Make tomorrow better

ON CAMPUS. ON TRACK.

MESSAGE FROM VICE-CHANCELLOR OF CURTIN UNIVERSITY

As Curtin's Vice-Chancellor, I am pleased to welcome you to Western Australia's largest and most multi-cultural university. We have a strong commitment to international engagement with Australia's third largest international student population. We maintain campuses in Malaysia and Singapore while also conducting face-to-face teaching in a number of countries. This cultural diversity adds a rich and valuable dimension to our campus atmosphere and also prepares our graduates to live and work in an increasingly global environment.

We have a long standing commitment to indigenous education and culture and have the highest enrolment of Indigenous Australians of any university in the country. Our Centre for Aboriginal Studies is recognised as a national leader in its field and we were the first university in Australia to sign a Statement of Reconciliation.

We are widely recognised for the practical and applied nature of our courses, which equip graduates with essential skills through exposure to industry and business, and our research, which focuses on solving real world problems. This combination enables our graduates to be effective in the workplace immediately upon graduation.

Curtin is a vibrant international institution with an exciting future and I invite you to join with us as we move forward.

Deborah Terry
Vice-Chancellor of Curtin University

MESSAGE FROM THE COLLEGE DIRECTOR AND PRINCIPAL OF CURTIN COLLEGE

Thank you for your interest in Curtin College and its broad range of courses. Since 2000, Curtin College has been privileged to be the preferred on-campus pathway college for students wanting a Curtin University bachelor degree.

Our vision is to transform lives through Curtin focussed learning. To achieve this vision we provide access to an extensive range Curtin focussed higher education diplomas that meet the needs of our students in a rapidly changing global context. Our study environment is student-focussed, supportive and has a long track record of success.

At Curtin College, you will find a passionate community of staff dedicated to making your student experience rewarding and enjoyable. The College offers courses and support programs designed to provide you with the qualifications and skills to help you succeed in your chosen discipline at Curtin.

The success of Curtin College students and their graduation from Curtin University demonstrate how much our students benefit from the teaching model, learning support, pastoral care, campus facilities and student experience provided at the College.

We look forward to helping you achieve your goals.

Andrew Crevald
College Director and Principal of Curtin College

CURTIN UNIVERSITY

Make tomorrow better.

As one of the world's top 50 universities under 50 years of age (now ranked 40/50 for 2014-15), Curtin University provides its students with a fresh, global perspective.

The University offers a wide range of courses at undergraduate, postgraduate and doctoral levels across the disciplines of business, humanities, science and engineering, and health sciences. Combining theory with practical study, the University produces career-ready graduates able to benefit from national and international accreditation applicable to many of the courses.

The University's recent history is one distinguished by multimillion-dollar investments in student and research facilities across the University's four study areas, often realized through partnerships with government and industry leaders.

A GLOBAL UNIVERSITY WITH BIG IDEAS

In addition to the flagship campus in Perth, Western Australia, Curtin have campuses in Singapore and Sarawak. Regardless of the Curtin campus you choose, you'll be well placed to launch or further your professional career in this growing region and beyond.

INDUSTRY-RELEVANT COURSES WITH INTERNATIONAL RECOGNITION

Curtin offers a wide range of programs to turn your passion into a rewarding career. We feel it's important our students are ready to make a difference from day one, which is why many of our degrees combine theory with applied work placements.

You'll go beyond the classroom and see your ideas come to life. Experience the excitement of stock trading in the Curtin Business School Trading Room, envision the clean energy source of tomorrow in the A\$116 million Resources and Chemistry Precinct, join the research efforts against the spread of chronic diseases in the A\$35 million CHIRI Biosciences Research Precinct or compose the next piece of modern art in the multimillion-dollar digital creativity labs.

Curtin's programs are regularly reviewed by industry, business and government, ensuring what you learn has been catered for today's changing global market. With many of Curtin's degrees backed by national and international accreditation, you'll graduate career-ready.

WHY CURTIN COLLEGE?

We are on campus at Curtin University, so you will be experiencing all the university has to offer right from day one.

Curtin College's flexible approach to entry requirements makes it an open and accessible institution, serving the needs of a diverse range of students. Our highly qualified, friendly and committed staff provide personal support to all students ensuring academic success and an enjoyable, memorable experience.

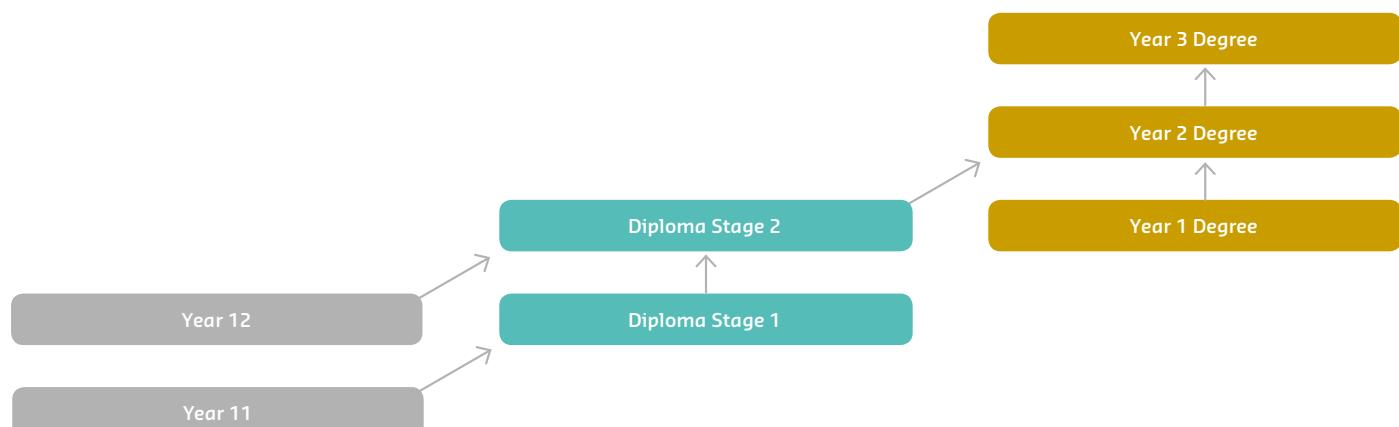

YOUR PATHWAY TO CURTIN UNIVERSITY

Since 2000, Curtin College has established itself as the major pathway to Curtin University, Western Australia's largest university. Located on the main Curtin campus in Perth, Western Australia, Curtin College has produced over 7,000 students who have successfully progressed to the second year of a bachelor degree at the University. Curtin College is a Registered Training Organisation (RTO) and higher education provider offering Curtin University units.

THE ADVANTAGES OF STUDYING AT CURTIN COLLEGE:

- The College is located on the main campus at Curtin University, providing access to Curtin's extensive range of resources and facilities.
- Students studying first year units will gain a Diploma qualification, as well as entry into the second year of their chosen bachelor degree at Curtin University.
- Fast-track options are available, with the trimester system offering three intakes per year.
- Smooth transition to year 2 at Curtin University.
- Small class sizes and a range of study support services to prepare you for university studies.
- Cultural diversity –around 1,200 students from 40 countries.

THE CURTIN COLLEGE PATHWAY TO YOUR CURTIN UNIVERSITY DEGREE.

HIGH SCHOOL

CURTIN COLLEGE

CURTIN UNIVERSITY

SUPPORT WHILE YOU STUDY

We're here for you, every step of the way.

Curtin College students can attend a number of support classes and workshops at no extra cost. This additional support serves to enhance your performance at the College and better prepare you for future study at the University.

ACADEMIC MASTER SERIES WORKSHOPS (AMS)

The aim of these workshops is to develop and build on your skills in key areas necessary to succeed at university such as time management, referencing, report writing, essay writing, and academic writing. They help to develop your confidence, to make your learning easier and more effective, and to increase your understanding of the university environment and expectations of lecturers.

ACADEMIC DROP IN SESSIONS

At the Drop in sessions, Curtin College students are able to get individual assistance with the preparation and presentation of assignments, referencing, language skills and general study skills. You can drop in at any time during the sessions to speak to an academic advisor.

ACADEMIC PEERS

Help is always on hand and you can count on support from your peers too. The Academic Peers program is made up of high achieving students who are happy to assist you in your subjects. This is a great way to get advice from other students to cope with the work-load and to form study groups.

ON-CAMPUS ENGLISH LANGUAGE DEVELOPMENT

Once enrolled at Curtin College, the following English support sessions are available and may be required for some students. These classes can be studied alongside your main study program.

ACADEMIC LANGUAGE ENGLISH PROGRAM (ALEP)

ALEP is a free 9 week program offered to Diploma students to help further develop their academic and English language skills. It is offered in all course areas and may be required for students who score poorly in the entry English language test. ALEP focuses on the 4 language skills of listening, speaking, reading and writing; and grammar.

ENGLISH SUPPORT PROGRAM (ESP)

Students enrolled into ESP are at the start of their tertiary studies in Stage 1 of their Diploma and a lot of effort is put into setting the foundation for the successful progression into university. The aim of this unit is to develop students' ability to communicate clearly in English in an academic environment. Students will be provided with a variety of text types, and will be given practice in developing their own use of English language skills. This unit also aims to develop students' independence as learners, looking at some of the ways students can become more effective, autonomous learners.

FREQUENTLY ASKED QUESTIONS

HOW DO I PROGRESS TO THE SECOND YEAR AT CURTIN UNIVERSITY?

Curtin College Diploma graduates must meet the minimum academic requirements to articulate with advanced standing into Year 2 of the corresponding bachelor degree at Curtin University.

Each study program has progression requirements in which students must achieve a minimum specified course average in order to progress to the next course in their packaged offer. Failure to meet these progression rules will instigate individual academic counselling. Some diploma courses may have additional progression requirements that need to be met in order to advance to the Curtin degree.

If a student does not pass the required diploma units (200 credits), progression may not be possible, resulting in an extended study period and/or transfer to an alternative program of study, in order to complete the Curtin College diploma.

HOW DOES THE TRIMESTER AND FAST-TRACK SYSTEM WORK?

For the Diplomas of Commerce, Built Environment, and Arts & Creative Industries, the academic year is divided into three 13-week trimesters as follows:

- Trimester one: February to June
- Trimester two: July to September
- Trimester three: October to January.

The flexibility of the trimester system allows dedicated students to fast-track some Curtin College courses, reaching their desired degree at Curtin University sooner. Students who prefer a more gradual transition into university may be able to extend their studies over three trimesters, ensuring completion of the course within a 12-month period.

	TRIMESTER 1	TRIMESTER 2	TRIMESTER 3	TIME AT CURTIN COLLEGE
FAST-TRACK				
Stage 1	3 units	4 units		8 months
Stage 2	4 units	4 units		8 months
STANDARD				
Stage 1	3 units	2 units	2 units	12 months
Stage 2	3 units	3 units	2 units	12 months
MIXED PROGRAMS				
Stage 2	English & 1 unit	3 units	4 units	12 months

Please note: Early completion of a Curtin College program may alter the total packaged course duration.

For Diplomas of Health Sciences, Information Technology and Engineering, the academic year follows Curtin University's semester calendar:

- Semester one: March to June
- Semester two: August to November.

Please refer to the course pages for the intakes available for each course.

WHAT WILL MY TIMETABLE BE LIKE?

It is essential that you attend orientation in order to formulate your preferred timetable. Subject to availability at the time of enrolment/during orientation, you may select your desired timetable.

HOW WILL I BE TAUGHT?

Students at the College are exposed to a variety of teaching methods designed to promote a stimulating learning experience. Lecturers provide an outline for each unit of study, and ensure students acquire the relevant knowledge and skills. Lecture groups average between 30 and 50 students. The smaller class sizes at Curtin College ensure lecturers are able to get to know your personal study needs and will normally have more contact hours than in the equivalent undergraduate classes at the university.

Tutorials and seminars are designed to complement the preceding lectures and provide a workshop environment to ensure students receive dedicated attention from the lecturers.

Every effort is made to ensure academic success, however students are expected to undertake private study, usually six to eight hours of additional study per week, per unit.

HOW WILL I BE ASSESSED?

Students can expect a combination of written examinations, assignments, essays and presentations, depending on the area of study. Participation in seminars and tutorials is also taken into consideration. Coursework may include group projects and practical work.

CAN I GET CREDIT FOR PREVIOUS STUDY AND EXPERIENCE?

Credit for Recognised Learning (CRL) enables students to complete specified Diploma courses in a shorter time than normal and is usually based on successful completion of equivalent units of study at another institution. Applications for CRL's should include unit outlines (syllabus) and certified copies of any academic transcripts.

Curtin College also recognises the skills and knowledge students may have gained from life experiences, work experience and any training provided through previous employment. Requests for CRL should be made at the time of application and prior to arrival in Australia to ensure that correct visas are issued. Approval of CRL after the student visa has been granted may require the College to report the change of course duration under Section 19 of the ESOS Act. The granting of a Curtin College Diploma is contingent on students having studied a minimum of 75 Stage Two credit points of the course at the College.

WHAT IS A PACKAGED OFFER?

Curtin College provide a packaged offer that leads to your bachelor degree at Curtin University. Curtin College package diplomas to single degrees, however if you wish to enrol in a double degree, you can do so by applying to Curtin at the end of your diploma. Current visa regulations allow students who wish to study a preliminary course(s) and a principal course (e.g. Diploma followed by a bachelor degree) to apply to have their program of study packaged onto one visa. Course packaging allows students to complete more than one course without having to re-apply for student visas or leave Australia to make the relevant applications. Students simply apply for a visa associated with the principal course. The visa granted will be for the duration of all courses within the packaged offer, provided you have been issued with an electronic Confirmation of Enrolment (eCoE) for each course.

