Why TAFE?

TAFE Queensland East Coast is part of the TAFE Queensland network, the largest and most experienced provider of vocational education and training in the state. It's a big statement, but one that's backed by research and confirms our impressive track record.

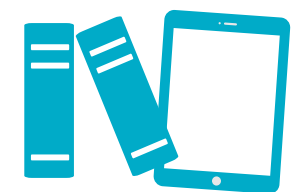

WE MAKE GREAT HAPPEN!

TAFE Queensland has a proud history of training built on more than 130 years of experience. We deliver innovative options for both students and employers.

LEARN FROM THE BEST

Our teachers are industry professionals, bursting with practical knowledge. Our teachers are what set TAFE Queensland East Coast apart from the rest with years of experience students can tap into.

FLEXIBLE LEARNING

Even if you study externally with a blended or online study mode, our teachers are readily available to provide support: face-to-face at one of our locations or even via telephone, email or videoconferencing.

WE'RE PART OF THE LOCAL COMMUNITY

Our locations are easy to access and we know the local employers and the opportunities available for students.

OUR GRADUATES GET JOBS

Nearly 90% of our students go on to employment or further study within six months of graduating.

REAL WORLD SKILLS

Our students build practical skills in real-world environments. Our facilities replicate industry standards to ensure students hit the ground running when they land their first job.

