A photograph of a modern building's exterior. The upper portion features a light-colored, horizontally-tiled facade above a dark, curved overhang supported by a single cylindrical column. Below the overhang is a large glass window reflecting surrounding trees and a clear blue sky. The lower portion of the building is made of light-colored bricks.

Welcome

There's an old saying that you can't be everything to everybody, but at Northwestern Michigan College, we sure do try. We are the true college experience for the graduating high school senior. We are the first step on the pathway toward a new career. We are the learning hub for big thinkers. We are the place you return to when it's been awhile since your last college class.

Whatever you're looking for, we're confident you'll find it here. NMC is a modern campus with amazing natural surroundings. We have small class sizes

and big opportunities. Here you'll find a place to build your skills and a place to find your calling. We offer high quality education for a low cost, and academics that will take you wherever you'd like to go. At NMC we believe that you should let your passions drive your educational choices and potential career plans. Our passion is great education, and, as the first community college in Michigan, we've been doing it longer than anybody else. We know what we're doing and we have big plans for where we're headed next. Do you?

CHOOSE YOUR ADVENTURE

College doesn't just happen inside a classroom. At NMC we have plenty of opportunities for you to get connected, build community, discover your passions and strengths, build your résumé, and get down to the business of having fun. Free concerts and events, volunteer opportunities, intramural sports, more than 40 student groups, and on-campus employment are just a few ways you can choose your college experience at NMC.