COURSES

What you need to know

WHAT COURSES ARE OFFERED AT CURTIN COLLEGE?

Curtin College offer a range of qualifications, which lead to the second year of selected Curtin bachelor degrees. Study areas include:

- Architecture, Construction & Built Environment
- Business & Commerce
- Communications, Design & Arts
- Computer Science & Information Technology
- Engineering
- Health Sciences
- Social Sciences
- Urban & Regional Planning

Curtin College diplomas are in two stages. Where you start will depend on your qualifications.

PRE UNIVERSITY LEVEL

(For students who have completed Year 11 or equivalent)

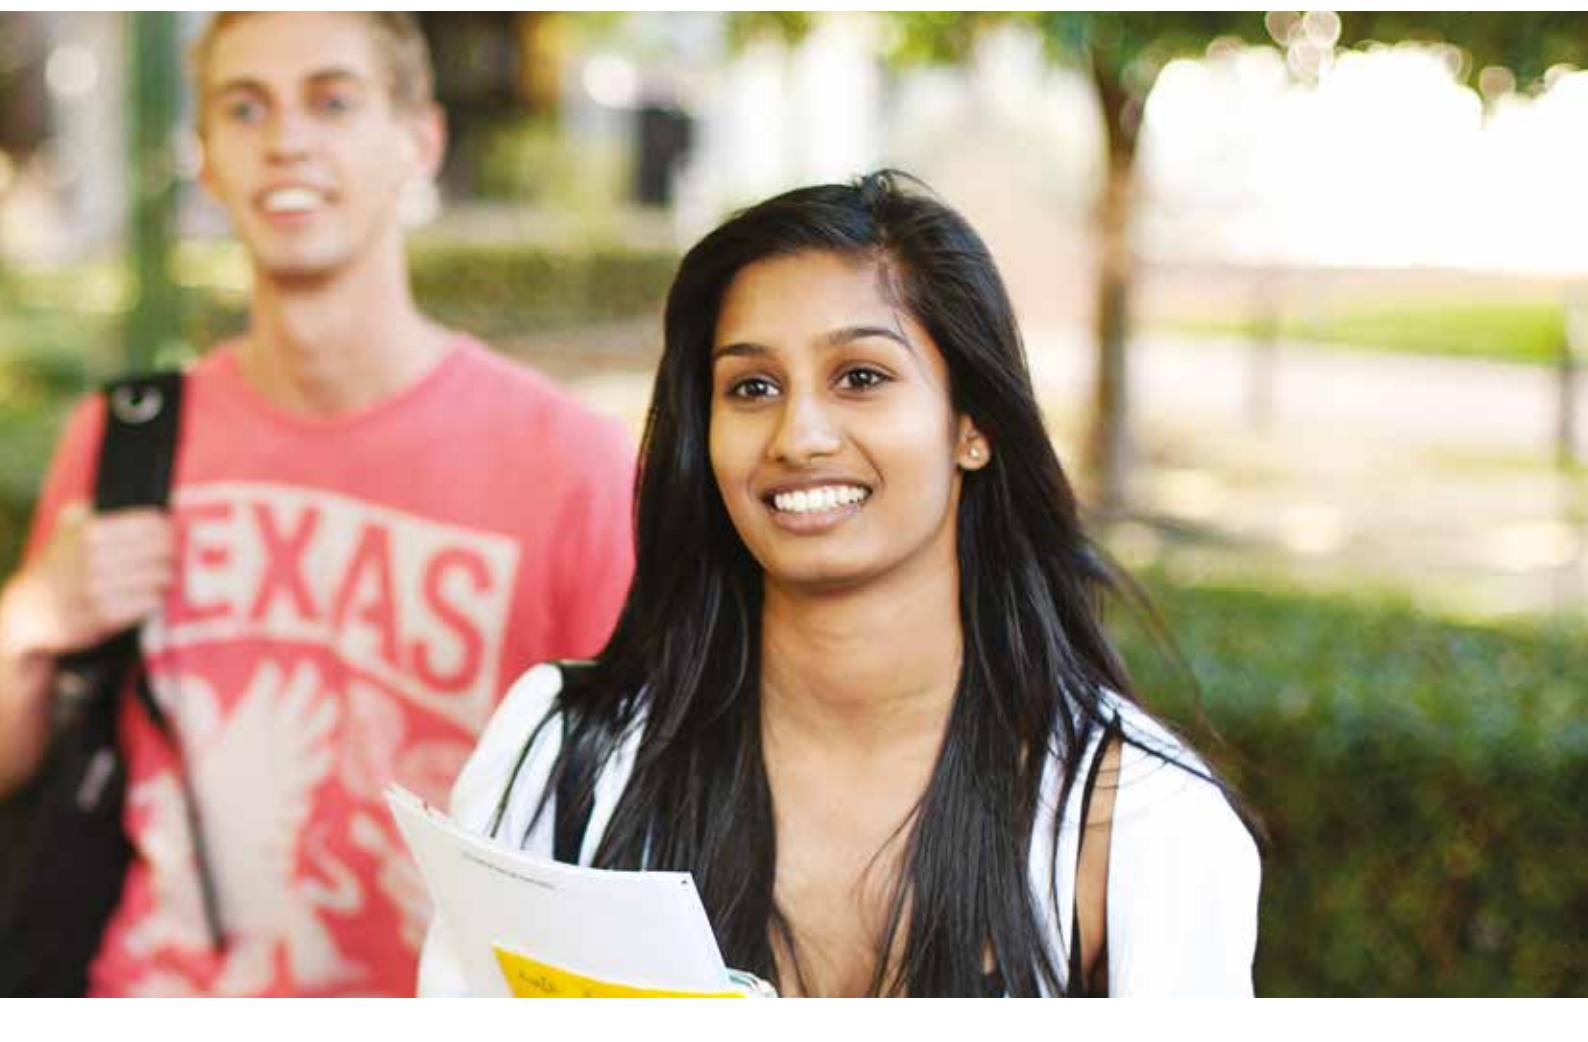

Diploma (Stage 1)

Students who are not eligible for entry into the Stage 2 Diploma may complete the Stage 1 Diploma prior. 7 pre-university level units are studied over two or three trimesters. 4 course-specific units must be completed along with 3 core units.

Progression to Stage 2 Diploma requires the achievement of qualifying grades varying from 50% to 65%.

**CURTIN IS RANKED
IN THE TOP 2%** OF UNIVERSITIES
WORLDWIDE

Academic Rankings of World Universities 2014

UNIVERSITY LEVEL

(For students who have completed Year 12 or equivalent)

Diploma (Stage 2)

The Stage 2 Diploma consists of 8 or 9 university level units studied over 2-3 study periods* and has the same course content and structure as year one of the corresponding Curtin University undergraduate degree.

Students who successfully complete a Curtin College Diploma, and who have met the minimum academic entry requirements, are able to enter the corresponding undergraduate degree at Curtin University with advanced standing.

The Diplomas of Commerce, Built Environment and Arts & Creative Industries are taught in Curtin College classrooms. The Diplomas of Engineering, Health Sciences and Information Technology are primarily taught by Curtin College, along with a small number of shared Curtin University classes.

**Diploma courses are completed over three trimesters or two semesters (12 months), depending on the course chosen. Students studying on the trimester system may be able to fast-track their studies and complete the Diploma in two trimesters (eight months). See page 4 for more information.*

Accreditation

Curtin College is a registered higher education provider under Tertiary Education Quality and Standards Agency (TEQSA). TEQSA regulates and assures the quality of Australia's Higher Education Sector (including universities). As a higher education provider, Curtin College adheres to these standards.

Industry Association Memberships

Curtin College is a member of the Australian Council for Private Education and Training (ACPET). ACPET is a national industry association for independent providers of education and training, for Australian and International students. The College is also a member of the Western Australian Private Education and Training Industry Association (WAPETIA) is an association of schools and colleges all dedicated to fair and ethical conduct and the provision of quality education in Western Australia.

BUILT ENVIRONMENT, ARCHITECTURE & CONSTRUCTION

Courses offered by the Department of Built Environment appeal to creative people with an interest in improving living conditions, urban developments, construction and environmentally friendly design.

The Diploma of Built Environment provides entry into four different career paths:

ARCHITECTURAL SCIENCE

This course covers the design of buildings, the technical aspects of building construction, how architecture relates to people and how they live, and the communication of architectural ideas. Students may use the knowledge gained in this course to seek employment within the architectural profession or building industry or continue study to complete the Master of Architecture and meet the requirements for registration as an architect.

INTERIOR ARCHITECTURE

Interior designers design quality environments for a diverse range of users and functions. They coordinate the design and construction of building interiors including commercial, workplace, hospitality, medical, gallery, and retail environments. Interior designers find employment as independent interior design consultants, within interior design practices, as facility managers for large corporations, within architectural firms or, in some instances, working for organisations specialising in specific areas such as lighting design or furniture design and in design education.

CONSTRUCTION MANAGEMENT

Construction Management is structured in a format that relates specifically to the career aspirations of students wishing to work as project managers, quantity surveyors, construction managers, estimators, and contract administrators, preparing students for professional careers in building, construction and related industries.

URBAN & REGIONAL PLANNING

This course has accreditation from the Planning Institute of Australia. The distinguishing characteristic of this course is the use of interdisciplinary knowledge and techniques in addressing environmental, social and design issues concerning the community. The involvement of individuals and community groups in the preparation and implementation of plans is now considered vital to successful development outcomes.

ENTRY INTO CURTIN YEAR 2

**Bachelor of Applied Science
(Architectural Science)**
CRICOS Code 003868A
Remaining duration of degree: 2 years

**Bachelor of Applied Science
(Interior Architecture)**
CRICOS Code: 023967K
Remaining duration of degree: 3 years

**Bachelor of Applied Science
(Construction Management)**
CRICOS Code: 010548C
Remaining duration of degree: 3 years

**Bachelor of Arts
(Urban & Regional Planning)**
CRICOS Code: 003903C
Remaining duration of degree: 3 years

DIPLOMA OF BUILT ENVIRONMENT (STAGE 2)

CRICOS Code 087939G
Intakes: February, July.
Duration: 8 – 12 months (8 units)
Required Core Units (all streams except Construction Management)

- Academic & Professional Communication
- Graphic Communication I
- Technology & Design
- Cities & Suburbs
- Graphic Communication II

Plus 3 specialist units (dependent upon stream):

Architecture/Interior Architecture

- Design Studio I
- Design Studio II
- Architecture and Culture

Urban and Regional Planning

- Construction Industry Management
- Architecture and Culture
- Introduction to Planning

Construction Management

- Academic and Professional Communication
- Building Measurement
- Commercial Construction
- Construction Industry Management
- Construction Law
- Residential Construction
- Site Management
- Structures

DIPLOMA OF BUILT ENVIRONMENT (STAGE 1)

CRICOS Code 087939G
Intakes: February, July and October
Duration: 8-12 months (7 units)
3 core units:

- Academic Communication Skills
- Academic Research and Writing
- Information and Media Technologies

Plus 4 specialist units:

- Business Studies I
- Design Skills II
- Project Management
- Mathematics and Statistics

Median Starting Salary - Architecture:
\$40,000, **Building:** \$55,000, **Interior Architecture:** \$50,000, **Urban and Regional Planning:** \$58,700

BUSINESS AND COMMERCE

Designed to prepare you for the challenges in the global business environment, business and commerce students will study foundation areas of accounting, economics, business law, management, marketing and technology.

Through specialized study in your chosen major at Curtin University, you will gain the theory and practical skills needed to be confident and industry-ready.

The following majors are available: Human Resource Management, International Business, Logistics and Supply Chain Management, Advertising, Banking, Marketing, Management, Business Information Technology, Public Relations, Tourism and Hospitality, Event Management, Business Information Systems, Economics, Entrepreneurship, Accounting, Finance and Business Law.

Curtin Business Administration courses are designed to give you an understanding of the key areas of business administration. The program aims to prepare you for management roles in the private and public sectors, as well as the global environment. In this course you will have special opportunities for developing industry experience through exciting projects.

Median Starting Salary - Accounting: \$50,000, Business Studies: \$48,000, Economics: \$55,000

"During my last year in high school, I started to worry about my future, about where I would study when I am done with secondary school. Whenever there is an education fair nearby, I would go along with my friends and family to spot out what college would be a good choice to go to. It seems that Curtin College has a remarkable reputation. I often hear good things about Curtin College from family, friends, and relatives. Even my agent recommended me Curtin College, since my Malaysian education could not get me straight to University, it would be a good option for me to go to Curtin College first and finish off my Bachelor in Curtin University."