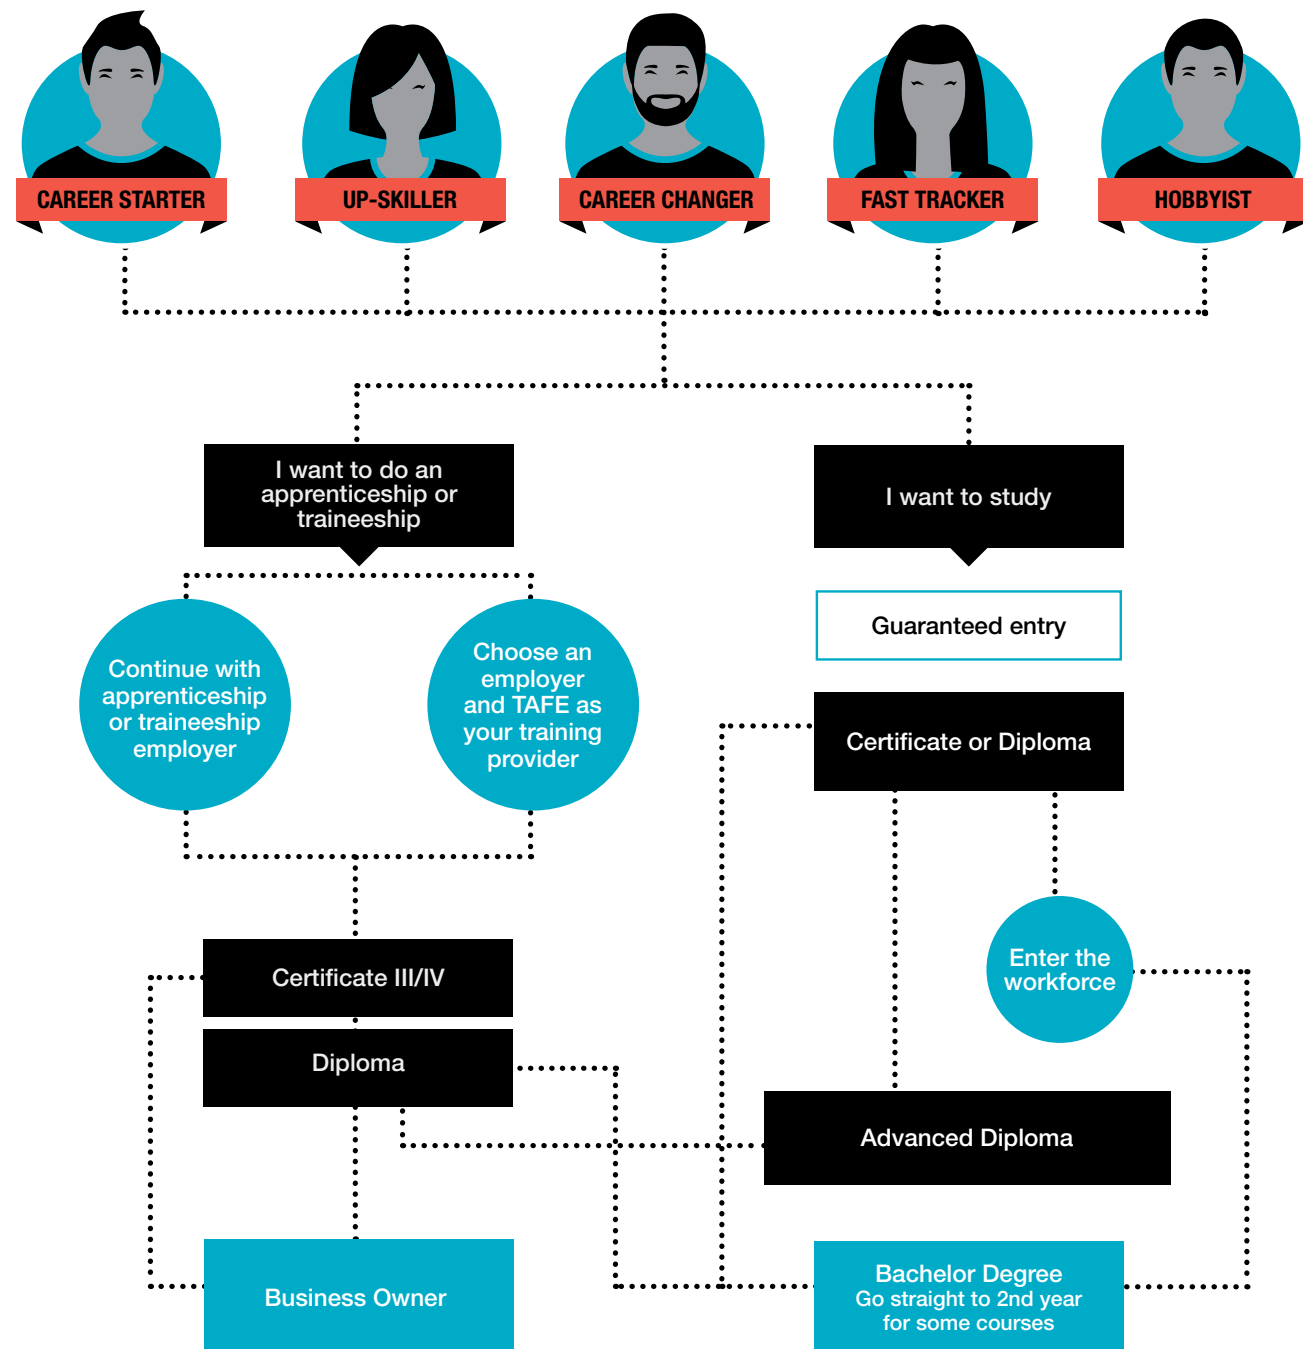

CONNECT WITH US

1300 656 188 | tafeeastcoast.edu.au

Pathways

TO YOUR FUTURE

Help is at hand

We offer a range of support services to ensure you are given the chance to achieve your best during your time with us. From helping you pick the course to suit your needs to extra tuition and guidance during your studies and assistance with assessments, we are here to help.

Enrol

READY? SET! GO!

Now it is time to get started! Just follow the easy steps below.

- 1 Choose your course and make sure you fully understand the program details and fees and you meet the entry requirements.
- 2 Read the 'how to apply' section in the course information on our website to see you if can enrol directly or if you need to apply through the Queensland Tertiary Admissions Centre (QTAC).
- 3 Register and enrol online at enrol.tafe.qld.gov.au, phone Student Services on 1300 656 188 or visit Student Services on campus.

UNIQUE STUDENT IDENTIFIER (USI)

You will need a USI prior to enrolling in your course. To create your USI, go to www.usi.gov.au. If you need help, our Student Services team can assist prior to your enrolment. Your USI will help keep your training records and results together in an online account controlled by you.

Ways to enrol

- 1300 656 188
- tafeeastcoast.edu.au
- Student Services on campus
- QTAC* qtac.edu.au

Fees are payable upon enrolment via eftpos and credit card (cash not accepted).

