takes place, in the field where tourism products are delivered, or a combination of both. The field includes any destination, local or regional area, tourist precinct, site, attraction or on-board form of transportation. Content meets the needs of skilled operators who wish to apply a broad range of competencies in a varied work context, using some discretion and judgement and relevant theoretical knowledge. They may provide technical advice and support to a team.

Career examples: Reservation sales agent for a tour operator, visitor information officer, inbound tour coordinator, booking agent, sales consultant, museum attendant.

Certificate III in Travel

CRICOS CODE 082214G NATIONAL CODE SIT31312

This course provides you with the skills and knowledge to work effectively in the travel industry. This incorporates administrative skills, operational knowledge of booking systems including airline reservations and fares and ticketing, and customer service and sales skills. This qualification will prepare you for an entry level position in a variety of roles where reservations and sales are required. This can include a retail travel agency, wholesale tour company, tour operator, hotel, or any of the transport options such as airlines, coach and rail operators.

Career examples: Travel consultant, reservations officer.

Diploma of Travel and Tourism

CRICOS CODE 082217D NATIONAL CODE SIT50112

This qualification provides a broad range of managerial skills to coordinate tourism and travel operations or marketing and product development activities. Graduates can operate independently, have responsibility for others and make a range of operational business decisions. This qualification provides a pathway to work in any sector of the tourism and travel industry as a departmental or small business manager. It allows for multiskilling and for specialisation in either operations management or marketing and product development.

Career examples: Tour operations manager, visitor information centre manager, inbound sales manager, incentives manager, retail travel agency manager, marketing and sales manager.

Advanced Diploma of Travel and Tourism

CRICOS CODE 082218C NATIONAL CODE SIT60112

This qualification is for individuals operating at a senior level who wish to use a substantial depth of knowledge of the industry and managerial techniques. They have wide-ranging, specialised managerial skills, operate independently and are responsible for making a range of strategic business decisions. This qualification provides a pathway to work in any sector of the tourism and travel industry as a senior manager.

Career examples: Business development manager, business operations manager, general manager product development, general manager marketing.

2 Years

Total cost:
\$24,500

APPLICATION TO UNIVERSITY

INFORMATION TECHNOLOGY

WORK WITH COMPUTER TECHNOLOGY IN A VARIETY OF SETTINGS AND INDUSTRIES

Information Technology (IT) is now a vital element in most industries and occupations. At TAFE SA you will receive practical, hands-on IT training in small groups. Your qualifications in this area can lead to employment as IT managers, network managers and technicians, software designers, applications and analyst programmers, web designers, and graphics and multimedia professionals. TAFE SA IT courses can also lead to further educational pathways at university.

WEB DEVELOPMENT AND DIGITAL MEDIA

Certificate II in Information, Digital Media and Technology

CRICOS CODE 088894G **NATIONAL CODE** ICT20115

DURATION 6 Months **COST** \$6,500

This course provides or recognises knowledge and skills in a range of fundamental ICT functions using a personal computer. Competencies vary from occupational health and safety, soft skills such as communication, to software and hardware units. Carefully selected additional competencies make up approximately 40% of the qualification to give a wide range of skills.

Career examples: This qualification provides basic digital literacy skills to support a wide range of varying industry occupations.

> **ENTRY** Year 10 equivalent and academic IELTS score of 5.5 overall with minimum of 5.0 in all bands or equivalent.

Certificate III in Information, Digital Media and Technology

CRICOS CODE 088895F **NATIONAL CODE** ICT30115

DURATION 6 Months **COST** \$6,500

This qualification provides the skills and knowledge for an individual to be competent in a wide range of general Information and Communications Technology (ICT) technical functions and to achieve a degree of self sufficiency as an advanced ICT user. People working at this level will support information technology activities in the workplace across a wide range of ICT areas, including technical support, network administration, web technologies, software applications and digital media technologies.

Career examples: This qualification provides digital literacy skills to support a wide range of varying industry occupations.

> **ENTRY** Year 10 equivalent and academic IELTS score of 5.5 overall with minimum of 5.0 in all bands or equivalent.

Certificate IV in Digital Media Technologies

CRICOS CODE 088897D **NATIONAL CODE** ICT40815

DURATION 1 Year **COST** \$11,500

The program provides opportunities to work with new and emerging digital media technology to develop skills in web design, web programming, digital image editing, 2D and 3D modelling and animation, games development, video editing and post-video production. There is a focus on mobile website development with HTML5 and CSS3 for developing mobile-based websites for iPhone/iPad, Android and Windows mobile devices.

Career examples: Graphic designer, web designer, illustrator, multimedia designer, assistant Information and Communications Technology (ICT) specialist.

> **ENTRY** Year 11 equivalent and academic IELTS score of 5.5 overall with minimum of 5.0 in all bands or equivalent.

Diploma of Digital Media Technologies

CRICOS CODE 088899B **NATIONAL CODE** ICT50915

DURATION 2 Years **COST** \$22,000

This qualification provides you with the skills and knowledge to be competent in designing, developing and refining digital media technologies as an independent ICT specialist or as part of a team. It provides the opportunity to work in new and emerging digital media technology areas with skills in web design and development, web programming, advanced image editing, 2D and 3D modelling and animation, introduction to games development, programming for mobile applications, video editing and post video production.

Career examples: Graphic designer, web designer, illustrator, multimedia designer.