Elton Goh - Valedictorian 2015

ENTRY INTO CURTIN YEAR 2

Bachelor of Commerce
CRICOS Code 013905G
Remaining duration of degree: 2 years

Bachelor of Business Administration
CRICOS Code 018007A
Remaining duration of degree: 2 years

DIPLOMA OF COMMERCE (STAGE 2)

CRICOS Code 087940C
Intakes: February, July, and October
Duration: 8 – 12 months (8 units)
Required Core Units

- Accounting
- Business Information Systems
- Economics
- Business Law
- Management
- Discovering Marketing

Plus 2 specialist units (dependent upon stream):

- Financial Accounting
- Public Relations
- Managerial Accounting
- Consumer Behaviour
- Macroeconomics

DIPLOMA OF COMMERCE (STAGE 1)

CRICOS Code 087940C
Intakes: February, July and October
Duration: 8-12 months (7 units)
3 core units:

- Academic Communication Skills
- Academic Research and Writing
- Information and Media Technologies

Plus 4 specialist units:

- Business Studies I
- Business Studies II
- Mathematics and Statistics
- Project Management

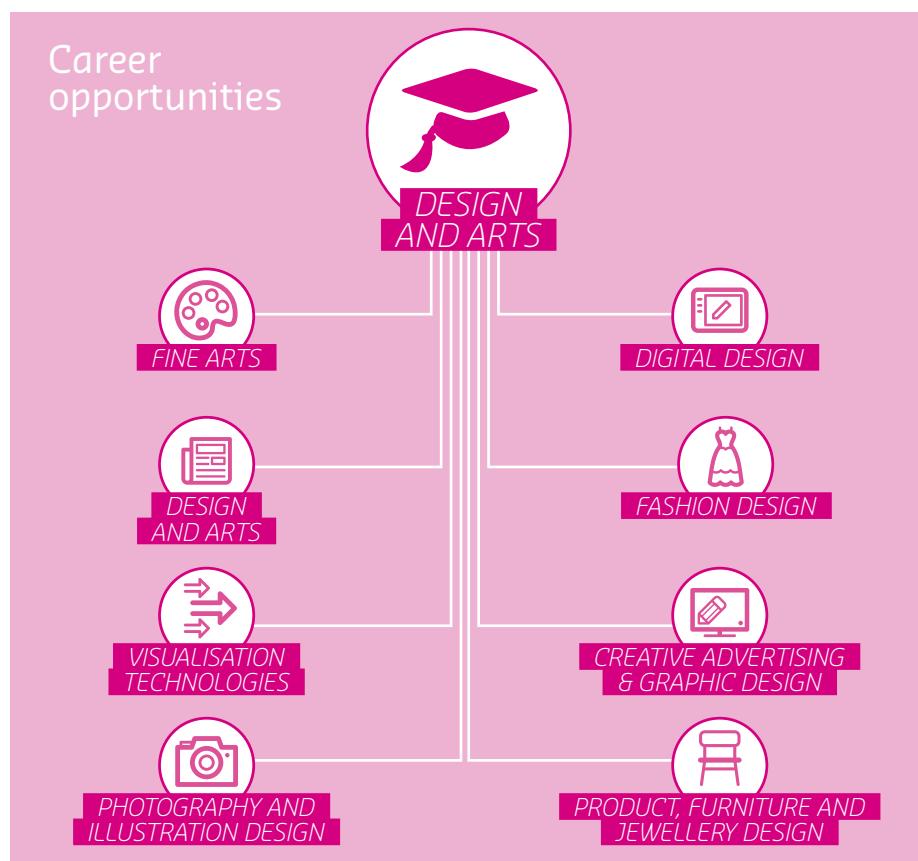

DESIGN AND ARTS

Curtin's Bachelor of Arts encourages creativity, versatility and research, along with strong visual presentation and communication.

The Diploma of Arts and Creative Industries allows students to identify individual skills and interests during the first year, by engaging in a wide range of topics covering the major fields of design practice.

Opportunities exist in professional design agencies, advertising, public relations, marketing, publishing and the media. The following majors are available: Creative Advertising & Graphic Design, Product, Furniture and Jewellery Design (including Product Design, Jewellery Design and Furniture Design), Digital Design, Fashion Design, Fine Art, Photography and Illustration Design, Visualisation Technologies

Median Starting Salary – Humanities: \$45,000

ENTRY INTO CURTIN YEAR 2

Bachelor of Arts (Humanities)
CRICOS Code 068750M
Remaining duration of degree: 2 years

DIPLOMA OF ARTS & CREATIVE INDUSTRIES (STAGE 2)

CRICOS Code 087938G
Intakes: February, July and October
Duration: 8 - 12 months (8 units)
Required Units

- Academic and Professional Communications
- Making Meanings
- Discovering Marketing
- Introduction to Screen Practice
- Design Elements
- Design Principles and Process
- Design Practice
- Art and Creativity

DIPLOMA OF ARTS & CREATIVE INDUSTRIES (STAGE 1)

CRICOS Code 087938G
Intakes: February, July and October
Duration: 8-12 months (7 units)
3 core units:

- Academic Communication Skills
- Academic Research and Writing
- Information and Media Technologies

Plus 4 specialist units:

- Design Skills I
- Design Skills II
- Media, Culture and Communication
- Business Studies 1

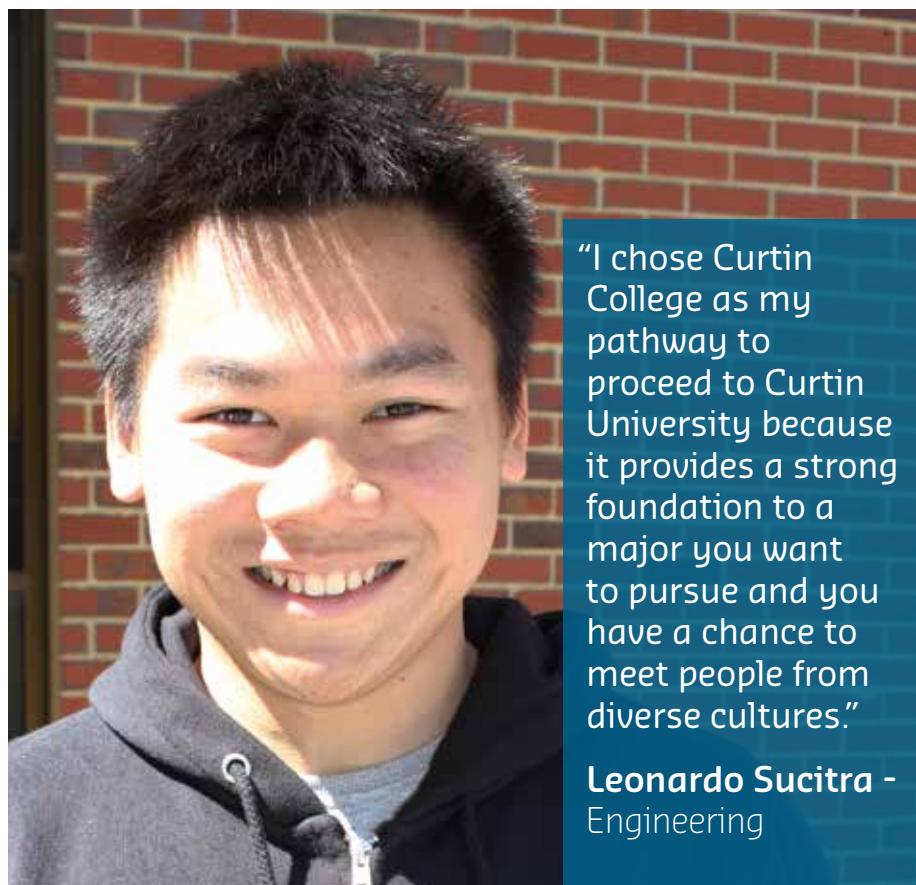

ENGINEERING

The Diploma of Engineering offers students an industry-connected experience, uniquely placed to provide solutions to the challenges faced by the global community.

Upon completion of the Diploma of Engineering, students proceed to one of the following Engineering disciplines: Chemical Engineering, Petroleum Engineering, Electronic and Communication Engineering, Electrical Power Engineering, Computer Systems Engineering, Mechanical Engineering, Mechatronic Engineering, Civil and Construction Engineering, Metallurgical Engineering, Mining Engineering or Environmental Engineering. The Bachelor of Engineering has been accorded full recognition by Engineers Australia.

Median Starting Salary – Electrical Engineering: \$65,000, Electronic Engineering (Computing): \$58,300, Mining Engineering: \$95,000

ENTRY INTO CURTIN YEAR 2

Bachelor of Engineering (Hons)

CRICOS Code 072467B

Remaining duration of degree: 3 years

^Honours will be awarded to students who successfully complete their degree with high academic achievement.

DIPLOMA OF ENGINEERING (STAGE 2)

CRICOS Code 087941B

Intakes: February, July.

Duration: 12 months (8 units).

Required Core Units

- Engineering Mathematics 1
- Engineering Mathematics 2
- Engineering Mechanics
- Engineering Programming
- Academic Communication
- Engineering Materials
- Electrical Systems
- Engineering Foundations: Design & Process
- Engineering Foundations: Principals Communication

DIPLOMA OF ENGINEERING (STAGE 1)

CRICOS Code 087941B

Intakes: February, July and October

Duration: 8-12 months (7 units)

3 core units:

- Academic Communication Skills
- Academic Research and Writing
- Information and Media Technologies

Plus 4 specialist units:

- Mathematics I
- Mathematics II
- Physics I
- Chemistry

HEALTH SCIENCE

EXERCISE, SPORTS & REHABILITATION

This degree is designed to train you to work as a qualified Exercise Science and Rehabilitation professional. You may work in areas related to sport and exercise programs, or in contributing to restoring people's health. You will develop a strong understanding of the human body and human health in your first year. Your subsequent years will be devoted to a more intensive study to further develop your knowledge and skills related to exercise and sports science. You will develop practical skills in laboratory settings which can be applied in a range of settings, working with people from all age groups.

This course can help you become an Exercise or Sports Scientist working with organisations, community groups, teams and individuals in exercise and sports settings as a coach, personal trainer, gym instructor, or exercise scientist evaluating training and performance.

ENTRY INTO CURTIN YEAR 2

Bachelor of Science
(Exercise, Sports & Rehabilitation)
CRICOS Code 077744A
Remaining duration of degree: 2 years

DIPLOMA OF HEALTH SCIENCES (STAGE 2)

CRICOS Code 087942A
Intakes: February.
Duration: 12 months (8 units)
Required Core Units

- Foundations for Professional Health Practice
- Health and Health Behaviour
- Indigenous Culture and Health
- Evidence Informed Health Practice
- Human Structure and Function

Course Specific Units

- Exercise Science Health
- Functional Anatomy
- Foundations of Exercise Science and Rehabilitation
- Introduction to Psychology

DIPLOMA OF HEALTH SCIENCES (STAGE 1)

CRICOS Code 087942A
Intakes: February and July
Duration: 8 – 12 months (7 units)
3 core units:

- Academic Communication Skills
- Academic Research and Writing
- Information and Media Technologies

Plus 4 specialist units:

- Human Biology
- Business Studies I
- Chemistry I
- Mathematics and Statistics

HEALTH SCIENCE

HEALTH SCIENCES STREAM

This program is an excellent choice for students with an interest in health sciences allowing students to design a program that meets their individual interests and needs. You will study units in the broad areas of health science and population health, with a choice of specific units for in-depth learning that suit your interests. The flexibility of this program helps to broaden your employment opportunities in the areas of Health Administration, Health Promotion, Health Research and Education, Environmental Health or Health and Safety. You may also use this program as a preparation course for other undergraduate health programs.

ENTRY INTO CURTIN YEAR 2

Bachelor of Science (Health Sciences)
CRICOS Code 003691K
Remaining duration of degree: 2 years

DIPLOMA OF HEALTH SCIENCES (STAGE 2)

CRICOS Code 087942A
Intakes: February and July.
Duration: 12 months (8 units).
Required Core Units

- Foundation for Professional Health Practice
- Health and Health Behaviour
- Indigenous Culture and Health
- Evidence Informed Health Practice
- Human Structure and Function

Course Specific Units

- Practice of Public Health
- Introduction to Psychology
- Elective Unit 1
- Elective Unit 2

DIPLOMA OF HEALTH SCIENCES (STAGE 1)

CRICOS Code 087942A
Intakes: February, July and October
Duration: 8 – 12 months (7 units)
3 core units:

- Academic Communication Skills
- Academic Research and Writing
- Information and Media Technologies

Plus 4 specialist units:

- Human Biology
- Business Studies I
- Chemistry I
- Mathematics and Statistics

HEALTH SCIENCE

HUMAN BIOLOGY (PRECLINICAL) STREAM

This course is an excellent choice for students who are interested in learning about human anatomy and physiology, biochemistry and development. This course provides a strong foundation for graduate-entry programs in clinical disciplines such as medicine, dentistry, chiropractic, nursing, physiotherapy, occupational therapy, pharmacy, audiology, optometry and speech pathology.

Graduates may also find employment in government and private industry as a research officer, laboratory technician, or science teacher (upon successful completion of a Diploma of Education).

ENTRY INTO CURTIN YEAR 2

Bachelor of Science
(Human Biology Preclinical)
CRICOS Code 064457D
Remaining duration of degree: 2 years

DIPLOMA OF HEALTH SCIENCES (STAGE 2)

CRICOS Code 087942A
Intakes: February
Duration: 12 months (8 units).

Required Core Units

- Foundations for Professional Health Practice
- Health and Health Behaviour
- Indigenous Culture and Health
- Evidence Informed health Practice
- Human Structure and Function

Course Specific Units

- Introduction to Chemistry
- Introduction to Biological Chemistry
- Foundations of Biomedical Science
- Integrated Systems Anatomy and Physiology

DIPLOMA OF HEALTH SCIENCES (STAGE 1)

CRICOS Code: 087942A
Intakes: February and July
Duration: 8 – 12 months (7 units)

3 core units:

- Academic Communication Skills
- Academic Research and Writing
- Information and Media Technologies

Plus 4 specialist units:

- Human Biology • Business Studies I
- Physics • Mathematics and Statistics

HEALTH SCIENCE

LABORATORY MEDICINE STREAM

Studying Laboratory Medicine leads to an exciting career as a professional Medical Scientist. As a Medical Scientist you would be a vital members of the healthcare profession who performs clinical laboratory diagnostic procedures and conducts research essential for the diagnosis, treatment, understanding and prevention of disease.