*For some of our courses you will need to apply directly to Queensland Tertiary Admission Centre (QTAC) at the qtac.edu.au website. If your application to enrol is successful you will receive an acceptance letter and email. Closing dates and timelines are outlined on the QTAC website.

IT'S TIME TO GET RECOGNISED

FORMALISE YOUR SKILLS WITH RECOGNITION OF PRIOR LEARNING [RPL]

Get qualified in 12 weeks or less*

Save on full cost of course fees*

Train only to fill gaps in knowledge*

APPLY NOW
tafeeastcoast.edu.au

*Terms and conditions apply RTO No: 0418 CRICOS No: 02004B

Fees and payment

PAY THE TOTAL AMOUNT

If you're not eligible for a subsidy or concession we have options for you.

STUDY NOW, PAY LATER!

TAFE Queensland students can now access VET FEE-HELP which is a financial assistance loan scheme, available to assist eligible students studying higher level Vocational Education and Training (VET) qualifications to pay their tuition fees.

PAYMENT PLANS

TAFE Queensland offers an interest free payment plan option to approved students allowing them to pay their fees in instalments over the duration of their study. Plans are only offered through Direct Bank Debit contracts and a deposit is required at time of enrolment. Terms and conditions apply.

PAY A PORTION

The Queensland Government will offset the cost of study for people who don't currently have a qualification. Evidence of subsidy eligibility is required at time of enrolment.

CERTIFICATE 3 GUARANTEE

If eligible you will receive subsidised training for one certificate III level qualification from a list of eligible courses.

FEE-FREE TRAINING FOR YEAR 12 GRADUATES

Are you a Queensland resident? Have you just finished year 12? You might be eligible for Fee-Free training. The Queensland Government will pay the full cost of a number of eligible certificate III qualifications in high-priority study areas under the Certificate 3 Guarantee and User Choice programs.

HIGHER LEVEL SKILLS SUBSIDY (HLS)

This initiative is a one-off subsidy that offsets the cost of a certificate IV or higher course. Students will need to co-contribute to the payment of the course.

The level of government subsidy depends on the demand for workers in your chosen field. Eligibility criteria does apply

FEE CONCESSION

FEE CONCESSION

Eligible students are entitled to a fee concession on Queensland Government funded programs. For more information or to find out if you meet the criteria visit the tafeeastcoast.edu.au website.

Study Options

Full time

This option is perfect if you're ready to jump in and give your studies everything you've got! Studying full time at TAFE Queensland is the quickest and most immersive way to get the qualifications you need. You'll be job-ready in no time!

Part time

Is your life already in the fast lane? If you're busy working or juggling family, we don't mind if you only want to hang with us part time. We'll still give you everything you need to get fully qualified.

Short courses

If you're looking for a brief fling, one of our short courses will satisfy your appetite. Experiment with a new hobby, up-skill for work, learn an exotic language or test the waters for a career change. No matter what you're looking for, we've got you covered.

Online

Studying online gives you access to TAFE Queensland's huge range of resources with the added bonus of learning in your pyjamas! Take your career to the next level with an online course you can complete anywhere, anytime.

Blended

If you want a qualification but don't know how to fit studying into your busy life, TAFE Queensland will bend over backwards to give you a blend of different learning options. Combine online study with a bit of face-to-face, or even workplace training, at a pace that suits you.

Apprenticeship/ Traineeship

Get the skills while you pay the bills with an apprenticeship or traineeship through TAFE Queensland. We work with employers from a range of industries to give you the tuition and formal qualification that complements your on-the-job training.

Recognition of Prior Learning (RPL)

Recognition of Prior Learning (RPL) helps you gain credit towards a qualification based on the skills you already have.

Building & Construction

STUDENT PROFILE

‘TAFE’s great—it has a friendly and encouraging atmosphere and the teachers are really easy to get along with. TAFE has trained me in a lot more of the traditional skills of cabinet making so it’s been really interesting and useful.’

Ben Lawrence

Community Services

STUDENT PROFILE

‘If you’re thinking about TAFE, just do it and ‘Make Great Happen’ in your career. If you consider the current you, versus what you could be it’s definitely worth it. I was in a real rut with work, but I LOVE what I do now and really put that down to my amazing experience at TAFE.