JUST FOR YOU

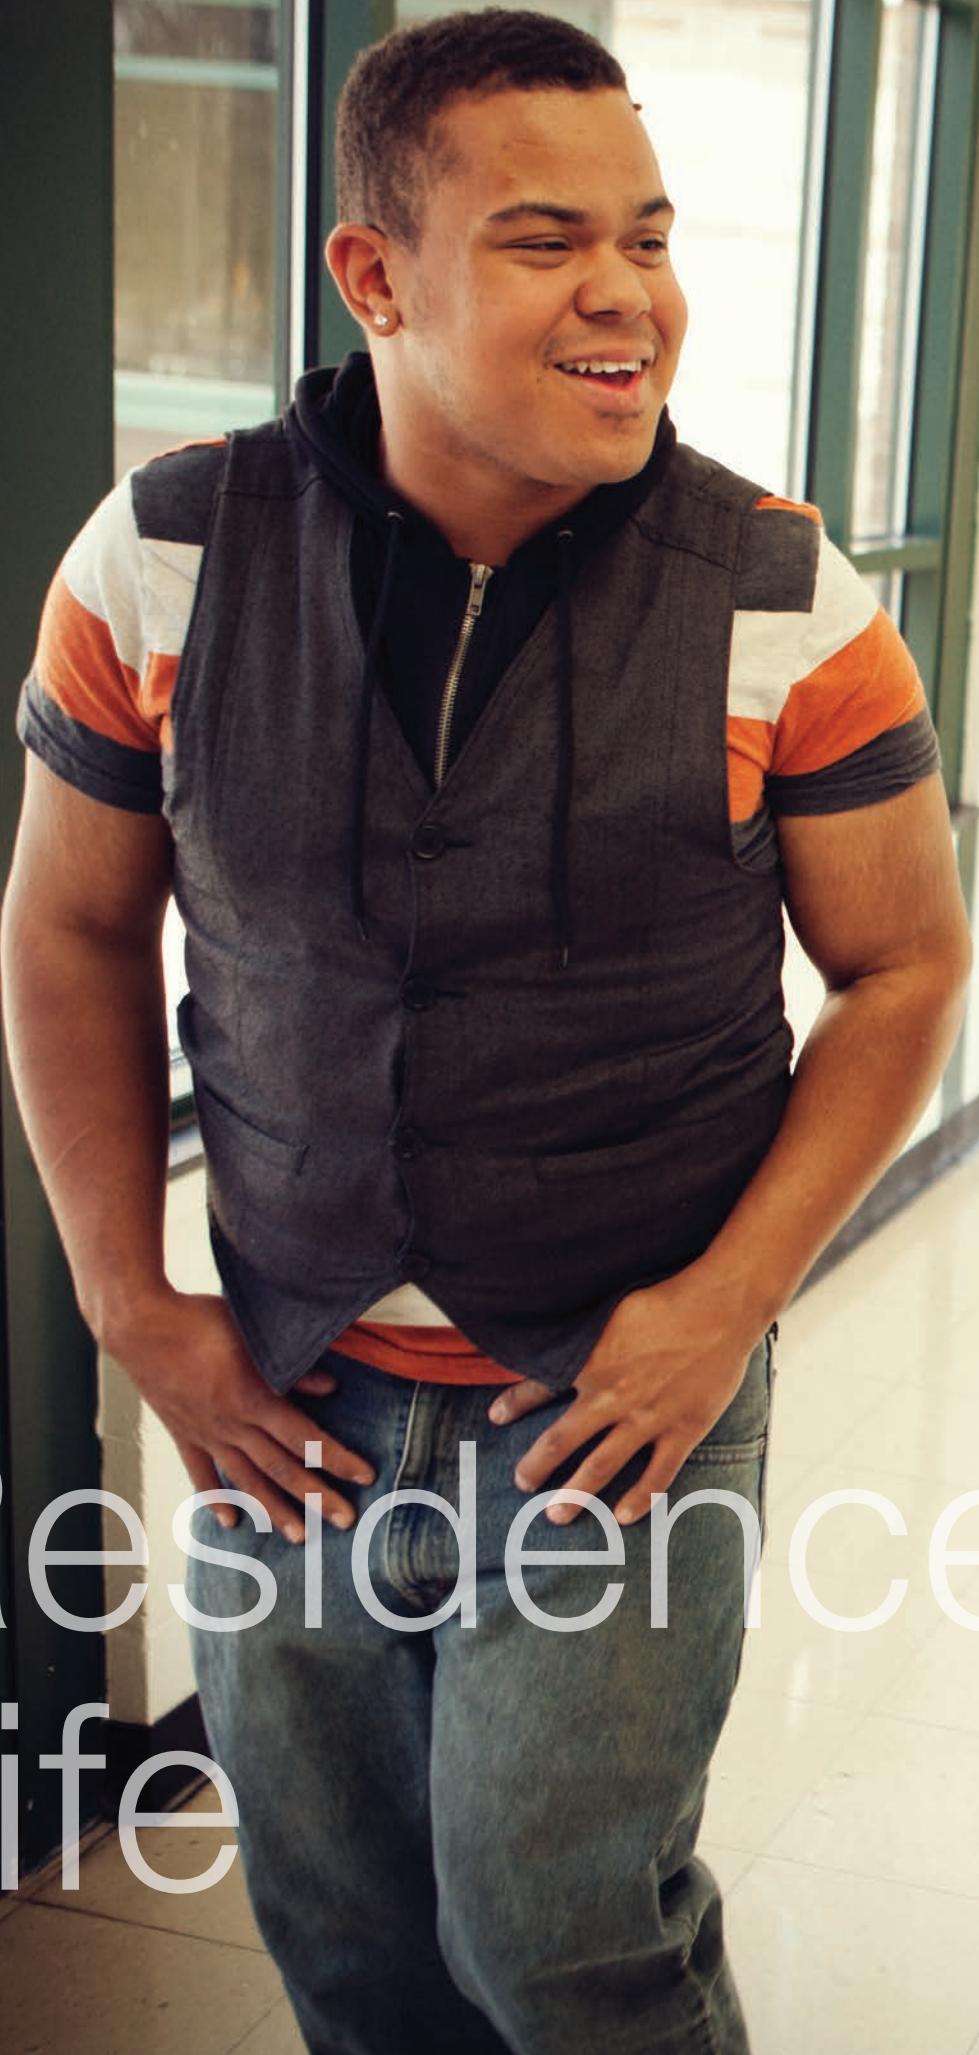

And since we know college is about more than just classes, here are some things to check out right here on campus:

- Free access to Dennos Museum Center
- Nine-hole disc golf course
- On-campus Fitness Center
- Health Services Clinic
- Intramural sports
- Sand volleyball court
- Outdoor basketball courts
- Free personal counseling
- Free access to concerts and special events
- Peer mentoring

Student Life

Residence Life

IT'S ALL IN THE HALL

Where you live is more than just a place to sleep. At NMC we've created living and learning communities—places to help you get work done when you need to and relax with new friends.