ENTRY INTO CURTIN YEAR 2

Bachelor of Science
(Laboratory Medicine)
CRICOS Code 064457D
Remaining duration of degree: 3 years

DIPLOMA OF HEALTH SCIENCES (STAGE 2)

Intakes: February and July
Duration: 8 – 12 months (7 units)

3 core units:

- Academic Communication Skills
- Academic Research and Writing
- Information and Media Technologies

Plus 4 specialist units:

- Human Biology • Business Studies I
- Physics • Mathematics and Statistics

HEALTH SCIENCE

MOLECULAR GENETICS AND BIOTECHNOLOGY STREAM

Molecular biotechnology and genetics are exciting and rapidly developing areas of science. Molecular Biotechnologists apply knowledge of DNA to advance science and technology in promoting the health and wellbeing of individuals and the wider community. Students learn to use advanced techniques and laboratory instruments for molecular and genetic analyses.

This course can help you become a forensic scientist, biotechnologist, molecular biologist and molecular geneticist. Completing your bachelor degree in this field provides a foundation degree for entrance into postgraduate medicine and pharmacy courses

HEALTH SCIENCE

NURSING STREAM

This degree is designed to train you to work as a Registered Nurse. Registered nurses work to restore a patient's health, help them with rehabilitation or give them palliative care.

Employment is available in diverse healthcare settings including teaching hospitals; public and private hospitals; mental health facilities and allied health services (clinics, alcohol and drug centres); community health agencies; aged care; primary healthcare settings; medical practices with general and specialist practitioners; and defence services.

ENTRY INTO CURTIN YEAR 2

Bachelor of Science (Nursing)
CRICOS Code 041794K
Remaining duration of degree: 2.5 years

DIPLOMA OF HEALTH SCIENCES (STAGE 2)

CRICOS Code 087942A
Intakes: February, July
Duration: 12 months (8 units).

Required Core Units

- Foundations for Professional Health Practice
- Health and Health Behaviour
- Indigenous Culture and Health
- Evidence Informed health Practice
- Human Structure and Function

Course Specific Units

- Imagining Health in Social and Cultural Contexts
- Integrated Systems Anatomy and Physiology
- Foundations of Nursing Practice
- Fundamentals of Nursing Practice

DIPLOMA OF HEALTH SCIENCES (STAGE 1)

CRICOS Code 087942A
Intakes: February, July and October*
Duration: 8 – 12 months (7 units)

3 core units:

- Academic Communication Skills
- Academic Research and Writing
- Information and Media Technologies

Plus 4 specialist units:

- Human Biology
- Business Studies I
- Chemistry I
- Mathematics and Statistics

ENTRY INTO CURTIN YEAR 2

Bachelor of Science (Nutrition)
CRICOS Code 003887J
Remaining duration of degree: 3 years

DIPLOMA OF HEALTH SCIENCES (STAGE 2)

CRICOS Code 087942A
Intakes: February.
Duration: 12 months (8 units).

Required Core Units

- Foundations for Professional Health Practice
- Health and Health Behaviour
- Indigenous Culture and Health
- Evidence Informed health Practice
- Human Structure and Function

Course Specific Units

- Biological Chemistry
- Reactivity and Function in Chemistry
- Integrated Systems Anatomy and Physiology
- Food and Nutrition Principles

DIPLOMA OF HEALTH SCIENCES (STAGE 1)

CRICOS Code: 087942A
Intakes: February and July
Duration: 8 – 12 months (7 units)

3 core units:

- Academic Communication Skills
- Academic Research and Writing
- Information and Media Technologies

Plus 4 specialist units:

- Human Biology
- Business Studies I
- Chemistry I
- Mathematics and Statistics

HEALTH SCIENCE

NUTRITION STREAM

This program is an excellent choice for students interested in food and nutrition. You will learn to provide expert advice on nutrition, safety and health benefits of foods to individuals, community and food industry. Graduate can be involved in research and development of new food products; research role of nutrients and dietary patterns in health and disease. This course prepares students for further studies to become a qualified dietitian.

HEALTH SCIENCE

OCCUPATIONAL THERAPY STREAM

This course is designed to train you to work as a Registered Occupational Therapist. Occupational Therapists work with people to improve the quality of their life. Graduates assist people to regain lost functions, develop abilities and social skills, and maintain and promote their independence, health and wellbeing, including performing daily activities; socializing; driving; holding a pen; and participating in work and sports. This course includes a combination of theoretical, practical and clinical subjects.

ENTRY INTO CURTIN YEAR 2

Bachelor of Science
(Occupational Therapy)
CRICOS Code 003888G
Remaining duration of degree: 3 years

DIPLOMA OF HEALTH SCIENCES (STAGE 2)

CRICOS Code 087942A
Intakes: February.
Duration: 12 months (8 units).

Required Core Units
• Foundations for Professional Health Practice
• Health and Health Behaviour
• Indigenous Culture and Health
• Evidence Informed health Practice
• Human Structure and Function

Course Specific Units
• Introduction to Occupational Therapy
• Functional Anatomy
• Introduction to Psychology
• Concepts in Occupational Therapy Practice

DIPLOMA OF HEALTH SCIENCES (STAGE 1)

CRICOS Code 087942A
Intakes: February and July
Duration: 8 – 12 months (7 units)
3 core units:
• Academic Communication Skills
• Academic Research and Writing
• Information and Media Technologies

Plus 4 specialist units:
• Human Biology • Business Studies I
• Chemistry I • Mathematics and Statistics

HEALTH SCIENCE

PHARMACY STREAM

Pharmacists are involved in the development, testing, manufacture and distribution of medicines and the monitoring of drug therapy. The Bachelor of Pharmacy offers practical experience as well as a theoretical grounding in the discipline of pharmacy and is the only undergraduate program in Western Australia that leads to registration as a pharmacist.

In addition to providing community-based healthcare, this degree allows you to exercise business management skills in a professional setting. You may enter hospital pharmacy to help contribute to patient care in a secondary or tertiary healthcare environment and to extend your clinical expertise in a wide range of areas. The pharmaceutical industry, which manufactures most medicines today, offers many employment opportunities. These include research roles in the development of medicines, production of pharmaceuticals, quality assurance, regulatory services, marketing and drug information. You may also play a large role in regulatory control and policy development.

ENTRY INTO CURTIN YEAR 2

Bachelor of Pharmacy
CRICOS Code 003920B
Remaining duration of degree: 3 years

DIPLOMA OF HEALTH SCIENCES (STAGE 2)

CRICOS Code 087942A
Intakes: February.
Duration: 12 months (8 units).

Required Core Units
• Foundations for Professional Health Practice
• Health and Health Behaviour
• Indigenous Culture and Health
• Evidence Informed health Practice
• Human Structure and Function

Course Specific Units
• Introduction to Pathophysiology
• Introduction to Psychology
• Pharmaceutical Chemistry
• Reactivity and Function in Chemistry

DIPLOMA OF HEALTH SCIENCES (STAGE 1)

CRICOS Code 087942A
Intakes: February and July
Duration: 8 – 12 months (7 units)
3 core units:
• Academic Communication Skills
• Academic Research and Writing
• Information and Media Technologies

Plus 4 specialist units:
• Human Biology • Business Studies I
• Chemistry I • Mathematics and Statistics

HEALTH SCIENCE

PHYSIOTHERAPY STREAM

This course is designed to train you to work as a Registered Physiotherapist and for students who are interested in human anatomy and physiology. You will learn to provide advice and treatment to restore physical function and wellbeing. This course includes a combination of theoretical, practical and clinical subjects.

ENTRY INTO CURTIN YEAR 2

Bachelor of Physiotherapy
CRICOS Code 003890C
Remaining duration of degree: 3 years

DIPLOMA OF HEALTH SCIENCES (STAGE 2)

CRICOS Code 087942A
Intakes: February.
Duration: 12 months (8 units).

Required Core Units

- Foundations for Professional Health Practice
- Health and Health Behaviour
- Indigenous Culture and Health
- Evidence Informed health Practice
- Human Structure and Function

Course Specific Units

- Introductory Physiotherapy Practice
- Functional Anatomy
- Introduction to Pathophysiology
- Introduction to Clinical Anatomy and Physiotherapy Practice

DIPLOMA OF HEALTH SCIENCES (STAGE 1)

CRICOS Code 087942A
Intakes: February and July
Duration: 8 – 12 months (7 units)

3 core units:

- Academic Communication Skills
- Academic Research and Writing
- Information and Media Technologies

Plus 4 specialist units:

- Human Biology
- Business Studies I
- Chemistry I
- Mathematics and Statistics

HEALTH SCIENCE

PSYCHOLOGY STREAM

If you are interested in human behaviour and mental health then this is an excellent program for you. Psychology involves all aspects of human behaviour to examine, explain and predict what we do both as individuals and in groups. Psychologists apply knowledge of human behaviour to issues related to daily life such as family, education and work, and in promoting positive mental health.

ENTRY INTO CURTIN YEAR 2

Bachelor of Psychology
CRICOS Code 041070B
Remaining duration of degree: 3 years

DIPLOMA OF HEALTH SCIENCES (STAGE 2)

CRICOS Code 087942A
Intakes: February.
Duration: 12 months (8 units).

Required Core Units

- Foundations for Professional Health Practice
- Health and Health Behaviour
- Indigenous Culture and Health
- Evidence Informed health Practice
- Human Structure and Function

Course Specific Units

- Introduction to Psychology
- Foundations of Psychology
- Brain and Behaviour
- Science & Professional Practice in Psychology

DIPLOMA OF HEALTH SCIENCES (STAGE 1)