Working at a womens’ refuge I found the skills I learned at TAFE really crossed over and helped me gain the trust of people to let me in.’

Tracey Wiggins
Diploma of Community Services

TEACHER PROFILE

Angela Lisle

Award winning teacher Angela Lisle’s skills and knowledge have developed over 15 years with experience in both private and government sectors. Angela’s efforts are devoted to building networks amongst the Digital Media industry to provide students with real life work assessments, allowing them to interact with business and explore career opportunities locally and internationally.

Angela has lectured locally and regionally and frequently delivers addresses on social impact of games and the art of beautiful website design. Angela’s teaching style is fun and interactive to engage the students with relevant and up to date content, the experience gained in the workforce provides the students with the confidence, knowledge and skills required to enter into the ICT industry themselves.

Education, Training & Library Services

STUDENT PROFILE

'TAFE gave me the flexibility to organize my time, manage the kids, my farm and the driving to town with my partner being away. The quality of teaching, the resources and technical support TAFE provides is a relief, knowing they will do their best to help you work through your course and succeed.

Something I really appreciated is my teacher constantly orientating and customising my work to my interests or needs, so it was never boring. She also always took time to explain or guide me through my work as she did for all the students.'

Engineering, Automotive & Maritime

STUDENT PROFILE

‘My TAFE training has been excellent, working alongside a great group of guys. My teacher goes out of his way to help and I have also learnt from my fellow students; it’s a great opportunity to practice the skills we are learning. I would definitely recommend a TAFE apprenticeship. Engineering is a great trade and once finished you can do anything.’

Kyle Chay

Certificate III in Engineering Mechanical Trade (Maintenance Fitting and/or Turning) Apprentice, Maryborough Sugar Factory

CAREER OUTCOMES

- Air-conditioning and refrigeration mechanic
- Automotive motorcycle repair technician
- Automotive tyre fitter
- Boilermaker
- Diesel fitter
- Electrician
- Energy engineers/consultant
- Fitter and turner
- Heavy commercial vehicle technician
- Master 5/Skipper grade 3
- Marine engine driver
- Mobile plant technician
- Motor mechanic
- Sheet metal worker
- Water treatment plant operator/supervisor

TEACHER PROFILE

Shaun Lauder

As the coordinating teacher for Outdoor Recreation and one of Queensland's top adventure racers, Shaun Lauder teaches students to be outdoor leaders in canoeing, bushwalking, high ropes courses and mountain biking.

Shaun has fostered strong links with industry and is highly respected as a quality teacher. His passion for adventure and endurance has taken him all around Australia and the world to numerous countries including New Zealand, Thailand, Canada, USA, France and the UK.

He is passionate about supporting students to grow and develop personally during their experience at TAFE.

With all his industry and practical experience it's no surprise that students experience high levels of satisfaction and excellent graduate employment outcomes.

Hairdressing & Beauty

STUDENT PROFILE

'My experience at TAFE has been amazing, everything has been taught really well and I'm very excited for the future. Gaining new skills, meeting new people, the experiences in this course have been amazing. The teachers are very helpful and are understanding of your situation. I would definitely recommend this course to people passionate about beauty, it really opens your eyes to find out the hard work it takes to be a beauty therapist. By the time I finish I hope to work in a salon while also having my own business at home.'

Olivia Lenthall

Diploma of Beauty Therapy

CAREER OUTCOMES

Beauty therapist
Beauty salon manager
Hairdresser
Make-up artist
Nail technician
Salon manager
Senior hairdresser

TEACHER PROFILE

Ciro Barnaba

Ciro is the Lead Vocational Teacher in Hospitality in the Centre of Business, Hospitality and Language at TAFE Queensland East Coast.

For over 26 years at TAFE, Ciro has coordinated, planned and delivered training allowing students to achieve successful learning and employment outcomes. He works closely with fellow VET teachers, students and members of industry including employers, employments agencies, and community groups to supply product and professional support. As a result, over 75 per cent of his students obtain industry employment as they complete their studies.

Ciro employs innovative teaching practices to overcome the continual challenges of education and training delivery in the hospitality industry.

Nursing & Health Services