> **WORK PLACEMENT** 60 HRS

> **ENTRY** Year 12 equivalent and academic IELTS score of 5.5 overall with minimum of 5.0 in all bands or equivalent.

Diploma of Website Development

CRICOS CODE 088904K **NATIONAL CODE** ICT50615

DURATION 2 Years **COST** \$21,500

This qualification provides you with the skills and knowledge required to design, develop, build and/or manage websites. It provides the opportunity to work with new and emerging web technologies including HTML5, online interactive design and development, Web 2 Tools and mobile devices. The diploma is an 18-month program with an early exit after 12 months at the Certificate IV Web-Based Technologies (ICT40315).

Career examples: Web developer, web development manager, web programmer, website manager, webmaster, web administrator, internet developer.

> **ENTRY** Year 12 equivalent and academic IELTS score of 5.5 overall with minimum of 5.0 in all bands or equivalent.

<p>Certificate III in Information, Digital Media and Technology DURATION: 6 Months COST: \$6,500</p> <p>> ENTRY Year 10 equivalent and academic IELTS score of 5.5 overall with minimum of 5.0 in all bands or equivalent.</p>	<p>Certificate IV in Digital Media Technologies DURATION: 6 Months COST: \$5,750</p> <p>> ENTRY Year 11 equivalent and academic IELTS score of 5.5 overall with minimum of 5.0 in all bands or equivalent.</p>	<p>Diploma of Digital Media Technologies DURATION: 1 Year COST: \$11,000</p> <p>> ENTRY Year 12 equivalent and academic IELTS score of 5.5 overall with minimum of 5.0 in all bands or equivalent.</p>	<p>Program duration: 2 Years Total cost: \$23,250</p>	 APPLICATION TO UNIVERSITY

NETWORK AND ADMINISTRATION

Certificate IV in Information Technology

CRICOS CODE 088902A **NATIONAL CODE** ICT40115

DURATION 1 Year **COST** \$11,500

This certificate is designed to provide a wide range of general Information and Communications Technology (ICT) skills and knowledge. The general stream provides specialisation in information technology activities across a range of digital media technologies. This program provides a range of skills required for employment in the ICT, and digital media industry, including skills in information technology hardware, networking using CISCO and Microsoft technologies and virtual machines.

Career examples: IT support technician, database and systems administrator, IT security.

> **ENTRY** Year 11 equivalent and academic IELTS score of 5.5 overall with minimum of 5.0 in all bands or equivalent.

Certificate IV in Information Technology Networking

CRICOS CODE 088896E **NATIONAL CODE** ICT40415

DURATION 1 Year **COST** \$11,500

This course will equip you with the skills to design, plan, administer and manage IT networks from home and small offices to enterprise-wide network infrastructure. The program provides a high-level IT technical base with the ability to specialise in Microsoft and Linux server operating systems, voice, wireless (Aruba), network infrastructure (Cisco CCNA, Cisco Security), virtualisation technologies (VMware, Hyper V) and sustainability.

Career examples: Systems administrator, IT security, IT support technician.

> **ENTRY** Year 12 equivalent and academic IELTS score of 5.5 overall with minimum of 5.0 in all bands or equivalent and Certificate IV in Information Technology.

Diploma of Information Technology Networking

CRICOS CODE 088898C **NATIONAL CODE** ICT50415

DURATION 1.5 Years **COST** \$16,500

This qualification provides you with the skills you need to gain employment in the management or specialist IT fields. Learn about the administration and installation of network switches and routers, security issues, hardware and software faults, database enabling, operating systems, configurations, network systems, networking monitoring and e-business. Included in this qualification are units covering CISCO Networking Academy – CISCO Systems accredited training. Students will have an opportunity within this program to complete Microsoft and CISCO certification.

Career examples: Network administrator, IT administrator, IT operations administrator, network services administrator, network support coordinator.

> **ENTRY** Year 12 equivalent and academic IELTS score of 5.5 overall with minimum of 5.0 in all bands or equivalent.

Advanced Diploma of Computer Systems Technology

CRICOS CODE 088901B **NATIONAL CODE** ICT60515

DURATION 2 Years **COST** \$22,000

This qualification provides you with the skills and knowledge to be competent in hardware and networking, software programming and web development. A person with this qualification would participate effectively in WHS communication and consultative processes, implement and monitor environmentally sustainable work practices, determine and confirm client business requirements, contribute to copyright, ethics and privacy in an IT environment.

Career examples: IT support technician, database and systems administrator, IT security.

> **WORK PLACEMENT** 60 HRS

> **ENTRY** Year 12 equivalent and academic IELTS score of 5.5 overall with minimum of 5.0 in all bands or equivalent and Certificate IV in Information Technology.

Advanced Diploma of Network Security

CRICOS CODE 088900C **NATIONAL CODE** ICT60215

DURATION 2 Years **COST** \$22,000

Develop the skills required to protect Information Technology (IT) infrastructure from external threats and manage networks. When you complete this qualification, you'll have advanced skills in areas such as networking, network administration, risk management, virtualisation, security fundamentals, firewalls and network infrastructure.

Career examples: e-security specialist, ICT security specialist, IT security administrator, systems/ network administrator, network security specialist, senior network administrator, systems security analyst.

> **ENTRY** Year 12 equivalent and academic IELTS score of 5.5 overall with a minimum of 5.0 in all bands or equivalent.