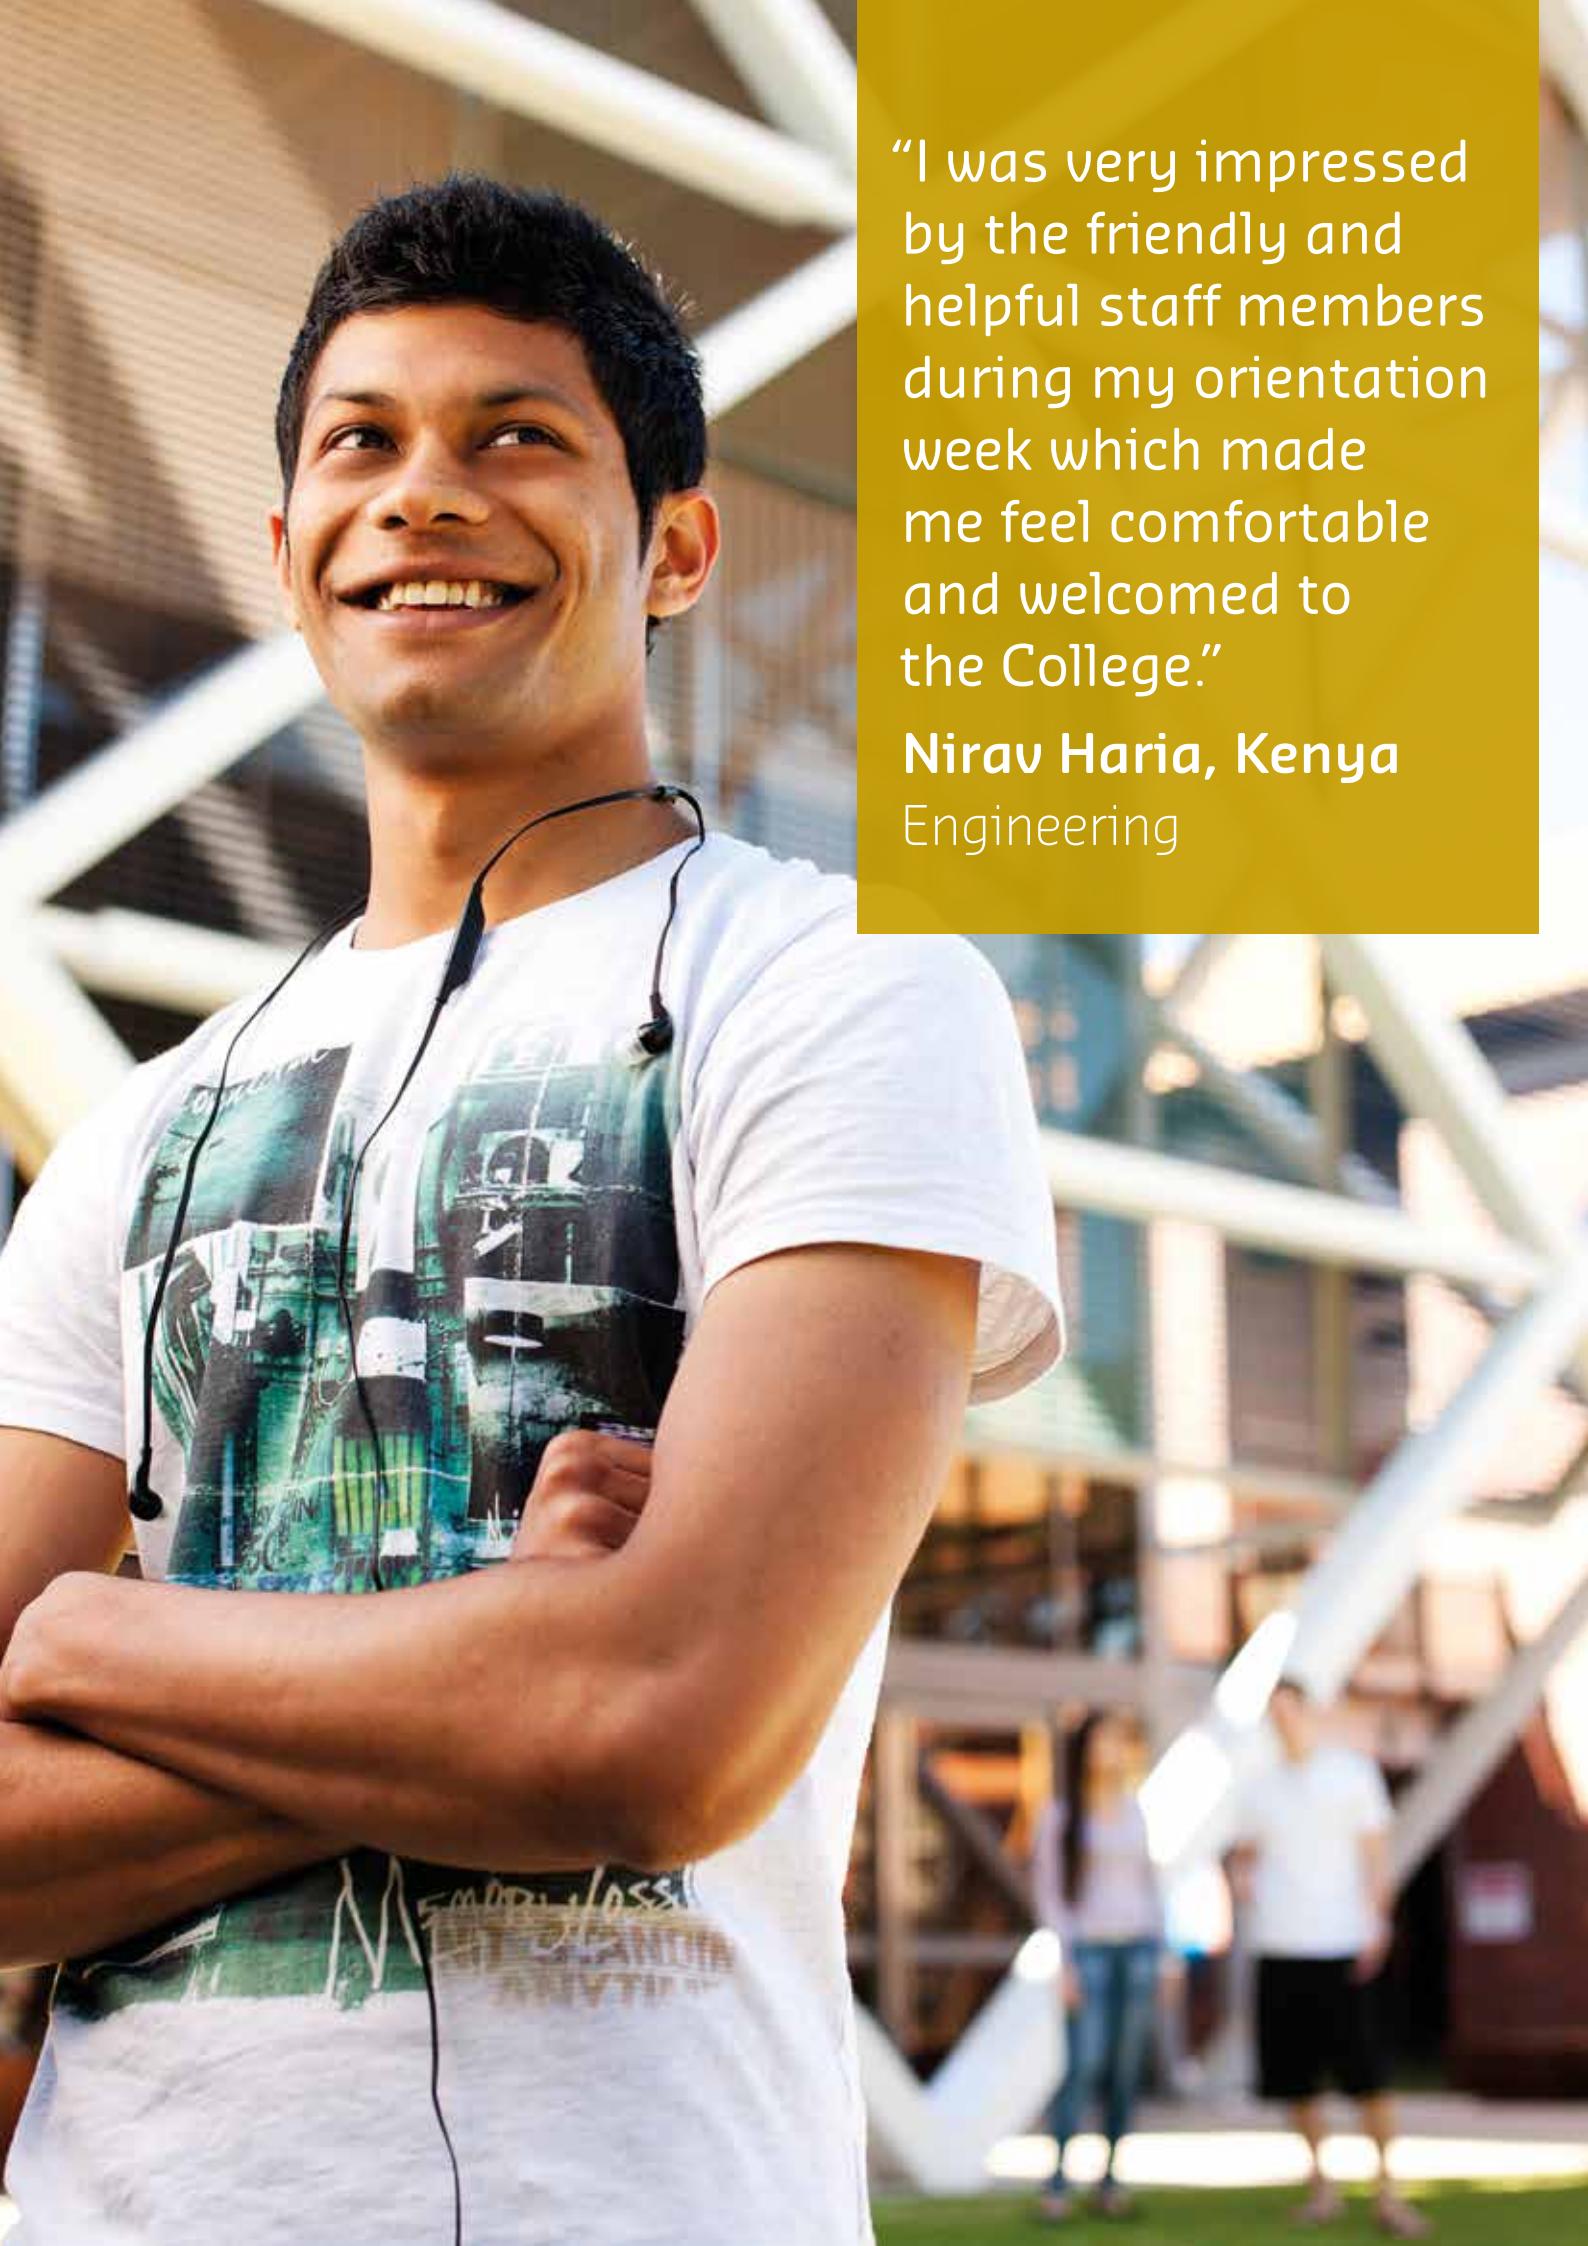

CRICOS Code: 087942A
Intakes: February and July
Duration: 8 – 12 months (7 units)

3 core units:

- Academic Communication Skills
- Academic Research and Writing
- Information and Media Technologies

Plus 4 specialist units:

- Human Biology
- Business Studies I
- Chemistry I
- Mathematics and Statistics

"I was very impressed by the friendly and helpful staff members during my orientation week which made me feel comfortable and welcomed to the College."

Nirav Haria, Kenya
Engineering

COMPUTER SCIENCE & INFORMATION TECHNOLOGY

This course has been introduced to address a significant market demand for skills associated with the design of distributed computing environments and the networks that underpin them. It encompasses computer technology, in terms of both hardware and software, as well as computer communications and networking incorporating Local Area Networks (LANs), Metropolitan Area Networks (MANs) and Wide Area Networks (WANs) together with network management.

You will study the fundamental programming and theoretical knowledge of computing, as well as C++ and Java. Linux and object oriented programming skills are also taught.

After completion of the Diploma, students will choose to study Bachelor of Technology (Computer Systems and Networking) or Bachelor of Science (Computing), which offers majors in Information Technology, Computer Science, Software Engineering and Cyber Security.

Median Starting Salary – Computer Science: \$53,0000

ENTRY INTO CURTIN YEAR 2

Bachelor of Science (Computing)
CRICOS Code 061600D
Remaining duration of degree: 3 years

Bachelor of Technology (Computer Systems and Networking)
CRICOS Code 041280C
Remaining duration of degree: 2 years

DIPLOMA OF INFORMATION TECHNOLOGY (STAGE 2)

CRICOS Code 087943M.
Intakes: February, July.
Duration: 12 months (8 units).

Required Core Units

- Database Systems
- Introduction to Software Engineering
- Unix and C Programming
- Mathematics 1
- Pre and Introductory Calculus
- Academic Communication
- Object-orientated Program Design
- Data Structures and Algorithms
- Statistical Data Analysis

DIPLOMA OF INFORMATION TECHNOLOGY (STAGE 1)

CRICOS Code 087943M
Intakes: February, July and October
Duration: 8-12 months (7 units)

3 core units:

- Academic Communication Skills
- Academic Research and Writing
- Information and Media Technologies

Plus 4 specialist units:

- Business Studies 1
- Mathematics I
- Programming
- Project Management

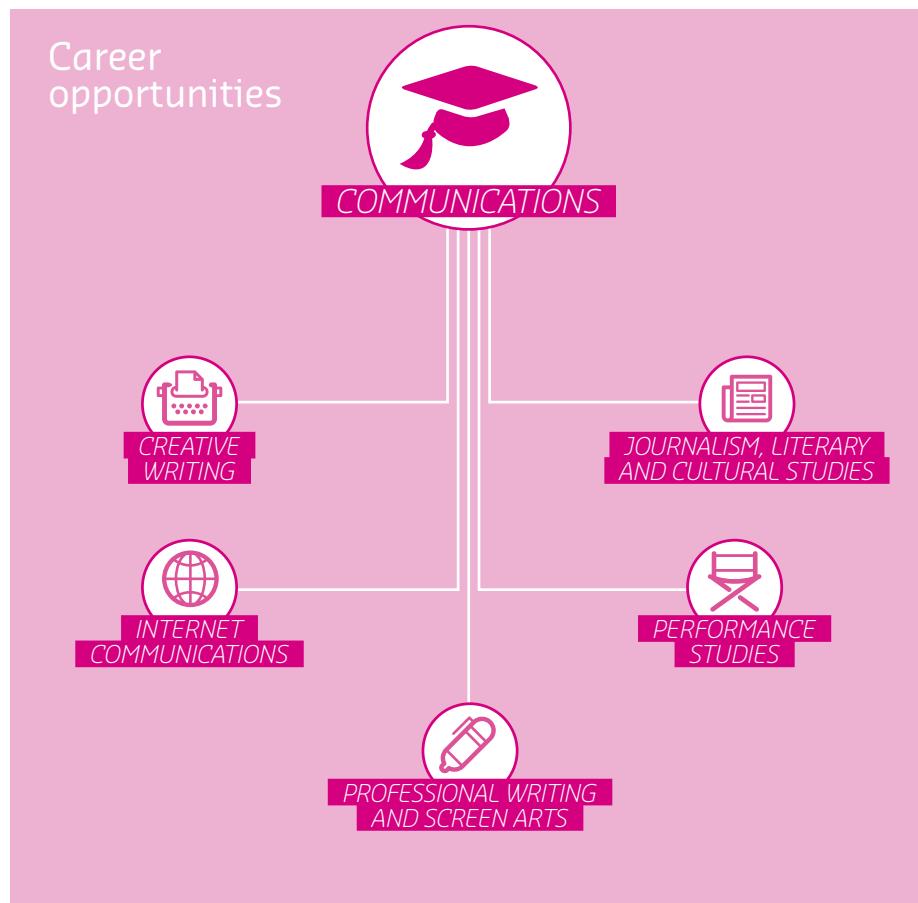

COMMUNICATIONS

The Diploma of Arts and Creative Industries attract keen interest from students seeking careers in the rapidly expanding world of media and corporate communication.

As a humanities student, you will be exposed to industry throughout the duration of your studies, providing you with the opportunity to learn from practical experience, create networks and advance your career. The Bachelor of Arts (Humanities) is a flexible, dynamic degree that allows you to tailor your studies to suit your personal interests and goals. Students can select from Creative Writing, Internet Communications, Journalism, Literary and Cultural Studies, Performance Studies, Professional Writing and Screen Arts (Film and Television) majors.

Median Starting Salary - Humanities: \$45,000, Visual Performing Arts: \$40,000

ENTRY INTO CURTIN YEAR 2

Bachelor of Arts (Humanities)

CRICOS Code 068750M

Remaining duration of degree: 2 years

Bachelor of Arts (Mass Communication)

CRICOS Code 018629D

Remaining duration of degree: 2 years

DIPLOMA OF ARTS & CREATIVE INDUSTRIES (STAGE 2)

CRICOS Code 087938G

Intakes: February, July and October.

Duration: 8-12 months (8 units).

Required Core Units

- Culture to Cultures
- Making Meanings
- Engaging Media
- Introduction to Print
- Design Practice
- Discovering Marketing
- Introduction to Screen Practice
- Web Communications

DIPLOMA OF ARTS & CREATIVE INDUSTRIES (STAGE 1)

CRICOS Code 087938G

Intakes: February, July and October.

Duration: 8-12 months (7 units).