By helping you create a productive work-life balance, we're setting you up for success in and out of the classroom. In our residence halls you'll meet and live with friends from around the area and around the world. Plus, living on campus is more than convenient—instead of driving across town, your morning commute will be a walk across campus to your first class of the day. What's not to love?!

Have a family? We have you covered with apartments for students with families. Our campus apartments provide a quiet place to live and study while you attend NMC.

DINING? DELISH.

From local food Tuesdays to themed dinner nights, our on-campus dining is anything but ordinary. Grab a tasty breakfast and a cup of Starbucks coffee before your morning class in the dining hall, or stop by one of four Café locations between classes for a quick sandwich, soup, wrap, or salad. Our dining services keep it fresh with changing menus highlighting special cuisines and countries around the world.

PROGRAMS

At NMC we have more than 60 programs of study from accounting to welding. Our programs are designed to make sure you're engaged, challenged, prepared, and headed towards your degree and a job that fits you. And our faculty? Outstanding. Their number-one goal is to help you succeed.

AP AND TRANSFER CREDIT

We like to give credit where credit is due. If you have credits from another college or university, AP, or ACT scores, have them sent to NMC so we can start

awarding you college credit before you even set foot on campus.

HONORS

Kick your education up a notch by participating in the NMC Honors program. This rigorous program will challenge you academically, is chock-full of bonuses and, you get to wear a fancy stole at graduation. The benefits go beyond NMC—often our honors graduates are offered scholarships when they transfer to a four-year institution. Prestige, knowledge, swag, money—opportunity awaits.

Athens, Greece.

Go Global

YOUR WORLD REDEFINED

We live and work in a globally connected world, and NMC wants to be sure our students are fully prepared for success in a global economy and society. To that end, we're bringing the world to you. With study abroad and the international student program, you'll have the opportunity to engage in learning that knows no borders.

STUDY ABROAD

With recent trips to Costa Rica, Russia, South Africa, the United Kingdom, and Brazil, we encourage our students to get out and experience the world. We're adding new study abroad locations each year, with scholarships to help you get your travel on. Study abroad experiences

at NMC are offered to all students—regardless of program or major. Dust off your passports and see the world.

INTERNATIONAL STUDENTS

We pride ourselves on welcoming students from around the world. Each year our local students sit side-by-side with students from more than 15 different countries, providing perfect opportunities for intercultural learning and creation of lifelong friendships. On our campus, local students learn just as much about the world as our international students. All students who attend NMC can expect nothing less than the very best in higher education in one of the most beautiful settings in America.

WE'RE IN THIS TOGETHER

You're going places and we're here to help you get there. Whether you need a little extra help in math, guidance on class registration, someone to proofread your research paper, or help navigating financial aid, NMC is at your service.

We're confident that at NMC you will be able to access the tools necessary to be truly successful. To that end, we have created a network of departments and resources designed to help you develop your talents and reach your full potential as a student. Whatever you need to succeed, you'll find it here, at NMC.

Here's how we support you:

- Academic Advising Center
- Math Center
- Military and Veteran Services 
- Records and Registration
- Technology Help Desk
- Disability Support Services
- Student Financial Services
- Writing and Reading Center
- Tutoring Center
- Student Success Center
- High School Services

Student Services

A photograph of students in a classroom. In the foreground, a student with blonde hair in a blue patterned dress is seen from behind, looking towards the front of the room. In the background, other students are visible at their desks, some writing in notebooks. The scene is set in a typical university lecture hall.

University Center

START HERE, STAY HERE!

If you want a four-year degree and want to stick close to Traverse City, check out our University Center. With seven university partners, we've worked to bring the best and brightest from around the state to run bachelor's, master's, and even doctoral degree programs right here in Traverse City. You can enjoy a view of the bay all the way through your program! Another great thing about the University Center is that classes are offered at times that make sense for working students. Start at NMC, and finish in TC. Lots of people do, and the UC has already awarded more than 4,000 degrees.

SIGN UP FOR A VISIT

Schedule a visit online at nmc.edu/visit or call us toll-free at 855-FIND NMC. If you require special accommodations, please contact our office directly.

HOW TO APPLY, IN 4 EASY STEPS!