3 core units:

- Academic Communication Skills
- Academic Research and Writing
- Information and Media Technologies

Plus 4 specialist units:

- Business Studies 1
- Design Skills I
- Design Skills II
- Media, Culture & Communication

* Salaries from graduatecareers.com.au

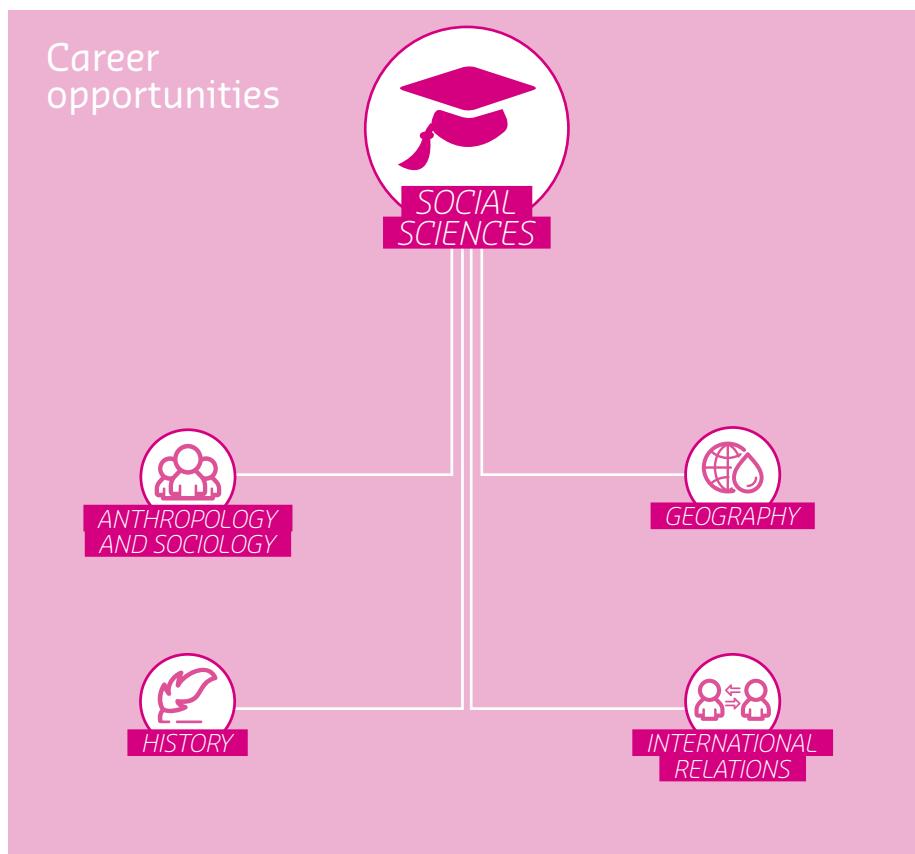

SOCIAL SCIENCES

Develop practical and transferable skills for the work force: skills that lead graduates into industry, commerce, government and education.

This course offers students the opportunity to study one or two disciplines from a wide range of majors. Students studying only one major will be able to select further units from the same discipline, or may select alternative units from other courses. Majors include Anthropology and Sociology, History, International Relations and Geography.

Established in 1974, Curtin's School of Education is known internationally for its quality. In fact, the School of Education was ranked number 37 in the world by the most recent QS World University Ratings.

Median Starting Salary – Social Sciences: \$50,000, Education (Initial/Positional): \$57,000/\$60,000

ENTRY INTO CURTIN YEAR 2

Bachelor of Arts (Humanities)
CRICOS Code 068750M
Remaining duration of degree: 2 years

DIPLOMA OF ARTS & CREATIVE INDUSTRIES (STAGE 2)

CRICOS Code 087938G
Intakes: February, July and October.
Duration: 8-12 months (8 units).
Required Core Units

- Culture to Cultures
- Making Meanings
- Engaging Media
- Intro to Print
- Design Practice
- Introduction to Screen Practice
- Discovering Marketing
- Web Communications

Plus 4 specialist units:

- Business Studies 1
- Design Skills I
- Design Skills II
- Media, Culture & Communication

PERTH: CITY OF LIGHTS

Perth is a fast growing city with a young, cosmopolitan outlook. Consistently ranked in the top ten most liveable cities in the world, Perth is renowned for its natural beauty, relaxed atmosphere and clean, open spaces and we experience more hours of sunshine than any other capital city in Australia.

The City of Perth is proud to be home to people from Asia, Africa, Europe and the Middle East, with each community contributing to Perth's fascinating cultural diversity. A safe, clean and vibrant city, Perth offers a healthy, relaxed environment where you are made welcome and are able to excel in your studies while exploring this beautiful city.

Perth shares the same time zone as Singapore, Hong Kong, China and Malaysia. There is only a one-hour time difference between Perth and Indonesia, Thailand, Korea and Vietnam, making it easy to keep in touch with your friends and family whilst studying. As a major gateway to Asia, numerous daily flights depart from Perth directly to a number of Asia's major centres.

The CBD is a bustling metropolis surrounded by shops, restaurants and cafés, all of which can be seen from Kings Park, which is a short walk away and one of the world's largest inner city parks. Combined with Perth's beautiful coastline and vibrant night-life, you can be sure there will be many fascinating experiences awaiting you.

The city boasts a strong, stable economy and historically has one of the lowest unemployment rates of all major Australian cities. Western Australia is a state renowned for

its mining exports and provides a substantial proportion of the world's natural resources, which are a major contributor to the overall wealth and prosperity being enjoyed by West Australians.

CAN I WORK PART-TIME WHILE STUDYING?

Students may work up to 40 hours per fortnight during study periods and unlimited hours during holidays. There a number of part-time work opportunities both near the campus and around the city.

HOW DO I GET AROUND?

Perth has a reliable and sophisticated public transport system. The city's network of trains and buses enable students and new arrivals to get around quickly and cheaply. The West Australian government offers students a 40 per cent discount on all public transport within the Perth metropolitan area, a unique advantage when considering Perth as a study destination. Curtin College is located approximately 6km from the Perth CBD, and frequent buses from the campus easily connect students with the city, local shopping outlets and a range of other nearby facilities.

HOW MUCH DOES IT COST?

In terms of quality of life comparative to the cost of living, Perth offers a very comfortable lifestyle with exceptional amenities and infrastructure. Living costs vary, depending upon your tastes, interests and finances. This weekly budget can be used a guide, however these figures will vary depending upon your lifestyle.

SERVICE	SINGLE (A\$)	FAMILY OF FOUR (\$A)
Rent (furnished residence)	180	390
Services (gas, water and electricity)	20	30
Food	120	200
Public transport	25	40
Clothing, toiletries and entertainment	120	145
Health insurance	9*	42*
Total	474	847

* OSHC insurance fees may be subject to change. For more information, visit the Allianz Global Assistance website.

ACCOMMODATION

Our accommodation and transport services are arranged by Australian Homestay Network and Perth Student Accommodation. For all accommodation enquires please visit www.homestaynetwork.org or www.perthstudentaccommodation.com

HOW MUCH WILL IT COST?

Curtin College Accommodation Fees (AUD\$)*

ACCOMMODATION	FEES RANGE PER LETTING PERIOD*	SECURITY BOND
Curtin 6	\$2,560 - \$3,280	\$640 - \$820
Curtin 12	\$3,280 - \$3,769	\$820 - \$940
Marquis Street	\$3,280 - \$3,760	\$680 - \$800

* Fees are based on a minimum 17 week letting period. Charges are made pro-rata, depending on the length of the study period. Letting fees include Foxtel, cleaning and maintenance of common area, gas, water and electricity. Internet is not included. Actual charges will be reflected in the Tenancy Agreement issued at the time of allocation of rooms. The above is a guide only.

ACCOMMODATION CHOICES

Australian Homestay Network and Perth Student Accommodation can arrange accommodation on behalf of the College.

Curtin 6

These six town houses, fully furnished and equipped, are located within a ten-minute walk from Curtin College. The single study rooms are equipped with a television antenna and telephone points, sharing a common kitchen, living room and laundry. The complex is fully secured with alarms in each unit, as well as a security gate at the entrance.

Curtin 12

These 12 town houses, fully furnished and equipped, are located within a ten-minute walk from Curtin College. The study rooms are equipped with a television antenna and telephone points, sharing a common kitchen, living room and laundry. Varying in size, most Curtin 12 bedrooms have a private en-suite bathroom, while the standard room has a shared bathroom facility. Curtin 12 also has 24-hour CCTV security surveillance.

Marquis St

Located just a 10-minute walk from the College, there are three units at this location with six rooms and five bathrooms in each. Each unit has four private en-suite bathrooms and two standard rooms with a shared bathroom. All rooms are fully furnished and equipped with telephone and television points.

Homestay

Students may seek an authentic cultural experience by living with an Australian family in what is known as a 'homestay' arrangement. Some host families come from places like Europe, Malaysia, Singapore, Indonesia and Hong Kong. Homestay consists of a variety of family environments including married couples (with or without children), single parents or a single person. Students are able to apply for Homestay accommodation via the Australian Homestay Network (AHN) website (www.homestaynetwork.org/public/curtin-college-students) or the Perth Student Accommodation (PSA) website (www.perthstudentaccommodation.com). The Homestay provider will house students accordingly and email the Homestay Profile and confirmation to the agent/student direct. The placement fee will be paid to direct to AHN or PSA.

OTHER ACCOMMODATION OPTIONS

Australian Homestay Network or Perth Student Accommodation can provide the details of a local housing agency that has rental accommodation and information about other properties close to the College for students who prefer to make alternative arrangements for private accommodation.

ACCOMMODATION FOR STUDENTS UNDER 18 YEARS OF AGE

Australian immigration rules for students under the age of 18 require that Curtin College approves all accommodation and welfare arrangements before students can travel to Australia. Curtin College will approve arrangements for students who will be living with parents, legal guardians, other appropriate family members or genuine family friends. The local carer or guardian must be of good character and be over the age of 21.

Where no local carer is available, Curtin College requires that students under the age of 18 reside in Homestay accommodation (see above).

For more information and images of Curtin College accommodation options, please check: www.curtincollege.edu.au/students/accommodation-curtin

AIRPORT PICK-UP AND TRANSFER

International students arriving for the first time have the option of being met at the airport and transferred to their accommodation. This service can be arranged with Australian Homestay Network or Perth Student Accommodation. The College offers this service free of charge. However, if a student requests a transfer and fails to use it, an airport pick-up fee of AUD\$65 will be incurred.

CAMPUS LIFE

The Curtin University campus offers a safe and friendly environment in which to pursue tertiary studies.

Curtin University is a self-contained, student-oriented locality with many services and facilities within walking distance. In addition to the multi-storey library and student bookshop, there are full banking facilities, a chemist, a medical centre, shops, markets, a copy and design centre, a hairdressing salon, childcare facilities, an art gallery, an excellent gymnasium and fitness centre, and many active sports clubs and societies. Curtin College students are welcome to join in most aspects of University life and can become associate members of the Curtin Guild to gain on- and off-campus discounts, as well as access to clubs, competitions, events and campus sport. Curtin University's Perth is completely smoke-free campus.

CURTIN COLLEGE - BUILDING 205

Curtin College classes are conducted on the Bentley campus of Curtin University in Perth. The College is housed in Building 205 in the heart of the campus. The building features a reception area on the ground floor, which handles all current and prospective student enquiries, as well as offices, classes and computer labs on the other floors.

HEALTH SERVICES

The Health Services Centre incorporates a doctor's surgery, where students can make appointments with either a doctor or nurse. Nursing staff are available to assist in the treatment of accidents and injuries that may occur on campus.

CHAPLAINCY SERVICES

Students have access to free and confidential chaplaincy services, which are provided for the benefit of the Curtin community. Visiting chaplains are active on campus and come from a variety of religious orientations. A prayer and meditation space and a reflection garden are available for people of any faith.

BOOKSHOP

The Co-operative Bookshop is located in the John Curtin Centre (Building 200). It stocks a wide range of textbooks as well as stationery, newspapers, magazines, novels, postage stamps, computer and mobile phone products. The Bookshop also provides dry-cleaning and photo processing services.

LIBRARY AND INFORMATION SERVICES

Curtin's five-story library is at the centre of the campus and houses some of the latest research technology and academic resources. An enquiries desk is located on level two, where library staff are available to answer questions.

BUS STATION

The Curtin University bus station is one of the busiest in Perth, with seven different services stopping frequently during semester. The Circle Route, which runs between Perth's universities, train stations and shopping centres, stops every 15 minutes between 6:30am and 6:00pm on weekdays. Curtin University also offers a free courtesy bus that services some of the local suburbs.

SAFETY AND SECURITY

Curtin Security provide 24-hour support every day of the year. Buildings are only accessed via security cards and students can take advantage of the Safezone Student Safety App. It's one less thing to worry about.

ORIENTATION

All new students must attend a compulsory orientation program conducted prior to the start of their studies. Orientation provides information and advice. Orientation is an opportunity to meet fellow students and key College staff and to become familiar with services and facilities.

New students have access to orientation leaders and student leaders, who are all successful students or recent Curtin College graduates and are available to give advice, provide reassurance and help students adjust to College life.

THE UNIVERSITY EXPERIENCE

Curtin College students enjoy the Curtin experience right from the start. In addition to all that Curtin University has to offer, the College has a thriving social calendar with regular events and experiences available to all students. Visit www.facebook.com/CurtinCollege to view past and upcoming events, which will ensure you feel part of the Curtin College family from day one.

OTHER CAMPUSES

Curtin College partners with Curtin Singapore to provide on-campus pathways leading to the Bachelor of Commerce.

Curtin Singapore

The Diploma of Commerce and Diploma of Arts and Creative Industries is available at Curtin College Singapore under partnership with Curtin College. Study across a trimester system and available for starts in March, July and November.

<http://www.curtin.edu.sg/courses/pathway-programs/>

Curtin College and Curtin Singapore are operated by Navitas Ltd.

CURTIN ENGLISH

Located just metres from the Curtin College building on Curtin University's Bentley campus, Curtin English is the first-choice English provider for the large majority of Curtin College students who require English development prior to entering their main course of study.

The English language programs offered by Curtin English are General English, English for Academic Purposes (EAP) and the English Language Bridging Program (ELB). The ELICOS program can be used to meet the English entry requirement for the majority of Curtin College courses.

CURTIN ENGLISH FEES 2014/2015

Information Technology	Maths	Maths

PROVISIONAL ENTRY OPTION

Diploma of Commerce | Diploma of Arts & Creative Industries

Students with an IELTS of 5.5, no band below 5.0 (plus the required academic score), may be able to begin the diploma on a provisional entry program.

One academic unit is studied in the first trimester, in addition to the required Tertiary Communication Skills sessions. The aim of these sessions is to improve the use of English across the four main skills of reading, writing, speaking and listening, as well as developing the students' use of grammar and vocabulary at Curtin College. Using a variety of exciting and interesting resources, these sessions will help students to communicate more effectively and accurately in an academic context. Once completed, students may study the remaining 7 academic units over two semesters.

PORTFOLIO ENTRY OPTION

Curtin College offers students the opportunity to provide a supplementary portfolio to support your application, in circumstances where a broader assessment of your school results, work experience, community engagement and other training/education achievements, will demonstrate your suitability for admission to the College.

Applicants in the following categories should submit a supplementary portfolio:

- School leavers who have fallen short of the required entry requirements,
- School leavers who do not have an Australian Tertiary Entrance Rank (ATAR) or equivalent,
- Students who have not completed Year 12.

Please note: Course specific English language requirements and pre-requisites must still be met.

FEES

INTERNATIONAL FEES	TOTAL PROGRAMME FEES (2016)	2016 FEES PER STUDY PERIOD	2016 FEES PER UNIT
Diploma – Stage 1	\$20,000	\$10,000	Core: \$1,900 Stream: \$3,325

CURTIN COLLEGE POLICIES

Curtin College policies are in place to ensure students understand their rights and responsibilities.

It is important you read the following policies before you sign your Letter of Acceptance, as they can affect your student visa:

- Appeals Policy
- Complaints Policy
- Deferral & Withdrawal Policy
- Enrolment Policy
- Progress and Attendance Policy
- Refund Policy
- Transfer Between Registered Providers Policy.

Visit www.curtincollege.edu.au/policies-curtin to view these policies.

The Complaints Policy stipulates that any current or prospective student of Curtin College or its partner providers who experiences incorrect, inappropriate or unfair treatment in the course of their relationship is entitled to access the complaints process set out in this policy, regardless of the location of the campus at which the matter has arisen, the student's place of residence or the mode in which they study.

FEES

YOUR APPLICATION

There is no application fee to apply to Curtin College. Simply complete the form included at the back of this brochure or apply online at www.curtincollege.edu.au/apply-curtin. Online application will receive priority processing.

NAVITAS FAMILY BURSARIES

The Navitas Family Bursary applies where two or more students from the same family study at a Navitas institution and is equivalent to 10% of the tuition fee for the first attempt at units in the program of study.

The bursary is credited to the eligible student's tuition fee account each semester (the amount being relevant to the number of units undertaken in that semester).

Eligibility

- The first family member can be studying at a Navitas institution at the same time as the other family members or may have studied at any Navitas institution previously.
- The family bursary is granted to the second and subsequent family members who study at a Navitas institution.
- The family bursary is not available for students who previously received a Navitas scholarship or bursary, or had a scholarship or bursary from Navitas withdrawn.

Definitions

For the purpose of this bursary, a family member is defined as a husband, wife, brother, sister, mother, father, son, daughter or stepchild.

Conditions:

- Successful recipients will not receive any money from the Navitas member institution. The value of the bursary will be recorded on the student's account each semester of study.
- The bursary does not apply to additional units or repeat units that may also be undertaken.
- Navitas bursary is not applicable to English language program or any component of any English language program offered by Navitas member institutions.

Navitas member institutions

The Navitas bursary applies to students studying at BCUIC, Curtin College, Curtin Singapore, CRIC, Deakin College, Deakin College Indonesia, EIBT, EIC, Eynesbury, FIC, Griffith College, HIC, ICM, ICP, ICRCGU, ICWS, La Trobe University Sydney Campus, La Trobe Melbourne, LBIC, Macquarie City Campus, PDIC, PIBT, SAIBT, SIBT, Navitas at FAU, Navitas at UMass Boston, Navitas at UMass Dartmouth, Navitas at UMass Lowell, Navitas at WKU and Navitas at UNH only.

How to apply

An application form can be obtained at Curtin College. The completed application must be returned to Curtin College with supporting documents, as detailed on the application form.

ACADEMIC MERIT SCHOLARSHIPS

The Academic Merit Scholarship is awarded each semester to the most outstanding results across all programs at a Navitas Pathway College or Managed Campus. Two scholarships are awarded each semester.

The scholarships are one academic semester or part thereof (equivalent to the maximum of up to five academic subjects) for a Navitas Diploma, Advanced Diploma or Associate Degree (Australia), UTP Stage II or Associate Degree (Canada), UPP or IUTP (USA) or Undergraduate pathway program (UK) at a Navitas college or one academic semester of foundation or undergraduate study at La Trobe University Sydney Campus, Curtin Singapore or one academic semester of a Master's program at Curtin Singapore.

Any additional costs, including travel or material such as books or equipment required as part of program will be recipient's responsibility. For programs that articulate directly into a university degree program, the scholarship will cover only the Navitas member institute components of the program for the semester.

Eligibility

Applicants must:

- Be continuing (current) student, enrolled and studying towards a Navitas Diploma, Advanced Diploma or Associate Degree (Australia), UTP Stage II or Associate Degree (Canada), UPP or IUTP (USA), Undergraduate pathway program (UK), University Foundation or Bachelor Degree program (Australia) or Master's programs (Australia),
- be a full time student,
- have achieved competencies in all courses across their current program (for which the scholarship is applied for) in the semester prior to being eligible for the scholarship,
- not have any outstanding fees on their student account,
- not have previously received a Navitas scholarship or bursary, or had a scholarship or bursary from Navitas withdrawn.

Conditions

- The Academic Merit Scholarship applies to the second semester of enrolment or the final semester of study for an undergraduate/postgraduate program. Students are liable to pay for any additional courses / subjects undertaken.
- Successful recipients will not receive any money from the Navitas member institution. The value of the scholarship will be recorded on the student's account during their second semester of study or their final semester of study for an undergraduate/ postgraduate program.
- Scholarship recipients must maintain satisfactory academic progress through their second semester of study or final semester of study for undergraduate/ postgraduate programs to retain their scholarship.
- Scholarships are not transferable to other students or Navitas member institutes in any circumstances.
- Curtin College reserves the right not to award all or some of the scholarships in a given year.
- Scholarships cannot be backdated.

Selection Criteria

Selection will be based on:

- Academic results (GPA) from their previous semester of study. Should two students have identical academic results, the scholarship panel will refer back to marks awarded within each subjects/course to ascertain the scholarship recipient.
- Additional factors such as educational disadvantage, member of specific equity group and/or significantly adverse personal circumstances may be taken into account where the scholarship panel must differentiate between equally qualified applicants.
- Outcome of scheduled interview (if required)

Notification of Results

The scholarship panel will announce the recipients of the Academic Merit Scholarship upon the release of the results each semester. The recipients will be notified by mail.

Navitas Member Institutions

The Navitas scholarship is offered to students studying at BCUIC, Curtin College, Curtin Singapore, CRIC, Deakin College, EIBT, EIC, Eynesbury, FIC, Griffith College, HIC, ICM, ICP, ICGRU, ICWS, La Trobe University Sydney Campus, La Trobe Melbourne, LBIC, Macquarie City Campus, PUIC, PIBT, SAIBT, SIBT, Navitas at FAU, Navitas at UMass Boston, Navitas at UMass Dartmouth, Navitas at UMass Lowell, Navitas at WKU and Navitas at UNH only.

Application

Students are not required to apply for the scholarship as it is awarded based on academic performance and all students are eligible. All terms and conditions are correct as at 2 July 2014 and subject to change without notice or at the discretion of the Navitas member institute or Navitas Ltd.

Please contact Curtin College for more information.

CALCULATION OF FEES

The tuition fees shown represent full-time study over the period indicated. Actual tuition fees are calculated on a per-unit basis, and variation to a normal full-time course load will result in a pro-rata adjustment to tuition fees. Tuition fees may rise each year. This fee schedule should be read in conjunction with Curtin College's published refund policy.

Tuition fees are payable in advance prior to the commencement of a study period. A levy may be payable if fees are not paid by the due date. Students can only re-enrol if the tuition fees have been paid. Students repeating a failed unit have to pay tuition fees for that unit again.

Fees are payable before each trimester (or semester).

Students pay the rate applicable for that academic year and not the rate of the year in which they began their course. Please note that fees are subject to an annual review. Tuition fees do not include textbooks, stationery or OSHC charges.

An ancillary fee or additional separate charge may apply to particular units (e.g. uniform, lab coat, etc.). Please refer to www.curtincollege.edu.au for further information.

OTHER CHARGES	AUD \$
Enrolment Fees*	
Stage 2 Diplomas: Engineering and Health Science	\$200
Stage 1 Diplomas, Stage 2 Diplomas: Arts & Creative Industries, Built Environment, Commerce and Information Technology	\$150
Accommodation placement fee	\$200 - \$240
Airport reception service (first time only)	Free
Overseas Student Health Cover (per year)**	\$519
Visa processing charge (payable to Australian Government)	\$565

*Enrolment Fee non-refundable as per Refund policy

** Premium quoted is for OSCHC Worldcare cover for a single person for one year, as at August 2015. Please note that everyone applying for a student visa after 1 July 2010 is required to obtain Overseas Student Health Cover (OSHC) for the entire proposed duration of their visa before the visa can be granted. Details of other levels of cover are available from Curtin College or from www.oshccallianzassistance.com.au.

APPLICATION PROCESS

1. APPLY TO CURTIN COLLEGE

Applications can be made at any time. Please make sure to allow adequate time for the processing of your student visa.

- i. Complete the application form at the back of this guide or apply online to take advantage of priority processing.
- ii. Attach certified copies of all academic qualifications, including school reports, official examination certificates and evidence of English competency (if required). Certified translations must accompany that are not in English. Copies can be verified by:
 - the official records department of the institute that originally issued documents
 - a Justice of the Peace or Public Notary
 - an authorised Curtin College representative
 - an Australian overseas diplomatic mission or Australian Education
- iii. If not applying online, send your documents to Curtin College or one of our representative offices.
- iv. Successful applicants will be sent a Letter of Offer. We aim to make offers within 48 hours if a student's supporting documents are complete, although there can be delays where credit/exemption is sought for previous study or checks need to be carried out.

2. PAY YOUR FEES TO ACCEPT YOUR OFFER.

Payments should be made in Australian dollars to Curtin College by bank cheque or international bank draft. Payment can also be made by direct transfer to:

Account name: Curtin College

Bank name: Westpac Banking Corporation

Branch address: Westpac Institutional Bank,
109 St Georges Terrace, Perth, Western Australia, 6000.

BSB: 036-000

Account no: 773892

SWIFT Code: WPACAU2S

Please include your full student name on every transmission. We accept Visa, Mastercard and Bankcard credit card. We accept EPTPOS but not cash, when making payment in our Perth office.

On receipt of your fees, your place at Curtin College will be confirmed. Most Letters of Offer issued by the College are packaged with an offer from Curtin University, hence Curtin College will issue two eCoE's (Electronic Conditions of Enrolment). The eCoE's are the key document required for your student visa application.

3. APPLY FOR A STUDENT VISA

All international students must be in possession of a current study visa to be able to study in Australia. This visa is issued by the Australian Diplomatic Missions and application must be made directly to the nearest Consulate or Embassy. Students are encouraged to use the services provided by our local agents who understand this process. The main documents required are:

- Letter of Offer from Curtin College
- Electronic Confirmation of Enrolment (eCoE), which is issued by the College upon receipt of fees
- Medical Examination Results
- Proof that OSHC has been arranged
- Proof of financial capability to pay tuition fees and living expenses.

Student visas are granted with certain conditions attached, including that students must:

- Satisfy course requirements – must attend a minimum 80% of all scheduled classes and make satisfactory academic progress
- Remain enrolled at all times
- Inform their education provider of any change of address
- Contact their current education provider if wanting to change institution within the first six months of commencing the principal course.

Curtin College is obliged under Australian Legislation to notify the Department of Immigration and Border Protection (DIBP) immediately when becoming aware of any breach regarding a student visa. Please visit www.border.gov.au for more information.

4. ATTEND ORIENTATION TO ENROL

An orientation program is arranged for new students prior to the commencement of each study period. Attendance is compulsory. The date of your Orientation is detailed on your welcome letter. During Orientation you will learn about the campus, student support programs and meet your new classmates. You will also arrange your timetable and enrol in units as necessary for your course. We look forward to welcoming you to Curtin College at Curtin University!

OVERSEAS STUDENT HEALTH COVER (OSHC)

All students applying for a student visa must obtain OSHC for the entire proposed duration of their visa before the visa can be granted. OSHC helps minimize medical expenses incurred whilst in Australia. Curtin College's preferred provider is Allianz Global Assistance, which offers a high level of service and support to customers. Allianz customers have access to online help, telephone support, legal advice and assistance towards payment of covered medical bills. Not everything is covered by Allianz, so students should check their level of cover carefully, before committing themselves to receiving medical treatment or advice. Curtin College is pleased to arrange cover on behalf of students. The fees are shown in a student's Letter of Offer. For further information see www.oshc.allianzassistance.com.au.

CONDITIONS OF ENROLMENT

These conditions of Enrolment are indicative and provided to overseas applicants for information purposes only. These Conditions of Enrolment do not constitute a binding agreement. Successful applicants will receive the Terms of Offer, which together with the Letter of Offer and Acceptance of Offer, form a binding agreement between Curtin College and the recipient of a Curtin College Letter of Offer.

1. General

- 1.1. The availability of a complaints or appeals process does not remove the right of the student to take action under Australia's consumer protection laws. Overseas students may access appeals advice and dispute resolution services through the Department of Education Services. For more information visit http://www.des.wa.gov.au/international_education/disputes
- 1.2. These Enrolment Conditions and the final Terms of Offer may be subject to variation as necessary to comply with any Australian Commonwealth or State law, regulation or amendment thereof.
- 1.3. The College's responsibilities to the student pertain only to the Curtin College course outlined in the Letter of Offer. Further agreements must be signed with Curtin University for courses offered by and studied at that institution.
- 1.4. All conditions and special notes contained in a Letter of Offer must be met and/or agreed to prior to Curtin College issuing a Confirmation of Enrolment.
- 1.5. Students must meet the minimum English language proficiency requirement as stated in the Letter of Offer, for entry into the course. English language proficiency may be tested as part of the application process. Where the test reveals that the English language skills are insufficient, at the discretion of Curtin College students will be required to undertake English language support classes appropriate to their English level and course of study, at no further cost to the student, or a Tertiary Communications Skills unit in the first trimester or semester of study (chargeable), or enrol in an ELCOS course prior to the commencement of the Curtin College course.
- 1.6. Attendance at orientation is compulsory; International students must ensure a relevant visa is issued in time to attend orientation. Special permission must be sought for non-attendance at orientation.
- 1.7. Students are expected to attend all classes and undertake all tests and examinations during a course and must abide by all rules and regulations of Curtin College that are in force at the time of their enrolment.
- 1.8. Curtin College may use its discretion to temporarily suspend the enrolment of a student on the grounds of misbehaviour by the student or on grounds of compassionate or compelling circumstances.
- 1.9. International students are protected by the Education Services for Overseas Students (ESOS) legislative framework at: <https://aei.gov.au/Regulatory-Information/Pages/RegulatoryInformation.aspx>
- 1.10. Current (enrolled)students are required to notify Curtin College in writing or online of a change of address.
- 1.11. In the event of circumstances requiring urgent medical care and where it is not possible to contact the parent/guardian, Curtin College is authorized as a matter of urgency to seek and provide appropriate medical care.

2. Fees

- 2.1. A full time study load is equivalent to 4 units of study or 100 credit points in Diploma Stage Two or at least 95 credit points in Diploma Stage One or Tertiary Communication Skills plus one units of study in Diploma Stage Two.
- 2.2. Tuition fees, charges and accounts are payable in advance of each trimester/semester and students are not permitted to commence a trimester/semester until all outstanding fees, charges and accounts issued by Curtin College are paid.
- 2.3. The total tuition fees stated in a Letter of Offer are based on current prices and are therefore indicative only. The final tuition fees incurred may vary depending on unit selections, study load and promptness of payment. Students will receive a credit to their account where the incurred tuition fees are less than the amount paid in advance.
- 2.4. Curtin College has the right to increase tuition fees and charges from time to time without notice. For more information on tuition fees refer to the Curtin College website at www.curtincollege.edu.au.
- 2.5. Students enrolling in a second or subsequent trimester/semester at Curtin College will be notified of the date by which payment and enrolment must be completed. Failure to enrol by the notified date may incur a penalty fee.
- 2.6. Certain courses require the purchase of specialized equipment and/or clothing. Indicative costs for these items can be found at fees.curtin.edu.au
- 2.7. Should it be necessary for a student to repeat a unit, the full amount will be charged.

- 2.8. As per section 27 of the ESOS Act, Curtin College must not receive more than 50% of the student's total tuition fees upfront. In the event that a commencing international student pays more than 50% of the required course fees before course commencement, the College will refund any amount over 50% (unless the course is 24 weeks or less) to the student by direct deposit (electronic funds transfer) into a bank account nominated by the student.

3. Visa Conditions

- 3.1. Student visas are normally issued for the period of the course or courses being offered. Students needing to extend their visa beyond this period should first consult Curtin College staff for assistance.
- 3.2. International students are responsible for meeting all visa conditions as specified by the Australian Government. For more information on Australian Visa regulations refer to www.border.gov.au.
- 3.3. Curtin College is required by law to report to the Australian Government international students who: are found to be in breach of their visa conditions (e.g. not maintaining satisfactory attendance and progress); withdraw, defer or transfer to another provider. Reported students maybe instructed by the government to leave the country.
- 3.4. Students are required to notify the college in writing or online via the Curtin College student portal of a change of address.
- 3.5. School age dependants accompanying students to Australia will be required to enrol at a school and pay full fees if they are enrolled in either a Government or non-Government school.

4. Refunds and Cancellation of Enrolment

- 4.1. Notification of cancellation or withdrawal from a course of study must be made in writing to Curtin College. Provided the College is notified by week four of the study period in question, a refund will be issued less any fees or charges payable for that study period. For full details refer to the Curtin College Refund Policy at www.curtincollege.edu.au/policies-curtin.
- 4.2. The following table sets out the cancellation fees applicable to commencing international students.

REASON FOR WITHDRAWAL	CANCELLATION FEE AUD\$
Visa refusal (Proof of refusal necessary)	\$500
Curtin College cancels a student's enrolment due to serious breach of international student visa conditions or serious misconduct.	100% of current semester fees
WITHDRAWAL BEFORE SEMESTER COMMENCEMENT DATE	
More than 10 weeks	\$500
More than 4 and up to 10 weeks	30% of semester fees
4 weeks or less	60% of semester fees
WITHDRAWAL AFTER SEMESTER COMMENCEMENT DATE	
4 weeks or less	70% of semester fees
More than 4 weeks	100% of semester fees (No refund)

- 4.3. A student whose withdrawal or enrolment cancellation is due to exceptional, compassionate or compelling circumstances can request that cancellation charges be waived. Requests should outline the reasons for the withdrawal and include documentary evidence such as medical certificates to support the request.

5. Tuition Assurance

From 1 July 2012 the Tuition Protection Service (TPS) replaced the Tuition Assurance Scheme and ESOS Assurance Fund. TPS is a placement and refund service for international students whose education provider is unable to fully deliver the course of study for which they have paid. Where the College is unable to provide a refund or place a student in a similar alternative course, TPS will place the student in a suitable alternative course at no extra cost. If TPS cannot place the student in a suitable alternative course, a partial refund may apply.

For more information on the TPS please refer to www.tps.gov.au and to the College's tuition assurance for international students on the College's website at www.curtincollege.edu.au/policies-curtin.

In the unlikely event that Curtin College is unable to deliver a course in full, students will be offered a refund of course fees paid to date. The refund will be paid within two weeks of the day on which the course ceased being provided. Alternatively, students maybe offered enrolment in an alternative course by Curtin College at no extra cost. Students have the right to choose whether they would prefer a full refund of course fees, or to accept a place in another course. If they choose placement in another course, they will be asked to sign a document indicating they accept the placement.

6. Deferment, Withdrawal, Suspension and Cancellation of a Student's Enrolment

- 6.1. Prior to commencing their course and subject to approval students may apply in writing to defer course commencement to a later trimester/semester. Curtin College will credit any fees paid to the relevant trimester/semester without penalty. If the student subsequently withdraws, the Refund Policy will apply as at the date Curtin College received the request for deferment.

Curtin College recognizes that students may have the need to defer or withdraw from their course of study at Curtin College. Each request must be made in writing to the Director of Marketing & Admissions (new students) or the Academic Director (enrolled students) or their nominees. Decisions on such requests will take into account information provided, circumstances leading to a request as well as regulatory requirements. Depending on the time the request is submitted an academic and financial penalty may apply (please refer to the Student Misconduct Policy & Refund Policy for details).

Deferral

A student may request deferment prior to commencement of or during their course. The grounds for deferment include delay in receiving a student visa (prior to course commencement) or compelling and compassionate grounds e.g. illness where a medical certificate states that the student is unable to attend classes, unexpected severe illness or death of a family member (prior to commencement or during the course). Students requesting deferment should apply to the College in writing stating their reasons for the requests and, where appropriate, supply relevant documentation.

Withdrawal

A student may request to withdraw from their program of study at any time before and during the study period. Depending on the time the request is submitted an academic and financial penalty may apply.

Suspension or Cancellation

Curtin College has the right to suspend or cancel a student's enrolment or re-enrolment in response to serious misbehaviour or misconduct. Please refer to the Student Misconduct Policy and the Refund Policy for any financial and academic penalties that may apply. www.curtincollege.edu.au/policies-curtin

7. Transfer between registered providers

The Transfer between Registered Providers Policy stipulates that it is an Australian regulatory requirement that students must complete six months of their 'principal course of study' before changing or transferring between registered providers. As a result, Curtin College is unable to enrol students from another registered provider prior to the student completing six months of their principal course of study, unless a letter of release is provided by the original provider.

Students who apply to transfer after accepting their enrolment offer, but before starting classes, will not be approved except in extreme circumstances such as: inability to secure an Australian visa or for compassionate and compelling circumstances

A student requesting a transfer must satisfy Curtin College management that they have a genuine and legitimate basis for such a request. Curtin College students who are unsuccessful in their request to transfer prior to completing six months of their principal course are entitled to appeal that decision. A letter of release will be provided where it is considered to be in the student's best interest to transfer. Where a student is under 18 years of age, written confirmation is required from the student's parent/legal guardian before the request can be processed.

Students should familiarise themselves with all Curtin College Policies at www.curtincollege.edu.au/policies-curtin.

8. Privacy of information

- 8.1. Personal information on students collected prior to commencing and over the course of their studies may be made available to relevant Commonwealth and State Government agencies and the Tuition Protection Service, to ensure compliance with the College's obligations under the ESOS Act 2000, the ESOS National Code 2007 and other relevant Commonwealth and State legislation. This information may include personal and contact details, course enrolment details and changes and the circumstances of any suspected breach by the student of a visa condition.
- 8.2. In the event of circumstances requiring critical incident management, Curtin College reserves the right to disclose limited personal information of a student where it is considered necessary to meet or maintain its duty of care responsibilities to that student.
- 8.3. By providing us with your personal information, you consent to Curtin College and Navitas Limited (Navitas) using your information to contact you on an ongoing basis in order to provide you with marketing information we think would be of interest to you, including by mail, email, SMS and telephone.
- 8.4. Navitas may retain other companies and contractors to provide services for us, including entities located outside Australia, who will need to have access to your personal information to perform their obligations. Navitas may also use a cloud-based service to store and process personal information. By providing us with your personal information, you consent to us disclosing your information to entities located outside Australia for these purposes, on the basis that we are not required to ensure that any overseas recipient complies with Australian privacy laws.
- 8.5. With the exception of parties referred to in clauses 8.1 and 8.2 and Curtin University, information will only be provided to other parties with a student's permission.

INTERNATIONAL APPLICATION FOR ADMISSION

TO A PATHWAY INTO AN UNDERGRADUATE DEGREE AT CURTIN UNIVERSITY

- Please read important information in the 'how to apply' section of the prospectus to ensure a quick response to your application.
- This application form is for international students applying to study onshore in Australia.

Agent's stamp (in English, including address, phone, email)

Agent office code.....

Counsellor's name.....

Email address

Have you applied for Australian permanent residency status? Y N

If yes, date of application

Note: if you obtain Australian permanent residency at any stage during the application process, you will need to advise Curtin College immediately.

APPLICANT'S DECLARATION AND SIGNATURE

I declare the information I have supplied on this form and in the attached documents is correct and complete. I understand that the provision of false or incomplete information may result in cancellation of any offer of enrolment or actual enrolment. The execution of this application form authorises Curtin College and Curtin University, as part of their assessment processes, to seek further information from Australian Government agencies as necessary; this to include but not be limited to Visa Entitlement Online. I have read and understand the need to make timely payments of any fees or associated costs for which I am liable. I am aware of the likely costs of my stay in Australia and have the necessary financial capacity to meet such costs for the duration of my course. I also understand that any information I provide to Curtin College may be made available to Commonwealth and State Government agencies and the Fund Manager of the ESOS Assurance Fund, pursuant to obligations under the ESOS Act 2000 and the National Code; and that Curtin College is required under S19 of the ESOS Act 2000 to notify DIAC about certain changes to a student's enrolment and any breach of student visa conditions relating to attendance or satisfactory academic performance (ESOS Act 2000). Execution of this application form constitutes my acceptance of all the terms and rules regarding my admission and enrolment at Curtin College. I authorize Curtin College to retain my tuition fees in accordance with the refund policy if I elect to cancel my enrolment at any time. The execution of this application form authorises for the information contained in the form to be provided to either Curtin University or Curtin English should Curtin College deem this necessary.

PRIVACY STATEMENT

At Curtin College, the privacy of our students, staff and the people we deal with is very important to us. Much of the information the University collects in order to provide the services that it does, is personal information. For details of how the University will use, disclose and protect your personal information please refer to www.curtincollege.edu.au/about/policies-procedures.

Curtin College collects, stores and uses personal information for the purposes of administering prospective, current and graduate student admissions, enrolment and education. We will do so in accordance with our Privacy Policy, which is available at sydney.curtin.edu.au/current-students/rights-responsibilities-and-policies/academic-policies.cfm. We may, for example, share your personal information with the Curtin College marketing department, so that they can contact you (including by electronic means) with information about products and services that may interest you. If you do not wish to receive marketing offers from Curtin College (by post, phone or other electronic means), please tell us by checking this box.
